❄ President's Message ❄

Dear Fellow Students,

I would like to thank you for all the support which you have given me over the past years. I hope you have all enjoyed the first semester and are looking forward to the second semester. Even though I was appointed by the Students' Representative Council, I will ensure that the students of Saint Mary's are adequately and fully represented on the numerous University and Government committees.

Your Students' Association has been busily preparing, reviewing and implementing programming and services initiatives for the upcoming semester. Although it is only a short period of time, I feel that the upcoming four months provide sufficient time for great accomplishment and improvements of the student life, however your input is crucial.

SMUSA is students working for students. Get involved, take a stand, sit in on a committee, join a society, be a part of campus life. If you have any suggestions, ideas, problems or concerns, please let me know. Do not hesitate to drop by the SMUSA offices on the 5th floor of the SUB.

YOU CAN MAKE A DIFFERENCE!

Looking forward to working with you.

*Boris Mirtchev
