President's Message

On behalf of the Students' Association, I would like to welcome all new and returning students. I hope you had a safe and enjoyable summer.

During the summer months we have been very busy making plans for the upcoming year, to ensure that it will be an exciting one. We look forward to your participation in our Orientation: SMU, The Next Generation. Lorraine and her team of volunteers have been exceptionally busy planning activities for all our students.

Over the summer we have been busy working to raise the profile of your association, and make it more accountable to you. It is our intention to make the association a more effective mechanism for dealing with problems.

There have been many changes at the University this summer. These changes include tuition increases, construction on residence, the hockey team moving to the Metro Centre, and changes in the loan system. If you have any questions or concerns please feel free to contact us at the Students' Association.

I look forward to meeting many of you during our Orientation, at the Gorsebrook or at a sporting event. I urge you to be as involved as your studies and work allows in order for you to fully benefit from your time at St. Mary's. Thank you and I hope you have an enjoyable year.

Yours Truly,

Kyle Langille
Pres. SMUSA, INC.
