CHINESE STUDENTS' ASSOCIATION

Close your eyes and visualize a boat with a crew of five battling against the rough winds and the murderous waves of the ocean.

This was the exact scenario faced by the Executives of the Saint Mary's University Chinese Students' Association. One question was constantly on my mind: "Can we survive the perilous ocean?"

Through the determination, dedication, and perseverance of the Executives, the boat was guided safely to shore without damage.

When the Association was formed 17 years ago, a threefold objective was laid down; namely (1) to organize activities for the Chinese students of the University, (2) to foster better relations with Canadians and other foreign students, and (3) to try our best to contribute to the well-being of the University.

Activities in 1987/88 for members include strawberry-picking (July), apple-picking (October), a Halloween party (October), an Awards Reception (April), and a farewell party for graduates (April). The highlight of the Association's activities was the 1988 Chinese New Year Banquet where we shared our culture with the communities of Halifax and Dartmouth.

1987-88 saw a combined effort by the Association and the Caribbean Society to sell balloons for UNICEF. A food-fair in October enabled us to contribute our share to the University's Capital Campaign. The con-

tribution was not in hundreds or thousands of dollars but we felt great!!

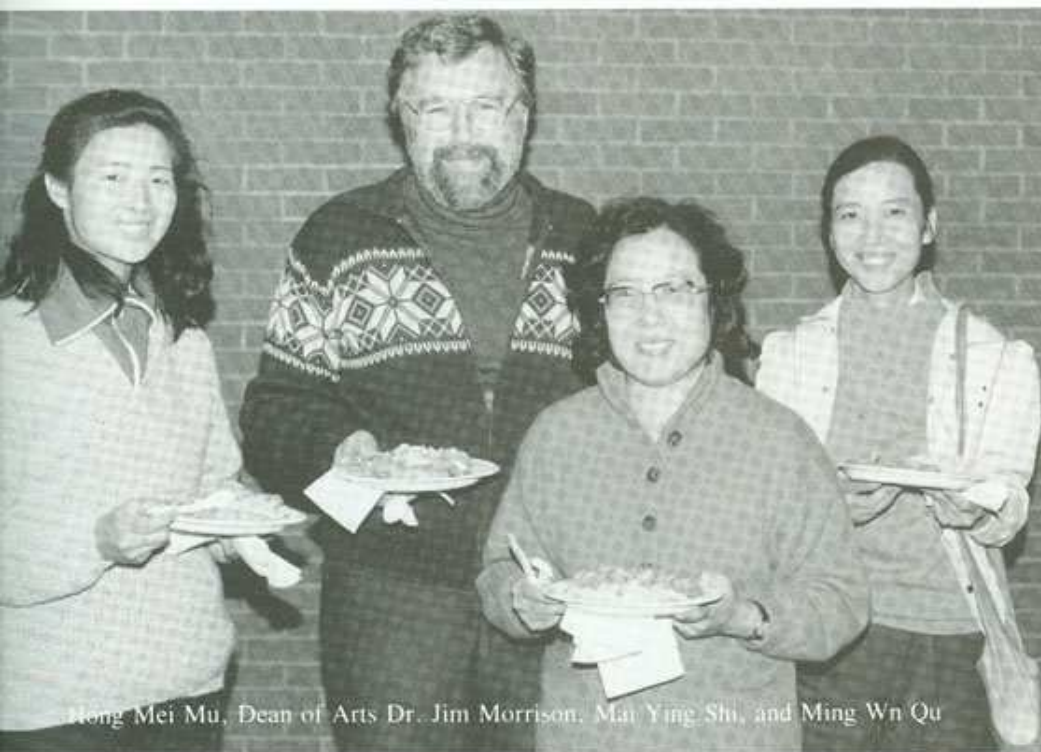

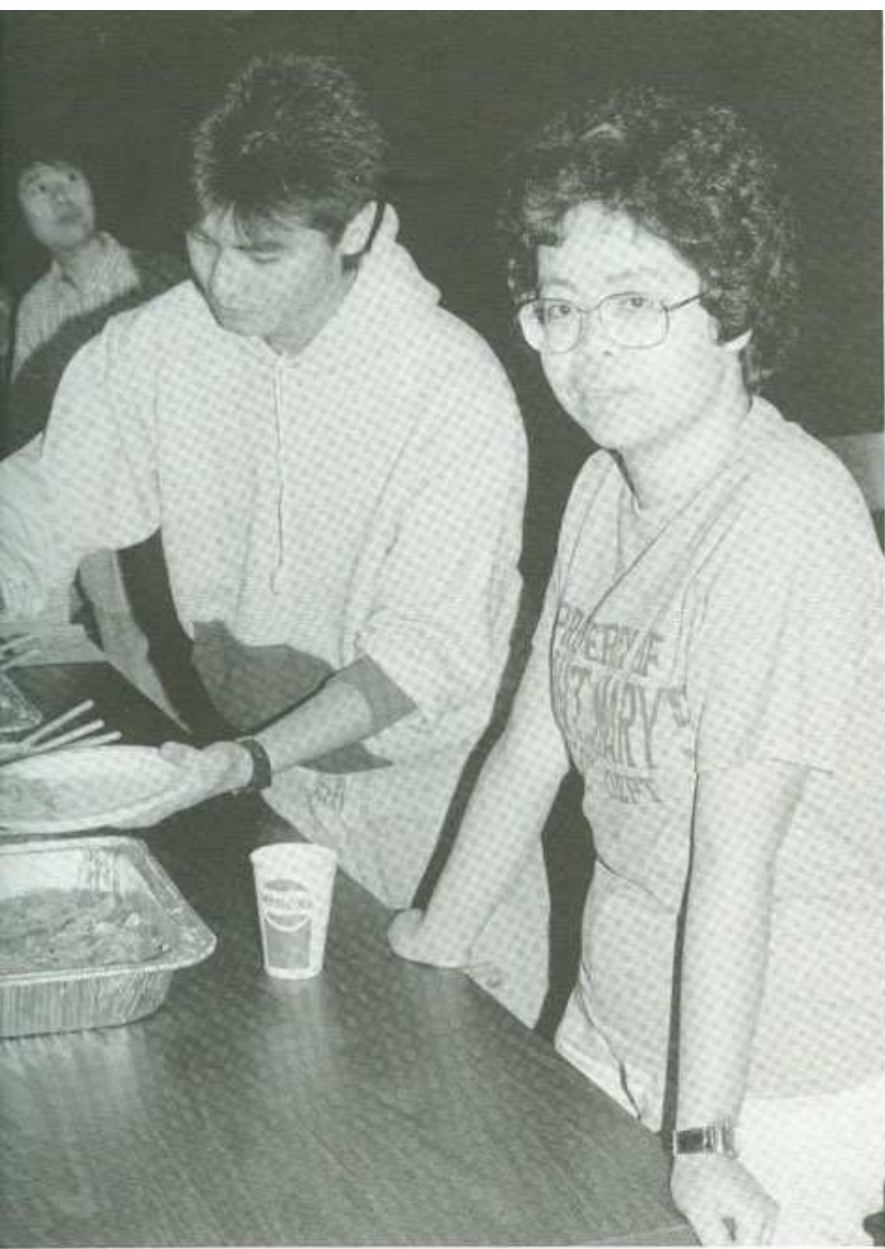

1987-88 was also the year when we regained the Inter-University Chinese Soccer Tournament Championship and once again, emerged as the badminton champs at the Chinese Atlantic Winter Games.

The year was an incredible success and it would not have been possible without the assistance and support of the following persons:

BEN LOUIE	(V.P. EXTERNAL)
DANNY LEUNG	(V.P. INTERNAL)
LOONG-CHIU, WONG	(TREASURER)
MAURICE SEE	(SPORTS DIRECTOR)
DR. KENNETH OZMON	
DR. JAMES MORRISON	
MR. KEITH HOTCHKISS	
MR. DEREK JOELL	
MS. ANNE WEST	

To all these wonderful people, a very sincere "THANK YOU!!!!" Special Thanks to Michael Mah, our Public Relations Officer.

SMU DRAMA SOCIETY

CARIBBEAN STUDENTS SOCIETY

My year as President of this society has been a rewarding and enjoyable experience. In September, I along with the 1987/1988 Executive Team challenged our members, as students of this university and as ambassadors from the Caribbean, Bermuda, and Canada, to make this society and the year the best it has ever been. Through their degree of participation and the quality of their input we achieved our objectives and goals. Our success was fully realized when we were awarded Society of the year at Charter Night.

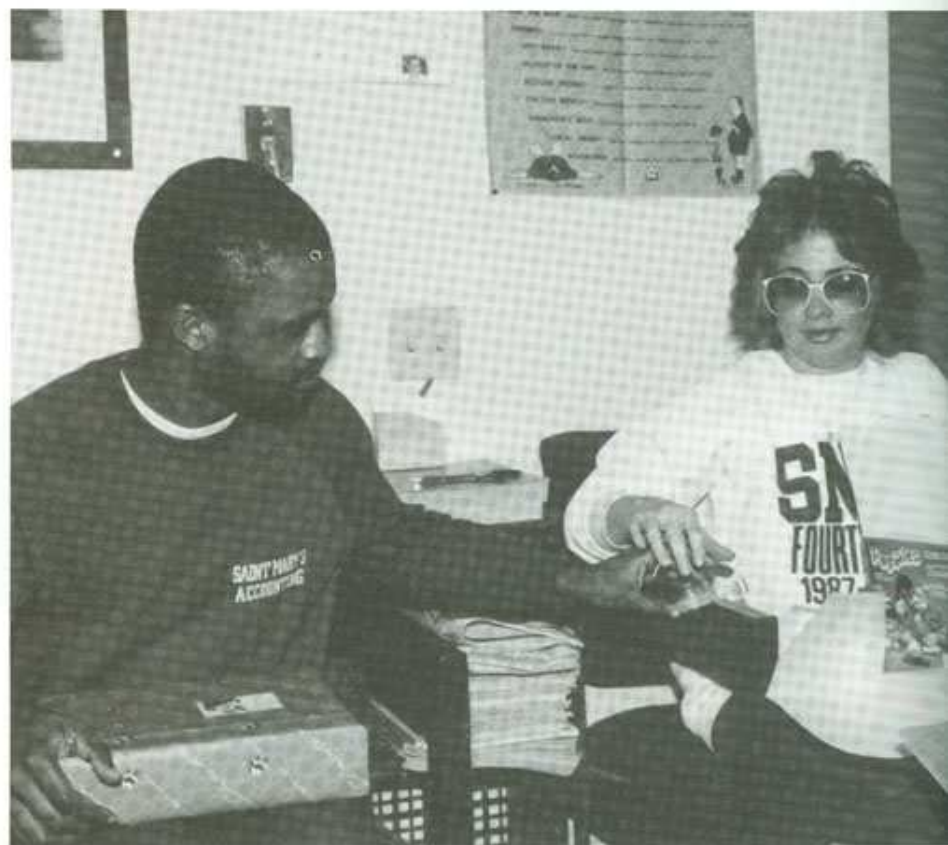

This year our society offered a more diverse program ranging from a cultural and social to a more business and educational focus which expanded on campus and extended to the Halifax Community. Activities included a vital sports program, apple picking, the annual Fashion Show and Dance, a Caribbean Cafeteria Night, and Adopt-a-Child program, various guest speakers on issues of immigration, employment, scholarships, resume writing, and of course the extravaganza CARIBANZA.

We are proud of having been awarded "Society of the Year". As President, I wish to thank all who lent their support and contributed to our success. (Marie Joell: President SMUCSS).

The plaque unveiled. L to R: Hon. Tom McInnis, NS Education Minister, Hon. John Buchanan, NS Premier, Ken Downie, Chairman of Saint Mary's Board of Governors, Dr. Kenneth L. Ozmon, Saint Mary's President and Hon. Alan Abraham, Lieutenant Governor of Nova Scotia

September 18 and 19 saw a busy schedule of events designed to mark the official opening of The Tower, Saint Mary's magnificent new Fitness and Recreation Centre.

On Friday evening Dr. and Mrs. Ozmon played host to a cheerful gathering of faculty and staff members in *The Courtside*.

The following morning a

distinguished gathering attended opening ceremonies in the Fieldhouse which included both a plaque unveiling and a ceremonial ribbon cutting. After the ceremonies the guests enjoyed a reception in *The Courtside* and many of them stayed on to watch the Huskies defeat St. Francis Xavier in the first football game of the season.

CONGRATULATIONS
TO THE
CLASS OF '88

Saint Mary's University
Students' Association Inc.

Dear Fellow Students:

Occasionally the path becomes clouded and objectives become camouflaged by obstacles. This was certainly the case for the 1988 Santamarian, which exhausted every deadline imaginable.

This book is a departure from the normal format for a Yearbook, lacking some details of our year together. Nonetheless, despite our failings, we were able to provide a Yearbook.

It is with deep apology and regret that we acknowledge our delay. Our sincere hope is that the publication will serve as a timepiece of the 1987-1988 year.

Best of luck in your future endeavors and may all your memories of Saint Mary's University be pleasant.

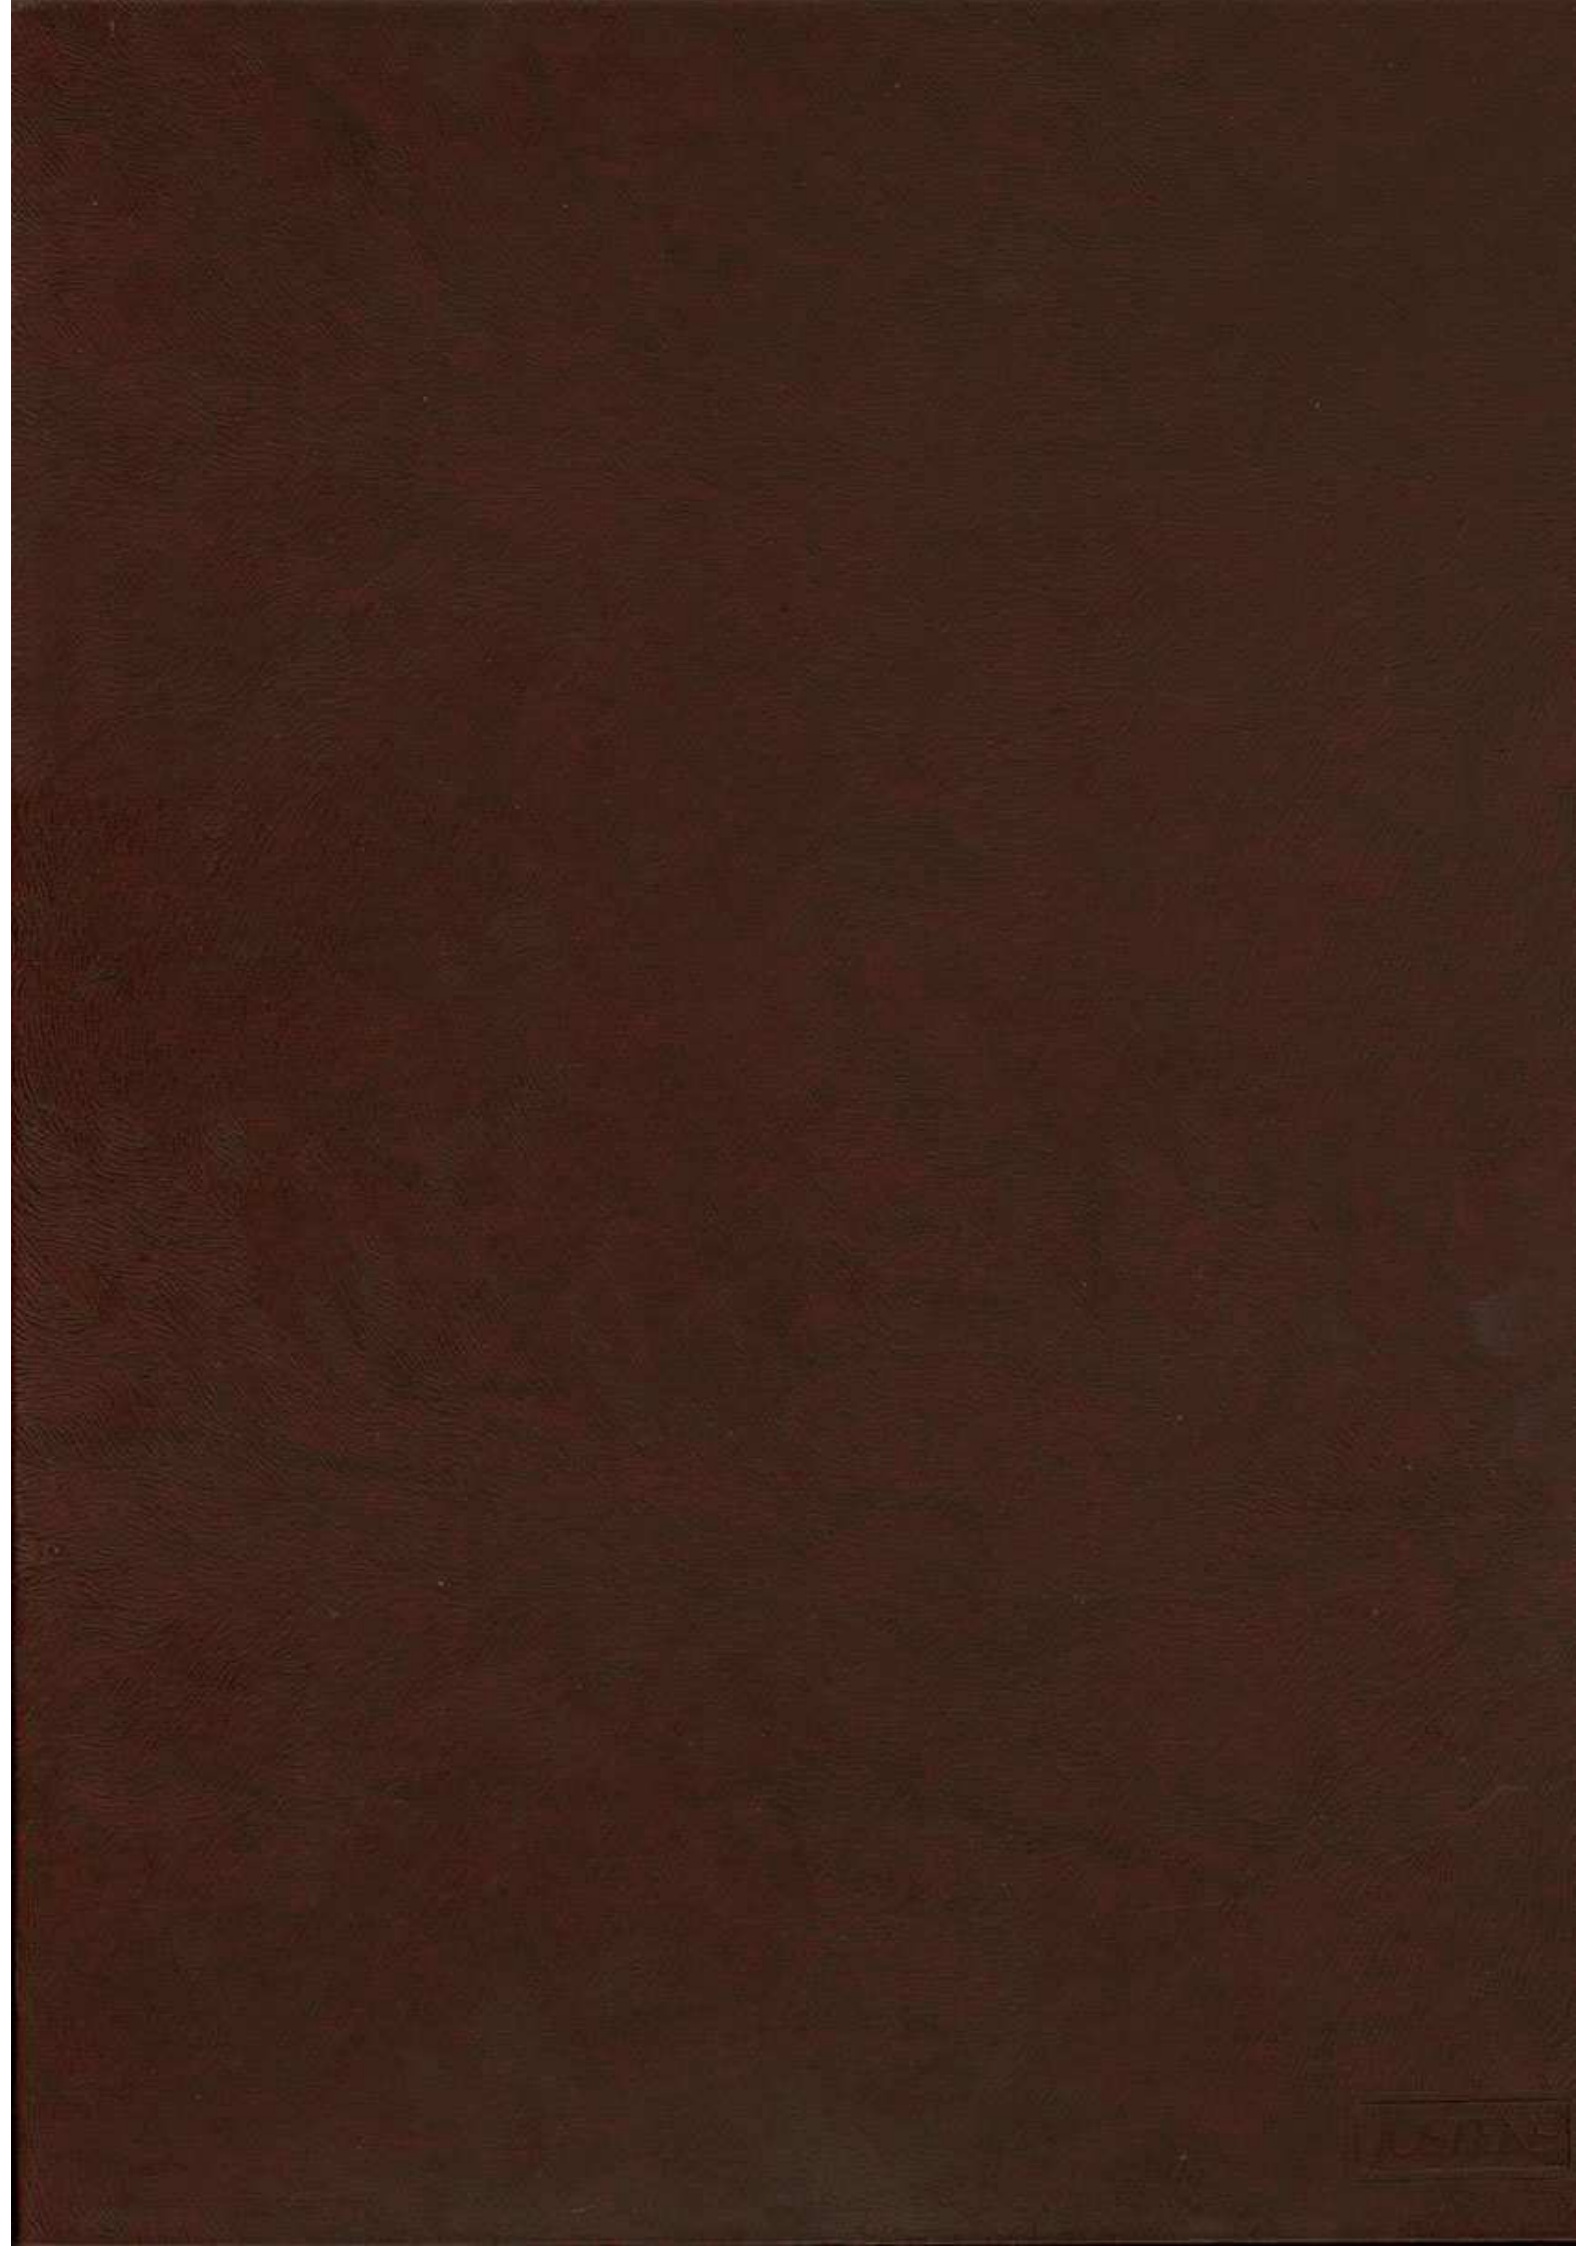

Yours truly,

The Students' Representative Council (1987-88)
