*Effective September 1, 1978, students in the Faculty of Commerce can no longer opt for a concentration in Business Administration. Accounting and Economics remain unchanged as possible areas for majoring and honouring, however five new options have been introduced, namely, Finance and Management Science, General Business Studies, Management, Marketing, and Personnel Industrial Relations. Thus the above figure represents those students who declared a concentration in Business Administration prior to September 1, 1978 (with a few exceptions outlined in the 78/79 Academic Calendar).

NOTE: Figures inside brackets represent the additional number of declared Double Majors in 1982-83. These figures are not included in statistics throughout the Fact Book but are here for information purposes only.
