# OTTAWA RECEPTION

By Don Reardon

On June 8th, I attended a very successful alumni reception in Ottawa hosted by the Hon. Gerald A. Regan & Mrs. Regan. Laurie Smith Alumni Director and Don Keleher, Development Officer, represented the University. Also attending the reception while in the area on other business were Bob Hayes, Director of Athletics, and Brian O'Byrne, Hockey Coach.

There was a turnout of approximately 65 alumni from the Ottawa area, representing classes from 1928 to 1982. The enthusiasm generated at this reception augers well for future receptions. My personal reaction to reuniting with former classmates may best be described by the picture of the reception in this issue.

Comments made during the evening: "This has been a great evening, I will certainly attend my future gatherings." "I hadn't gone to previous receptions, thinking it would be only current generation, but I am glad I was proven wrong." "I thought I knew alot about St. Mary's until I heard some of the stories from the older alumni." — "I'm amazed at how little people change over the years." — "I never thought I would mistake Carl, even after 25 years. Boy was I wrong." — made it all worthwhile. Thank you Ottawa, particularly Darryl Maxwell and Patricia Smith. A special thanks to Gerry and Carole for a most enjoyable evening.

Don Reardon, Ted Hoganson, Carl Dujay.
