SMU - 1990

FROSH WEEK

The feast for the frosh was an overwhelming success as roughly 150 students attended. Students has an opportunity to meet new friends and returning students had a chance to see old friends, The food was so good that it took only a hour to devour it all!

LET THE

The playfair was interesting with over 200 enthusiastic people participating. Everyone had fun making new friends for the week and totally embarrassing themselves by performing strange dances with total strangers.

GAMES BEGIN

CAESAR'S PALACE

350 people scrambled into the cafeteria for a night of gambling. Everyone had a great time winning and losing their play money. The evening events were concluded with a cut throat auction in which many people left with great prizes. Including the getto blaster the talented Vanna (Neru) dropped.

HIPPODROME ALLEY

On Wednesday, Thursday and Friday mornings Hippodrome Alley took place. Many of the societies squeezed into the collanade, where hundreds of new students enlightened themselves on the various societies on campus.

400 people walked across the parking lot in white sheets so they could make it to the toga party. Everyone had a great time dancing to the D.J.'s music. Oh and everyone thanks SMUSA for the "How to Make a Toga" in our frosh pack. It sure came in handy.

BOOZE CRUISE

The Harbour Cruise was of course tons of fun. Unfortunately though because of the bad weather (it poured rain) many people thought it was cancelled, while others didn't know how to get to the Cable Wharf. But die hard partiers didn't care about the weather or where it was. Just give them some booze and music and they're fine. 350 students showed up to gorge themselves on pizza, at the leaning tower of pizza party. Everyone left full. Although the leaning tower was too tall for indoors, there was definitely many pizzas. Before you left helpers asked you to please take a pizza home with you.

How was orientation week? Great? It was full with events that made everyone want to participate. Orientation got off to a good start with a B.B.Q. This feast was such a success that the food was gone in less than an hour. From the feast we moved on to Casino Night. After they had tripled the money SMUSA had given them to gamble with fifty, or more people took place in a very competitive auction. A few very lucky people left with great prizes like pictionary or an answering machine. In order to relax from such an exciting evening, four boat loads of students spent the day on Sicily Island. Besides just relaxing on the sand or pigging out, just about everyone participated in a game of beach volleyball. Everyone had a great time and were sorry to have to leave so soon. The next day people took it easy and just wandered through Hippodrome Alley or took a campus tour so they wouldn't get lost the first day of classes. That afternoon all the frosh gathered together and had their picture taken. It was smiles all around. After taking the day easy everyone headed down to the docks for a Mediterranean Cruise. There

was a lot of laughter and dancing, despite the rain. To sum everything up there was a tour of the city followed by a delicious brunch. Before the night's entertainment there was a Leaning Tower of Pizza party, so that everyone would have a full stomach for the big bash. The bash had a good turn-out and the music kept everyone dancing for hours. With a week so jam packed with great events.

Office of the President

June 6, 1991

Dear Graduates:

First, I wish to congratulate our 1991 graduates on your many accomplishments, not the least of which is receiving your degree or diploma with this year's graduating class. We're very proud of you, and are pleased now to be able to add you to our list of distinguished alumni.

Saint Mary's has prospered in many ways since its humble beginnings in 1802. The most important ingredient in its prosperings has been the human talent involved in our endeavors. Your professors have brought their talents to the classroom and the laboratories, but you have applied yours here as well.

In the broader context, their and your interaction outside the classroom, as well as that of many others on campus, has contributed immensely to our growth as a community. The particular human chemistry which formed you as Santamarians is a product of the personalities and commitment of all those who have been a part of our life for almost two hundred years.

You are now a part of a rich tradition of scholarship and service. We will be calling on you to remain true to that tradition as you serve now in other ways.

Best wishes to you from all the members of the Saint Mary's family.

Yours sincerely,

Israel attacked by Iraq

*In January Iraq shocked the world by attacking Israel. United States and Canadian ships were sent to the Gulf to defend the poor country. (RIGHT) The HMCS Athabaskan returns home from the Gulf in April. Hundreds of on-lookers welcomed the Navy home. Everyone was thankful no blood was shed by Canadian troops.

BEFORE

BEFORE (left) the world was a place where little attention was paid to the waste of natural resources and collection of garbage. AFTER (right) will be the world if we don't look after it. Saint Mary's University Students' Association Inc.

Dear Fellow Students:

With the conclusion of another year, we can reflect on the times and events that drew us closer together as a student body.

We will always remember "Roman Holiday", pub nights in the Gorsebrook, the trip to the Vanier Cup, and that dreaded cafeteria food. This was also the time of GST, the debate over national unity, and the Gulf War which, although brief, reawakened us to the vital importance of peace for our time.

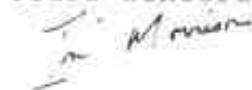

During 1990-91, your Students' Association worked diligently to achieve its objective: providing you, the students, with better services and enhanced representation. This was the year that SMUSA turned its biggest loss in history into its biggest surplus in history - in just one fiscal year. Students ratified a referendum that would annually adjust student fees according to the rate of inflation - a first for Student Unions in Canada. We marched against cuts to post secondary education, boycotted Marriott Food Services for its inadequacies, and, on April 6, celebrated our 25th year as an incorporated student body.

This was also the year that the Students' Association achieved computerization, the Off-Campus Housing Office was opened, and the University committed to having a student on the next food services tender selection committee, in 1995. SMU was saddened with the passing of three of its students: Frank Bowes, Jeffrey Bedford, and Jill Bradley.

I wish to thank Dave, Terry, Sutej, Norm, Darcy, Rosemary, Gail, and all of the SMUSA team for their patience, assistance, guidance, and confidence. It is my sincere hope that through our efforts, your year has been enriched.

As I conclude three terms on the Executive of SMUSA, I can cite the students at Saint Mary's as exciting and energetic. As you move on in your chosen paths, reflect upon the pages of this yearbook as golden. Best of luck in your pursuits and endeavors.

Yours sincerely,

This year's *FIELD HOCKEY HUSKIES* played well enough to defeat PEI in the AUAA semi-finals 2-1. It was down to the final moments in the Championship with a defeat by UNB in overtime. Coach Jill Healy said "We asked them to play seventy minutes of tough field hockey . . . I really couldn't ask anything more from my players. They played to their potential, we're young and we'll be back."

The team, however, did have several honours with Heather Andrews a five time winner of the AUAA All-Star and named to the first team All Canadian Team. Debbie Gibson was also named AUAA All Star and Joni MacDougall had a great Rookie Year.

Next year Saint Mary's Huskies will host the CIAU Championship October 31-November 3, 1991.

Another Fruit Basket was issued in April and was as prosperous as the one in December. The year wound down with the election of the new executive and in May the local held its first Alumni Weekend at the Gorsebrook Lounge with a small but dedicated crowd. This summer looks to be a busy one with a trainee coming from Scandinavia. The executive of 1990-1991 wishes the executive of 1991-1992 all the best.

Winter Carnival nipped to a start on **TUESDAY** with information booths around campus promoting *HUMAN RIGHTS AWARENESS DAY*. It also marked the start of the *BROOMBALL TOURNAMENT* that lasted for four days and entertained many participants. **WEDNESDAY** hosted *CARNIVAL ALLEY* in the Loyola Colonnade where students win prizes playing roulette, looney tunes or be thrown into mock jail. These events were all sponsored by SMU's societies. *SMU FEUD* got off to a great start in the Gorsebrook and finished in three brain racking days with the victorious

team being the SMUSA Managers. Unfortunately, the lack of snow caused the cancellation of the *GREAT CRAZY CARPET SLIDE* on **THURSDAY** but the *GONG SHOW* was fabulous. There were quite a few gonged contestants but Dunstan won the prize with a dance act, Christie Greening WOWed the audience with her interpretation of Madonna's "Hanky Panky" and Eric Miller came third with "Tooty Fruity." The *SLEIGH RIDE* scheduled for **FRIDAY** was post-poned. The *RESIDENCE BASKETBALL TOURNAMENT* resulted in Rice females beating Vanier and Rice males beating Loyola. *BOWSER*

AND BLUE performed in the Gorsebrook and proved to be the best time for all during the Carnival. There was a *BEER GARDEN* on **SATURDAY** with Terry Kelly entertaining all in the Multi Purpose Room. The week wound down with a relaxing *SMUSA FILM FEST* featuring "Working Girl." All in all, the week went too fast and before students knew it, it was back to text books and late nights at the library again.

A special thanks goes to Terry Brennan, Chief Organizer of the Winter Carnival. His hard work and festive spirit were evident in all the activities.

COMMERCE SOCIETY'S 17TH ANNUAL BUSINESS DINNER: The Saint Mary's University commerce Society held its 17th Annual Business Dinner on Thursday, January 31, 1991 at the Halifax Sheraton. Each Year, the dinner provides an opportunity for students to have an evening out where they can mingle with members of the business community, SMU administration and faculty.

After the cocktail reception which started off the evening, students were seated with business people in their field for dinner. Nicole Phillips was master of ceremonies and introduced the guest speaker, Arch Jollymore. Originally from Burle Point, NS, Mr. Jollymore, Executive Vice President of Tim Donuts, Ltd. travelled from Oakville, Ontario to speak to the guests.

The dinner also provided a chance for the society to give out its annual awards. This year's recipients included: Nancy White, Commerce Student of the Year; Robert Wooden, Active Commerce Student of the Year; Jennifer Garvey, Commerce Student Leader of the Year; Jodie VanderPluijm, Commerce Freshman of the Year; Kay Ramsay, MBA of the Year; and Ravi Tangri, Commerce Professor of the Year. As well, Mike Burgoyne received the International Language Institute's Managerial Communications Award.

The dinner finished off with a question period for Mr. Jollymore and Business Dinner Committee members were treated to a Moosehead Hospitality Suite.

A special thanks to all those who helped, especially to Sean Murray, Advocate Printing and Publishing; and Moosehead Breweries.

EDITOR'S MESSAGE

This is my third and final year as Editor of the Santamarian. But this is my first Editor's Message. Before I get onto new business, I would like to thank the many unmentioned persons who made last year's book a great success. First I would like to thank my photographer Todd Clements and copy editor Craig Filnn. I also have to thank Norm Gallant whose patience is indeed a virtue. The Journal is the unsung hero of last

year's book as they supplied me with much needed sports photographs. As well, Georg Ghiz supplied the sports team photos and several action shots. Now for this year, my biggest thanks goes to my staff: Michelle Rose, Natalie Chapman, Jennifer Calder, Chris Fougere and Donald Whilmshurst and Janette Bernas and Serge Cournoyer were the photographer and sports photographer respectively for first and second semester. Again my thanks goes to Norm Gallant and this year to Rosemary Stanislav with whom I share the computer. The Journal again bailed us out with photos for soccer and field hockey and my undying gratitude is theirs.

The future of the book is in the hands

of Chris and I wish him all the best of luck. It was a pleasure preparing this edition of the Santamarian for the students of Saint Mary's and I hope you enjoy it.

RIGHT— Natalie and Michelle are thrilled with the prospect of organizing Residence photos.

UP — Jennifer smiles smugly for Donald. RIGHT — Lisa tries her hand at photographing the photographer. It's obvious why she is the editor!

The Huskies Hockey team had an eventful and exciting season as they began to rebuild their program back to the top of the AUHC. Head Coach Norm McCauley's first recruiting class fit together well with some talented returning veterans and this should leave the team a solid base for next season. This year's team narrowly missed the play-offs on the last game of the year and are confident that with a few new additions they will challenge for league honours next season. One of the highlights this season was having team captain John Gladiator named an All-Star Defenceman for the league and also having freshman Goalie Graeme Harvey named the AUAA Rookie of the Year.

WOMEN'S VOLLEYBALL SEASON 1990-1991: Joan Matheson started her second year as Head Coach with seven rookies and hopes of improving on last year's record. Unfortunately, two early season losses in crucial games and a rigorous schedule were detrimental factors for the volleyball Huskies this season. The team finished the season in sixth place out of nine teams, with a record of six wins (one more than last year) and ten losses. Season highlights included winning games against Dalhousie and Mount Allison, the top two teams in the league. The coach is very optimistic about next season and for a good reason. Every player on the team is eligible to play again next year, and as Coach Matheson said, "A unit that stays together can only get stronger."

CHARTER DAY AWARDS NIGHT

This year's Awards Night held on March 28 in the McNally Theatre Auditorium was attended by Saint Mary's students and faculty to be honoured and praised. Awards ranging from Society of the Year, won by ECOS (in its first year as a society), to Gold M's were handed out to SMU's deserving. Afterwards the festivities continued in the Gorsebrook Lounge where everyone enjoyed further a good time. The Award winners certainly had much to celebrate and a congratulations is extended to all.

SMUSA flyer

Wednesday, March 6, 1991 marked a universal day at Saint Mary's University. FREE FOOD! SMUSA, Saint Mary's University Students' Association, in an effort to raise awareness, held a boycott on the Marriott Corporation. One thousand hamburgers and one thousand hot dogs were grilled up on BBQs outside the Student Centre and students could wash down the grub with pop offered in the Centre's main lobby. Flyers were distributed to students to protest the quality and service of Marriott. The boycott was seen as the only avenue after talks in January with Regional Operations Director, Mario Lisi, and V.P. of Marriott, Canada, John Douglas resulted in no changes to the problems experienced at SMU.

SMUSA also raised awareness across Canada to other universities having Marriott supply food services. The University of Lethbridge published an article regarding the boycott here on the east. Support also came from Concordia University, Memorial University, Mount Allison University and University of Moncton.

The Move Is On!

Women's Basketball 1990-1991 The women's team completed a very successful season with a 8 win 6 loss record to capture a play-off position for the first time since 1985. Their season included a seven game winning streak to end league play. Cindy Flynn, fourth year honours Arts student, led the AUA league in scoring (17.4 PPG) and was named to the first team AUA All-Star. Post play Shaylene Falk, who finished fifth in scoring and first in percentage with 57%, was named to the second team. The Huskies lost a very exciting semi-final

game to Dal 57-51. In exhibition play the Huskies finished with a 4 and 8 record. Cindy Flynn was named tournament all-star at all three tournaments including Concordia, UPEI, and McGill. Captain Allyson Cushing, a fourth year honours Arts student, was named Academic All-Canadian and the Saint Mary's recipient of the James Bayer Award for excellence in Academics, Athletics and Leadership. The Huskies should be strong contenders with the return of Suzanne Muir, Tina Creelman and Jennifer Larsen.

TAURUS

The 1991 Grad Class Executive: (L-R) Eileen O'Toole, Andrea McNair, Robert Wooden, John Wilson, and Joe Wall. The executive deserves a hand for their hard work and dedication. This year's grad week was indeed one full of laughter, friendships, tears and a wee bit of partying.

On Tuesday, May 7 the grad class of '91 kicked off its *GRAD WEEK* with a Pub Crawl. It took Saint Mary's graduates all over the downtown area with

ever increasing happy faces. On Wednesday there was a *President's Reception* in the MPR where the graduates feasted on appetizers like cheese,

CLASS OF '91

crackers, fruit and drinks. Following the Reception there was the *last night at the Atrium*. Thursday evening all the students gathered at the *GORSEBROOK LOUNGE* for a final evening as undergraduates. This proved to be quite successful as the *Swell Guys* entertained the enthusiastic crowd. If everyone who had attended all the activities thus far made it to Friday, the *GRAD BALL* was at the Halifax Sheraton. Taffeta, silk and boutonieres

and corsages were in abundance. Saturday afternoon a *Pizza Party* was held at the Gorsebrook and later on the Class of '91 gathered at the waterfront for a cruise on the *Harbour Queen*. It was a sorry bunch of graduates that attended the *Mother's Day Brunch* in the Student Centre Cafeteria. The *Baccalaureate Service* followed where students and parents listened to a variety of religious readings. No events were planned for Sun-

day evening which was just as well since *CONVOCATION* started at 9:00am Monday morning at the Metro Centre. Over 900 graduates walked across the stage to receive their diplomas while proud parents and families watched. It is just the beginning of a new life for these graduates as they leave the familiarity of campus life behind and set out to achieve greater feats and strive for greater goals.
