Getting Involved

So you are looking to be a part of the university community at Saint Mary's. Lately, there have been table set-ups at various locations across campus and perhaps you're confused as to what all of these people are doing there. Many of these

groups are looking for new members to the societies which we have here on campus.

Some of the larger societies on campus are the Residence Society and Maroon and White Society

Any Newfoundlanders out there? Why not join the Newfoundland Society. Mainlanders can join too, but can only become honorary Newf's after fulfilling a number of initiations. Give it a try: it's SMU's newest society on

campus! Besides, who doesn't enjoy kissing a cod?

Other societies you will find at SMU may coincide with your field of study. Societies like the Commerce Society provide commerce related social and educational events. Planned upcoming events include a harbour cruise and a day of splatshot.

The Caribbean Society allows students

attending Saint Mary's the chance to have a good time with friends from home and meet new friends from the same place. Events like Caribanza shape this group. Upcoming events in October include a Thanksgiving dinner on October 10 and Caribbean Awareness Week, which runs from October 13-18.

For students living off campus, the Off Campus Society is in existence for you. Sometimes it seems that

White Society serves to promote school spirit. Cheering on our varsity sports teams are just some of the activities this society does. If you are looking to support your school, then this is the society for you.

There are more societies on campus than the ones that we have listed above. If you're looking for a complete listing, contact the Students' Association at 420-8700 and do your part to be a part of Saint Mary's University.

when you live off campus, it appears to be more difficult to meet people and to keep in touch with the university community. This society has a number of events throughout the year including harbour cruises, a apartment crawls and "downtown socials".
