My dear Jane,

I haven't written
for ages - just been ~~at~~
feeling in no mood. Christmas
was a very sad day for me.

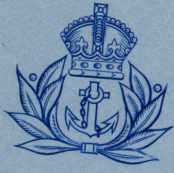

My first Lieutenant Peter
Armstrong died from a
fatal fall from the Deck. He
was a great friend of mine,
and a great loss to me. Also
other friends of mine are
missing. Life just isn't a
cheerful as it was.

However Jane dear I must
forget, because these things will
often happen in war.

Jane sweet you have been
truly good to me - I loved the
glorious gay Christmas box
from you it was sweet of you.
I can't tell you how much I
appreciate your present, also
the art magazines. They will
now be a very kind little thing.
I loved it.

My love I might have
hoped of coming to Canada
sometime in June, but don't
count on it, as things are too
grave to take leave as you
wish, but I have hopes.

Again Janie thanks for
the lovely gift presents. I
love everyone of them.

Give my kindest regards
to your mother & father. I
do hope they are in the best
of health.

I love you Jane and wish
I could be with you. Life would
be much more happier.

Heaps of love and kisses
from your shepherd

Tony
