Charter Day Awards

Who deserves recognition? It's up to you.

On April 3, 1987, the Saint Mary's University Students' Association will be holding it's annual Charter Day Banquet to show appreciation and give formal recognition to students and non-students whose efforts have made significant contributions to student affairs at Saint Mary's University.

In order for the awards to be presented in a democratic and fair fashion it is essential for the Charter Day Committee to receive your input. It would be much appreciated if you would read the following awards descriptions and fill out a blank ballot form today.

Referendum 1987

The proposed \$25.00 increase in Student Fees received majority support from the student body of SMU in a referendum on February 17th & 18th.

57% of the voters supported the increase, 43% opposed the increase.

The proposal increase required 2/3 of the voters to approve it so as to be a binding decision.

The proposed increase would have supported the Students' Association and the University Capital Campaign.

This will mark the third referendum in a row that has not acquired the necessary 2/3 approval. It has been ten years since student fees have been increased.

The Students' Association now has important cost cutting measures to contemplate. Each of these budget cuts will be serious set backs to the students' of Saint Mary's.

TYPING SERVICE

The Students' Association has started a centralized typing service. The service will operate out of the Information Desk. All assignments to be typed, are to be dropped off, and picked up at the Information Desk.

The service is designed to provide students with high quality typing at reasonable prices. Professional typists have been hired to work at the service. The Students' Association decided to use outside help rather than students because of scheduling requirements.

Work will be handled on a first come, first serve basis and most submissions are expected to be completed within a day. Assignments should be booked, at least 1 day in advance so as to assist in the scheduling of typists and to help keep the cost to students as low as possible.

Look for advertisements for the service and if you have any questions about the typing service contact: Dave Smart, V.P. Administration.
