Saint Mary's University Alumni Association

November 1981

President, Don Keleher, D.E. 1969, B.Sc. 1970

Annual Dinner

Saturday, November 28 at 7:30 p.m. the Annual Alumni Dinner will be held at Saint Mary's. The dinner itself will be held in the Multi-Purpose Room of the Loyola Building with a 6:30 reception set for the Colonnade of the same building.

After last year's resounding success it is expected that tickets will go quickly so arrange to attend now.

Two factions of Saint Mary's past will be honoured that evening. The class of '56 sporting such notables as Don Maloney will be celebrating their 25th Anniversary. Rev. Gerald Murphy, class of '31 will also be honoured. Also honoured will be the Jesuit Community who while having moved to their new residence on nearby Wellington Street will maintain the commitment to Saint Mary's and the community which first began in 1941. We'd like to show them we care. Join us.

Special speaker for the dinner will be the Honourable Edmund Morris, Provincial Minister of Fisheries and Intergovernmental Affairs, former federal MP, past Mayor of Halifax and onetime President of Saint Mary's University. His credentials speak for themselves, but the podium will be featuring the man himself.

After dinner, Frank Arab will be entertaining with his piano and sing-along arrangements which have always sparked some fine reunions, and Terry Kelly, the well-known singer and alumnus will perform.

Tickets are available from Laurie Smith or Paula McGrath at the Alumni Office (429-9780 ext. 113-114).

At \$35.00/couple with 4 drink tickets or \$20.00/person with 2 drink tickets, the dinner is an event you won't want to miss.

Ozmon, Keleher, Regan, Akkerman at official opening of field.

New Facilities at Huskie Stadium

Saturday, October 10 marked the official opening of the upgraded field and new track at Saint Mary's Huskie Stadium. The funding for the facilities was made possible through a Federal government grant of \$1.8 million. Gerald Regan, Labour Minister and Minister in charge of Fitness and Amateur Sport for Canada announced his government's decision at last year's Alumni dinner.

Mr. Regan was present for the Opening of the track and field which will serve not only Saint Mary's but the major sporting events from across the province. Also on hand for the occasion were Dr. Ken Ozmon, President of SMU; Don Keleher, President of the Alumni Association; John Akkerman, Vice President of the Students' Representative Council and many members of the University community.

The field, the first artificial surface in Eastern Canada, is ringed by a 6 lane Chevron track of "nearly-Nova Scotian-blue". The colourful combination of the green field with its white, blue and yellow lines, rimmed with the blue track is definitely reminiscent of this province's tartan. The spectacle is certainly most appealing.

Besides the opening ceremonies, however, Huskie fans were treated to the exciting win of their football team over the St. F.X. X-men, 38-21. It put the finishing touches on a proud day for Santamarians everywhere.

The field, which will receive constant use by the football, soccer, field hockey and intra-mural teams, has already proven itself to be a big hit with the student population in general. The track, as yet a novelty to the Saint Mary's sports scene, will doubtless spark the initiation of more competitive running at the site.

The VII Pan American Wheelchair Games scheduled for Halifax from August 20-29, 1982, will be using Saint Mary's facilities for its track and field events as well as for the opening ceremonies. This world class sporting event featuring upwards to 20 countries from North, Central and South America, has chosen Saint Mary's not only because of her fine outdoor facilities. Beyond that is the University's fine record for offering barrier free education opportunities to the disabled student. We can all be proud.

New Membership Cards Available

The Saint Mary's University Alumni Association plasticized membership cards are now available in the Alumni Office. All alumni members who have made a contribution to the 1981 Annual Alumni Fund will receive a card in appreciation of their gift. Alumni who wish to purchase a membership card may do so by forwarding \$5.00 to the Saint Mary's Alumni Office, Halifax, N.S. B3H 3C3.

Golf Tournament Great Success!

Golfers and Duffers alike enjoyed the sun and the fun at the Fifth Annual Alumni Golf Tournament held August 31st at the Oakfield Golf and Country Club.

Of the one hundred and five competitors, one hundred and one were winners, (the team of Keith Hotchkiss, Ray Gill, John Bishop and Brian Landry was chosen as "Worst Team").

On the more serious side, Carl Boswick repeated as the winner of the Harold "Babe" Beazley award for the low gross. This was Carl's third straight win.

Doug Harrington won the "Father O'Donnell Award" for low net, and other award winners included Reverend Henry Kline, Al MacRae, Dave White, Bill Richardson, Kathy Mullane, Jerry Mahar, Terry Wooden, Lee Richardson, Don Homans...

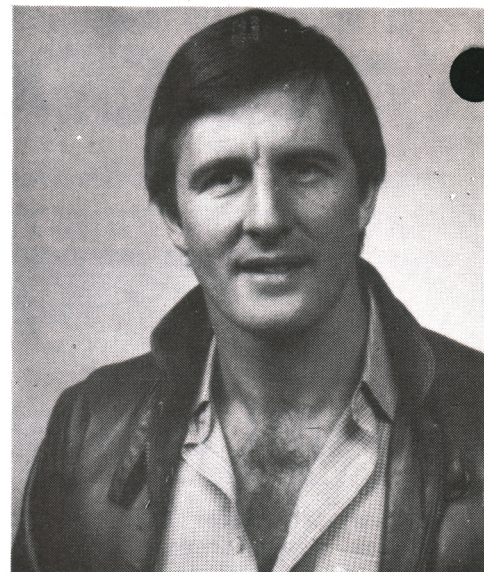

Granville and Carl Kelly once again entertained the crowd as Masters of Ceremonies topping off the festivities by awarding the "Best Brothers Award" to themselves.

Many thanks to Granville and Carl,

Carl Boswick (right) winner of the "Babe Beazley" trophy and Dr. Ken Ozmon (left), President of the University, at the Fifth Annual Golf Tournament.

and Peter Halpin for obtaining the great assortment of prizes. All of us are looking forward to the Sixth Annual Tournament!

Dick Franklin, B. Comm. 1969

An undergraduate at Saint Mary's I was often asked by students from the Mount or Dal, "Do you know Dick Franklin? What a good guy!" It seemed that everyone I met knew him and spoke highly of him.

When I graduated from Saint Mary's, I went to Queen's University. On the way there, I met a student returning to that school who, upon learning my Alma Mater, asked, "Do you know Dick Franklin?"

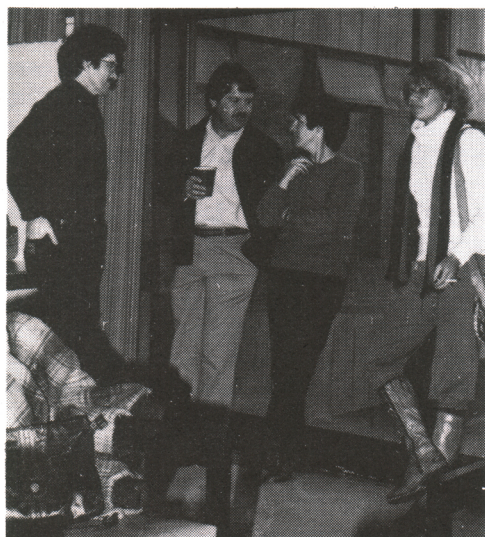

Hitch hiking from Milwaukee, Wisconsin to Chicago, Illinois, a driver who picked me up took one look at my Saint Mary's jacket and asked, "Do you know Dick Franklin?"

There is really little point in carrying this monologue on, though I could. The point is established by now that Dick Franklin seems to be well known and liked wherever he goes. With a record like that, it is understandable that Dick has become a safe haven for me. Now I just tell people that, "I went to school with Dick Franklin!"

Dick graduated with a Commerce degree from SMU in 1969, then returned to the books to obtain an MBA from Dalhousie in 1972. Since then he has gone on to become Regional Manager of marketing and sales for Ontario and the Atlantic Provinces with Seven Up Canada, Inc. He and his wife D.A. live in Oakville, Ontario, D.A. (BN '71, Dalhousie) has graduated from McMaster University Medical School and is presently interning in Hamilton.

Dick is currently serving as President of the Saint Mary's University

Rug and Victory Reception

Don Keleher, Gail and Dan Rice, and Mary Lou Singer chat at a post game reception.

After the Opening of the new facilities at Huskie Stadium and the football team's defeat of St. FX, an Alumni Reception was held on the 3rd Floor of the Saint Mary's SUB. A good crowd of old and new grads turned out to celebrate the christening of the

green with the Huskies' strong win over the X-men. Guests at the reception included members of the Flying Wheels Wheelchair Club who put on a half time exhibition of wheelchair skills and manoeuvres.

As always, Alumni members are encouraged to join in these functions which follow many home games. An announcement is always made prior to the end of the game announcing that a get together will be held at the contest's conclusion. Don't avoid these opportunities to meet fellow Alumni and share in the spirit of the University.

Alumni Sunday Skate

November 15, 25
December 13, 20, 27

Time: 1:00-3:00
Cost: \$1.00/family .50/person

Alumni, Toronto Branch. Recently he further illustrated his interest in SMU by helping to organize a funding venture for a new scoreboard at Huskie Stadium.

With fellow alumnus Eric Cashen and Otto Haenline, aided by friend and supporter of Saint Mary's Brian Scott, a joint funding project of Seven Up, Pepsi Cola, Orange Crush and Maritime Beverages, (Atlantic Canada distributor for the three soft drink companies) was arranged. The new electronic scoreboard will add the final touch to this fine outdoor facility. The thanks of all those who will enjoy such a necessary addition to the Maritime sporting scene are extended to Dick, Eric, Otto and Brian on their contributing companies.

Bob Hayes to be Honoured

Perhaps the most illustrious individual in amateur football in Canada, Bob Hayes (73), Athletic Director of Saint Mary's University, is to be honoured, November 20 at the Grey Cup Dinner in Montreal. In respect for his great contribution to the development of amateur football in the Maritimes, he has been chosen as one of the four recipients of this year's C.A.F.A. — C.F.L. awards. These citations (Canadian Amateur Football Association — Canadian Football League) are given annually to those individuals who have aided in the growth of the sport in Canada. There can be little doubt that Bob Hayes ranks highly among such an esteemed group.

Besides being honoured nationally at the Grey Cup Dinner, the name of Bob Hayes will appear on the C.A.F.A. — C.F.L. scroll at the Canadian Football Hall of Fame in Hamilton.

In its ongoing effort to keep in touch with all aspects of Saint Mary's University, the Alumni Board invited Mr. Hayes to address them at their Sept. 17 meeting. In his inimitable way, he discussed all aspects of the athletic program, from finances to facilities, gave a brief perspective on the future of the department and a personal view of what role the Alumni could play in that development, if they so chose. He suggested the addition of a press room at the rink alleviating some of the problems of this already cramped structure.

Changes in the Maroon and White

Over the past few years, many Alumni members have requested that more news of the University itself be sent out in the Maroon And White (M&W). The need has been recognized but the actual cost of producing such a publication is, as yet, beyond our financial capabilities. A solution has, however, been worked out: The University newspaper, The Times, which already prints the in-house news of Saint Mary's, has agreed to allow us to combine with them. This combination mailing will permit us to keep you abreast of the news of the University. We will maintain our quarterly status and will concentrate solely on Alumni affairs. The Times, which so successfully covers University operations and developments, will give you the up-to-date news of S.M.U.

It is hoped that this new offering of the Alumni will satisfy our members. If there are any comments on such a liaison, negative as well as positive, please drop us a line at the Alumni Office and let us know.

Saint Mary's Ties

The question of establishing a University tie has been one that for years has been tossed around. It's time now that we finally take some action. The Alumni executive will work out the details of having one designed and prepared for sale, but we need feedback on what you think is an appropriate style. Suggestions have ranged from all maroon with the University crest throughout to striped. It's not a big deal having a University tie, but it's one that constantly comes up as a "must do" topic. We'd like to finally put it to rest and get it done.

If you have any suggestions send them in to the M&W. If we don't hear from anyone, we'll take it that you're leaving the matter entirely up to the discretion of the executive and will accept their decision.

Saint Mary's University Season Pass and Ticket Information 1981-82

DEATHS

Reverend Brother Charles A. Lynam in New Rochelle, New York on September 1, 1981. He was 98.

A member of the congregation of the Irish Christian Brothers, Brother Lynam was a distinguished faculty member here at Saint Mary's from 1925-1940.

A memorial mass for Brother Lynam was celebrated by Most Reverend James Hayes, Archbishop of Halifax at Saint Mary's Basilica on October 13th. The mass was attended by a large number of alumni, former pupils and friends.

Jeffrey Wright ('74), October 10, 1981 in Kentville, N.S. Memorial service was held in St. Paul and St. Stephen's Church, Kentville.

James S. O'Leary, ('38) on July 17, 1981 in Halifax.

Gerald V. Smith ('41), on Friday, July 31, 1981 in Halifax. Father of Earl ('77), Kenneth ('79), William ('75). Funeral was on August 4th from St. Theresa's Church, Halifax.

Reverend Cyril O'Keefe at Toronto in July. Rev. O'Keefe taught at Saint Mary's from 1958 to 1962.

William Paul Ross ('71) of Coverdale, N.B., formerly of Halifax. Funeral mass was on October 24, at St. Stephen's Church, Halifax.
