HUSKIES!

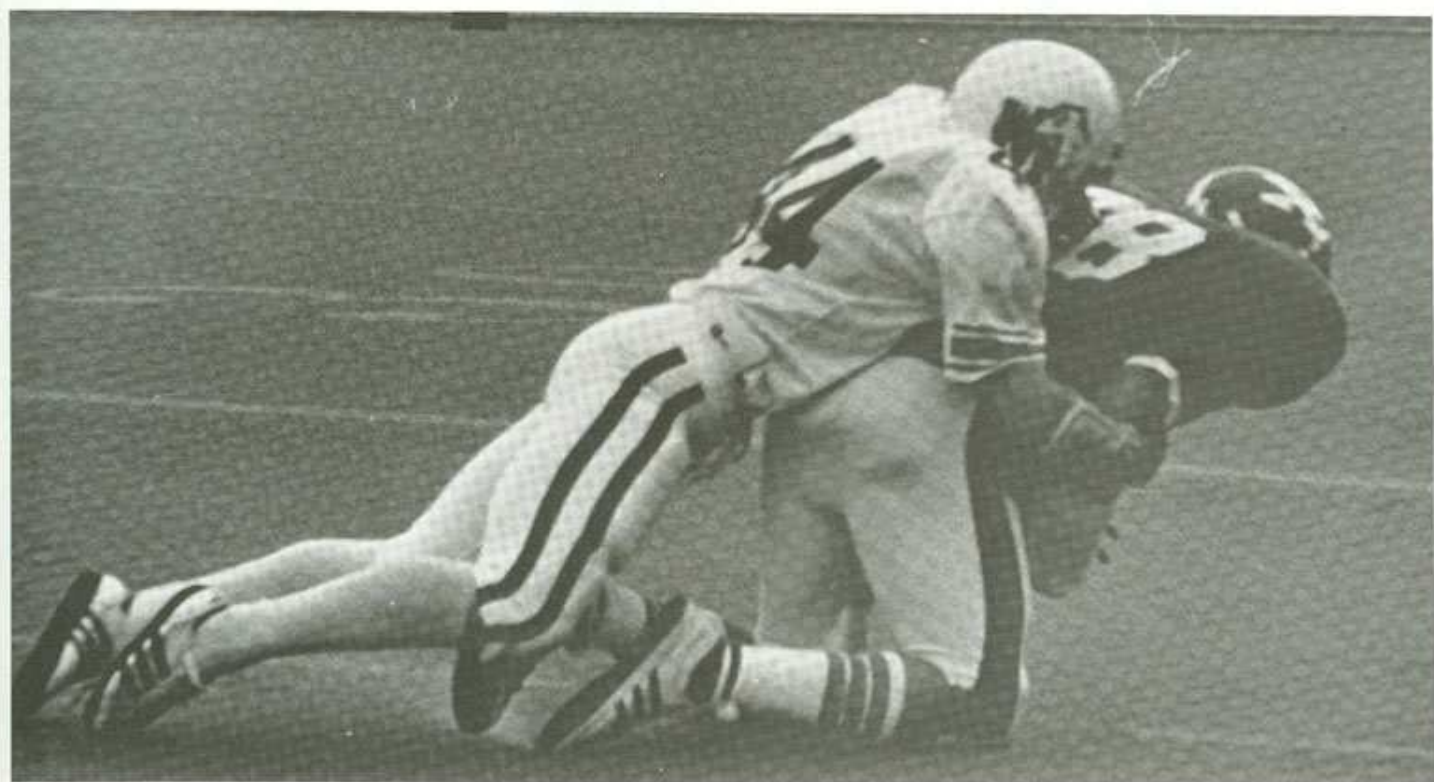

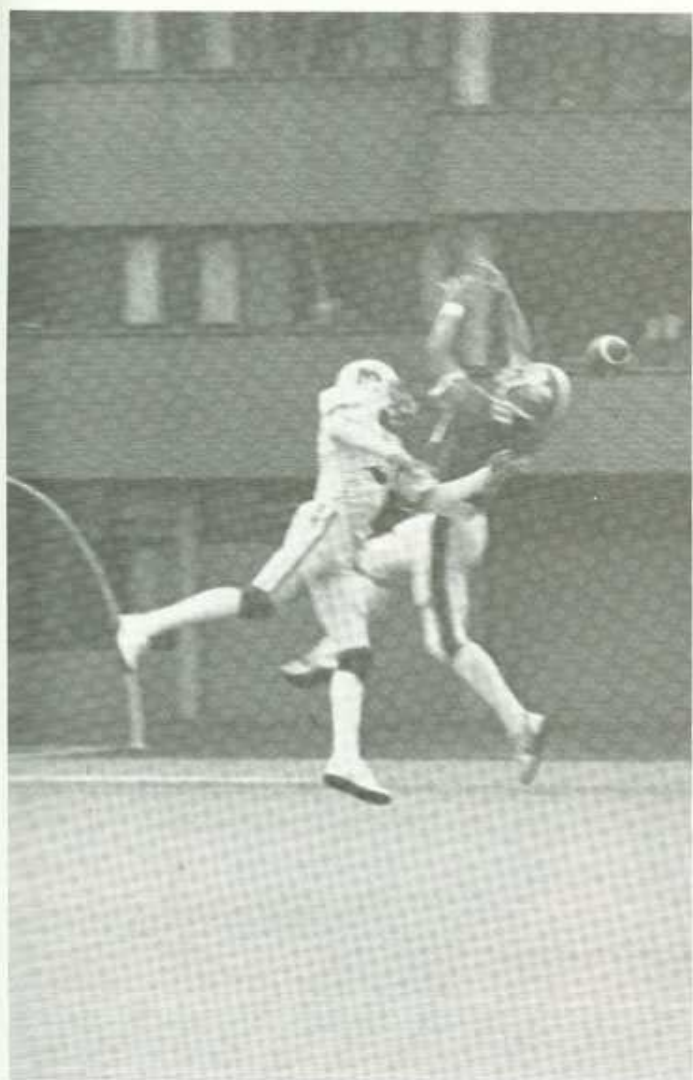

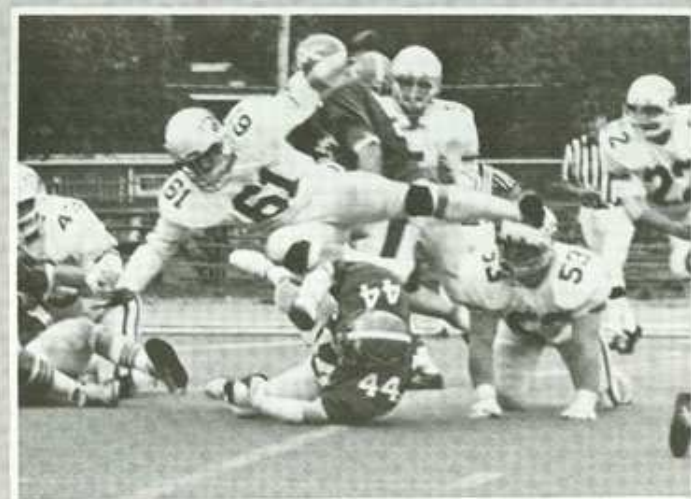

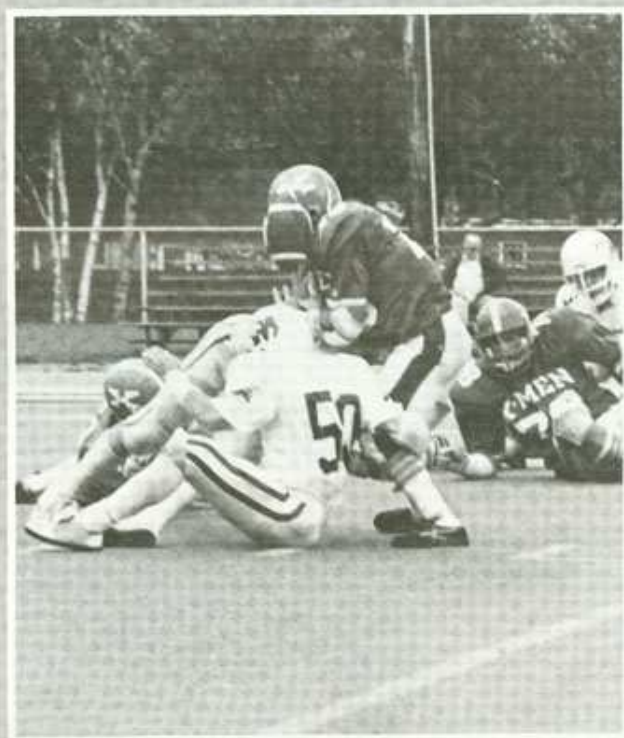

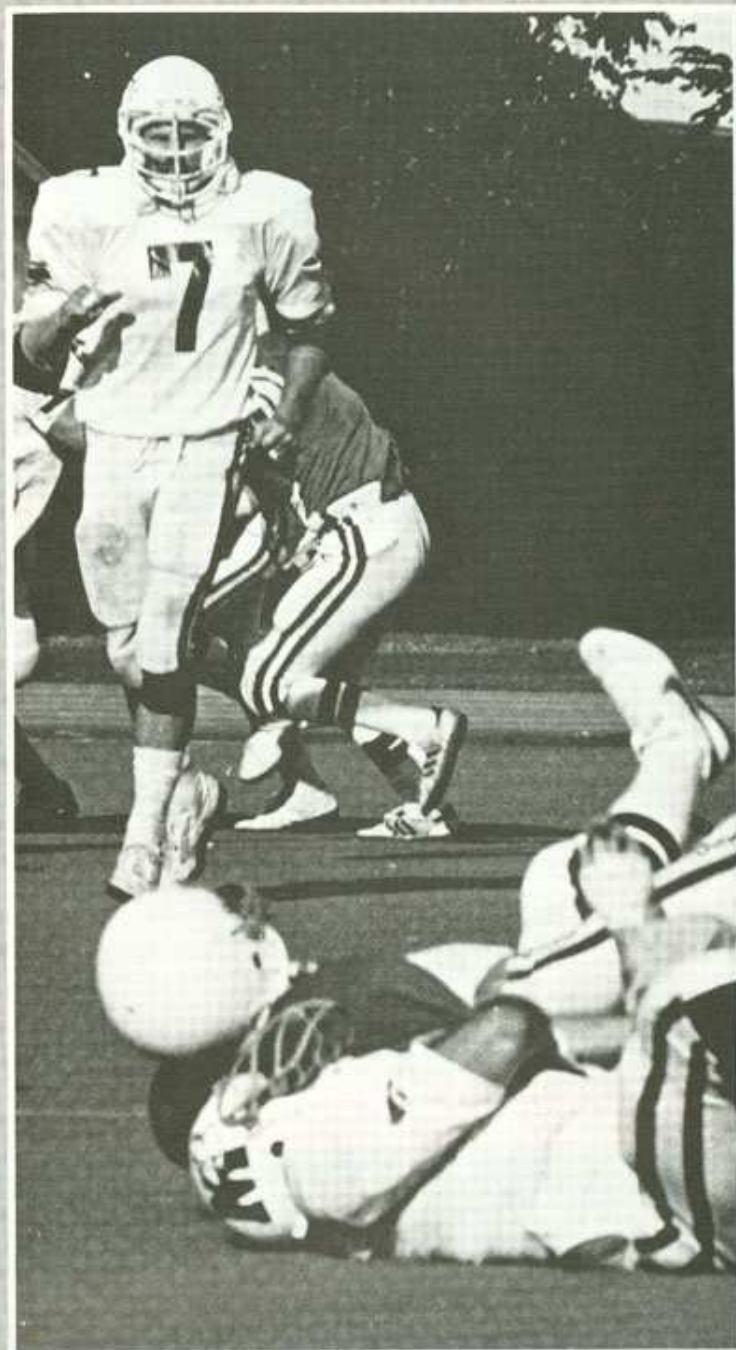

FOOTBALL

For the Football Huskies, this was a rebuilding year, with several rookies and a new coach, Larry Uteck. Although they had a strong team and good playing skills, the season was not a winning one for them. They finished the season with a W(2) L(4) Pts(4) record. We look forward to a winning and successful season in 1984 when the Huskies will come out on top.

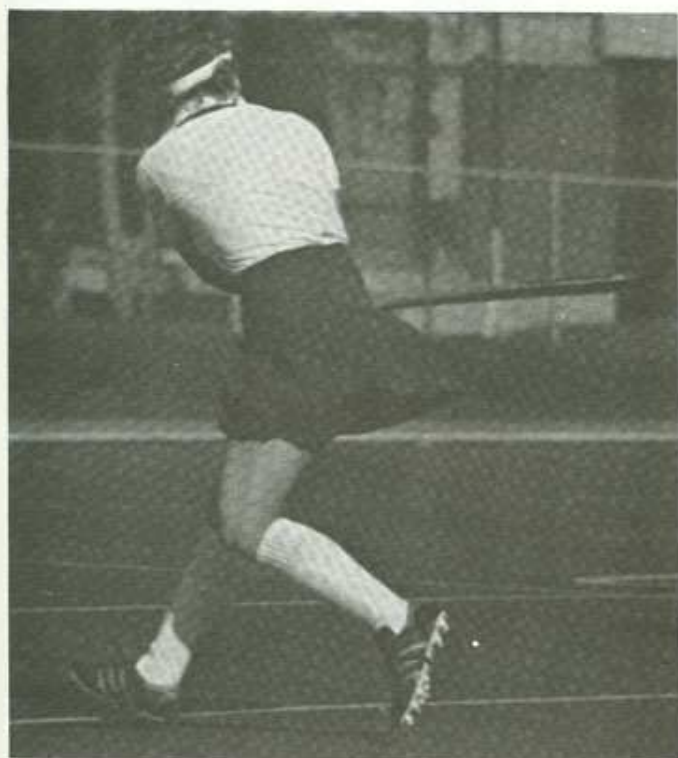

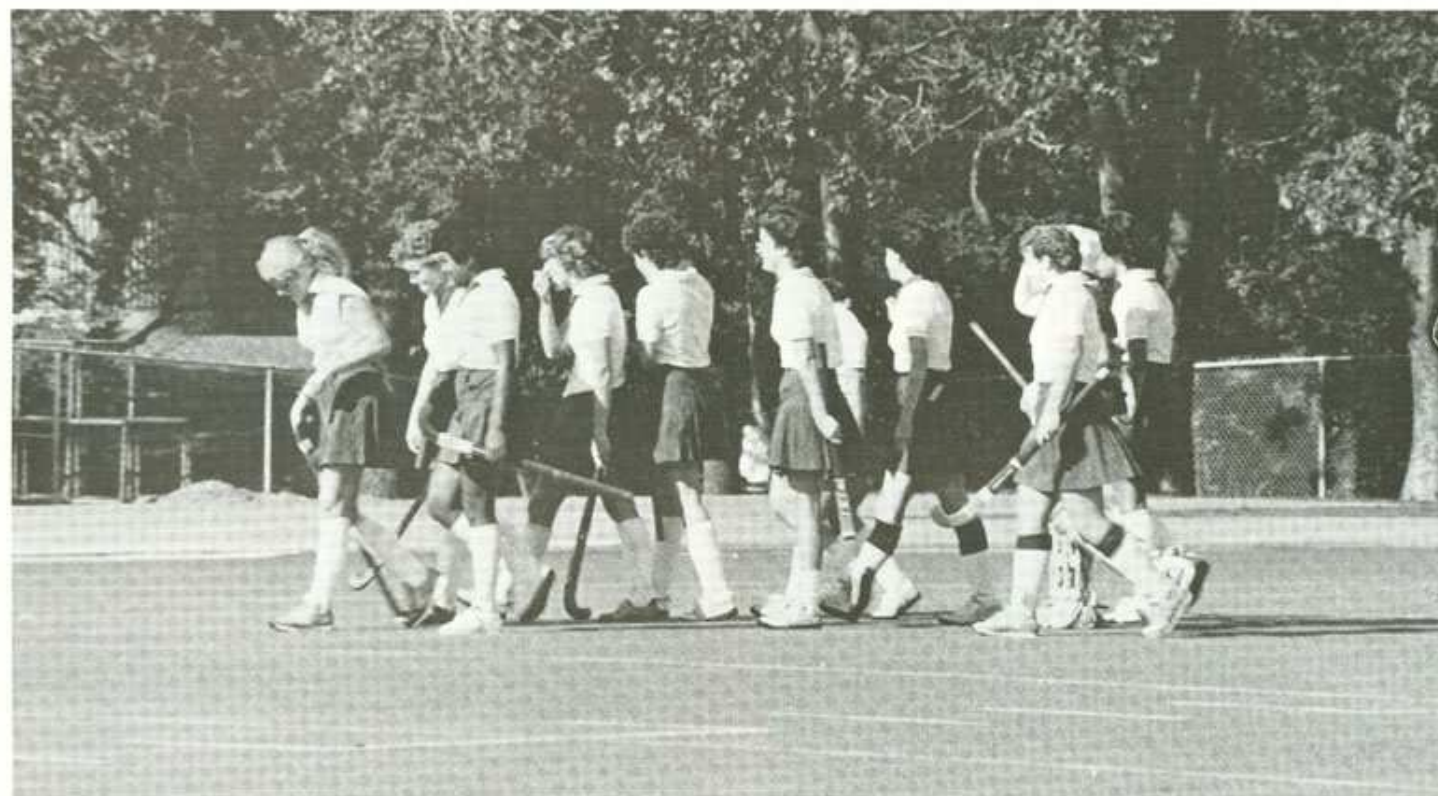

The Field Hockey team had a good year in the 1984 season with great goaltending and an excellent player in Lisa Desilva – Female Rookie of the Year. Although three seasoned players – Carol Skillen, Sue Maloney and Annelie Vandenberg have left (lucky grads!) – the team is well prepared for next year and will probably do even better in next season's games.

SOCCER

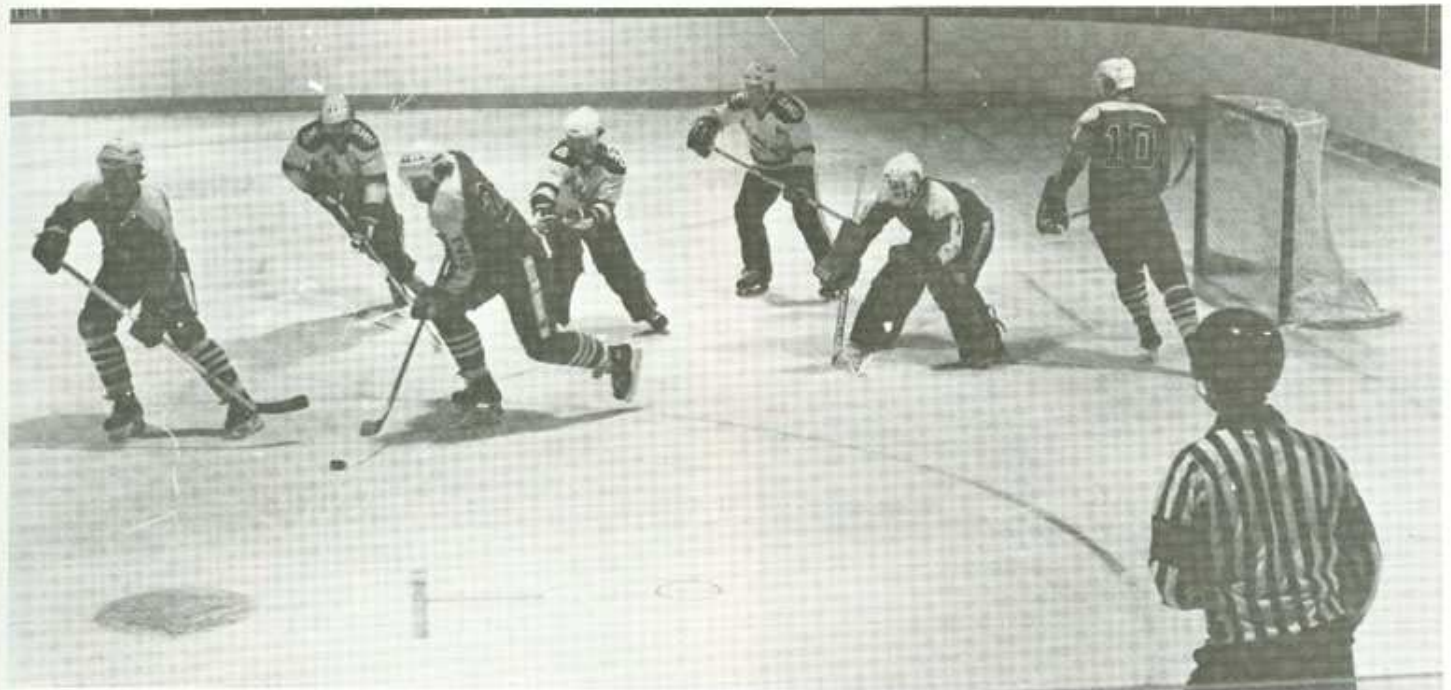

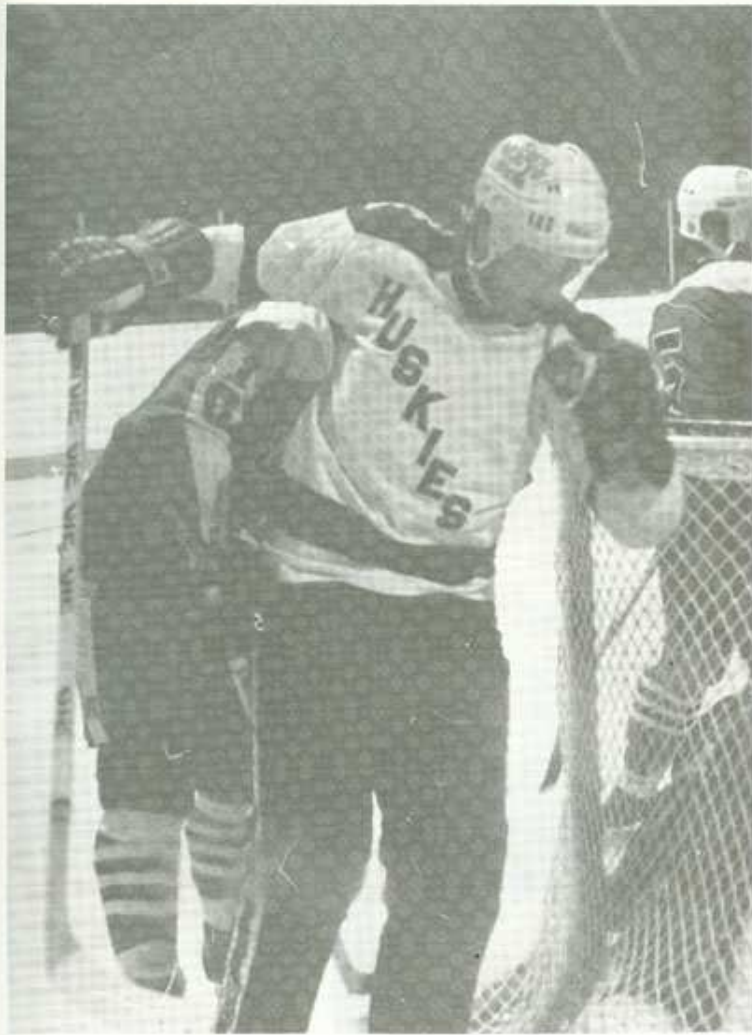

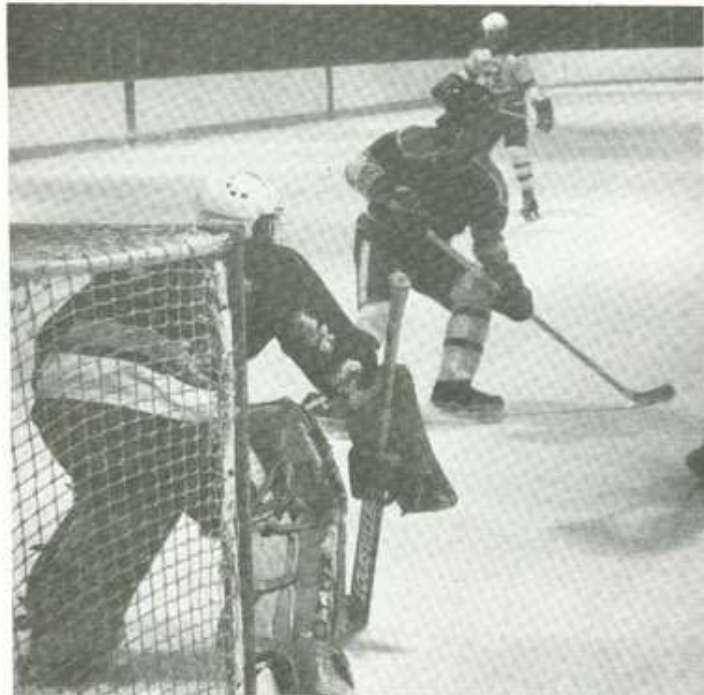

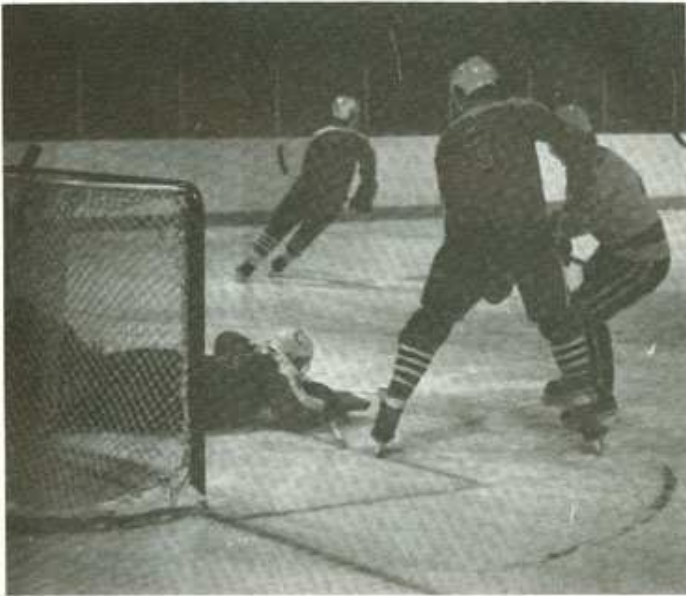

HOCKEY

The Hockey Huskie season ended on a bitter and disappointing note when unknown to the player involved, Wayne Fortune and the coach, B. O'Byrne, Wayne was found out to be ineligible to play varsity. With every game he played in declared void, the Huskies lost the third place finals AUAA standing they had in spite of all their hard work and great playing. This team is strong, with great players and next year nothing will stop them from going to the top.

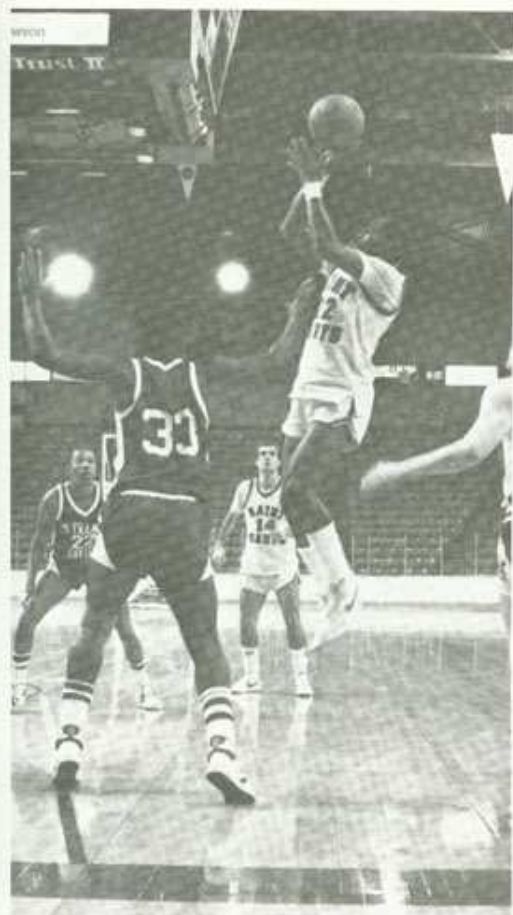

MEN'S BASKETBALL

The Basketball Huskies had an excellent beginning to their season. The team was made up of seasoned veterans like Rob Latter and a brilliant playing rookie – Ron Lardge. Unfortunately in the AUAA finals it was discovered that Greg Williams was ineligible. Despite this drop to 2nd place they won the AUAA's and were in New Brunswick to start the first playoff round for the CIAU's when it was found that Ron Lardge was also ineligible. They thus lost their AUAA title and are, inspite of fan outrage and support, suspended from playing next year.

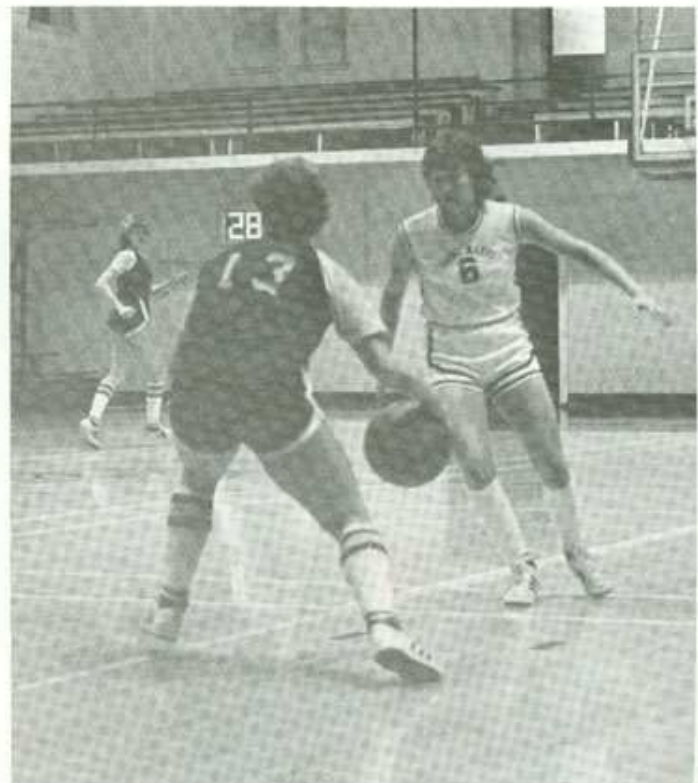

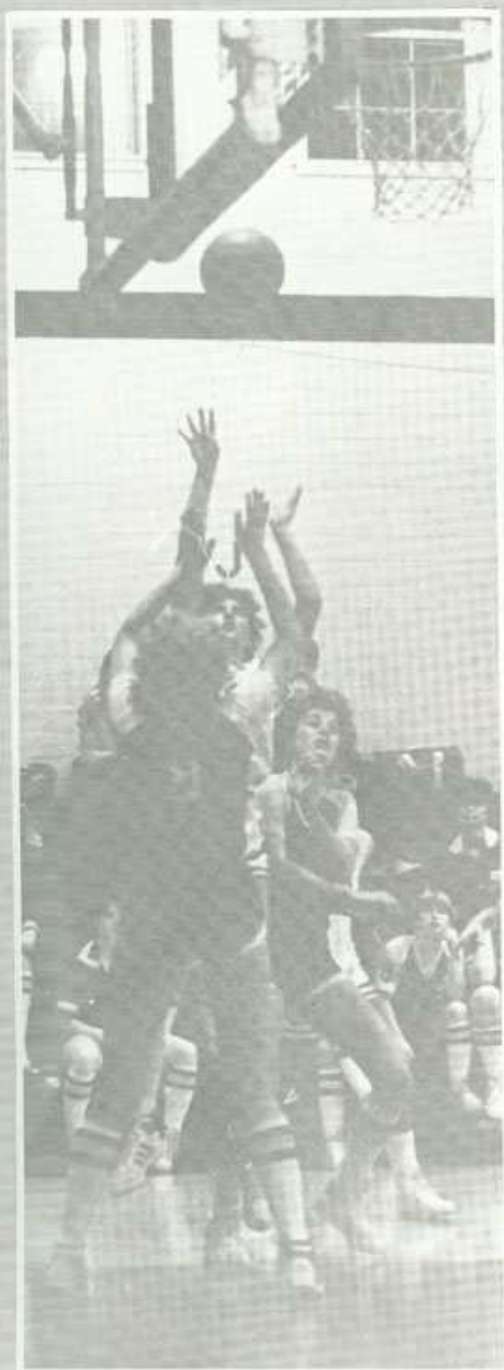

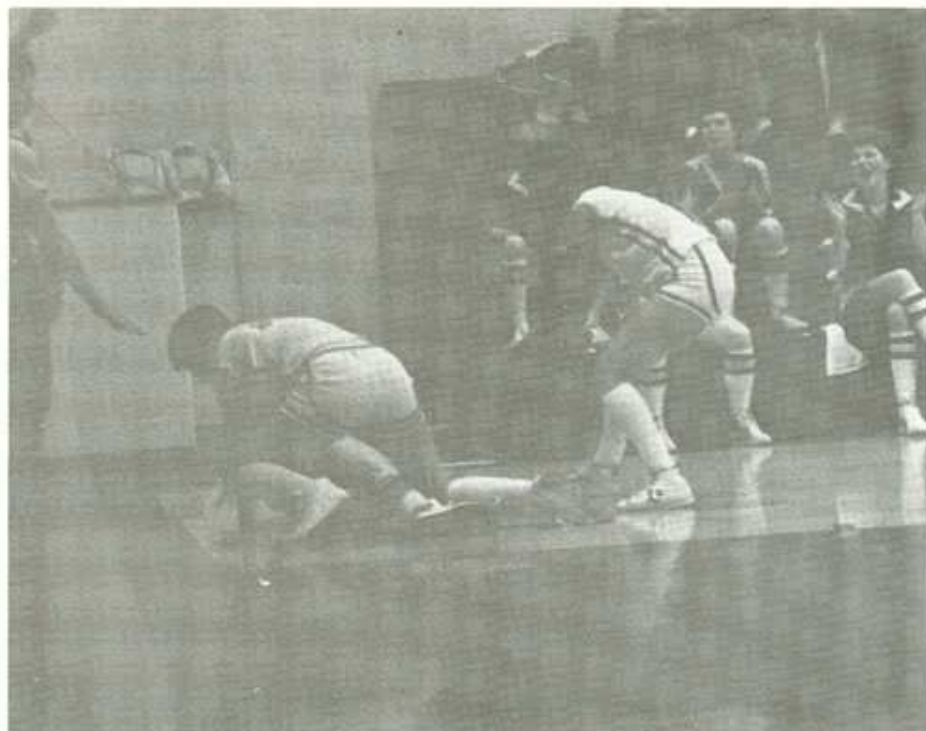

WOMEN'S BASKETBALL

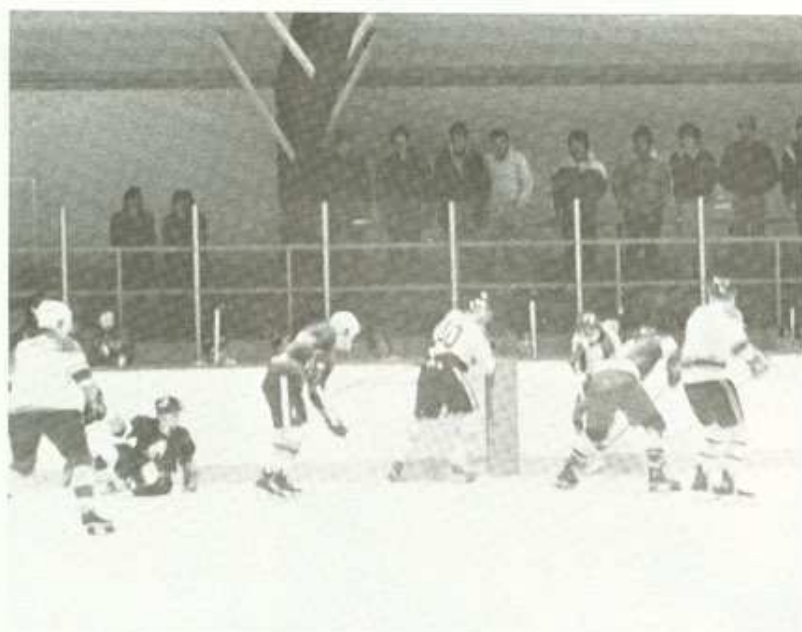

The Women's Huskie Basketball team put up a good fight this year with great on court playing and defense, but they did not get to the AUSA finals. They had a hard hitting, and a hard working team but with several new rookies like Suzanne Plamondon and Cat VanLeeuwen. Unfortunately two of their best players, Annelie Vandenberg - Female Athlete of the Year and Dianne Young have now graduated. However, the new additions to their team look quite promising and 1984-85 should be a winning year for the women's Huskies.

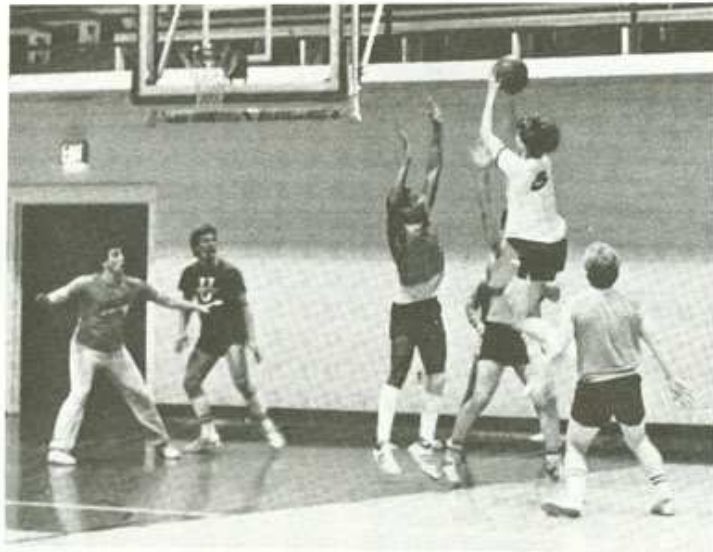

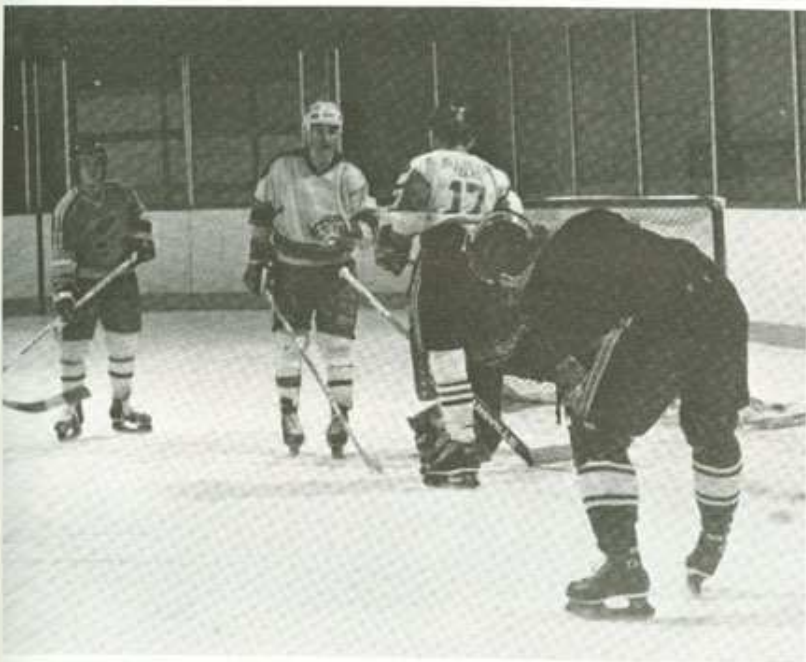

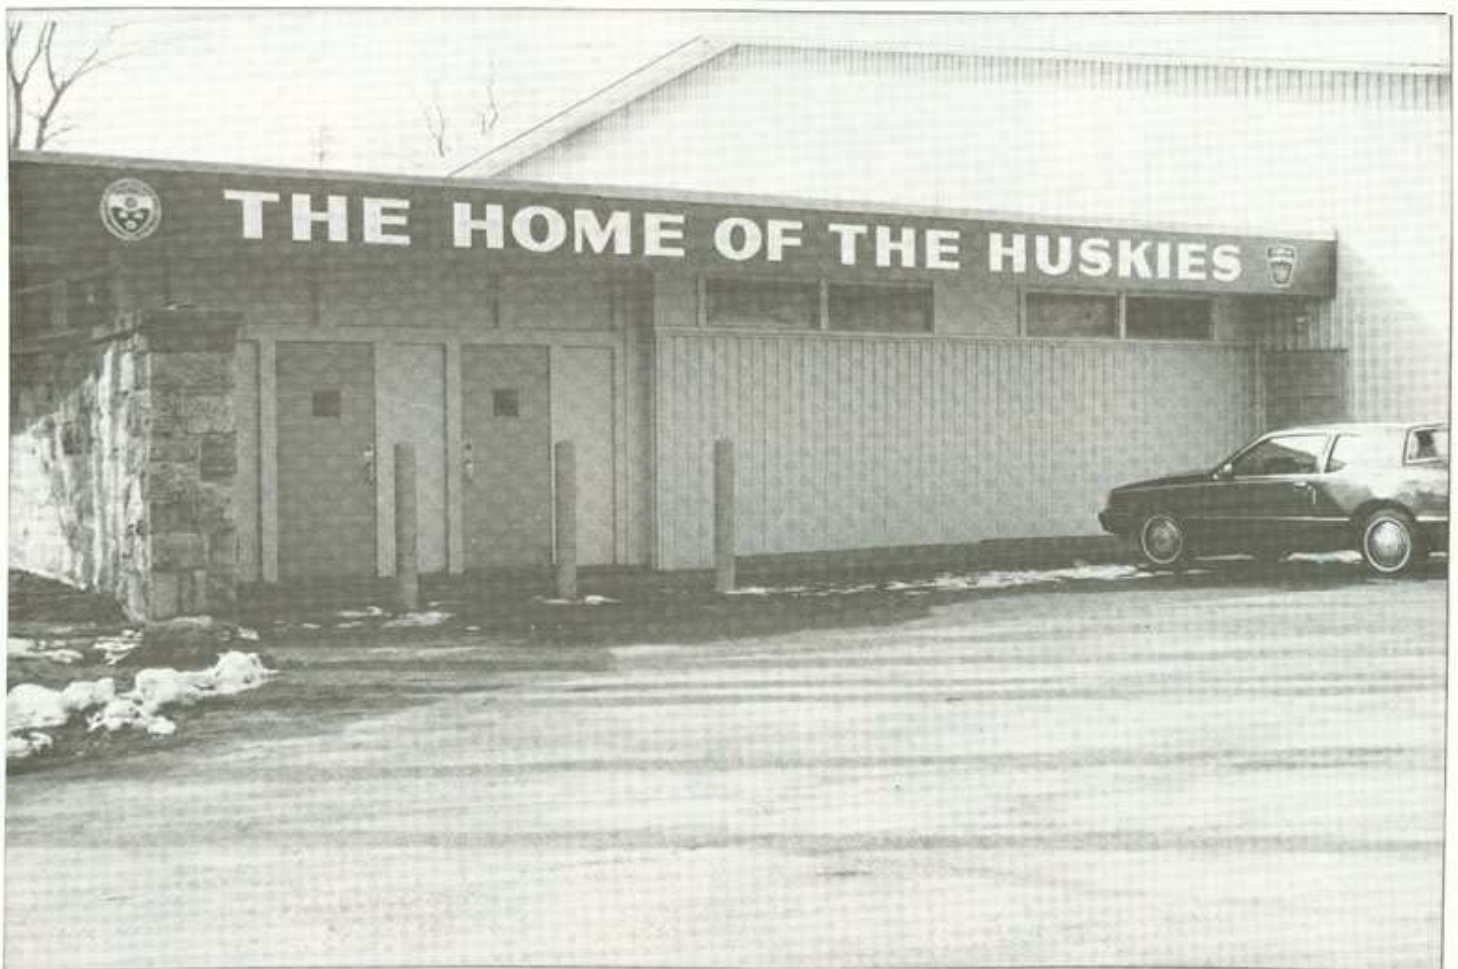

INTRAMURALS

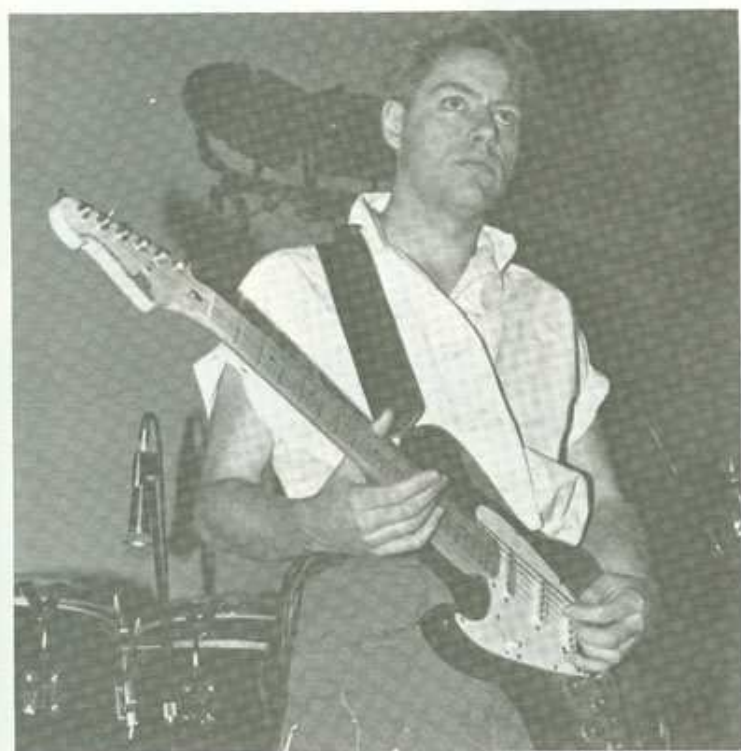

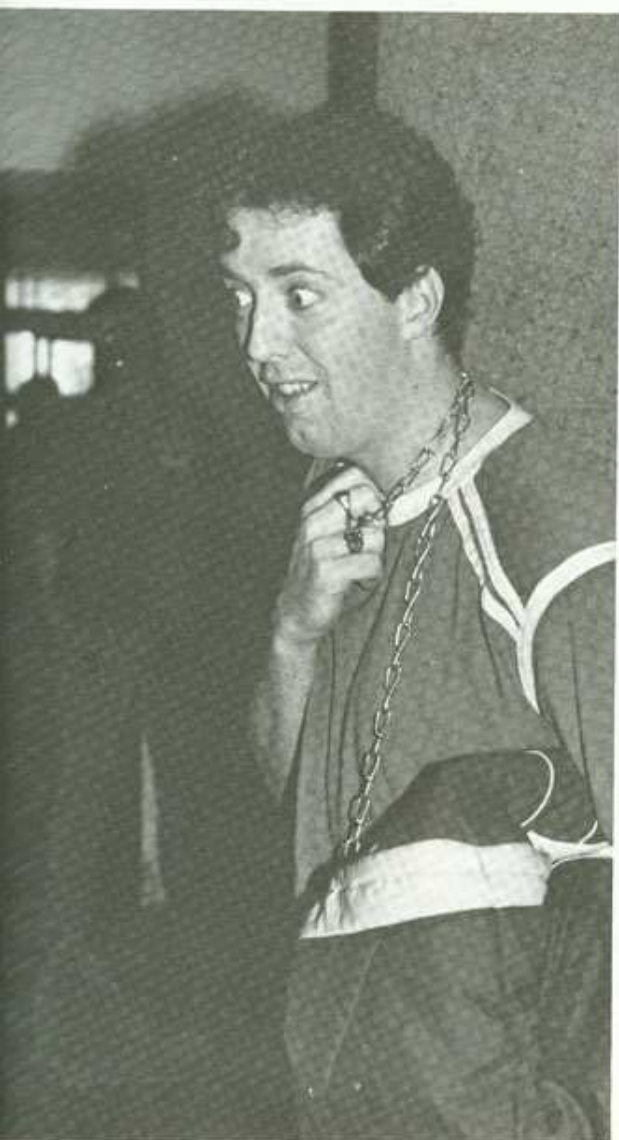

WINTER CARNIVAL

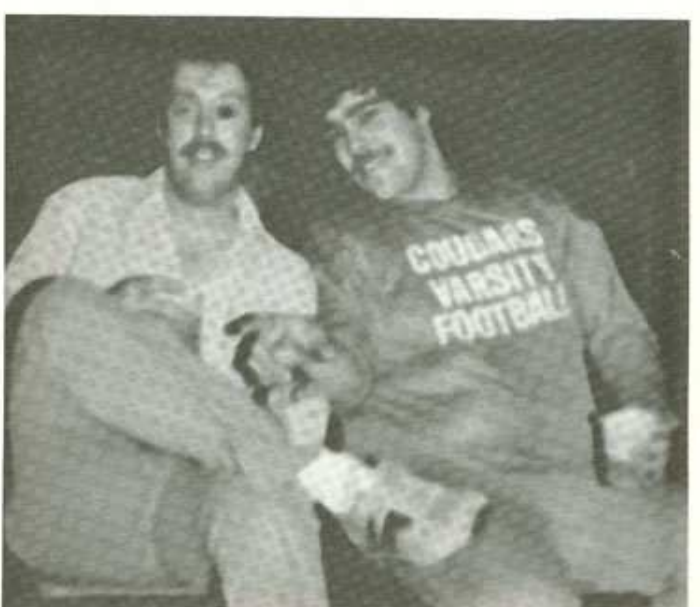

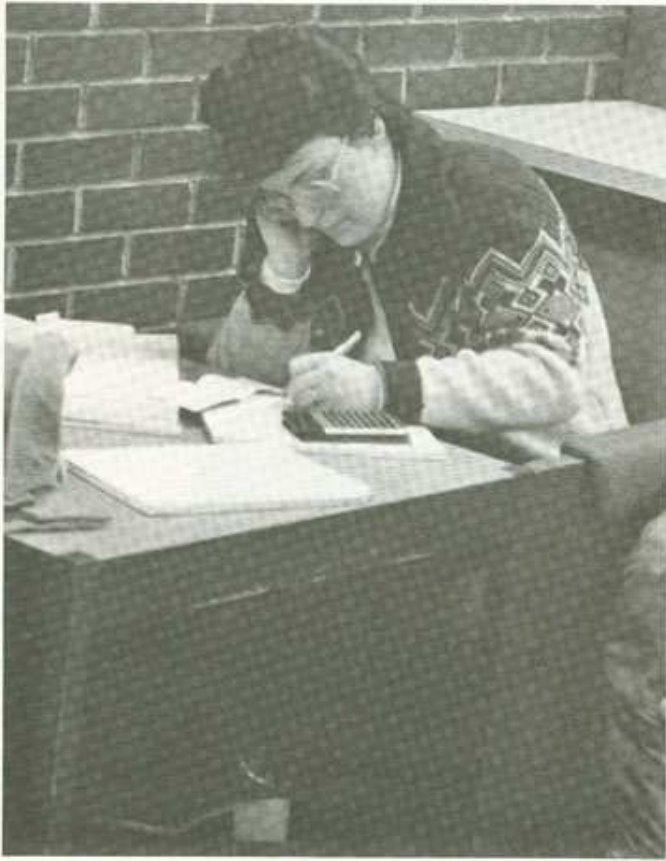

Fellow Santamarian Graduates,

It has been a difficult and trying year for you, the senior students of Saint Mary's but as true Santamarians you persevered and were able to overcome your obstacles and graduate with a university degree.

I would like to personally salute all of you in your success in fulfilling your academic goal.

The holistic education which you obtained here hopefully has made you a more complete individual. An education in which you have developed a desire for goodness, an appreciation of beauty, a concern for others and a capacity for friendship.

When the changing world becomes complicated and circumstances get you down, remember who you are, where you came from, and keep in mind what you want to do in life. Maintain this perspective and "strive for excellence" in whatever your endeavors may be.

As you flip through the pages of this yearbook, reminisce the years you spent here and reflect on how much Saint Mary's has changed your life since the time you entered its doors.

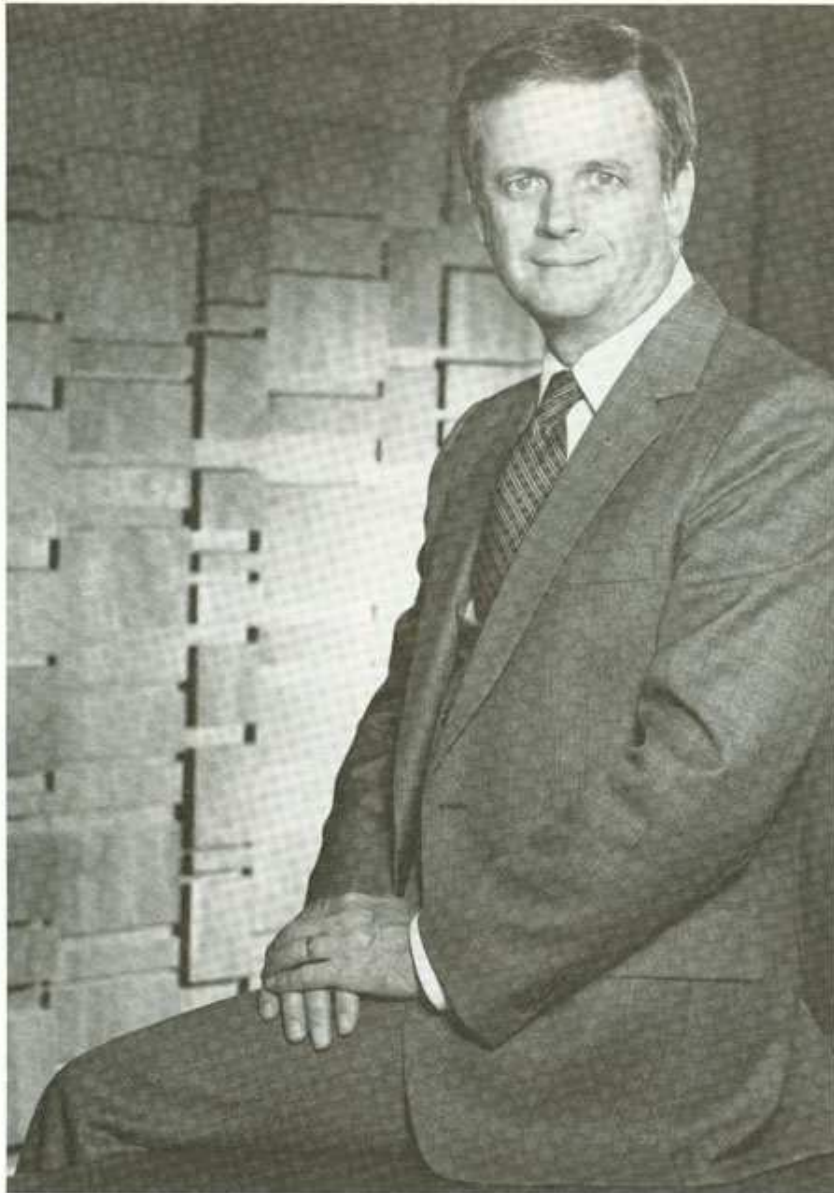

When you exit through those same doors, remember your friends, your experiences and most of all your alma mater. Hopefully the bond between you, your friends and the University will grow fonder.

I am proud to have been a part of this year and all its splendor and I wish the Class of 1984 peace, happiness and success.

Your friend always,

David Hendsbee

David Hendsbee
President
1983-1984

Dear Graduates:

On behalf of my colleagues at Saint Mary's, I offer you my sincere congratulations on your accomplishments. This is what you have all worked for, and your degree is evidence of your high level of achievement.

Your Yearbook will now, and in future, remind you of your many friends, and of many memorable occasions in your final year. I am sure you will treasure it all your life.

We know that you will especially value what Saint Mary's has meant to you – a place where you have grown intellectually, socially and spiritually. We know, as well, that you will remember us fondly, as we will remember you.

Yours sincerely,

Kenneth L. Ozmon
President

COUNCIL

The SRC had a difficult year this school term with a major executive reshuffling, having to appoint one new councillor and, late in the year, accept the resignation of another councillor.

Because of an ineligibility problem, not having been a registered student for part of the first term, Bruce Cooke resigned from his Presidential position. David Hendsbee, previously VPA, was voted in by council to fill this important empty position.

Stephen Murray, previously the Arts Rep., was voted in to the VPAdmin. position. Ruth Burke was then appointed as the Arts Rep.

Late in the year, Cynthia Otto, VPSA, resigned after an incamera council meeting regarding the "ceiling tile" incident. Joe Osborne replaced her. Shortly afterwards, due to external circumstances, Bruce Cumberland regrettably resigned from his position as Part-Time Students Rep. He was not replaced.

The year end council positions are as listed here:

President	David Hendsbee
VPAdmin	Stephen Murray
VPSA	Joe Osborne
Treasurer	Carol Skillen
Science Rep	Jamie Jackson
Engineering Rep	Naza Isaac
Residence Rep	Michelle Cox
Commerce Rep	Kim McDonald
Grad Rep	Steve Munden
International Students Rep	Dave Phillips
Off Campus Rep	Geoff Wilmshurst
Part-Time Rep	VOID
Education Rep	Karen Wilson
Arts Rep	Ruth Burke

RADIO CFSM

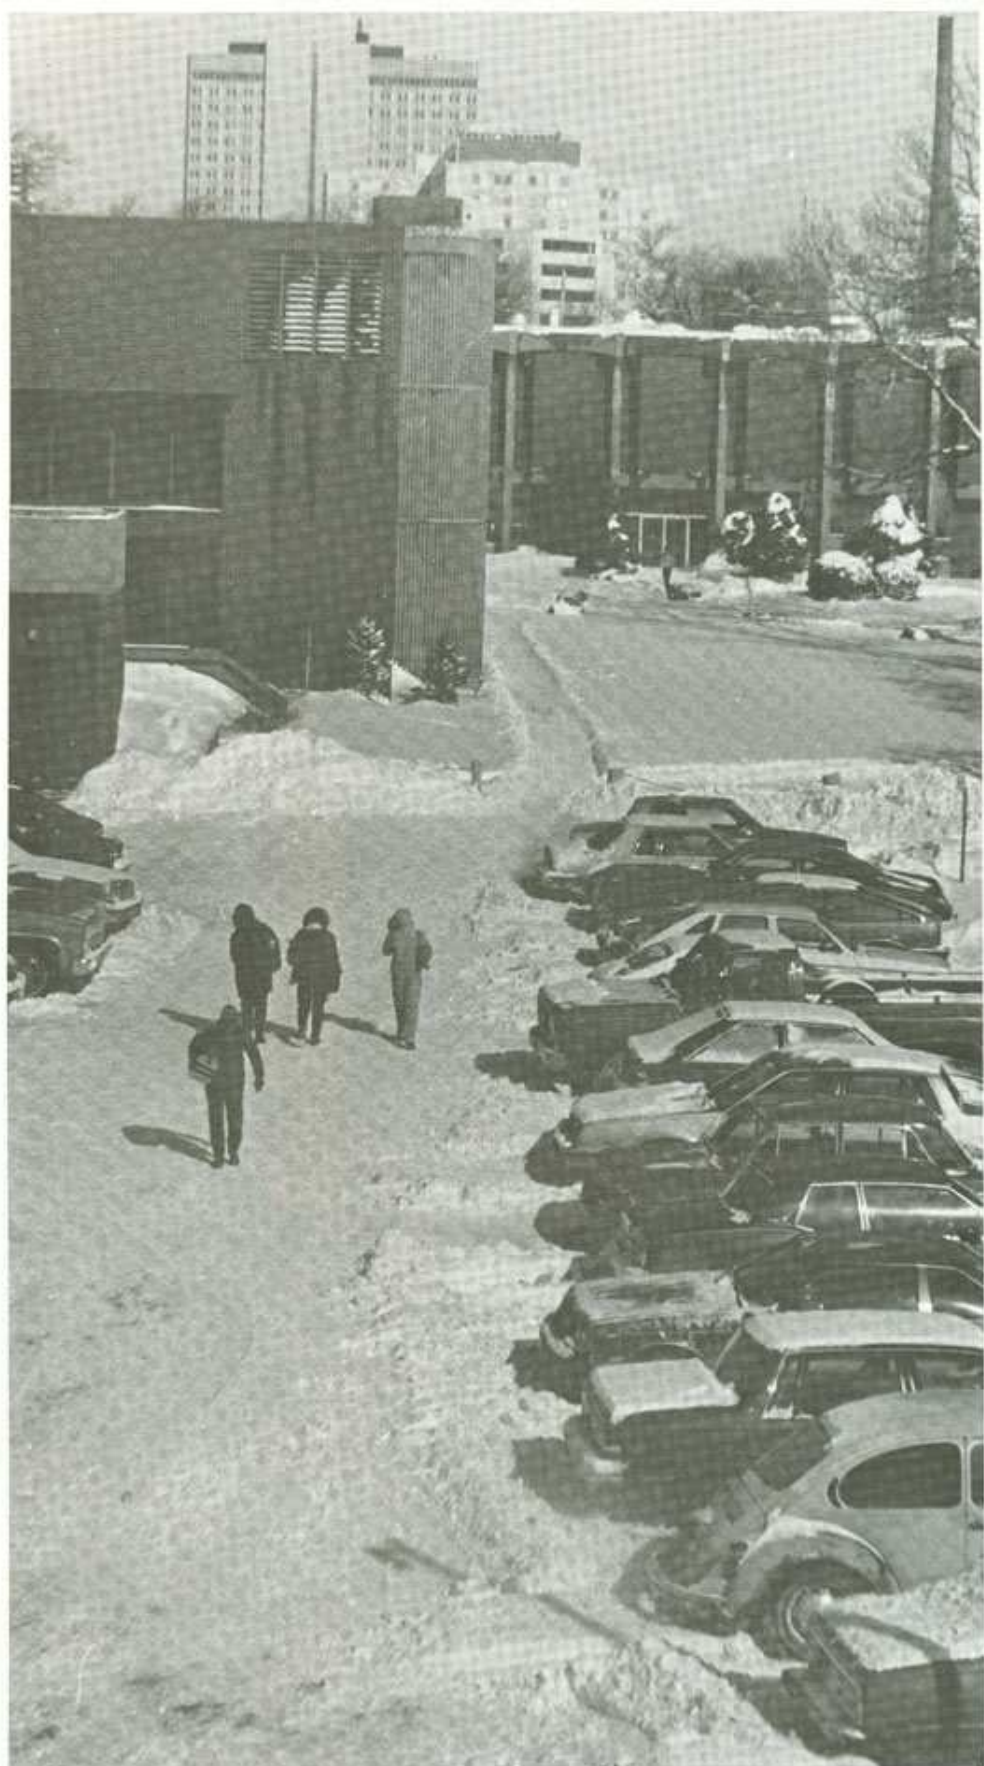

1983-84 was a year of transition for Radio St. Mary's (CFSM). It was a year of rebuilding. During the Christmas Break, there began renovations in the station production control room. New turntables, worth \$2500.00, were purchased from CJCH radio and were installed during this time.

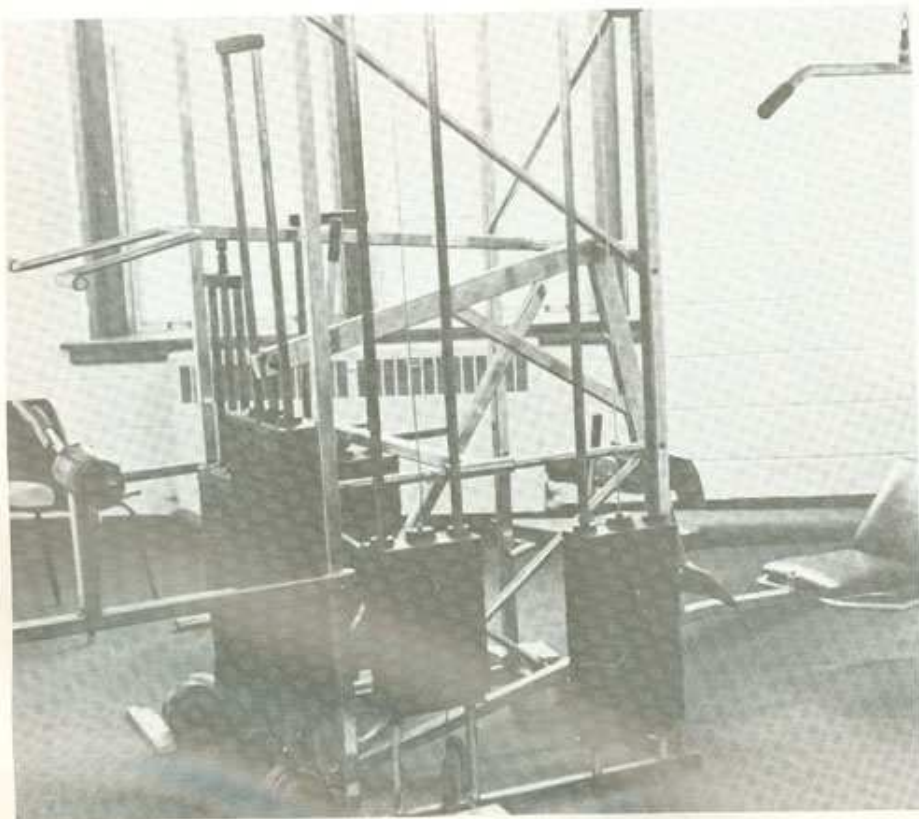

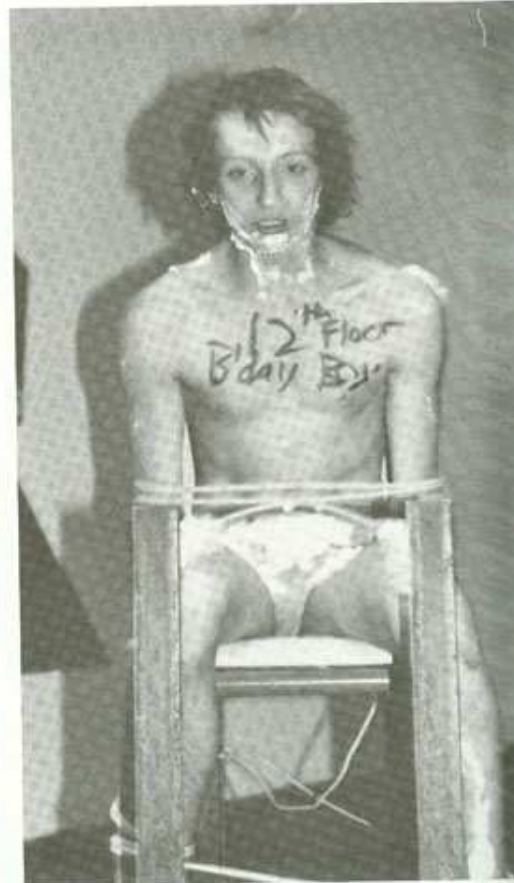

We experienced some difficulties as part of this rebuilding process. There were several problems with the SRC, the biggest of which was necessary funding. However, with the positive attitude presented by both the students and lots of hard work, CFSM looks forward to ongoing success.
