

Annual Meeting 1980

The Annual Meeting of the Alumni Association was held on Wednesday, April 30, 1980 in the Private Dining Room. The President, Pat Curran, B.A.'65, B.Ed.'66, LL.B. (Dal) '69, presided. The attendance, again, was small but slightly larger than that of past years.

After presentation of committee reports, financial statement etc., the meeting heard a report of a committee, headed by Rick Butler which had been established to review the notice of motion tabled at the annual meeting in 1979, which would make full or part-time employees of the university ineligible for appointment to the Board of Governors as alumni representatives. The report, which had executive approval, recommended the developing of guidelines to ensure that alumni representation on the Board came from the widest spectrum of its constituent groups. The report called for the creation of these guidelines within three months and a special meeting or general vote shortly thereafter. The report was not discussed as a request for discussion of the

original motion tabled at last year's meeting was upheld. The original motion was approved by the meeting by a vote of 34 to 16.

Kevin Cleary indicated to the chair that in view of the action taken, he felt that it was mandatory that he resign as an alumni representative on the Board and that it was his intention to do so as of July 31, 1980.

A motion presented by Brian O'Byrne and Bob Hayes, which directed the executive to examine the dues structure with a view to increasing the contributions of alumni was approved. The motion directed the executive to prepare a report preparatory to a special meeting to be held before the end of 1980.

Bob Mercer Named Managing-Director

Bob Mercer (B.Comm.'71) has been appointed Managing Director of the Canadian Institute for the Blind. Before assuming the position of Chief Administrator in Toronto, he was executive assistant to the then Managing Director, Mr. Ross Purse.

A native of Sydney he came to Saint Mary's in 1967 and was a resident student throughout his university years. His don for one year was this year's alumni president, Rick Butler.

The position of Managing Director was created by the C.N.I.B. in 1918 and in the sixty-two years following only three men have held the post before Bob. Colonel Baker held the post for some forty-two years, Art McKee for only a few years and Ross Purse for the remaining years.

Other recent appointments and promotions at the CNIB have included the appointment of Dennis MacCormack (B.A.'70, M.A. Toronto) as District Administrator, Halifax District. Dennis had been

working with Dr. John MacCormack and Dr. Arthur Monahan in the Institute of Human Values here at Saint Mary's.

Terry Green (B.A.'78) a native of Halifax has been appointed District Administrator of the Winnipeg North Division. Terry was deeply involved as a student in summer projects, notably the founding of the Community Tape Resource Library for the handicapped.

Chris Stark (B.A.'71, B.Ed.'72) is Provincial Administrator, the Province of New Brunswick. He is working out of the Head Office in Fredericton. Chris was a resident student, summer resident worker and a founder of the Blind Rights Movement while at Saint Mary's.

The Alumni Association extends congratulations and best wishes to these visually handicapped alumni who, while students, were so involved with their fellows.

Paul Gouett and Friends

A number of classmates, and friends of Paul Gouett, B.A.'70, M.A.'78, gathered at the Halifax Police Club on South Street in Halifax on Friday, July 4th to share an evening with Paul and his wife Karen and to present him with an electric wheel-

chair. Paul has multiple sclerosis and has recently been forced to use a wheelchair. To assist Paul, his friends decided to obtain a first class electric wheelchair and to provide some of the specialized services he will need. A short campaign culminated in the dinner-dance at which the presentation was made. Sufficient funds were raised to purchase the chair and to provide for the other specialized services required. Joining Paul, Karen and some members of his family were his friends from Saint Mary's and some of his fellow teachers.

The chairman of the committee that put the whole evening together was Fred Spencer. Assisting were Gary Humphries, Phil Rogers, Wil Aubut, John Shaw, Greg MacDonald, Terry McHugh and Mike Murphy. Heinz Morstatt of the Heidelberg and former caterer at Saint Mary's coordinated the magnificent dinner. The Halifax Police Association donated the clubhouse. Many merchants and friends donated goods and services. A hundred and twenty-five attended the function. An additional one hundred and twenty gave donations.

Both Paul and Fred thank everyone. We're very proud. It was a joyful, sparkling night.
