## SAINT MARY'S, MOUNT, CO-HOSTS TO EIGHTH C. F. C. C. S. CONFERENCE

### Freshmen Take Their Bumps Well

Initiation Week once again started the University Year on a humorous note. The Freshmen, like all their predecessors, ran the gamut of tomfoolery to the delight of the upperclassmen.

The Sophomores showed great skill in welcoming the newcomers to Saint Mary's. They subjected the Frosh to all the indignities befitting their lowly position during that initial week.

Paul Flinn and Bill Bailly won many fans with their lively rendition of "Mary Had a Little Lamb" over Penthouse Party on Thursday night.

"Goof" Garceau provided many laughs with his hilarious antics, and when he left the horror-room on Thursday, he was certainly Number One Candidate for the "It shouldn't happen to a dog in any year" award.

Frank Baldwin reported that he was quite pleased with the job that a couple of Freshmen did in giving his office a very thorough cleaning.

Throughout the week all the Frosh proved to be competent shoe-shine boys. They also took great pride in practising the virtue of charity by handing out cigarettes and chewing gum to the upperclassmen.

The week of fun and frolic concluded with a socially successful and well-attended dance.

Our congratulations to all the Sophomores and members of the Committee, Jack Carey, Ed Murray, Joe Murphy, Don Reardon and Doug Murray, who put time and effort into making the Freshman Week the success which it was. A good time was had by all.

### C.F.C.C.S. Dance Big Success

The first big dance of the year was one of the best Saint Mary's dances to be held in a long time. The dance, held at the Lord Nelson Hotel in honor of the C.F.C.C.S. delegates was a big success socially though not so successful financially.

To the mellow strains of Les Single, the delegates were treated to a display of Halifax hospitality which they will not forget for a long time. Those who missed the dance have our deepest sympathy. To the dance committee, congratulations are in order for a job we think well done.

### Mantin And MacDonald Head Journal

HALIFAX, October 14 — Father Fogarty, Director of Student Publications, announced last night that the Journal staff lists were ready for publication.

"A" staff is to be led by Dennis Mantin, last year's front running contributor to the Journal. He is ably supported by feature editors Don Cable, Brian Herson and Lorne Hemphill, who will handle the front page and feature stories. His long time friend and champion, Charles "Chuck" Jones will edit his sport page with the valued assistance of Frank "Spike" Matthews.

Mr. Eric Theriault, newly appointed to the teaching staff of the University, will be faculty overseer of the business departments of both staffs. Student business manager for staff "A" is Bob O'Connell, who will be aided by newcomer Freshman John Garceau. Harvey Muise has been named circulation manager and Victor Cleyle, copy editor. Reporters include Gerard McNeil and John Whelley.

Staff "B" Editor-in-Chief is Ross MacDonald already prominent in undergraduate affairs. His feature editors are Peter Heenan, Bernie Murphy and Wilbert Martel. "B" sports will be handled by George Hanson, with the assistance of Harley Frowd. Jim Whelley will take directions from John Martin, the business manager, and circulation

and copy editors have been identified as Tom Smith and Bill Jerret. Darrell McGuire and Stan McFadden have been appointed to report for "B" staff.

Art editor for both staffs easily fell under the care of Ron Noiles. And Peter MacGillvray has accepted the office of staff photographer.

The Journal will appear fortnightly as before from October until mid-May, except for the month of December when only one issue will appear. The members of both staffs are anxious to give you a better-than-ever Journal. Contributions from students are always welcome. Criticism that is constructive and in good taste is also most welcome. It is your paper. It is up to you to make it better every year.

### Bernie Murray, Bill Sullivan Elected To Federation Executive

By ROSS MACDONALD

The eighth annual conference of the Canadian Federation of Catholic College Students opened in Halifax on Friday morning, Oct. 17. Delegates from member colleges, from Halifax to Windsor, Ont., were entertained by Saint Mary's University and Mount Saint Vincent College, co-hosts for the occasion.

The conference opened with a Pontifical High Mass, offered by Most Reverend A. B. Leverman, D. D., Auxiliary Bishop of Halifax. Following the Mass, sessions opened at Mount Saint Vincent with addresses of welcome by His Worship R. A. Donahue, Q.C., Mayor of Halifax, Reverend Sister M. Rosaria, President of Mount St. Vincent College, and Very Reverend F. J. Lynch, President of St. Mary's University.

The first business of the day was the adoption of a new constitution replacing the old, which contained contradictions, poor English, and apparent breaches of Canon Law. The new constitution, proposed by the retiring executive, was adopted as it stood, with discussion and amendment of particular articles following. One of the most significant changes in the new constitution is that the National President of the C.F.C.C.S. will preside at the National Conference. Under the old constitution the President of the Student Council of the Host universities presided at the conference. In accordance with this, Ann Bradley, President of the Student Council of Mount St. Vincent College, assumed the chair for the opening sessions. Another change was of an executive nature; the office of Secretary-Treasurer was split into two positions, past experience showing that the Secretarial duties alone were almost too much work for one person. To alleviate this condition the Treasurer has been assigned the duty of aiding the Secretary wherever possible.

The sessions moved to Saint Mary's University on Saturday, where Mass was offered by Very

Reverend F. J. Lynch, who addressed the delegates, welcoming them to Saint Mary's. Peter Heenan, President of the Student Council, took the chair and the delegates went to work on the delegation and operation of the National Commissions. Saint Mary's has undertaken the Travel Pool and the Liturgy Commission.

Rev. P. Tizsai, S.J., recently returned from Communist China after thirteen years of missionary work with the Chinese, spoke to the delegates and observers about the Communist threat.

Following this address more business was discussed. Relations with Pax Romana, subscriptions to the official paper, possibilities of a more North American flavour were among the topics. It was decided on the recommendation of the executive to abolish the General Secretariat as no great need or use could be seen for it.

Miss Terese Martin, B.A., addressed the delegates on Catholic Action and the Lay Apostolate. Miss Martin is now taking post graduate studies in the field of Catholic Action.

Sunday saw the conference again at Mount St. Vincent. The morning started with a Communion Breakfast, at which Mr. J. E. Lynch, B.A., B.E., was the guest speaker. Mr. Lynch, at present teaching at St. Patrick's High School, was formerly with Saint Mary's High School.

The election of the new executive followed the final discussion on the new constitution, which had been deferred. The officers elected were: National President — Lorna Jean Lawrence, Mount St. Vincent.

Vice-President — Bernard Murphy, St. Mary's.

Secretary — Maureen Mantin, Mount St. Vincent.

Treasurer — William Sullivan, St. Mary's.

The National Conference was invited to meet next year at Assumption College, Windsor, Ont. The new executive on behalf of the C.F.C.C.S. accepted the invitation.

Among the new business discussed was a proposal to combat the publishing and sale of obscene literature. It is to be hoped that this campaign may prove successful.

A vote of thanks was extended to the Archbishop, the Mayor and the city of Halifax, the faculties, and students of the host-colleges, and all others who made the Conference such a success and made the delegates' stay in Halifax a happy one.

Rev. Patrick Malone, S.J., Dean of Studies, and Prof. H. G. Beazley, Dean of Commerce left Wednesday for Montreal where they will attend the Fourth Annual Conference of the Institute of Public Administration, of Canada.

# Saint Mary's JOURNAL

Official undergraduate newspaper of Saint Mary's University, Halifax, Nova Scotia. Published twice monthly during the school year except December by the students of Saint Mary's University. Second class mailing privileges pending. Subscription price \$1.00 a year. Advertising rates on request.

## JOURNAL "A" STAFF

EDITOR: DENNIS MANTIN

Sports Editor ..... "Chuck" Jones  
 Assistant ..... Frank Matthews  
 Business Manager ..... Bob O'Connell  
 Assistant ..... John Carceau  
 Feature Editors ..... Brian Herson, Lorne Hemphill  
 Don Cable  
 Art Editor ..... Ron Noiles  
 Circulation Manager ..... Harvey Muise  
 Photography ..... Charlie Copelin  
 Copy Editor ..... Vic Cleyle  
 Reporters ..... Girrard McNeil, John Whelley

This is the first issue of the Saint Mary's University Journal, your paper, planned and edited with you, the student in mind. This is your opportunity to say something — have something to say! All suggestions, essays, poems, doggerel, and criticisms are welcome as long as they are in good taste and presented to the editor in writing.

The Student Publication Room is for the sole use of those directly connected with the Journal. Knock before entering.

The following is a list of those activities and their respective points through which any student may qualify to win either or both The Student Council Shield or the Athletic "M".

The Council shall award points up to a maximum of fifteen to students who are unable to gain points in exceptional capacities, but who serve on dance committees, and so on. Also for members of the Glee Club, Philosopher's Academy, and others.

Students who feel that they are entitled to a Student Council Award Shield will submit their claim to the Student Council, listing their activities and their point entitlement. They should also list all other meritorious work for which the Council could award points.

### The Award System

Activity	Points
Student Council President	100
Faculty Presidents	60
Senior Debating Society President	50
Sodality Prefect	50
Editor of Journal	50
President of A.A.A.	50
<b>Debating:</b>	
Vice-President	25
Secretary	25
Faculty representatives	10
MIDL Debaters (win)	25
MIDL Debaters (lose)	20
Winner of Public Speaking	20
Winner of Radio Speaking	20
<b>Faculties</b>	
Vice-President	25
Secretary	20
Treasurer	20
Faculty representatives	5
Secretary-Treasurer	25
<b>Journal</b>	
Associate Editors	25
Sports Editors	35
Business Managers	35
Pics Editor	15
Photographers	5
Cartoonists	10
Circulation Staff (each)	25
Reporters	10
<b>Collegian</b>	
Editor (if one)	30
Editors (if two)	20
Business Manager	25
<b>A.A.A.</b>	
Vice-President	20
Secretary-Treasurer	15
Faculty Representatives (if one)	10
Faculty Representatives (if two)	5
<b>Freshmen</b>	
Representative on Council	25
Executive (each)	10
<b>Miscellaneous</b>	
Band Leaders	10
Cheer Leaders	15
CFCCS	10
High aggregate student (yearly)	10

100 points are needed for a Student Council Award Shield. The Block "M" will be awarded as in past years.

## Launch Second Semester Of Adult Studies Series

### University Adds New Courses To Fall Semester

Saint Mary's University launched the second semester of its Adults Studies Series for 1952. Registration showed a good increase to date.

Among the courses contained or repeated from the first semester of last March are "The History and Meaning of Art" by the Rev. A. Czako, Ph.D.; "The Credentials of Christianity" by the Rev. A. C. Wilson, S.J.; "The Church and Culture" by Very Rev. Frederick J. Lynch, S.J., President of the University; "Modern Immigration" by the Rev. Anthony Deslauriers, S.J., and other lectures in the Variety Series given each Thursday evening.

In addition, the Adult Studies Series, Fall Semester, offers a set of 10 lectures on "The Cooperative Movement". This course, under the guidance of the Extension Department of St. Francis Xavier University, covers some main points in cooperative thought and cooperative organization. Rev. M. J. MacKinnon, Director of the Extension Department of St. Francis Xavier University, who opened the series on Tuesday, will continue his lectures on the same evening next week. Members of local credit unions find this course especially helpful.

A new Wednesday series is "Education Today". Maurice Keating, Assistant Supervisor of Schools, brings parents and educators an opportunity to hear and discuss ideas and trends at work in the schooling of today's children.

Another new course, also offered on Wednesday evenings, is "The Art of Communication for Business People". Here the Rev. Daniel Fogarty, S.J., applies the science of logic and straight thinking, practical psychology of human behaviour and the art of spoken English to the business of every day. A large number of business people, especially connected with personnel work, have registered for the series.

"Public Speaking at Union Meetings" is being repeated from the first semester. Union members have the opportunity to learn and practise the art of expressing opinion at public gatherings. The Rev. M. J. O'Donnell, S.J., is in charge of this course.

An interesting group of three lectures entitled "The Bible in Kodachrome" began on Thursday last and continues on the next two Thursday evenings. The lecturer, the Rev. Henri Cormier, C.J.M., S.T.L., S. Scr.L., has recently returned from field work in the Holy Land to take up teaching duties at Holy Heart Seminary.

### Registration Increases

Miss Anne Walker, Registrar, released statistics which indicated a substantial increase this year in registrations at Saint Mary's University.

The figures show that there are 222 students registered to date. This is an increase of 23.2% over last year. The most notable expansion is in the number of resident students of whom there are 43 for a 115% jump since 1951.

A breakdown of the figures discloses that Arts have the largest Faculty increase. In Arts I, there are 28 students; Arts II, 21; Arts III, 23; and Arts IV, 9. There is also one student registered for special Arts course. This totals 82 for an increase of 26%.

The Engineering Faculty has experienced the same influx of students. With 31 in Engineering I, 25 in Engineering II, 17 in Engineering III and 3 taking special Engineering lectures, the total for the Faculty has been raised to 76 and a 25% jump.

The registration for Commerce rose 5% with 56 students attending lectures. This is broken down into Commerce I with 23; Commerce II with 24; Commerce III with 11 and Commerce IV with 7, with one attending special lectures.

At present 7 students are registered in the new honors science course, 6 in Freshman, 1 in Junior year and 3 in the Engineering Science Course term. There are also 2 students registered for Journalism along with their Arts.

In the individual years, the Freshman class shows the greatest increase as its total has been raised to 88, 29% more than last term.

In the High School there is also a substantial increase in the number of resident students. In 1951 there were 29 boarders. Registered now are 41, an increase of 41%. Of these 41 students, 32 are new arrivals.

### The Sport Store

### SYMPATHY

A second-year student of Saint Mary's University, James Willard Woodroffe, met instant death on September 6, in an accident near Meaford, Ontario.

The tragedy occurred when an Army truck in which he was a passenger went out of control and left the road, crashing into some trees. A member of St. Mary's Contingent of the C.O.T.C., he had been training at Camp Borden, and was returning to camp when the accident occurred.

Jim, the son of Mrs. Elsie Woodroffe and the late James Woodroffe, was enrolled in the Arts Faculty at Saint Mary's. He was an Honor Graduate of St. Patrick's High School, having won several prizes, including the Knights of Columbus Scholarship.

While at St. Pat's he was outstanding in the Cadet Corps, and at Camp Borden he showed up very well in all events. Quiet and friendly, and a conscientious student, Jim was well liked by all who knew him.

The President, Faculty and students of the University extend their sincerest sympathies to his mother and to his relatives and friends.

## On and Off the Campus

You know, it's absolutely ridiculous. I mean the inane notions that some of our supposedly brighter students have. Take, for instance that incident in the Debating Theatre last Thursday when Stanislaus MacFadden exclaimed in all seriousness that since Nova Scotia is no good for anything else anyway, we might just as well turn it into a NATO test ground for the atom bomb . . . "it would be interesting to note the effect of it upon the harbour".

Here's a note of interest for all you lonesome males: Ray Craig has proposed that A Lonely Hearts Club be inaugurated in the University. Do you suppose that Friday night's catastrophe has anything to do with his proposal? It seems that Ray, when he called for a certain Marie, found to his dismay that she had already left (with someone else). What a shame!

Heard some talk circulating after the Brooklyn-New York series . . . It seems that Johnny Martin and Bob Chaisson are seeking a backer for their proposed expedition to the Wailing Wall in China. At the moment, Ducky Reardon appears to be the only person with sufficient capital to finance such a trip . . . half a dollar here and there sure adds up, doesn't it, Duck?

The only man in the University who stands at attention when he hears "The Squid-Jiggin' Ground", Tommy Smith, is currently "cleaning up" in the stock (canned foods, vegetables, etc.) market. Smitty, now one of the minor links in the Dominion Store chain, swings a mean broom. Thinking of taking up curling, Tom?

At least one of the female observers at the CFCCS almost had a glimpse of dawn on Bedford Basin early Saturday morning. Ross MacDonald and Don Cable stopped off at the Bowling Alley on their way home from the dance.

Some gentleman who claimed to be a Hollywood Talent Scout was in the other day. Perhaps Miss Saint Mary's (Choo-choo-Trainor) will be offered a screen-test someday. Only if the Hay's Office doesn't get their hands on him (or should I have said "her"?) first. Miss Choo-choo tells me that she had over a dozen offers to be driven home after the show . . . lucky me, I had the Cadillac that night.

Americans are pretty tough customers to please, mainly, I suppose, because they feel that if a thing is American, it must be the best. However, this just about takes the cake: A week ago last Saturday, 'Goof' Garceau, who boasted a 95 average with a professional team in Pembroke, Mass. (wherever that is) bowled at Conn and Martel's Bowling Academy, racking up the stupendous score of 60, and made a hasty exit, vowing never to bowl in Halifax again. Tell me, 'Goof', did you get that 95 in five-pins?

While we're on the unsavory subject of Boarders, it has been brought to my attention that Wajih Diab is quite a handyman with his "dukes". Why not try for the Golden Gloves; you might make a better showing than you did at the Garden View.

Well, that's about it for this Issue. Bon Ami (that is the French for "I'll wash your window").

# SAINT MARY'S BOW TO MOUNTIES

## From where L I SIT

by CHARLIE "CHUCK" JONES

Well, the Boarders are back in again. For the first time in several years, this group, though not recognized as an actual Faculty, will be permitted to enter teams in each field of Inter-faculty sport. Such was the decision of the A.A.A., reached after Ron Dulhanty and Bill Jarett had presented the views of the Boarders' society. Whether this will be a smart move or not, only time will tell, but the suggestion has at least two redeeming features. The fact that more students will be able to participate, along with the stimulation of interest, should easily be sufficient to render their inclusion worthwhile. Where the Boarders are concerned, rivalry always reaches a high pitch, and this year should be no exception.

There will be no team from Saint Mary's University in the Maritime Intercollegiate Hockey League this winter, according to word received from Fr. O'Donnell last Thursday. Because of the M.I.H.L. rules which render players in Junior or South Shore Leagues ineligible, the "powers that be" have decided that an entry from St. Mary's would not be of a high enough caliber to make a satisfactory showing in an Intercollegiate League. However, and this should be good news for the majority, there is a slight possibility that the North West Arm League will, if Tech should happen to withdraw, feature a team wearing the maroon and white.

Once again the Halifax Forum will be the weekly scene of Hockey, Fisticuffs, and what-have-you for the Interfac and Intramural Leagues functioning in the University. As was the case last year, four hours on Saturday afternoon have been booked at the said ice-house, which will be apportioned as follows: One hour for Interfac, one for Intramural, one for Senior High practice, and the remaining hour for whatever College team there may be. Fr. Weagle, an ex-Saint Mary's student, and now a member of the Faculty, will be coaching the Senior high sextet, while Robert "Puddy" Reardon, himself a veteran of the ice-lanes, will coach the University aggregation.

On to Basketball. A noticeable dearth of Juvenile and Junior entries in the City Basketball Leagues will no doubt have repercussions here at the College. For those over Junior age, the best we can hope for at the moment is a few exhibition games against opposition as yet unnamed. The Juniors, too, will have their troubles. With only two entries in the Junior League, it's doubtful whether or not there'll even be a League. There is a solution... the Juniors will perform in the Intermediate loop until January 1, and then revert to their former status to take part in the playoffs for the City championship. The Juvenile situation is still in the doubtful stages; no one seems to know exactly where they'll fit. Meanwhile, the gym at St. Francis school will be available for practice sessions on Monday and Thursday nights from 7-9 o'clock.

Did you know that the A.A.A. spent \$3,600 last year? And this year there is only \$2,100 allotted to this body from the student fees. In case you're wondering why I mentioned this, I'll tell you. They need more money, and here's how you can help. Downstairs there can be found a Sporting Goods store, which sells items to the students at a 20% profit. This profit is given to the A.A.A. to help make up the deficit of \$1,500. Naturally, the A.A.A. does not expect to make up the whole sum from this one project; it's only the first of several that will be undertaken this year. But by buying your miscellaneous sportswear at this store, instead of going to one of the private concerns uptown, you can help out your Athletic Association.

Can you picture a hockey game being played with no blue-lines, no red-lines, no goal-lines, etc? Ridiculous, isn't it? Similarly for football, which to be played properly, necessitates a lined-off field. This is the one thing we lack... we have the lime, and string, and stakes, to line the field off with, but it seems that the whole student body is crippled, and thus can do no work. This is not a rebuke, but it should be, for it indicates gross laziness on the part of the students. If you want to see your football fields looking like football fields, volunteer your services now. If you don't then forget I even mentioned it.

For the aquatically inclined, Stad pool is again at the disposal of the University Students, on Sunday afternoons. Doug Murray, a qualified lifeguard, will be on hand for all these sessions.

Five new ping-pong tables will soon be put in use. Anyone wishing to begin or enter a ping-pong tournament, is asked to communicate with Don Cable, President of the A.A.A., or with their Faculty representatives on the Athletic Association.

### Saint Mary's Drop Vocational 25-5

Combining experience and skill, Saint Mary's Senior High squad swamped HCVHS 25-5 in a recent fixture at the Wanderers' Grounds.

Hefty Vic Mahar plunged through the left side of the Voc line for the first touchdown, but Ivan Slaunwhite, on a sparkling end-run, evened the score before the first quarter ended.

In the second, Gerry Devanney

took a long pass from "Chuck" Keating and racked up another five points for S.M.U. With Jack Sark and his linemates smashing holes in the Voc line, Vic Mahar scored his second T.D. of the afternoon.

The third and final quarters were all Saint Mary's. Jake MacNeil and Campbell provided a few thrills with their running, climaxed by Devanney's touchdown. In the dying moments of the game, "Yank" MacGillivray ended the scoring as he plunged over on a quarter-back sneak from the Vocational School's five.

Boarders Freshmen tangle with Upperclassmen as renewed activity takes place on Saint Mary's new campus.

### Saints Drop Title To Mount Allison

It was Black Friday for the Saint Mary's racqueteers as they failed in their bid to retain the Maritime Intercollegiate Tennis championship.

Frank Nolan and Jim Scriven, although top-heavy favorites in their class, both failed to survive the preliminary matches, falling before Jim Florian and David Piers. Paul Napier and Bill Wilson paired up in the men's doubles, and advanced as far as the semi-finals, only to be defeated 6-4, 6-2 by the St. Francis Xavier duo of Barette and Murray. In their opening match, Napier and Wilson, pitted against the King's team of Walker and Smith, played the longest match of the day before they finally won by the scores of 6-0, 12-14 and 6-1.

A pair of young ladies from the Sacred Heart Convent kept Saint Mary's in the race by copping honors in the women's doubles. Entered in this event were Shelia Trotter and Colleen Courtney, and they defeated Misses Trainor and Minnes, of Mt. A. by identical scores of 9-7, 9-7.

In the women's singles matches, Maureen Connolly and Jean Scriven were eliminated by Moira Ross and Wave Matchem of Mount Allison by scores of 6-2, 6-1 and 6-3, 6-4 respectively.

Standings at the close of the day's matches were as follows:

- Mount Allison ..... 10 pts.
- S.M.U.-Convent ..... 8 pts.
- St. Francis Xavier ..... 4 pts.

You may remember last year's home-coming reception at the C.N.R. station, when a crowd of wildly-cheering Santamarians were on hand to "Hail the conquering heroes". Fresh from their victory at Fredericton, Jim Scriven, Frank Nolan and Paul Napier were accorded royal welcome by the student body, the majority of whom had had no idea, until that morning, that such an event as the Maritime Intercollegiate Tennis Tournament existed. And the same situation prevailed this year; practically the only people who were aware of the Tournament were Donnie Cable, Fr. O'Donnell, and of course the participants. All because someone was too indifferent, shall we say, to put up a notice or have an announcement made. It's high time that we aroused ourselves from our present

lethargic state, and began taking an interest in all the student activities, without limiting our scope to the occasional hockey game or dance.

### Santamarians Drop Debut 27-11

(by MACGUIRE and McNEIL)

Saint Mary's made their debut in the Senior High Football League by dropping a 27-11 decision to Queen Elizabeth High.

Q.E.H. dominated the play in the first half, with Max Keeping and Tom Dobson scoring touchdowns. Although hitting hard, the Santamarian line appeared disorganized against their opponent's end runs and passes. The first half ended with Q.E.H. 17 points up, and Saint Mary's in possession on the blue and gold 10 yard line.

Early in the third quarter, the Saints rallied, and Pat Houlihan went over for the first Saint Mary's T.D. of the year. Minutes later, "Munchie" Mansour romped over for another score, with Gerry Devanney converting.

With the score close, and the pressure on, Max Keeping broke up the

game by snagging a pass and galloping sixty yards to pay-dirt. Gardner, of Q.E.H. ended the scoring with another T.D., to make it 27-11.

Coach Don Smith, handicapped by lack of material, worked wonders in replacing Spagnoli, Beck and Kell, who had been declared ineligible the previous day.

## Saint Mary's Men Enter Priesthood

Four of last year's most popular students left this fall for the Seminary. They are Colin Campbell, James Casey and Joe MacDonald, all Arts graduates of '52, who have entered Holy Heart Seminary, and Peter Larisey, third year Commerce student, who has left for Guelph, Ontario, to join the Society of Jesus.

The four men were more than active in student affairs, holding many positions on student organizations. James Casey was a member of the A.A.A., sports editor of the Journal, a member of numerous Intercollegiate sport teams, and winner of the Scholastic Shield. Colin Campbell was also a winner of the coveted award, as well as being Prefect of the Sodality, circulation manager of the Journal, and a member of the Philosophy Academy. In addition, Colin graduated Magna Cum Laude. Joe MacDonald was a Prefect of the Sodality, a member of various college football teams and a strong member of the Senior Debating Society. Peter Larisey, the Jesuit's gain, held the basic job of the Journal. He was the Business Manager of both the Journal and Collegian, jobs which allowed little time for other activities. However, he was also a member of the Philosophy Academy and the Sodality executive.

All men were living credits to the University and fine examples of what a Christian education can do. We on the Journal staff, partly because they were so closely connected with us, and partly because we feel that we are echoing the feeling of the entire student body, take this opportunity to send them our well wishes and our prayers in their new duties.

## Debate Oct. 23

The first scheduled debate of the Senior Debating Society will be held this coming Thursday, October 23. Arts will compete against Commerce on the question, "Resolved that our schools are neglecting the three 'r's'". Representing Arts will be Laurie Brean and Doug Murray while Lloyd Bryne and John Miller comprise the Commerce team.

## Sodality Organizes

The Sodality of Our Lady has as its triple aim (1) Self-Sanctification, (2) Apostolic Charity, through, (3) a devotion to Our Lady.

Fr. Gallagher is the new Moderator. The executive consists of Prefect, Brian Herson; Vice-Prefect, Donald Cable; Secretary, Edward Murray; Treasurer, Don MacIntyre.

There have been two meetings of the Sodality to date. At the first meeting it was decided to hold a daily recitation of the Rosary in the Chapel every day at 11.50 under the sponsorship of the Society. A Communion Breakfast will be held every Friday morning at 8.00 a.m. for the rest of the year. The Sodality meeting will be held each week at 4.30 on Thursday in Room 134.

Four compact committees have been formed; The Eucharistic, Our Lady's, Apostolic and the Publicity. The functions of these committees is to plan projects which are to be carried out by all Sodalists in keeping with the nature of these respective committees.

There are still eleven days left in October. As true sons of Mary let us prove our filial love by praying her much loved Rosary as a group in the Chapel each day before noon.

On Saturday morning the Inter-Faculty Bowling League officially opened, unfortunately however, not with a big bang but with a dull and dismal thud.

You may recall that a list was placed on the bulletin board for those interested in bowling and fifty-nine names appeared on this list. Out of fifty-nine only twenty-eight turned out to bowl. This is a poor representation.

This rebuff is not directed towards those who, because of unforeseen circumstances, could not have been there but towards those who could have been there and were not.

Arts "B" took two points from Commerce "C" thanks to Harvie Meuse's sterling double of 191. "Chuck" Jones and Ross MacDonald chased Harvie for honors by rolling 181 and 180 respectively. Engineer's "A", led by Bob Duncan and his 194, took all three points from Commerce "A". Dinny Mantin, who rolled 189, could not stave off the Engineer's assault. Commerce "B" took three points from Art's "A" by default. Engineer's "B" also picked up three points by virtue of the Boarders defaulting.

League standings to date:

Commerce "B" .....	3 pts.
Engineer's "B" .....	3 pts.
Engineer's "A" .....	3 pts.
Arts "B" .....	2 pts.
Commerce "C" .....	1 pt.
Commerce "A" .....	0 pts.
Arts "A" .....	0 pts.
Boarders .....	0 pts.
The top five:	
Bob Duncan (Eng. A) ...	97
Harvie Meuse (Arts B) ...	95.5
"Dinny" Mantin (Comm. A) ...	94.5
"Chuck" Jones (Comm. C) ...	90.5
Ross MacDonald (Comm. C) .....	90.

## Boarders Take Grid Fixture

Sparked by quarterback Ronnie Cole, Boarders carried off an 11-5 win over the Engineers last Sunday. Of the 11 points scored by the Boarders, Cole contributed 10, and passed to Bill Wilson for the other.

The Engineers, always renowned for their mental capabilities, took advantage of a mental lapse on the part of their opponents to draw first blood. At the end of the first quarter, after Fr. Doyle had summoned his charges to the sidelines for some between-quarter instruction, the Engineers lined up on the ball, found themselves sans opposition, and tore a huge hole in the non-existent Boarder line, through with Spagnoli galloped for the first touchdown.

Gil Correia was largely responsible for both Boarders touchdowns, as he continually ripped off yardage. Prior to both Cole's scores, Correia carried the ball to the five-yard line, from which Cole plunged over. After the second Boarders' T.D., Gil's attempted convert failed, his drop-kick going awry.

For the Engineers, Spagnoli was the most outstanding. In addition to his touchdown, "Spiggy" bucked for several first downs, and ran back a Correia kick about thirty yards.

Referees were Kenny Fultz and Jim "Tanger" Delaney.

## BIRKS

... have enjoyed the privilege of supplying class insignia for Saint Mary's for many years.

It is our sincere hope that we shall always enjoy this privilege and continue to merit your confidence in the future.

## OFFICE OF DEAN ANNOUNCES NEW FACULTY CHANGES

### FORMER STUDENTS RETURN TO TEACH

Among recent announcements from President's office was the news that several interesting additions had been made in the Faculty staff. In the Philosophy Department the Rev. Henry Labelle, S.J., just returned from further studies at St. Louis University, St. Louis, Missouri, takes up his old duties again and is assisted by another familiar figure in Rev. William Stewart, S.J., who also taught at Saint Mary's in the past. Rev. Paul Tizsai, S.J., has been appointed Assistant Librarian and has as recording room clerk, Miss Norine McManus. The Rev. J. A. McCarthy, S.J., until recently Vice President of Loyola College, Montreal, is already in vigorous prosecution of his duties as curate of the new collegiate parish of The Canadian Martyrs.

Two more of our own ex-students have returned to us as faculty members. They are Rev. Neville O'Neill, S.J., well known young native Haligonian, who completed his Engineering course here and comes back now to teach in the High School. The other addition to the High School staff is Rev. Michael Weagle, S.J., who carries also the burden of Assistant Prefect.

### Journal Staffs Attend Course

Last week the Journal initiated a course of short lectures in the make-up and layout of newspaper pages. Father Fogarty, giving the course primarily for the instruction of his Journal staffs, limited himself to practical problems of mechanical layout, headline adjustment, picture and ad composition and the general rules of make-up that underly page composition.

A few Journalism and Arts students audited the course for general information. It is hoped that the Journal will find it possible to sponsor a further set of short lectures for the benefit of all students at a later date.

Topics planned for that time will include Writing Copy, Writing Heads, Typographical Style, The Reported Story, The Editorial for Student Publication, Type and Half Tone Reproduction Mechanics, How to Compose a Picture, How to Boost and Control Circulation, The Relations of an Advertising Agency to a College Paper and The Art of Column Writing.

Anyone interested in such courses may get in touch with Editors-in-Chief Mantin and MacDonald.

Back from a year of further study at McGill University is Allan Sabean, who takes up his old duties in the Chemistry Department. J. A. H. Duffie, Ph.D., of Saint John comes to the Physics Department and William Dalton is teaching Economics. Cyril Murphy returns to teach Mathematics in First and Second year Science and Eric Theriault becomes tutor in Remedial Latin and French.

### Flash

Good news for the hockey players and fans has finally arrived. The Halifax-Dartmouth Hockey League, one of an intermediate calibre, will include an entry from Saint Mary's University.

Unlike the Maritime Intercollegiate Hockey League, which has restrictions of all shapes and sizes on the eligibility of player-material, the Halifax-Dartmouth League is giving the teams involved free rein.

For the University, this will be a godsend, because it means that we will now be able to use players who hitherto had been ineligible. In addition to those attending the University, there is a slight possibility that our entry will be bolstered by several outside performers, probably alumni who are better remembered for their athletic, than their scholastic pursuits.

## High School Sodalists Meet

The High School Sodality was formed this year under the direction of Father Gallagher.

The first meeting of Sodality candidates was held on Sept. 17th. The year's work was outlined and Father explained what it meant to be a Sodalist.

At the next meeting the Sodality Council was elected: Prefect, Robert Hallet; Asst. Prefect, Donald Murphy; Secretary, Paul Murphy; Treasurer, William Murphy.

The following committees were also formed:

**Eucharistic** — G. Frontain, W. Murray, T. Punch.

**Our Lady's**—T. Tonner, W. McCarthy, J. Ratchford.

**Apostolic**—D. Warner, F. Horne, R. Flinn, M. Tonner.

**Publicity** — E. Flinn, E. Conrad, R. Rivero, T. Burns.

## HIGH TIMES

By TEDDY FLINN

Well, here we are again, in the same old Saint Mary's, listening to the same old cry of "Bonehead". According to what my ears tell me, I hear that we are promised the best year ever in sports. In a recent high school rally, Father O'Donnell told the boys that once again we would have the use of the Stadacona pool. He went on to say that Intermural hockey will resume on Saturday afternoons at the Halifax Forum.

Are there any ping-pong enthusiasts among my readers? Or should I have said: "Are there any readers among the ping-pong enthusiasts?" Well, anyway, new tables are currently being made for any of the said enthusiasts.

Intermural football is now underway, with four teams entered in the league. They are the Boarders, Grade Ten and two squads from Grade Eleven. All four teams, under the direction of Father Weagle, are looking very good.

Thinking of buying anything in the line of sports wear? If so, there's a sporting goods store now in operation in the high school locker-rooms. You can get everything from skate laces to basketball sneakers, from the little round fella behind the counter.

Rumours which had been flying have now settled down to rest. It is now a certainty that we will have the use of St. Francis School gym two nights a week. Handicapped as we are by the lack of our own gym, this should prove quite a boon to the basketball players here in the high school.

Don't forget, fellows, that when the high school or university teams are playing, be out there to give them some moral support.

Last, but definitely not least, here's a cheerful little item which I purposely saved until the end: The high school tests will begin on October 29.

On October 9, the third meeting was held. Prefect Robert Hallet gave a general outline of parliamentary procedure, which is to be used at all meetings, and also outlined suggested projects for each of the committees. A discussion outline for Rule 1 was given to each candidate to prepare for the discussion under the direction of Donald Murphy for the next meeting.

## C.O.T.C. Mess Inaugurated

On the evening of the 29th of September a Saint Mary's University C.O.T.C. Contingent Mess was inaugurated. Peter Heenan was elected President of the Mess by acclamation. Also elected were Lorne Hemphill as Secretary and Jack Carey as Treasurer and Social Convener.
