Annual Dinner

Edmund Boyd, Edgar Malay, Joan Malay, and Robin Falconer at the annual dinner.

by Paul Lynch, Chairman

The 1982 Alumni Dinner was full of surprises this year. Everything from a brightly decorated Multi-Purpose Room, a new layout for the tables and reduced speeches. Over 300 people attended and spirits were high, as usual.

The guest speaker, Reverend Bob MacDougall, spoke on the importance of spirituality in the university and in alumni community. Points well taken at this time when university identity is an issue.

Special membership presentations were made to the following alumni: Carol Markesino, Dermot Mulroony, Peter Weal, and to Dr. Mary Sun and Heinz Morstaff in absentia.

A special financial contribution of \$50,000 was presented to President Ozmon by Terry Donahoe representing the Patrick Power Foundation. Also, a portrait of the late Father Hennessey was presented to President Ozmon by Peter Halpin, President, Alumni Association.

A telex from an infamous alumnus presented to the dinner chairman by a lovely lady in a bathing suit evoked a few extra heart beats from those present.

The Monte Carlo casino after dinner, provided ample opportunity for those with a gaming spirit to test their luck. Winners bargained at the auction for extremely attractive gifts until 2:00 a.m. Those gifts were much appreciated and are gratefully acknowledged by the Alumni Office and dinner committee.

The losers and non-gamblers sang to the always popular Frank Arab and his piano delights. The losers and winners both benefited. The profit from the fun-bank went to the J.J. Hennessey scholarship fund. The Progress Club of Halifax deserves special recognition for its contribution for running the Monte Carlo and donating funds as well.

The whole evening showed, by the alumni response to ticket sales, a desire to make the evening a more social and entertaining event. Some traditions were kept, and further discussion on the format will be on the agenda of the annual meeting and the first meeting of the new executive.

I would personally like to acknowledge and thank the members of the committee for the help in the excellent event. They were Tom Haney, Gail Levangie, Don Reardon, Estelle Theriault, Mike Legere and Maurice McGillivray. None of our work would be possible without Laurie Smith, Paula Glencross and Pam Turnbull from the Alumni Office. Special thanks to Kevin Cleary and the class of 1957 and to the classes of '32 and '72 who were honored at the dinner. Thanks to Mario Lisi and his staff from Saga Foods; Doug McIntosh and his liquor functions staff; and the university staff for a job well done.

Finally the financial statement indicates that the event raised \$1,000.00. This is the first time that the dinner has been in the black for many years. Thanks to my fellow alumni for your support and for giving me the opportunity to serve

The Reverend William A. Stewart S.J., Medal for Teaching

Saint Mary's University Alumni Association has established an award to recognize faculty members who have made an extraordinary contribution to the education of Saint Mary's students through teaching, in the Saint Mary's tradition of quality undergraduate education. The award is open to faculty members who have rendered at least five years of teaching service at the University.

You are invited to nominate a candidate. Each nomination must be supported by the names of at least ten persons from among alumni, faculty and students. The nomination must be accompanied by a brief statement concerning the faculty member in support of the nomination.

Nominations will be reviewed by a five member selection committee composed of three persons nominated by the Alumni executive, one member of faculty nominated

by the Saint Mary's faculty union and one member of the student body nominated by the students representative council.

In making its recommendation to the Alumni Executive, the selection committee will have regard to the following factors in making its decision, as well as any other factors considered pertinent:

1. Teaching ability and classroom performance.
2. Interaction with students.
3. Extra-curricular contributions to the life of the university community.

Nominations should be sent to the Alumni Office, O'Donnell-Hennessey Student Centre. Nominations must be received by April 15th.

The award will be presented at Spring Convocation.

The award will consist of an appropriate medal and a cash or other award.

Saint Mary's University Alumni Association President's Report '82-83 Peter Halpin

The Executive of the Saint Mary's University Alumni Association has all but wrapped up another year; a year which saw a rejuvenated interest among all Alumni in the affairs of the University and the successful initiation of new projects.

The unfortunate passing of Father J.J. Hennessey in July, shortly after his 80th birthday rekindled the passion for Saint Mary's among the graduates of the 60's and 70's.

His death has brought about "a coming of age" for many from this generation of graduates, all of whom share fond recollections of the campus from their respective eras.

As a result the Alumni ranks are beginning to show steady growth (at last count) and "the new generation" of alumni are indeed active, developing new ideas and projects and putting them into action.

The Alumni executive met regularly every month and were successful in maintaining the traditional activities and events while initiating some new projects.

First, a brief look at the newly accomplished:

- * Under the chairmanship of Don Reardon, over 100 volunteer alumni workers organized the presentation of all medals at the Pan American Wheelchair games held on the Saint Mary's campus. Other members of Don's organizing committee were Karen Henderson, Jim Crane and Ed Fitzpatrick.
 - * A Fall Football Festival pre-game brunch was held in October prior to the St. F.X. game. This first time event, again most ably looked after by Don Reardon, attracted well over 100 alumni and promises to be an annual event.
 - * A first ever Alumni Organizational meeting and reception was held in Truro following an exhibition hockey game. Great SMU supporter Dave Randall was mainly responsible for its organization. Those in attendance showed a great deal of interest in becoming active Alumni.
 - * Executive members Fred Crooks and Rick Butler headed up the Education Committee. Their interest and work resulted in the development of the Father William A. Stewart, S.J., Medal for Teaching. (See further details in this issue of the Maroon & White).
 - * Executive members Karen Henderson and Don Horne co-chaired the Scholarship Committee which has resulted in the organization of all existing scholarship funds. The Committee also made clear recommendations for their administration and continuance in the future.
 - * The Alumni Executive in conjunction with the Development Department, initiated the Father J.J. Hennessey Memorial Scholarship fund. The objective of the fund is \$25,000.00 and thus far \$15,260.00 has been contributed.
 - * Executive member Don Horne and yours truly developed a set of consistent graphics for the Alumni Association. This graphic will be applied to all Alumni promotional material such as a coming events poster, Welcome banners, nametags, etc.
- The following is an outline of Alumni events and activities that occur on a yearly basis:
- * The pre-Convocation Ball reception was organized and financed by the Association Executive.
 - * The Association presented plaques to all graduating varsity athletes and awards to the outstanding academic male and female resident students.
 - * The annual golf tournament under the co-chairmanship of Granville and Carl Kelly was again a great success and the social/athletic highlights of the year. A record of 120 Alumni participated and socialized in this years event.
 - * Executive member Kent Ritchie organized the third annual tennis tournament. This event is also growing year to year with 40 alumni participants this year.
 - * Executive member Don Reardon acted as liaison between the Alumni and the University Athletic Department. Receptions were organized following each varsity football game and between period events were staged at all hockey games and some basketball games.
 - * Alumni skating on Sunday afternoons continued and was as popular as ever.
 - * Alumni Executive participated in a pre-game ceremony at S.M.U. in which the varsity soccer coach was honoured.

- * The Alumni Association continues to maintain a close liaison with the student body. A new student organization, the Maroon and White Society, was very helpful in establishing contacts throughout the year.
- Alumni assistance was extended to student organizations such as the Commerce Society, AIESEC and the Senior Class.

Alumni Association President Peter Halpin presents University President Ken Ozols a portrait of the late Fr. J.J. Hennessey.

Annual Dinners:

The Southern Ontario Chapter of the Alumni Association held its annual dinner on the Ryerson Campus in Toronto. The event was very well attended and a most enjoyable evening.

Committee members Jim Stuart, David Gray, Mike Baker, Dan McCarthy and Brian Cooper did an excellent job in organizing and promoting the event.

The Alumni Association's Annual Dinner held on the Saint Mary's University campus was an overwhelming success.

The event, which also featured a Monte Carlo Night, following the dinner and guest speaker, Rev. Robert MacDougall, S.J., attracted over 280 Alumni.

It was the largest and most enthusiastic gathering of Alumni in the history of the Annual Dinner. Congratulations to Chairman Paul Lynch and his committee for a job well done!

Father O'Donnell is now residing and doing very well at the Jesuit Infirmary in Pickering, Ontario. A recent letter from Father O'Donnell mentioned that he has Fathers Vincent Murphy, Charles Bathurst and Art Collins in his company.

As well, Father Logan, a commerce graduate of Saint Mary's is the administrator of the Infirmary.

The address of the Jesuit Infirmary is:

P.O. Box 399
Pickering, Ontario
L1V 2R6

Father O'Donnell, former Moderator of the Executive, has been named Honorary Moderator, while we were pleased to welcome Father Larry Murphy to the Alumni Executive as Moderator.

The Saint Mary's University Alumni Association demonstrated many signs of positive development and growth this past year.

The hard work and enthusiasm of older Alumni has had a great influence on this growth. The passing of Father Hennessey and the departure of Father O'Donnell from the campus has stimulated those who were influenced by them as educators, counsellors and friends.

It is now time for all graduates to give serious consideration to the benefits they received from their education at Saint Mary's and to firmly commit themselves to contribute to its future.

In conclusion, I would like to thank all members of the Alumni Executive for their interest, enthusiasm and participation this past year. The Association could not survive without the direction and services of its Director, Laurie Smith and the Alumni office staff of Paula Glen-cross and Pam Turnbull. Their tireless efforts make everything work.

Being President of the Alumni Association has been a most rewarding and valuable experience for me, and I look forward to my future participation with the Executive and the University.

SMU Alumni Association SW Ontario Chapter Annual Dinner - Nov. 13/82

The South Western Ontario Chapter of the SMU Alumni Association held its Annual Dinner Saturday evening November 13, 1982 at Oaklam House on the Ryerson Campus.

Superbly arranged by David Gray, Mike Baker, Brian Cooper and Dan McCarthy the evening was a complete success.

Along with a number of new faces, the "hard core" veterans showed up once again.

After a very lively reception and dinner, Ken Ozmon, Don Keleher and Peter Halpin brought the group up-to-date on all elements of the University and the evening concluded with lucky draws, and lots of conversation and dancing into the small hours of the morning.

The highlight of the evening was a raffle for a weekend for two at the beautiful Westbury Hotel in Toronto. Bill and Judy West were the lucky winners. The proceeds from the raffle resulted in the donation of \$175.00 to the J.J. Hennessey Scholarship Fund, on behalf of the SW Ontario Alumni chapter.

Thanks to all of those who attended, and we look forward to seeing you again next year along with many, many more local Alumni.

Huskies Retain Crown

The basketball Huskies have done it again. In front of a crowd of 6,500 and urged on by enthusiastic fans, the mens basketball team defeated Dalhousie 74-73 and St. F.X. 81-74 on successive days to retain the Atlantic Conference championship.

At press time the team, under Coach Gary Heald, was heading for Fredericton and the regionals and then to the nationals in Waterloo.

Last Minute News—Saint Mary's Defeated Brock and York to advance to the national finals.

Mathematician and Physicist

Dr. Kevin Moriarty, BSc. '61, an applied mathematician and theoretical physicist returned to the campus this month.

On March 9th, he gave a public lecture at Saint Mary's and led an open colloquium on Lattice Gauge Theory on Thursday, March 10th. He spoke at Dalhousie University on Friday of the same week.

Following graduation from Saint Mary's, Kevin completed a Master of Science degree at Dalhousie. He obtained his doctorate from Imperial College, University of London. He is presently a professor of applied mathematics at the University of London.

While in Halifax, Kevin had an opportunity to meet with many of his classmates of 1961.

1930-1940's Reunion

A committee of alumni of the 1930's and 1940's has begun planning a reunion weekend for all former pupils of those periods, both College and High School.

Tentative plans are for Friday evening to Sunday noon activities including one activity shared with alumni generally.

The proposed weekend is that of October 8, 9, 10, 1983.

Any suggestions, offers, or assistance, welcomed.

The committee will choose a chairman this week and letters will be out shortly to all involved.

Class of '57 Reunion

Kevin J. Cleary

Fifteen members of the Class of 1957 celebrated the 25th Anniversary of their Graduation on Saturday, November 27, 1982.

The day began with a Mass offered by Father Vernon Driscoll and Fathers W.A. Stewart S.J. and L.W. Murphy S.J. in Canadian Martyrs Church. Fifty-four family members of the Class were in attendance. Edgar Malay, Vice-President of the Class, was the lector. The President of the University, Dr. Kenneth Ozmon and his wife, Betty, were also in attendance as was the Director of the Alumni, Laurie Smith and his wife Kay.

The Alumni Association co-sponsored a Family Brunch following the Mass. Father James Murphy S.J. joined the Class for this part of the celebration. Messages of congratulations were read from the following members of the Class who were unable to attend: Ronald Barnes, S.J., Frances Burns, Edward Burke, Frederick Kelly, Mark McManus, Albert Rorai, Al Toner and Don Murphy. Al Rorai penned a particular humorous message in which he purported to 'accurately' quote Father Stewart's talk at the 1957 stag.

In the evening, the members of the Class and their spouses were guests at a special Alumni reception immediately preceding the annual Alumni Dinner. At the Dinner, the Class was honoured by the Alumni and Edgar Malay gave the toast to the University.

Those in attendance at the reunion were: Terry Burns, Kevin Cleary, Fred Dockrill, Fr. Vernon Driscoll, Paul Doucette, Robin Falconer, Fred Gallagher, Gerry Lethbridge, Kevin MacPherson, William MacFar, Edgar Malay, Basil Martin, Paul Murphy, Hughes Randall and Don Reardon.

Golf Again

The sixth annual alumni golf tournament drew nothing but rave reviews and another record attendance last August.

Granville and Carl Kelly engineered another triumph and have begun plans for the seventh meet.

Winner of the Harold G. Beazley Trophy for low gross was Ina Sullivan. Carl Kelly won the Father M.J. O'Donnell trophy for low net last year.

Further information will be forthcoming. Latest word is that the tournament will be held on Mon., Aug. 29.

Harold "Babe" Beazley presents the Beazley trophy for low gross to Ina Sullivan. Carl Kelly presides.

On the verandah at Oakfield. Another beautiful August day for the alumni golfers.
