of the **WEEK!**

CARRIE

Carrie established Brian De Palma as a new creative force in motion pictures and made Sissy Spacek a star. It is the story of a high school wall-flower who suddenly blooms, only to have it all ruined by her cruel classmates' horrible joke. Carrie uses her telekinetic powers to exact an even more gruesome revenge.

The Rocky Horror Picture Show

Probably the oddest, most off-the-wall cult film ever made, this kinky rock 'n' roll science fiction-horror satire is everybody's favorite midnight show. A young couple stumbles into a castle inhabited by wierdos from the planet Transylvania including Dr. Frank N. Furter (Tim Curry), a transvestite Frankenstein in rhinestone heels. A marvelous musical spoof which urges, "Give yourself over to total pleasure."

Going Your Way!

THE
Affordable Way To
Travel: Come See Us!

Attention 1990 Grads.

There will be an important meeting for the potential graduates of 1990 on **October 19th**. The meeting will be held in the Student Conference Centre on the 3rd floor of the SUB and will start at **7:00pm**. At the meeting, a Grad Class Executive will be elected who will be responsible for the planning and supervision of the 1990 Grad Week Activities. It's a great way to give a little back to the University and to have lots of fun while doing it, so why not think about running. Also on the agenda is a presentation by Mrs. Chard, Registrar, on the graduation ceremony itself, and a brief talk on what ought to be done between now and May to ensure that you graduate.

1989 - 90 Student Aid Counsellors ON CAMPUS

Have a problem with your student loan? Then why not see someone about it. Student Aid Counsellors will be on campus on October 19th and 20th between the hours of 9:00 am and 4:00 pm to meet with students. Appointments can be made through the Financial Aid Office on the 4th floor of the SUB.

"Foul Play"

The production "Foul Play" is a series of satirical scenes, monologues, and songs which focus on issues relating to sexual harassment in universities. The production will be put on for the university community in the Theatre Auditorium on October 25th between 12 Noon and 1:00 pm.

United Way Needs You!

October 10th is the Kick Off date for Saint Mary's United Way Campaign. Last year the University Community contributed \$17, 843.00 to the appeal. The goal for this year is to raise \$18, 000.00 and have half of the university community take part in the campaign.

The United Way's 150 member agencies deliver a wide range of services in the Metro area. Estimates say that one in three people are touched in one way or another by the United Way. We urge you to support the member agencies of the United Way by giving to this year's campaign.

Attend the Kick Off event on October 10th, Noon, at Huskies Stadium. Dr. Ozmon, Dr. Ian McGregor, Jamie Bone and Sanjeev Chowdhury will be on hand to take part in the ceremony.

President for a Day Contest

Do you want to run Saint Mary's? Then why not enter the "President for a Day Contest". It could be your chance to meet some of the people that make the decisions that affect you as a student, to understand a little bit of what it takes to make this great university what it is, but most of all, a chance to have just a little bit of fun. Think about it, Dr. Ozmon and you trading places for a day. He'll attend your classes, take your notes, and have lunch in the cafeteria while you assume the role of **President for a Day!**

The runner up of the draw will have the opportunity to become the President of the Students' Association for the day. They will get an insight into the "ins and outs" of running the second largest student association in the province

Make a donation to the United Way Campaign at the SUB Info Desk and you will receive a ticket to the draw.
