9. THE COMMUNITY DOESN'T SUPPORT THE OCCUPATION

(Mary Clancy has received very few letters)

- we came to the conclusion some time ago that Mary Clancy had absolutely no power or influence so why direct correspondence to someone who is unable to do anything to help resolve the situation?
- The Legislative Assembly has unanimously endorsed two resolutions and the Regional Municipal Council unanimously supported another on behalf of their constituents.
- Several thousand signatures have been collected on petitions
- Several thousand ballots from constituents who have indicated they will vote for "Someone Else" in the next election have been collected
- innumerable letters of support have been sent by individuals and community groups
- hundreds of community members have been involved in the occupation through sitting in, providing meals, financial contributions, etc.

10. WE NEED TO GET THEM OUT OF THAT CENTRE AND BACK TO THE TABLE SO SERVICES CAN BE RETURNED TO THE COMMUNITY
