STUDENTS with LANDED IMMIGRANT STATUS previous to registration, or with DUAL CITIZENSHIP are eligible for M.S.I. Students on STUDENT VISAS may be eligible for M.S.I. after a certain length of time in the province.

FULL-TIME NON-CANADIAN STUDENTS who are not eligible for basic Canadian medical insurance or who are not enrolled in private medical plans MUST be insured by the comprehensive medical plan (Blue Cross) which has been arranged by the Student Representative Council. (Proof of eligibility in other plans must be shown at the time of registration). The premium is payable with the first instalment of fees. Family coverage is available. This insurance covers charges for hospitalization (standard ward bed) and doctor's hospital and office visits. Each student is issued a registration card from Blue Cross with a personal policy number on it. The number is needed for obtaining any benefits. The cards may be picked up AFTER notices are posted that the cards are available.
