

Bulletin SEPTEMBER

A SMUSA Publication

PRESIDENT'S MESSAGE

Dear Fellow Students,

On behalf of the Saint Mary's University Students' Association Inc. (SMUSA), I would like to welcome all new and returning students to Saint Mary's University. I trust you all enjoyed your summer to the fullest.

For those of you entering Saint Mary's University for the first time, let me introduce you to SMUSA, your Students' Association.

SMUSA is made up of students working for students and providing services to students. These services include such things as the student Handbook, the Yearbook, our FREE film series, our Pub nights, Orientation, Winter Carnival and so much more. There are numerous areas to discover at Saint Mary's University. Be it Intramurals, Campus Media (the radio station & the Journal), University committees or Membership in one of our many Societies, SMUSA encourages you to get involved.

This year promises to be an exciting one. I know, everybody always says that, but this year we really believe it. Orientation is only the beginning of things to come. Take part in our new T.G.E.F. series, "That's Great

Entertainment on Fridays" in the Gorsebrook Lounge and its FREE. Look forward to LIVE entertainment at our concerts, with reasonable prices to boot. We're even trying to bring in some BIG bands this year, hard to believe isn't it? I guess the most important thing this year is to enjoy yourself in between classes and studying, have fun and get involved!

It is the old Catch-22 situation — we are here to support you — but we need your support to be here!

I wish you all the best in your endeavours throughout the year, and hope to see you around campus, maybe in the Gorsebrook Lounge or The Courtside, in the Huskies Stadium or in the SMUSA offices.

Yours sincerely,

Carie Schurr
President
SMUSA

MEDICAL INSURANCE INFO

CANADIAN STUDENTS are covered by or have access to basic hospital and medical coverage in their home province. It is the responsibility of all students to see that they have adequate medical coverage and are in good standing in their provincial insurance plans. If the province requires monthly payments, students must make certain that they are properly enrolled and maintain payments.

STUDENTS with LANDED IMMIGRANT STATUS previous to registration, or with DUAL CITIZENSHIP are eligible for M.S.I. Students on STUDENT VISAS may be eligible for M.S.I. after a certain length of time in the province.

FULL-TIME NON-CANADIAN STUDENTS who are not eligible for basic Canadian medical insurance or who are not enrolled in private medical plans MUST be insured by the comprehensive medical plan (Blue Cross) which has been arranged by the Student Representative Council. (Proof of eligibility in other plans must be shown at the time of registration). The premium is payable with the first instalment of fees. Family coverage is available. This insurance covers charges for hospitalization (standard ward bed) and doctor's hospital and office visits. It is necessary for students to pay their bills directly and then submit official receipts to Blue

Cross for reimbursement, initially, until personal cards arrive on campus.

A supplementary health benefits plan (Blue Cross), arranged by the Students Representative Council, is available for all FULL-TIME STUDENTS. The cost of the plan is included in the SRC fee that is paid with the tuition fees. Family coverage is available for an additional fee at the time of registration. Each student is issued a registration card from Blue Cross with a personal policy number on it. The number is needed for obtaining any benefits. The cards may be picked up AFTER notices are posted that the cards are available.

Supplementary health benefits include:

- diagnostic and x-ray services
- physiotherapist, chiropractor osteopath, chiroprapist, podiatrist
- wheelchair rental
- ambulance charges (\$50.00)
- crutches, splints, braces
- out-patient services
- prescription drugs (\$2.00 co-pay)
- accidental dental (\$1,000.00)

PART-TIME STUDENTS are not eligible for the comprehensive nor the supplementary health plan.

For further information contact Charlene Hall, R.N. 4th floor, Student Centre 420-5611 or 420-5400, ext. 2228.

HANDBOOKS

The 1987-88 handbooks are now available at the student centre information desk. The handbook is a great way to keep up to date on what's going on here at Saint Mary's. They also provide a handy way to keep track of what's going on in your own life as a calendar of the entire academic year is provided with space to write important upcoming events next to every date.

The handbooks are **free** to freshmen and are only two dollars to returning students.

The 1987-88 handbooks are a service of SMUSA, your student's association.
