President's Message Happy New Year

Welcome back to Saint Mary's. I hope the holiday season was an enjoyable one for you. We can now settle back into the books and classes and await the February study break. I look forward to working on your behalf during this second semester. Once again the Students' Association will be working to ensure students are heard and well represented. Coming up this month is the Annual Winter Carnival. I would like to take this opportunity to encourage your participation in the 1989 Winter Carnival. It should be the best Winter Carnival Saint Mary's has ever witnessed.

In closing I would like to wish you the best of luck with your courses in the months ahead.

Sincerely,
Brad C. Whalley
