Collegian

YEAR BOOK

1940

The Collegian

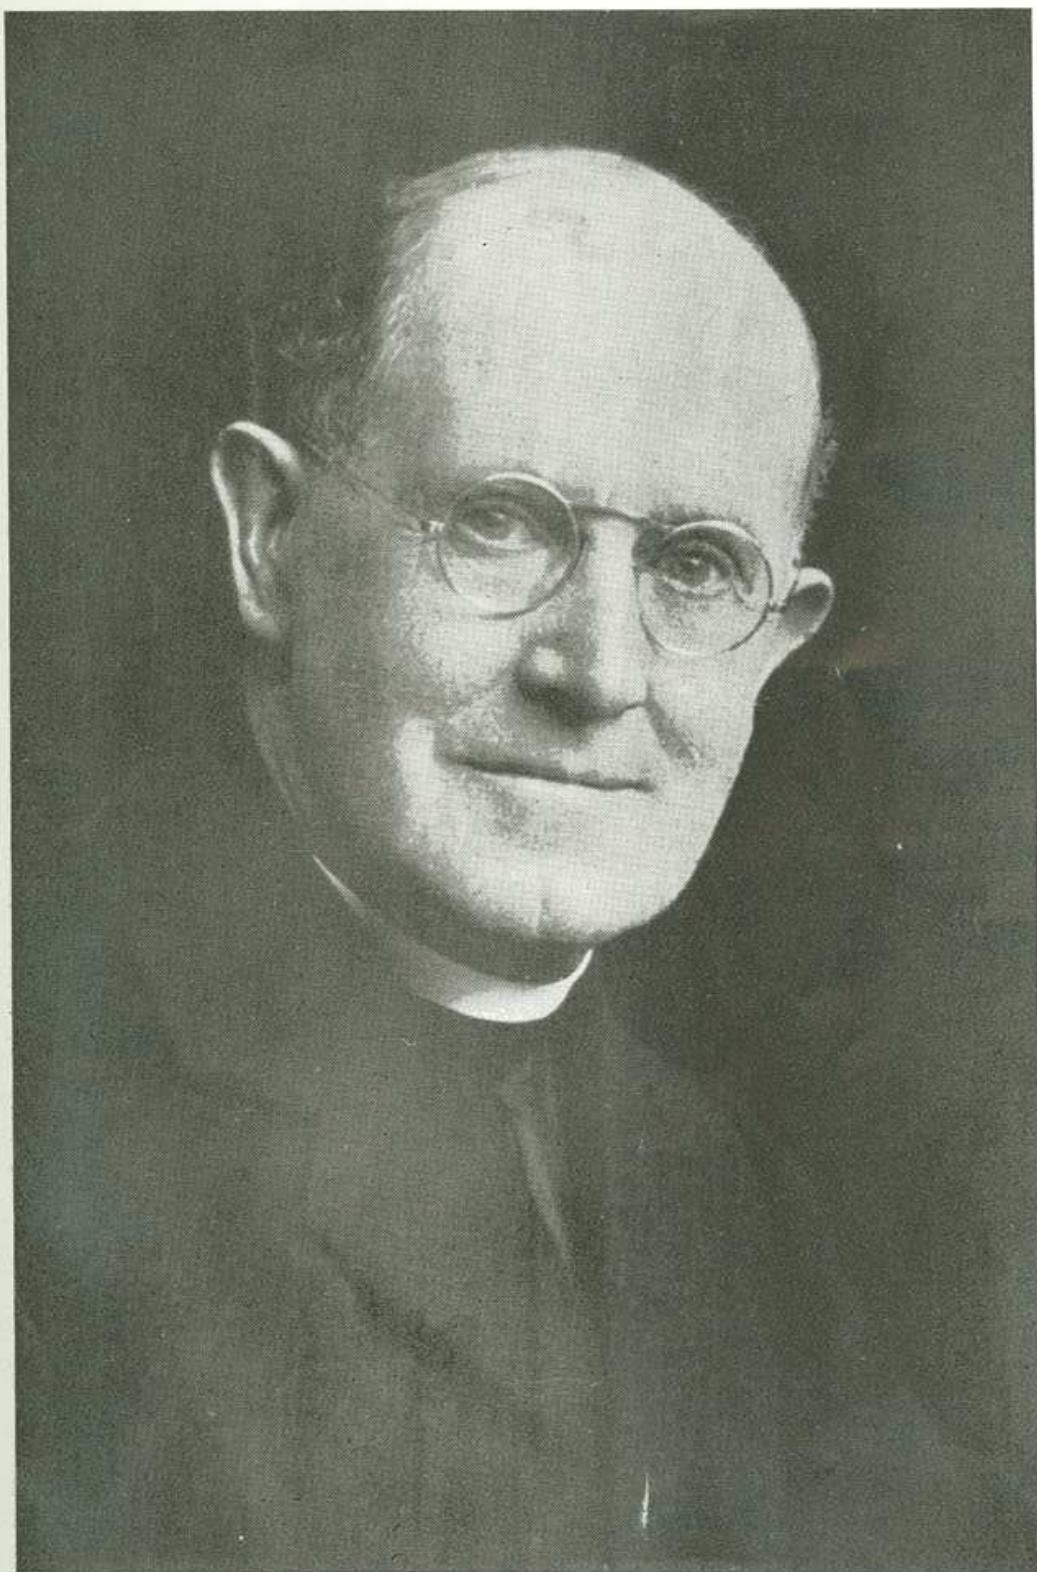

THE YEAR BOOK
of
Saint Mary's College

HALIFAX, NOVA SCOTIA

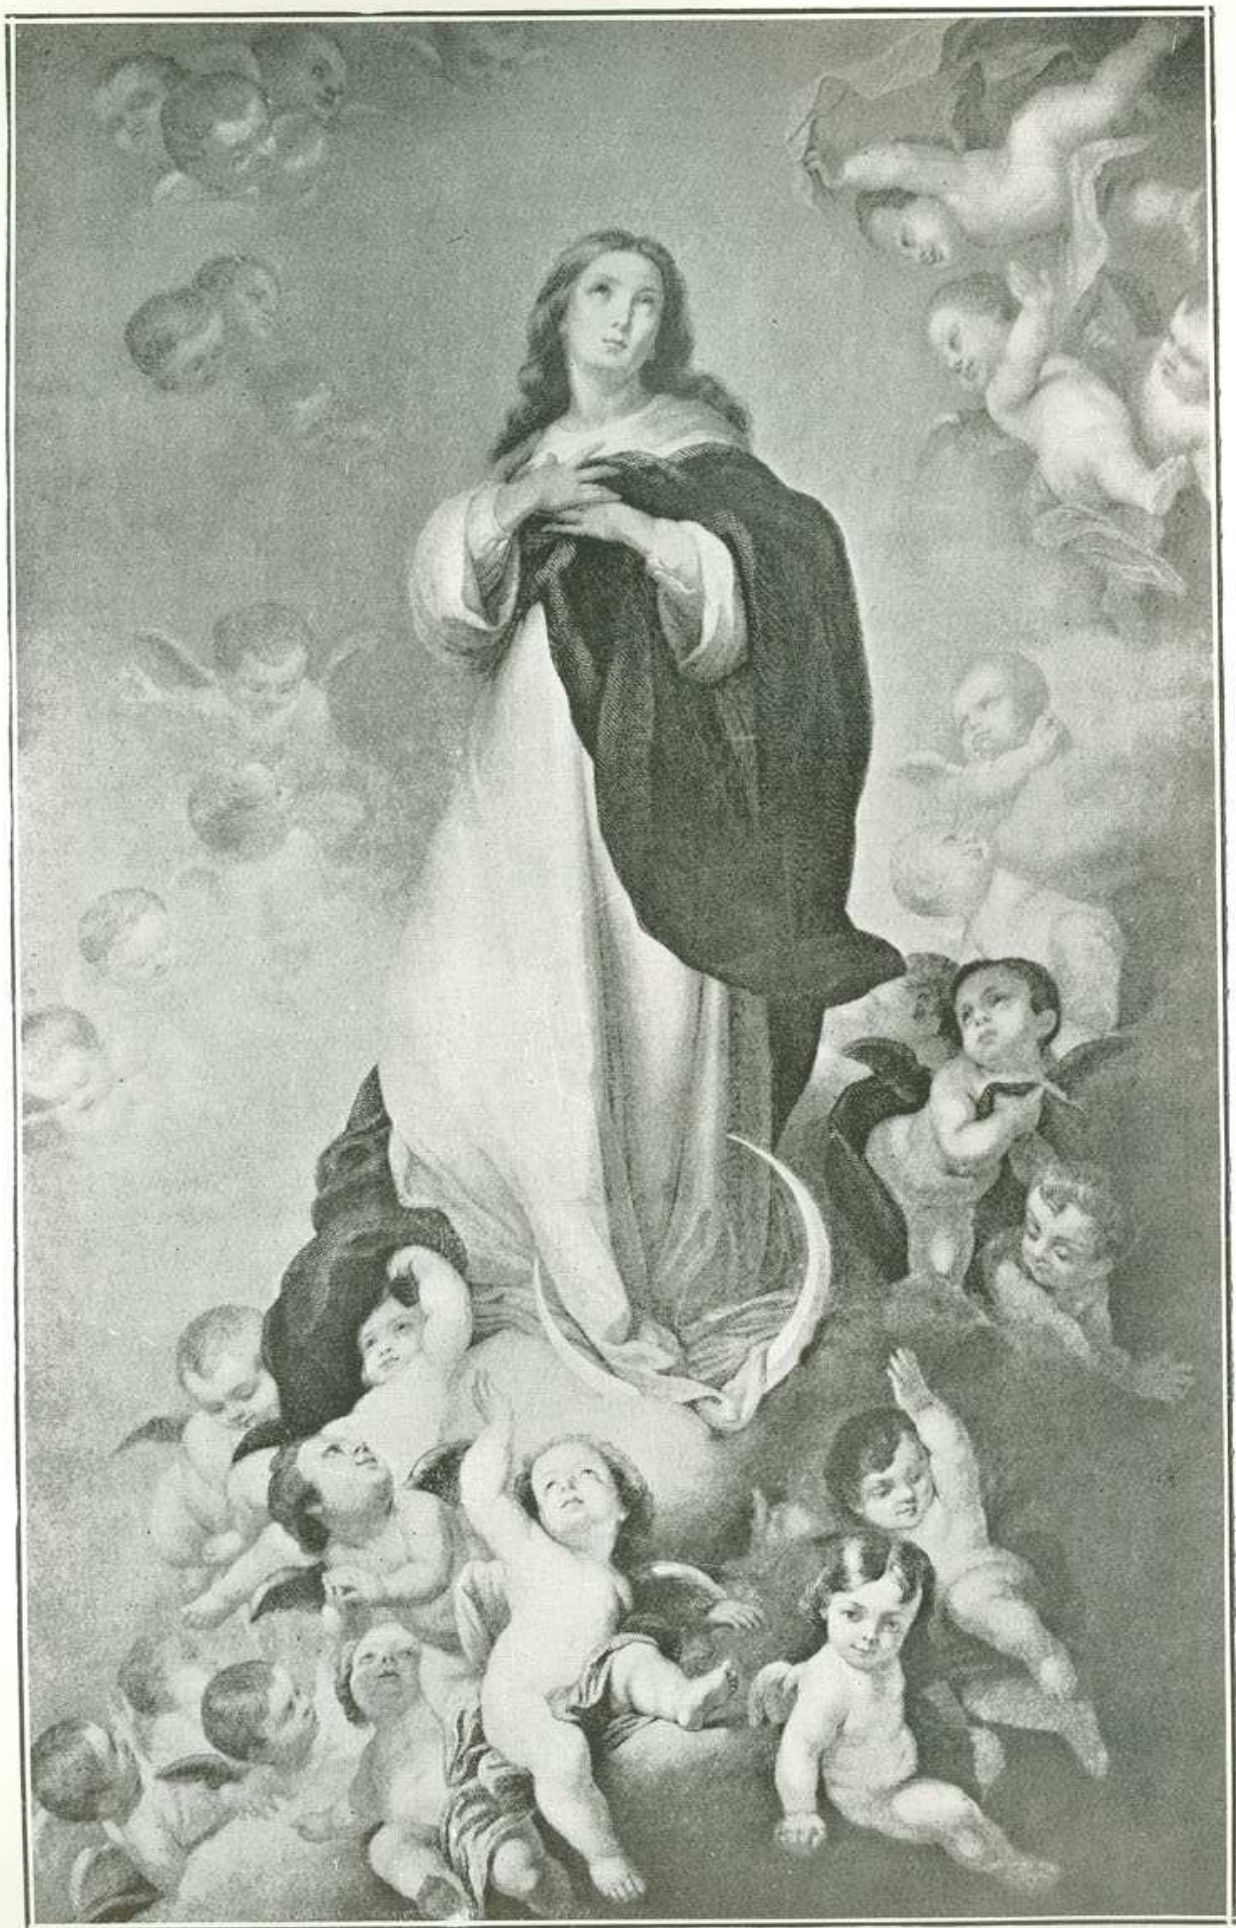

==== 1940 ====

DEDICATION

To Reverend Brother P. J. Culhane, Provincial of American Province, Irish Christian Brothers, and former President of St. Mary's, we dedicate this number of the Collegian in affectionate commemoration of his attaining the Golden Jubilee of his Religious Profession.

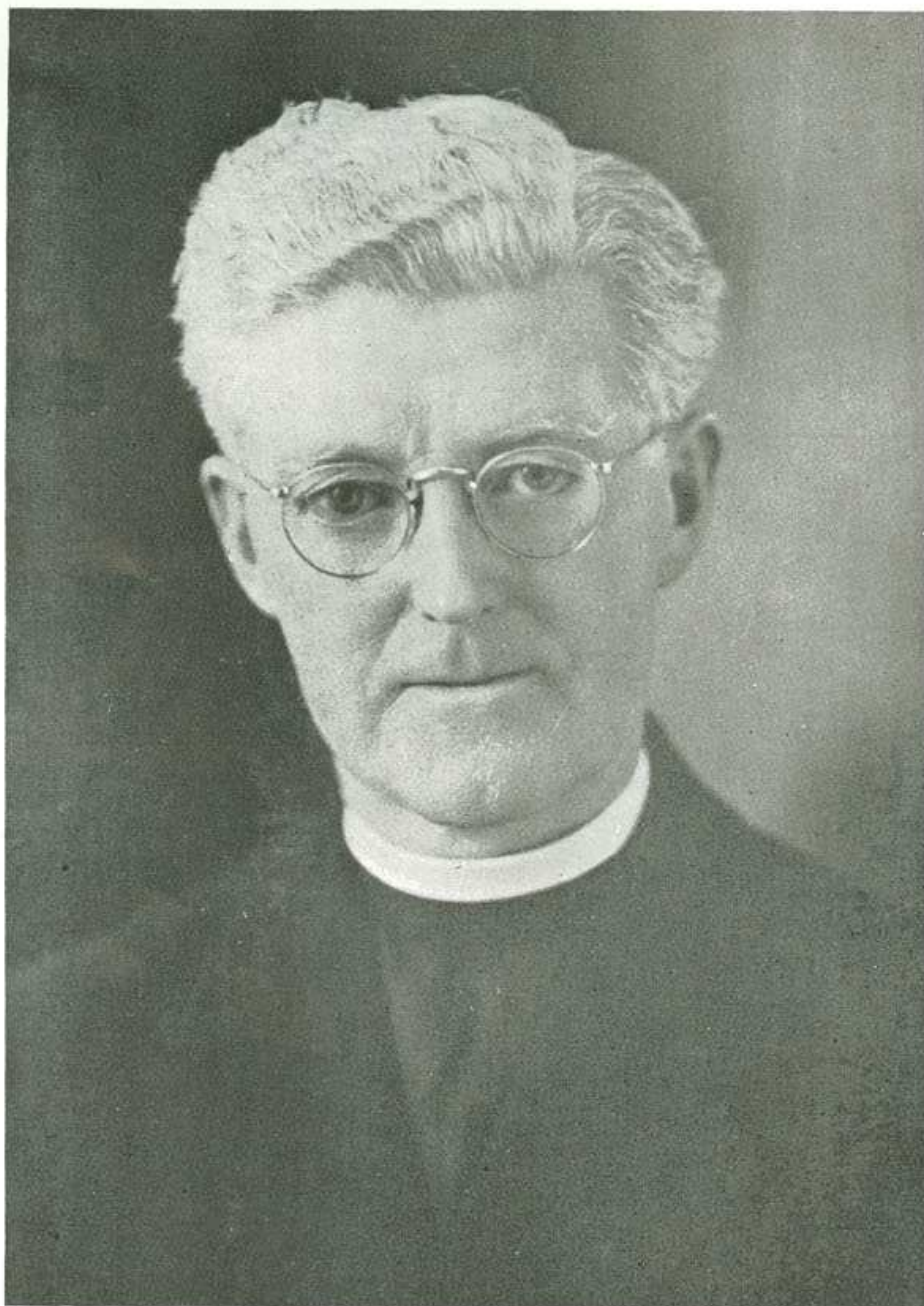

REV. BROTHER P. J. CULHANE
Provincial of the Irish Christian Brothers, American Province

PATRONESS OF ST. MARY'S COLLEGE

FOREWORD

This Collegian marks the close of the services in St. Mary's College of the Christian Brothers of Ireland to the cause of Catholic education. It reviews the activities of the various societies and other matters of interest in respect to the current year. The editors trust that this issue will prove an abiding well-spring from which to imbibe, in the years to come, refreshing memories of men and things.

REVEREND BROTHER M. J. LANNON
President of St. Mary's College

PRESIDENT'S MESSAGE TO THE GRADUATES

Dear Graduates:

Your graduation from College after four years of study would seem to be the completion of a phase of your career but that is not so; it has been but an all too short acquaintance with the use of instruments by which the intellectual vitality of the world is maintained. Such instruments will always be within your reach if you are wise enough to use them, for, thanks to the opportunities of modern life, you will never be deprived of the use of books, not merely books that tell you how to make a living but rather those that tell you how to make your life ever a richer and a fuller life. The seeds of the present conflict between nations have had their growth encouraged in minds that never found the high delights of real living. The low valuation which totalitarian thinking has placed upon the most sacred principles of life has in a large measure been the cause of the world's present discomfiture and distress.

Unfortunately, for many years the material values of life have been receiving more attention in the halls of learning than those ends which, because of their very nature, must be for ever the ultimate goal of the soul's striving. It is because of this false training of the mind and heart that men have followed darkness rather than light. Out of this sham intellectualism has arisen a prejudice against College-bred men because, though they seemed to know many things, they never came to a knowledge of themselves nor of the ends of life. One cannot expect to make a proper use of that whose purpose and end he does not know. And it is this very condition which aids every effort of those who deny the highest ends of being whilst they rivet chains of tyranny upon the necks of free peoples.

In the life opening up before you, many desirable opportunities may present themselves but it will be safe to say that only those may be considered real aids to greatness which arise out of your own holy thoughts and eager striving after the noblest ends of life. When such rich assets attend your labors relay to those still in doubt and wanting in courage some of the inspirations which may have aided you along the way. For you as for them the way will never be smooth. It will, until the end of time, be always harder to follow truth than to follow a leader.

BROTHER LANNON.

TAU GAMMA SIGMA

Last September the members of the Tau Gamma Sigma met and elected the following slate of officers:

President.....	J. GERALD MOFFATT
Vice-President.....	JOHN A. MacDONALD
Secretary.....	T. JOSEPH NUNN

In October, the annual initiation of new members took place at which such "true gentlemen", as Paul Laba, Allan MacPherson, Clyde Duggan, Joseph Grandy, Joseph Hallisey and William Dalton were admitted into the Society.

After the more rigorous part of the initiation was over, refreshments were served and a most enjoyable evening was spent by all. Congratulations are due the committee in charge for the capable way in which they handled the entire affair. Although, after such a splendid start, social activities lagged throughout the year, still the Society did much to foster a true feeling of friendship and fraternity among the members, which is after all, its aim.

As yet a new slate of officers has not been elected, but it is hoped that the future executive will do its utmost to shake off the "laissez-faire" attitude that has retarded the work of the Society in the past, and will make it, once again, "the" Society of the College.

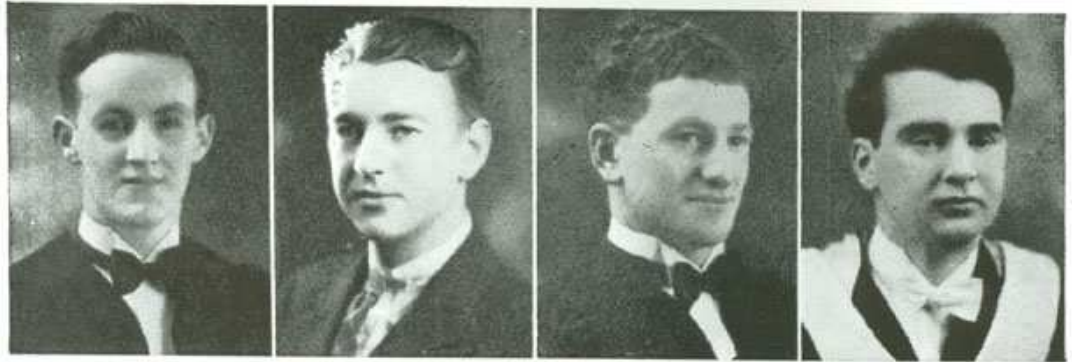

SOPHOMORE AND JUNIOR ARTS

Front row—Thomas Power, Harold McGrath, Ralph Vaughan, Donald Campbell, John Theriault.
 Second row—Joseph Grandy, William Dalton, Michael Fitzpatrick, Leo MacDonald, John MacDougall, James Dunn.
 Third row—Donald Berringer, Paul Laba, Joseph Hallisey, James O'Neil, Allan McPherson, John Campbell.

FRESHMAN ARTS AND SCIENCE

Front row—Owen MacCarthy, Frederick Duggan, Thomas Sullivan, Robert Murphy, Herbert Ernst.
 Second row—James Hayes, Louis Graves, Lawrence Smith, James MacDonnell, Robert Walsh, Henry Kline.

George Hoganson
President

Albert Cohn
Vice-President

THE ENGINEERING SOCIETY

The year 1939-40 has passed and the Engineers review the activities of their society.

The year began under the cloud of war, the society losing its past President Wesley Theakston and former secretary Frank Reardon. Those and many more staunch supporters of the society left college to join in Canada's war effort.

A general meeting was held soon after the year began and the executive for the year was elected:

President.....	GEORGE HOGANSON
Vice-President.....	ALBERT COHN
Treasurer.....	GEORGE WEST
Secretary.....	TERENCE FOLEY

The social activities of the year began with an informal reception at the home of Mr. and Mrs. Thomas. The society presented our popular professor and his wife with a wedding present and the congratulations of the Engineers.

In December, the main event of the year, the Annual Engineers Banquet and Ball, was held at the Nova Scotian Hotel. The guest speaker at the Banquet was Dr. F. S. Sexton, President of the Nova Scotia Technical College, who gave an interesting talk on the different aspects of an Engineering career. Many distinguished guests were present and the students felt that it was a memorable occasion. The Banquet was followed by the much awaited Ball which was enjoyed by a large number of alumni, friends, and students. This affair was a complete success, one of which the Engineers feel justly proud. The dance was under the chaperonage of Dr. and Mrs. Sexton, Mr. Justice and Mrs. Carroll, and Mr. and Mrs. Thomas.

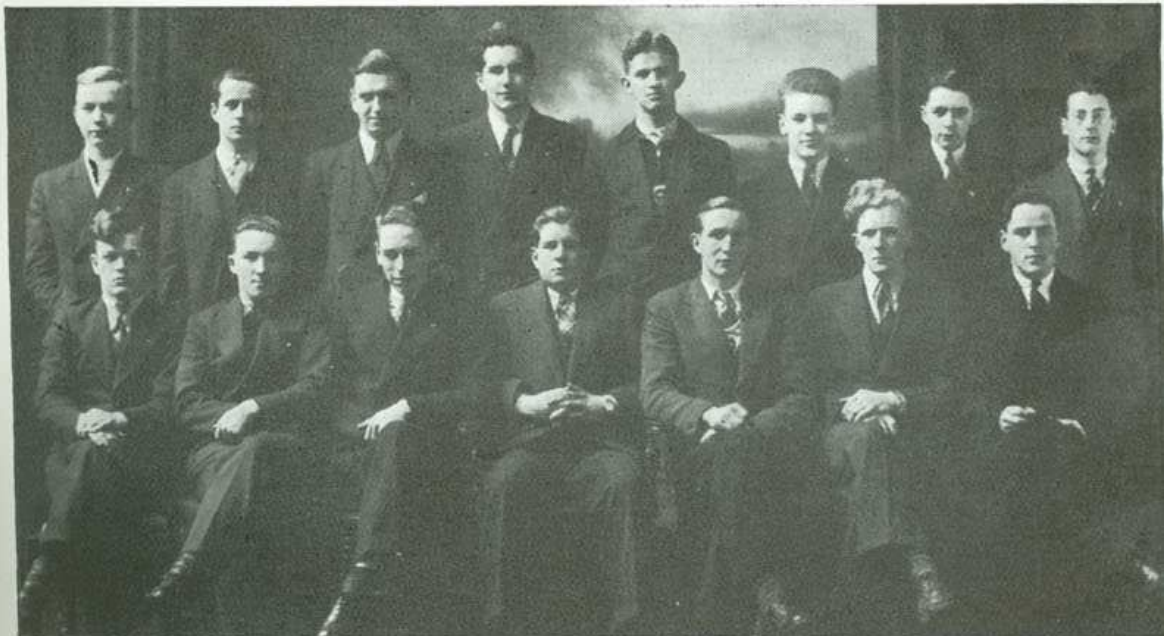

The Engineers were well to the fore in college sports. They had many stars on both the Intercollegiate hockey and football teams. The society had three teams in the interfaculty football league and took active part in the C. O. T. C. hockey league.

SOPHOMORE ENGINEERS

Front row—Egbert Tulk, Thomas Skerry, George Janigian, John Meagher, John Fitzpatrick.

Second row—John Munro, Edward Cosgrove, Murray Fitz-Gerald, Cyril Hoganson, Terence Foley.

FRESHMAN ENGINEERS

Front row—Kevin Griffin, Terence Corbin, Albert Monahan, Harold Purdy, Arthur Fletcher, John Wyllie, George Somers.

Second row—Peter Dunsworth, Bernard Dyer, Richard Beaton, Kevin Ahern, Frederick Sturmy, Philip Vaughan, Guy Trudeau, Cyril Smith.

J. McNeil
Treasurer

W. Bishop
Secretary

B. Vaughan
President

M. Resk
1st. Vice-President

G. Reardon
2nd Vice-President

DELTA LAMBDA KAPPA

At the initial meeting the following officers were elected for the year 1939:

President.....BERNARD VAUGHAN
 1st. Vice-President.....MICHAEL RESK
 2nd. Vice-President....GERALD REARDON
 (Frosh Representative)
 Secretary.....WILLIAM BISHOP
 Treasurer.....JAMES McNEIL

The main event of the year, the initiation, was held at Brookside. When the ceremony was over eight new members were added to the Society; viz—Gordon Camp, Robert Miller, Terry Martin, Gordon Morrissey, Patrick Murphy, Charles Reardon, Gerald Reardon and Sammy Ross. Refreshments were later served and an enjoyable sing-song was held under the direction of Bob Miller.

Later in the year a Study Club was formed by the Senior and Junior classes under the directorship of Prof. H. G. Beazley. At the club-meetings, many discussions were held which gave the members a better understanding of the affairs in the world today.

Plans are now under way for an outing which will be held immediately after the final examinations.

May we take this opportunity to wish to the graduates of Commerce as well as those of the other faculties, health, happiness, and success in all their undertakings.

FRESHMAN, SOPHOMORE AND JUNIOR COMMERCE

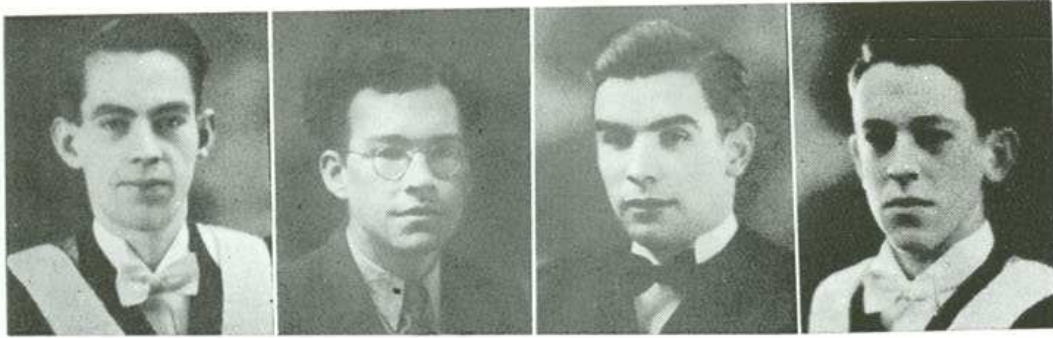

Front row—Albert White, Robert Miller, James McNeil, Joseph Hill, Lyall Murphy.

Second row—Samuel Ross, Ralph Currie, Pierre Andrieux, Patrick Murphy, Terence Martin, Gordon Morrissey.

BUSINESS TRAINING

Business Training extra curricular activities for the year were in the main concerned with sports. "Bunker" Hill and Russell Lownds were members of the intercollegiate rugby team while the former had a place on the intercollegiate hockey team.

Gerald Smith, Albert White, "Bunker" Hill and Russell Lownds had berths in the C. O. T. C. hockey league. Though small in number the class entered Pierre Andrieux, Albert White and Russell Lownds in the interfaculty handball league, and along with these Gerald Smith, "Bunker" Hill and Fred McGrath in the American Football Sixes.

The Mission Crusade Society, the noblest in the College, was, as usual, the most active. The year was opened with the Maritime Conference at St. Francis Xavier University, Antigonish, which did so much to instil in all those present, new zeal and enthusiasm for mission work. The executive attended as representatives for the college unit.

The monthly meetings have been outstanding for interest and we have had the pleasure of hearing Right Rev. Monsignor McGrath, P. A., Rev. Father Henry Durney, Rev. Father Gerald Murphy, B. A., Rev. Fr. Charles Frecker, B. A., as well as members of the student body.

All departments of the Society, the Canteen, the Mission Rack, the Mass-of-the-day Notice, etc., operated efficiently and successfully throughout the whole year.

A meeting of the general executive of the Halifax Units was recently held in the College with Rev. Dr. Curran in the Chair. The activities of the present year were reviewed, and plans laid for a Reunion of the Halifax Missions Societies to be held at Mount Saint Vincent.

 High School Representative...HUGH C. MacDONALD
 Faculty Representative.....REV. BRO. P. B. CROKE

Among the students who were called to military duty at the outbreak of war was Gerald Sullivan who had been re-elected President of the Athletic Association. Graham Dyer, another executive member who had been re-elected, decided to remain with the firm with which he was employed during the summer. The remaining members named Gordon Phalen to the office of President and it was decided that the office of Treasurer be held jointly by the President and the Faculty Representative.

The usual athletic program was carried out and, in addition, a track team was entered in the invitational meet sponsored by the Halifax Colleges in October. Six-man American football was introduced in the intramural leagues and proved very popular. The C. O. T. C. conducted a hockey league among its sub-divisions. This replaced the usual inter-faculty league and helped to relieve the financial stress under which we labored during the year.

The Association is greatly indebted to Mr. Thomas, Mr. Lynch, Mr. Lovett, Reverend Brothers Roth, Knight, and Keogh who gave their services as coaches and organizers. Also to Mr. Maurice Keating, M. A., of the staff of St. Patrick's High School, who acted as track coach.

DEBATING SOCIETY

Established last year by the Senior and Junior students of all College departments, this Society continued activities during the year on a more elaborate scale than ever, and was successful in all its undertakings. At the first general meeting of the year a new executive was elected. The officers were:

- Honorary President
and Director.... REV. BRO. M. J. LANNON
- President..... GERALD J. MURPHY
- Secretary..... JOSEPH NUNN
- Business Manager... MICHAEL FITZPATRICK

St. Mary's competed with Dalhousie in a platform debate during the second term, and also took part in a "mixed" debate with the students of Mount St. Vincent. A delegation from the Society represented St. Mary's at the Maritime Student's Conference held at Acadia. An invitation was received from St. Thomas College, Chatham, to attend a C. F. C. S. conference, but unfortunately, adverse circumstances prevented us from doing so. However, voicing the sentiment of the college at large, the Society pledged full support and co-operation to the movement.

At the annual meeting of the Maritime Inter-Collegiate Debating League St. Mary's was represented and was admitted as a regular member. A new program was drawn up and under its provisions, St. Mary's is scheduled to debate with Acadia, King's, and St. Thomas Colleges during the coming year. Coupled with its already extensive activities the added ones present quite a heavy schedule for next year.

The St. Mary's College Debating Society, due largely to the energetic support of Rev. Brother Lannon, and the full co-operation of its members has had a successful year, and prospects for the future look very bright indeed.

STUDENT CONFERENCES

St. Mary's took part in two Maritime Conferences during the past school year. The first of these was the Maritime Mission Crusade Conference which was held at St. Francis Xavier University on the 7th, 8th and 9th of October. St. Mary's representatives included the following: Rev. Br. J. V. Birmingham, the spiritual director of the College unit; Michael Fitzpatrick, President; Gerald Kelly, Treasurer; Joseph Nunn, Secretary. The High School unit was represented by its President, Harold Bede. The conference was well attended, nearly every Maritime Catholic College and High School sending at least four delegates. Michael Fitzpatrick in his capacity of General Secretary of the Halifax units presented a masterly report of the activities in that section.

Gerald Murphy

George Hoganson

Michael Fitzpatrick

In March the Annual Maritime College Student's Convention took place at Acadia University, Wolfville. St. Mary's delegates were: Gerald Murphy, George Hoganson, Michael Fitzpatrick and Mr. John Lynch, B. A., faculty advisor. The conference was divided into three groups which discussed respectively Maritime social, economic, and educational problems. All four St. Mary's delegates were members of the group discussing education. Mr. John Lynch, B. A., presented a paper entitled, "The Teaching of English" which was well received by those present. At the final meeting George Hoganson was appointed General Secretary of the Conference Committee for the year 1941.

CANADIAN OFFICERS TRAINING CORPS

Due to war-time conditions the St. Mary's C. O. T. C. has been burdened with an unusually heavy programme of lectures during the year 1939-40. Fifty lectures were held, all of which were very well attended. We wish here to tender our thanks to Major Faulkner, Lieutenant Thomas, Regimental Sergeant Major Janigian and Sergeant MacNeil for the great assistance which they gave us in their capacities as instructors.

In December and March "A" Certificate Examinations, for which these lectures prepared, were written at the Nova Scotia Technical College. Contrary to precedent, all the members of the Unit, both Juniors and Seniors, were permitted to write. The results of these exams will not be known until later in the year. It is expected, however, that a high percentage of the candidates have passed. The rigorous curriculum of training and the excellent attendance of the men give solid basis for such a hope.

A new feature this year was the Hockey League arranged for the four Sub-sections in the Battery. After a long and hard battle the cup was won by "D" Sub. Great enthusiasm and interest were shown by the Cadets and it is hoped that the League will become a permanent fixture among the activities of the Unit. The cup was donated by Lieut.-Col. S. Ball, O. C. Nova Scotia Technical College C. O. T. C. Colonel Ball presented the cup to the champions.

After the examinations, preparations were begun for the annual inspection of the District Commanding Officer. To the great pleasure of the many friends of St. Mary's who were present at the inspection, the Unit gave an excellent display of ceremonial drill and tactics.

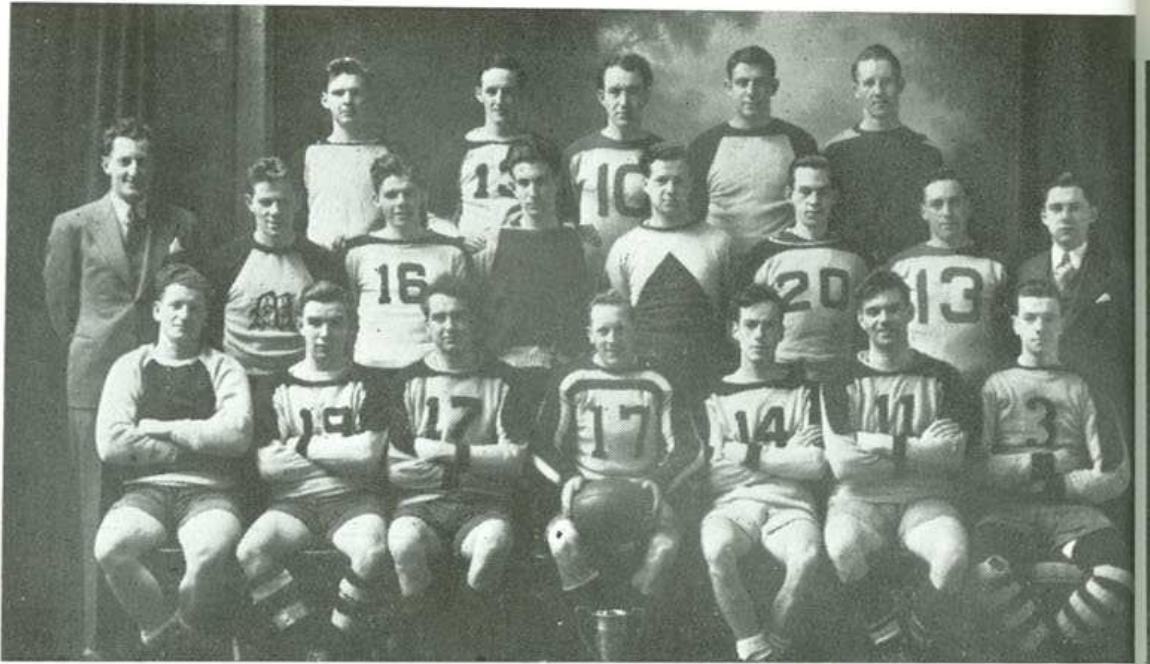

The College year being almost ended, there remains on the schedule only the annual camp of the Battery. At this camp the Cadets put into practice the theoretical knowledge acquired at the lectures during the year. The camp this year, will be at Fort Connaught and will last two weeks. With this in mind every man in the Battery is looking forward with eager anticipation to that happiest part of military life—"Army Camp".

.ATHLETICS.

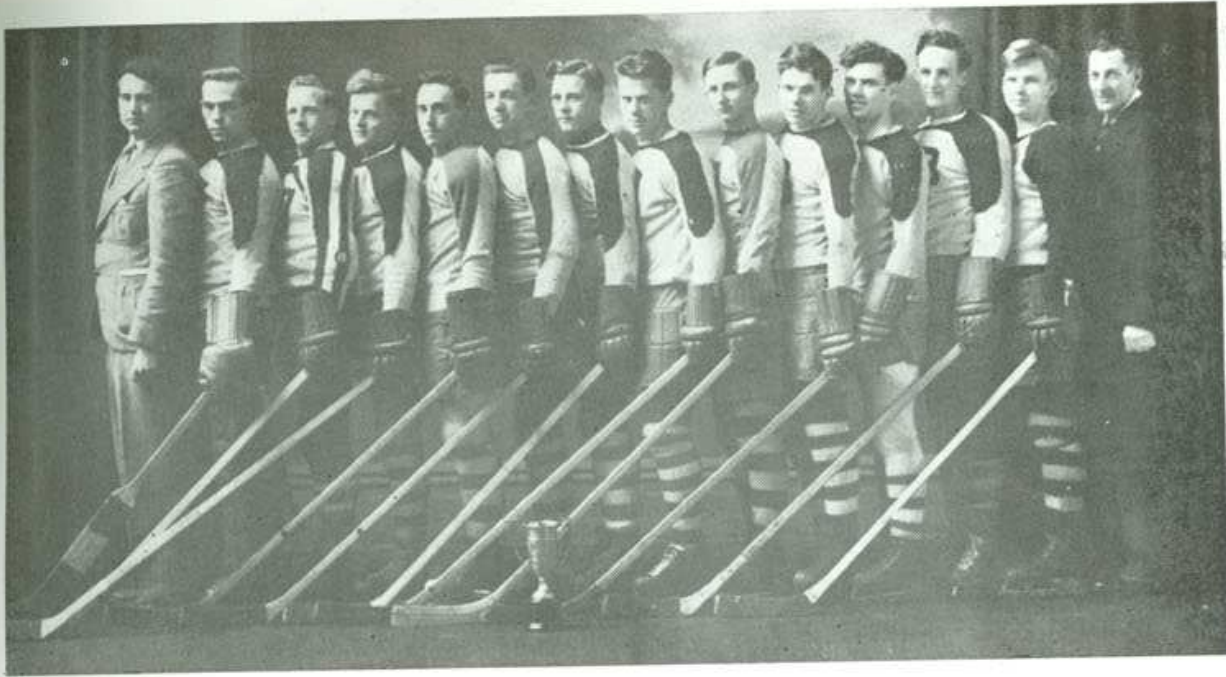

INTERCOLLEGIATE RUGBY TEAM

Front row—George Hoganson, Russell Lownds, Albert Cohn, Vincent Vaughan, Captain, John Meagher, John Munro, Ralph Vaughan.
 Second row—Mr. Edward C. Thomas, Coach, Joseph Hill, Harold Rose, John Theriault, John Fitzpatrick, Joseph Nunn, William Flemming, Harold McGrath, Manager.
 Third row—Basil Nunn, George West, John Foran, George Janigian, Edward Smith.

INTERCOLLEGIATE FOOTBALL

The logical choice for captain was Vinnie Vaughan. To start off the season the "Mighty Mite", personally led his team to victory over a much heavier King's team, to annex the City Title. Before going into the Nova Scotia semi-finals, the College played Truro Intermediates, Nova Scotia Intermediate Champs, and earned the distinction of being the only team to gain a victory over the rugged Truro squad, 3-0. Al Cohn scored on a beautifully executed place kick.

With several stars injured, the Saints faced a great St. F. X. squad. The Santamarians lost out on their home grounds, 3-0. Determined to retain the Provincial Crown, the Saints again met the "Big Blue Squad" at St. F. X. Soaked with three days rain, the field was a veritable swamp. Nevertheless, the "aquatic" squad from S. M. C. were the first to swim over the line, Vinnie Vaughan again showing his field generalship. The Xaverians came back however with Smythe scoring in the corner, and Conlon converting with as fine a kick ever beheld in Inter-collegiate playdowns. Down but not out, the Windsorites again scored, Vinnie Vaughan going over the line for his second try of the day. King, of St. F. X. finished the scoring for the day.

INTERCOLLEGIATE HOCKEY TEAM

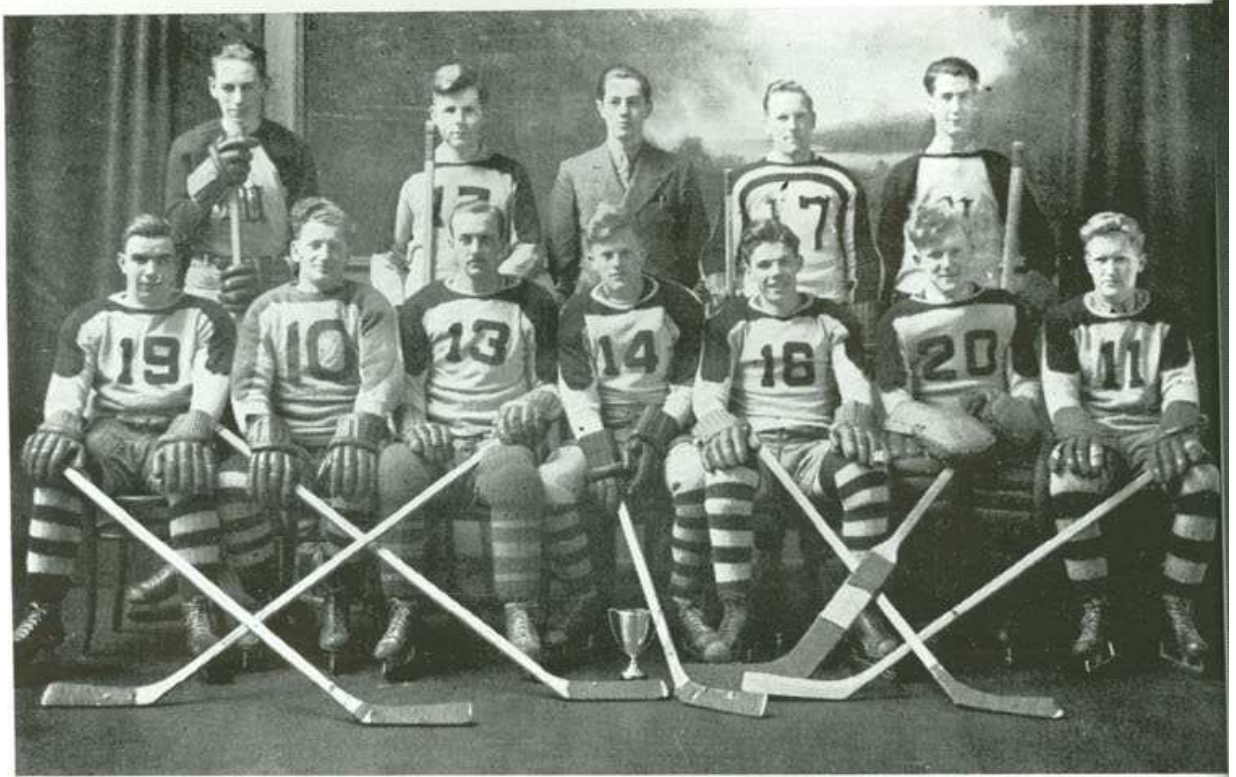

Albert Cohn, Manager, Joseph Nunn, Vincent Vaughan, John MacDonald, William Flemming, Ralph Vaughan, Louis Graves, Joseph Hill, Henry Kline, Harold Rose, John Munro, George West, Basil Nunn, Mr. Edward Thomas, Coach.

INTERCOLLEGIATE HOCKEY

It is definitely a part of the glorious St. Mary's tradition that the S. M. C. Intercollegiate Hockey Team be the Annual City Champions. This year that tradition was upheld although the team was one of the lightest in college history. Combining speed and spirit it rode undefeated through the city schedule by successively defeating Technical College and Dalhousie.

By virtue of these wins the team moved into the city play-downs. Meeting Dalhousie in the finals St. Mary's skated a 4-1 victory over the Tigers and emerged once again undisputed and undefeated Halifax Champions.

St. Mary's now moved into the Provincial Playdowns with the right to meet Acadia in a home-and-home series. Matching speed and cunning against the high-powered and experienced Acadia team—weight proved the deciding factor and St. Mary's bowed out being on the short end of the total goal series.

C. O. T. C. HOCKEY CHAMPIONS

Front row—Russell Lownds, George Hoganson, Michael Greene, John MacDonald, Harold Rose, John Wyllie, Gordon Morrissey.

Back row—Albert Monaghan, Patrick Campbell, Felix Quinn, Manager, Vincent Vaughan, Allan McPherson.

C. O. T. C. HOCKEY LEAGUE

Instead of Interfaculty Hockey this year a league was organised by the C. O. T. C. Each of the four sub-sections entered a team and a "round robin" series was played. There was a play-off series between the first two teams from which sub-section D emerged victors.

The league schedule was arranged by Captain E. C. Thomas, O. C., St. Mary's Contingent; and he was assisted by Mr. J. Lynch who acted as referee. The champions were presented with a cup by Lieut.-Colonel S. Ball, O. C. Nova Scotia Technical College C. O. T. C. It was decided to make this league a regular feature of C. O. T. C. activities.

AMERICAN FOOTBALL TEAM

Front row—Donald Campbell, Harold McGrath, Michael Fitzpatrick.
Back row—John MacDougall, Manager, Ralph Vaughan, John Theriault.
Leo MacDonald, Thomas Power, Manager.

AMERICAN RUGBY

The College classes enthusiastically entered teams for the newly introduced American football "sixes". To the surprise of all, the Junior Arts team emerged from the struggle unbeaten with the amazing total of one hundred and fifty points. The hero of the team and high scorer of the league was "the great" MacDonald.

The Senior Engineers were held to a draw in the opening of the finals. In the second tussel the score was 14-0 in favor of the Juniors. Although outweighed the Junior line of Fitzpatrick, McGrath, and Campbell, led by Captain "Arky" Vaughan, held in check the vicious onslaught of the seniors. The scoring drive was led by Theriault and MacDonald.

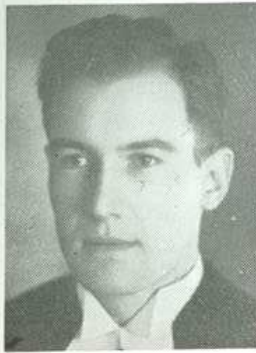

RIGHT REVEREND CHARLES E. McMANUS, P.A., V.G.

President of St. Mary's College, 1905-1913.

Died January 16, 1940.

MATRICULATION CLASS

Front Row—Donald Martin; Alexander MacDonald; James Turner; Michael Edgar; Richard Nolan; Roy Power; Edward Haley; William Duggan.
 Second Row—Michael Sullivan; Emmett Campbell; Robert Burns; Sydney Vaughan; Arthur Chisholm; Joseph Lapierre; Harold Beale; Matthew Coady; John Lynch; Rev. Brother J. G. Keogh.
 Third Row—Francis Power; Robert Dempsey; Ernest Pittard; Thomas Holloway; Raymond Beek; John Fitzgerald; Carvel Reyno; William Reardon; Edward Boyd.
 Fourth Row—Michael Merrigan; Lawrence Dempsey; John Power; Douglas Conn; Warren Gray; Neil Wallace; Donald Haliburton; William McCarthy.
 Top Row—Bernard LeRoux; Gerald Penny; Hugh MacDonald; Harold Walker; Terence Garagan; Joseph Fultz; Anthony Gibbons; Ronald O'Keefe; Thomas Purcell.

MATRICULATION CLASS

With the opening of the present school year in September the registration of pupils in Matriculation was forty-eight, the largest class in the College. Immediately, when the students had definitely settled down to a year's work of scholastic activities, minds began to settle also on social concerns and towards that end the following slate of officers was elected for the year:

President.....RICHARD NOLAN
Secretary.....EDMUND BOYD
Treasurer.....MICHAEL EDGAR

Following the election of officers plans were discussed for the holding of the Class Banquet. In due time several committees were appointed to look after the necessary arrangements. On the sixth of December last, this most enjoyable event was held at the Carleton Hotel. The banquet was preceded by a theatre party. At present an outing to terminate the year's activities is under consideration.

In the field of athletics, Matriculation has had no mean year. Most of the pupils participated in the various intramural leagues, whilst the class had three representatives on the high school football team. These were Hugh MacDonald, Michael Merrigan and Murray MacLeod. Four members of the class were also on the high school hockey team, namely: Hugh MacDonald, Murray MacLeod, Anthony Gibbons and Hugh Soulis. It is needless to state that all the above mentioned proved invaluable members on their respective teams. During the year two hockey games were played in the Arena to show the hockey prowess of the Physics and Chemistry classes. The game was won both times by the same class—the present Chemistry students. A handball tournament is now under way and the competition is so keen that it is difficult to nominate any team for victory.

In the course of the second semester appropriate and attractive designs for class pins and crests were drawn. Both crests and pins were obtained by the class.

EDMUND BOYD.

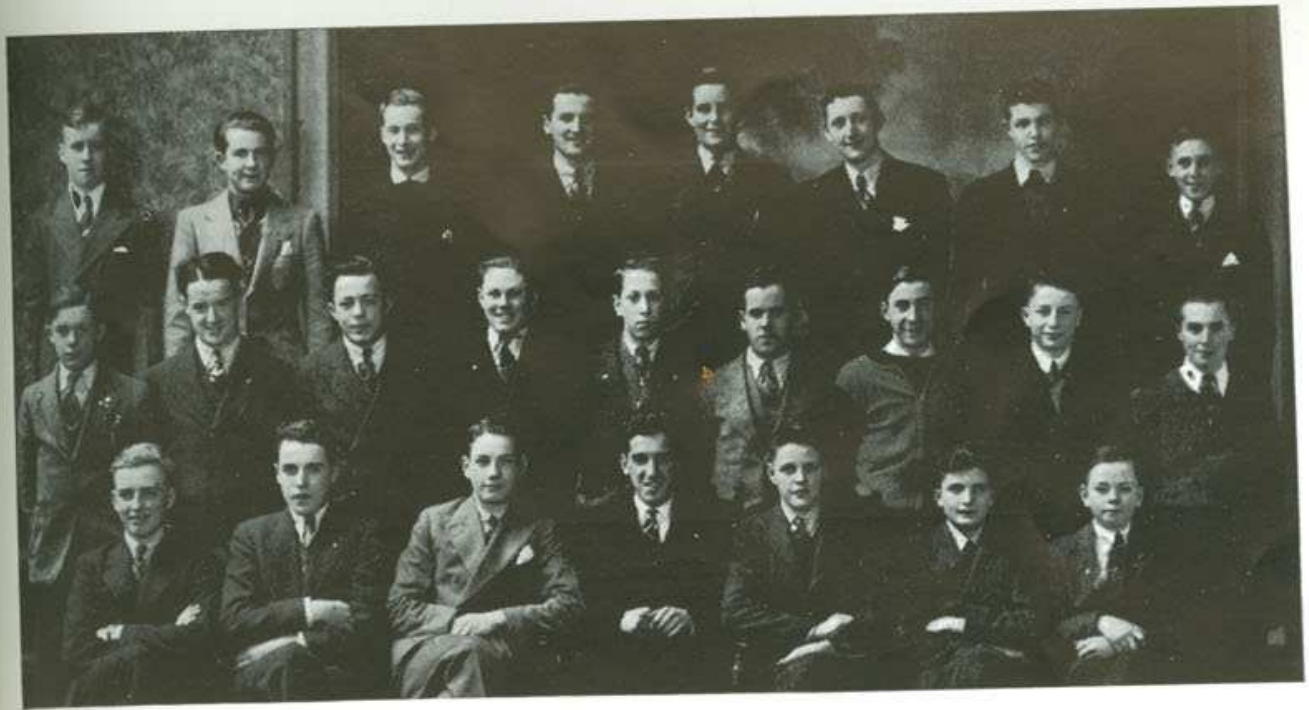

GRADE TEN

- Front row—Allan Edgar, Francis Horner, Francis Martin, Wallace Foley, Murray Abraham, John Campbell, Robert Hagel.
 Second row—Murray Blanchard, Basil Small, Reginald McCleugh, Donald Delaney, John Fraser, Gordon Lowe, DeLisle Inglis, John Belliveau.
 Third row—David Fahie, Albert Fox, John Davis, Maurice Kline, Edwin Godwin, Malcolm Janigian.
 Fourth row—Clifford Jeffreys, Lawrence Hoganson, Edward Sullivan, John Mifflin, Gerald Boyd, Cecil Garnier, Joseph Calnan.

GRADE TEN

Grade Ten may not have a very large number in its group but we assure you that we make up in quality what we lack in quantity. We are well represented in all departments of the school. In the academic line we are proud of the records of Francis Martin, Murray Abraham, Murray Blanchard, DeLisle Inglis and others. In the sports you will usually find our President, Wallace Foley, Ed. Godwin, Al. Fox, Gordon Lowe, Jack Campbell and Frank Horner. These students have found time to take part in football and hockey without neglecting their home assignments. We expect to have a good turn-out for baseball and softball. We record the absence during the year of Clarence Misener due to sickness, and we are glad to know he is recovering so fast. We have many foreign correspondents in our midst and we would like to mention just a few. Dave Fahie is our representative from the Eastern Shore; John Mifflin represents us in the Sydney District; Jack Fraser is our Bedford scribe; and lastly we report Gerald Boyd as checking up on Cape Breton South.

FRANCIS MARTIN—Class Secretary.

GRADE NINE

Front row—Francis Burke, James Moriarty, Anthony Pitt, Edward Ross, William McCoombs, Owen Granville, John DeLouchry.
 Second row—Frederick DeVan, Lawrence Edgar, James Gay, Carroll Smith, Robert Purcell, Harold Leverman, Donald Fagan, Gerard Bates, Edward Mulrooney.
 Third row—Joseph Wall, John Coombs, Leonard Rossiter, Jean Yvon, Douglas Moriarty, William Fanning, Ivan Callaghan, Arthur Halley.

GRADE NINE REPORT

Last September the class-executive was chosen by the pupils. They are as follows:

EDWARD ROSS.....President
 ANTHONY PITT.....Secretary
 WILLIAM McCOOMBS.....Treasurer

In the Christmas Examinations results were very satisfactory, with Edward Ross, Owen Granville, and John DeLouchry taking the leading places. At Easter our Examination Reports were again gratifying, with Arthur Halley, John DeLouchry, and Edward Ross in the first, second, and third places respectively. Grade Nine took an active part in all the inter-class games. Many of the Junior Hockey Champs are Grade Niners, such as Edward Mulrooney and Owen Granville. Edward Ross represented the Grade Nine in the Senior League and Douglas and James Moriarty played with the Inter-High School Team. In a recent Handball contest Gerard Bates and William McCoombs from Grade Nine competed against other teams in the High School.

ANTHONY PITT.

Harold Bede
President

Donald Martin
Secretary

John Lynch
Treasurer

MISSION CRUSADE—HIGH SCHOOL

The High School division of the Mission Crusade is under the direction of Rev. Bro. J. G. Keogh. The officers for the current year are:

HAROLD BEDE.....President
JOHN LYNCH.....Treasurer
DONALD MANTIN.....Secretary

Meetings conducted by the boys themselves were held. At these, topics concerned with missionary activities were discussed. The High School unit had charge of the "Canteen". The revenue from the sale of candies and soft drinks was well over two hundred dollars. This sum was divided equally between the College and High School Units. Collecting stamps, distributing magazines to needy centres, posting information with respect to missionary work, the holding of a vocation week, were some of the other means sponsored by this enthusiastic unit for kindling in the hearts of the members and others the fire of Christ's love.

HIGH SCHOOL RUGBY TEAM

Front row—Terence Martin, Manager, Michael Merrigan, Gordon Morriscey, Mr. John Lynch, Coach, Cyril Smith, Henry Kline, James Moriarty.
Second row—Fred Sturmy, Gerald Reardon, Murray MacLeod, Douglas Moriarty, Hugh MacDonald.
Third row—Terence Corbin, Patrick Murphy, Wallace Foley, Robert Murphy, Louis Graves.

HIGH SCHOOL RUGBY

This year's team although not winning the City championship nevertheless, had a fairly good season. The team finished in second place during the regular schedule. However, in the play off's, the team was eliminated by St. Patrick's who always seem to be our "jinz".

The High School League itself was very hotly contested. A remarkable feature was that the majority of games were won by the slim margin of three points.

Many of this year's team will be lost through graduation, and to those who will succeed them, they pass on a heritage of good-sportsmanship and a goodly supply of the famous St. Mary's "fight".

The team was coached by Mr. J. E. Lynch and he brought out some very good talent for next year's and future Intercollegiate teams.

HIGH SCHOOL HOCKEY

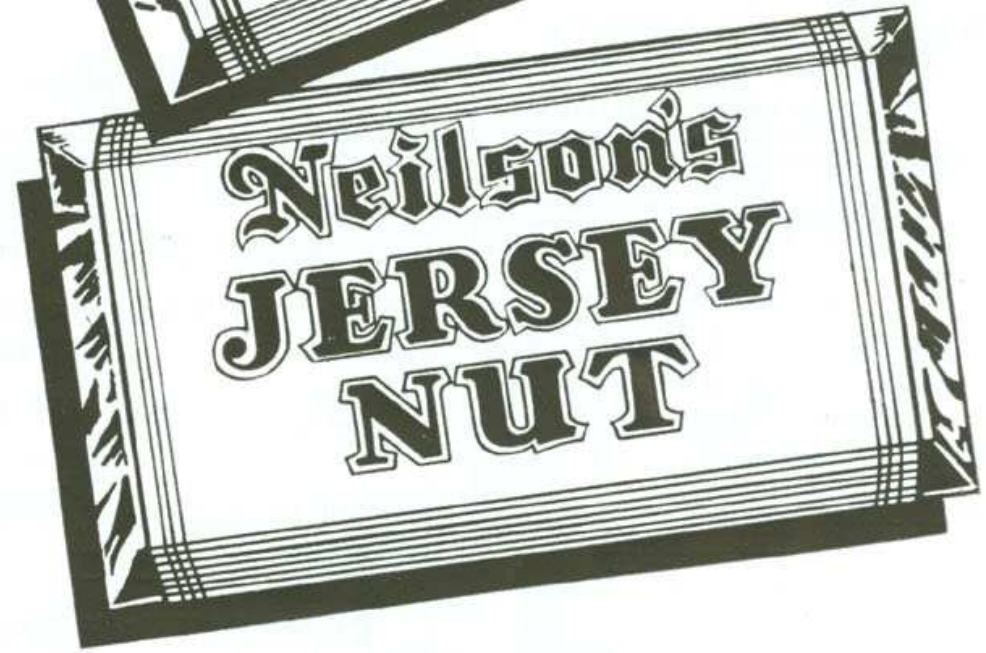

Front row—Louis Graves, Henry Kline, Herbert Ernst, Wallace Foley, Hugh MacDonald, Captain, James Moriarty, Douglas Moriarty.
Second row—John Meagher, Manager, Anthony Gibbons, Edwin Godwin, Gerald Reardon, Murray MacLeod, Patrick Murphy, James Lovett, Coach, James McManus, Assistant Manager.

HIGH SCHOOL HOCKEY

The High School Hockey team, mainly through lack of experienced defence men, failed to measure up to expectations. Coach Jim Lovett in the small number of practices previous to the series did not have a change to develop men with the skill, speed, and daring necessary to bar the way to the high-powered onslaughts of the more experienced Academy, St. Patrick's and Bloomfield teams.

A little of the "do and dare" spirit for which St. Mary's has always been noted, and which was sadly lacking in many of the games, would have done much to improve the reputation of the team and add spirit to the supporters.

Enjoy -
