SAINT MARY'S UNIVERSITY 1991-1992

It's Moving Day...

Eighteen years of your life has been packed into a few boxes and suitcases. Those last three months of high school felt like they were never going to end, and last summer seemed to last forever. This is the year you have been waiting for for so long; off to university, on your own, under no one's control. But as Mom and Dad unload the last of the car, are we feeling a little bit nervous? Nah!! We're ready to party!!!

Get Ready for SMUSA
Orientation 1991...

THE WILD WEST '91

Ever wonder where those
frosh packs came from?
Well, here is the answer.
Your friendly neighbor-
hood Orientation Com-
mittee worked many
hours in an assembly line
to put them together. Not
exactly one of Frosh
Week's most memorable
activities.

Alright Everybody...

The barbeques of Frosh Week are always a popular event (nobody passes up free food, even if it is from the cafeteria!). The last of the warm summer days of 1991 were filled with the aroma of hamburgers and hot dogs. For some, this is their first taste of Marriott food, while others can get indigestion just at the mere sight of it.

It's Time to *Chow Down* !!

It's All Fun And

So... it's your first week of university, you don't know anybody and you're pretty nervous. What does the Orientation Committee get you to do? Why, make complete and total fools of yourselves for all of Inglis Street to see. Whether you were flapping your arms, dancing like a chicken, squeezing some stranger's hand, forming a human snake, or wrapping yourselves in a circle around each other, the Games on the Field gave first year students the opportunity to get acquainted and to have a great time in the process.

Games On the Field

We're Frosh...

SMU's got the right one baby, UH HUH!! Frosh sat mesmerized as they were given speech after speech on what they should expect from university life, and that they should get involved and give their all. They certainly did this as they shouted chants of "S", "M", "U" in the Tower Fieldhouse to help film a Pepsi commercial.

You Can Bet on That!!

Everyone had a great time at Casino Night, playing such games as Blackjack, Wheel and Anchor, and Roulette. While the wheels kept our heads spinning, were we a little bit afraid to place our bets? NAH!! It was fake money we were gambling with!

Wave Babies

What can you say about the Harbour Cruise? These pictures say it all. Old friends had a few drinks, a few laughs, and talked about old times, while new friendships were just getting underway as first year students got a chance to learn about each other. All in all, the cruise was quite a success, and everybody had a blast!!

Three Bands,

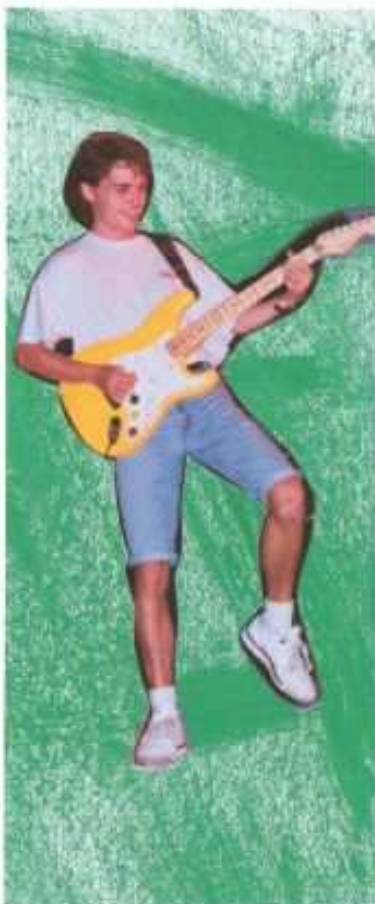

The all day concert got rained out of the parking lot and into the Tower. Even though there weren't many people present, those who attended really enjoyed the music of King Apparatus, Black Pool, and Dead Reckoning. Pizza a la Marriott was provided, but somehow it just wasn't the same after all the boxes were set on their sides and the toppings slid to one end. Nice try though!!

No Fans!!!

Frosh week went out with a bang as *ICU*, a local favorite, rocked the Tower as a grand finale for a great week. Everyone enjoyed themselves.

Who Saw Who at ICU?

FINAL SCORE- SENIORS: 56, FROSH: 0

The Football Huskies' season started off well with an exhibition win over the rival Mt. A. Mounties. But just as interesting as the football game were some of the characters in the crowd. Following tradition, residence seniors took their frosh out to the game and embarrassed them. Whether you were dressed normally, in robes, with nylons on your heads, or even in diapers, it didn't matter. Why not? Because everybody had a great time!!

Office of the President

Dear Graduates:

My colleagues and I wish to congratulate you on your graduation. Over the years this book will be a reminder of your days at Saint Mary's, and the many friends you made here.

The knowledge you have gained, and especially the skills you have acquired in evaluating others' and expressing your own thoughts, will help you immensely in the days ahead. We know, too, that you have learned other important lessons about how to live and interact constructively with your classmates and to help others less fortunate than yourselves.

Canada -- indeed the world -- needs your talents desperately. We know that Saint Mary's has given you a good base on which to further your career and to live a meaningful life. As an alumnus now, we also provide you with a place where you will always be welcome.

Best wishes.

Yours sincerely,

SEPTEMBER

Dear Fellow Students,

Our year has drawn to a close and many things have happened. We all have more friends and memories to carry with us into our lives as we leave Saint Mary's or begin our next year of studies.

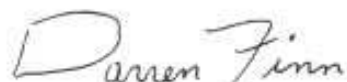

The Students' Association has worked hard this past year to meet the needs of our more than 8000 members. We have begun a capital campaign fund with 85% approval. This capital fund will improve many of the university's and students' associations' facilities, for the students of today and the future. The Gorsebrook Lounge will see large scale renovations in our attempt to enlarge student social space.

You may recall some of the highlights of this year. Our football team made another attempt for the Atlantic Bowl, but were denied by Mount Allison. (remember the brawl?) The basketball team made it to the final national championship game in front of a hometown capacity crowd. No championship titles, but there's always next year. In politics, our provincial politicians have decided to rationalize the Nova Scotia university system, but nobody knows how, or if it is practical.

In the years to come, it is our hope that you are able to look back through this yearbook to remember all those good times and people you have encountered while at St. Mary's.

In closing, I would like to take this opportunity to thank my fellow executives and all others, too many to mention, who have played a major role in organizing the activities of this past year. Also, a special thanks to all those who got involved and demonstrated the spirit of St. Mary's University.

Thanks for the memories,

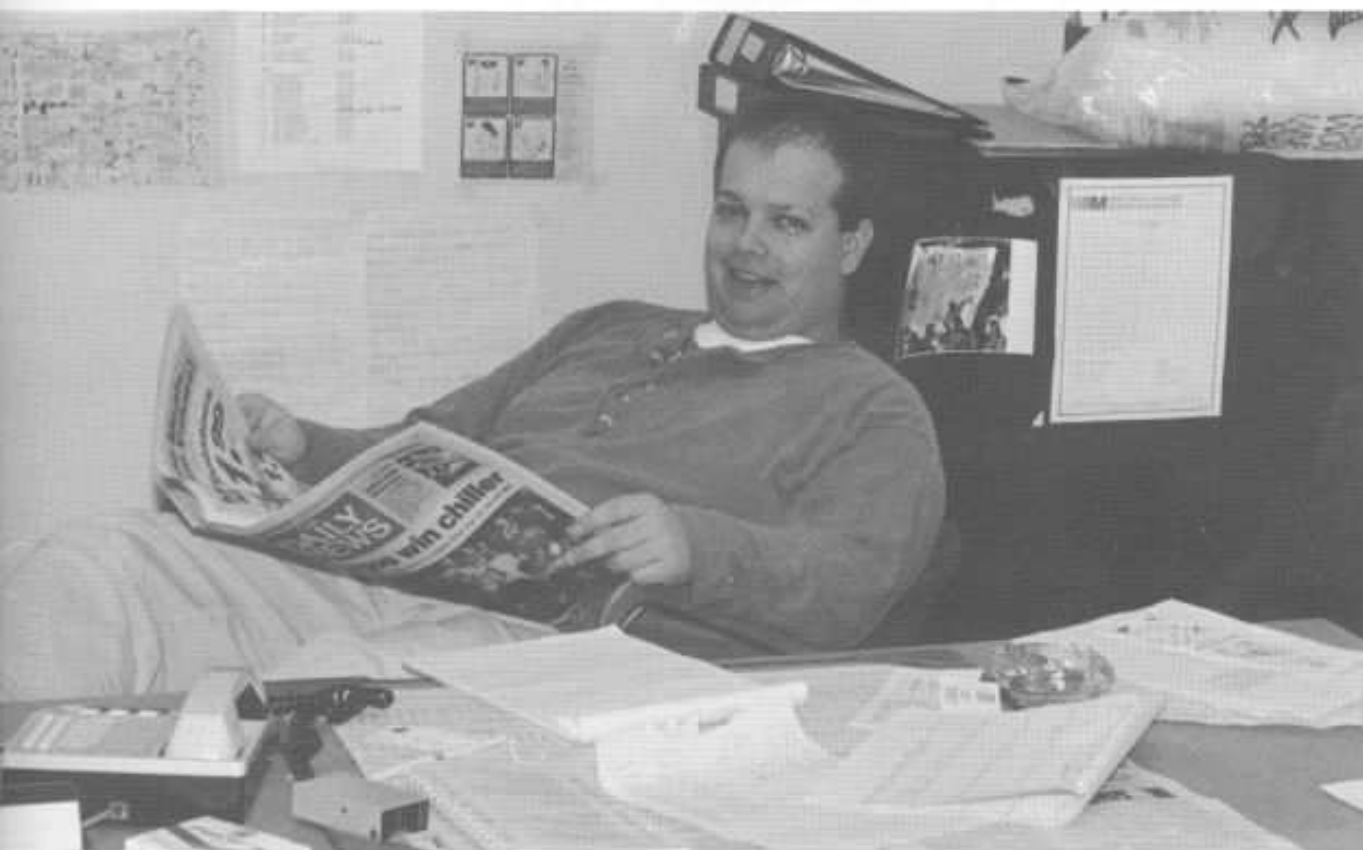

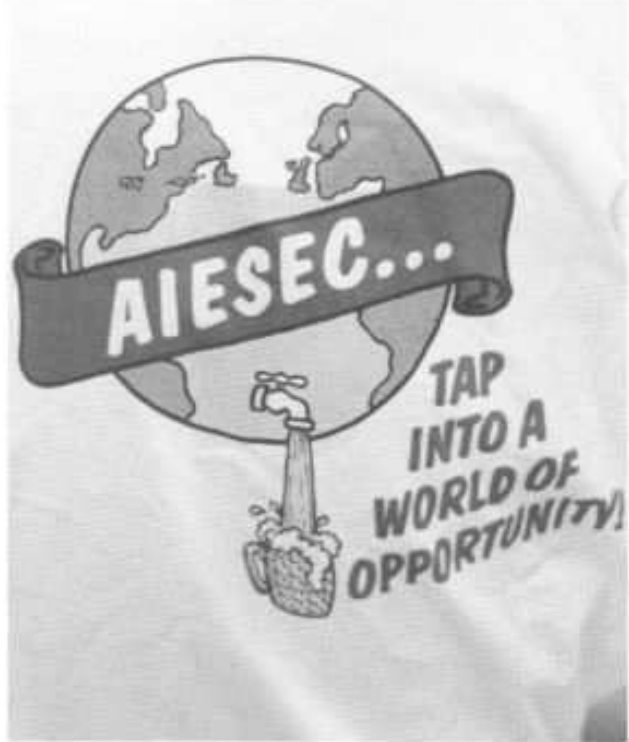

Darren Finn

AIESEC (The International Association for Students of Economics, Commerce, and Computer Science) has had a very successful year. Two well deserving students of Saint Mary's will be employed abroad through AIESEC's international job exchange program. Terry Smith (*President*) will be working in the management field in Germany, and Tim Peck (*V.P. Public Relations*) will be in a computer analyst

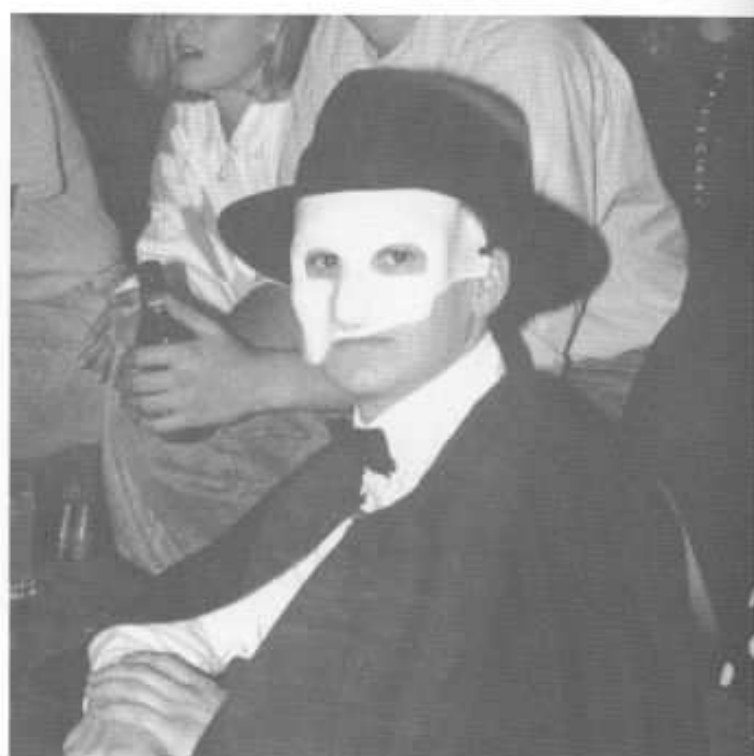

position in Poland. Because of the active members of AIESEC, three students have gained the opportunity to work in Halifax. Yin Foong Lim, from Malaysia will be placed in the management training program at the Royal Bank. Jan Grote, from Germany, will be working in the business office, right here at SMU. Karin Scherhauff, from Austria, will be placed in an assistant computer analyst position at

The Toronto Dominion Bank. Events AIESEC has coordinated this year include Career Day, Fruit Baskets, a Business Luncheon, a tuition draw, a blood donor clinic, a Christmas reception, a 50/50 draw, over thirty marketing calls, and assisted in fundraising for a National Conference.

It was a season of ups and downs for the football Huskies. It was not uncommon to hear "Mongey, the ball-carrier" coming out of the speakers at Huskie Stadium as he broke old rushing records, and new-comer Steve Sarty was nominated for the AUA A Rookie of the Year Award. However, they just couldn't seem to beat the rival Mt. A Mounties after the first exhibition game. The blackest spot on the '91-'92 season didn't even take place on the football field. After a 24 to 21 loss to the Mounties in New Brunswick, several fights broke between the bus loads of Huskie fans and the home-town Mounty fans. Police used mace to break up the crowds. Congratulations to the team for a winning season, and better luck next year.

HUSKIES

Sorry, no scores available.

Monique Rafuse was one of the big stars of the Women's Volleyball Huskies this year. Not only did she lead the team in kills (171), and the league in blocked stuffs (73), but she was one of only six to be named to the AUAA All-Star team, and was named female athlete of the year. Lisa Cameron led the team in Kill % with 76.9%, and Marlene Ouelette led the team with 18 Service Aces.

The Huskies finished fourth in the league this year (the highest ever), and made it to the AUAA Playoffs for the first time. With most of the team returning next year, and a strong rookie lineup, Coach Joan Matheson is confident that the team will improve upon this year's accomplishments.

JUST DO IT...IN THE SNOW

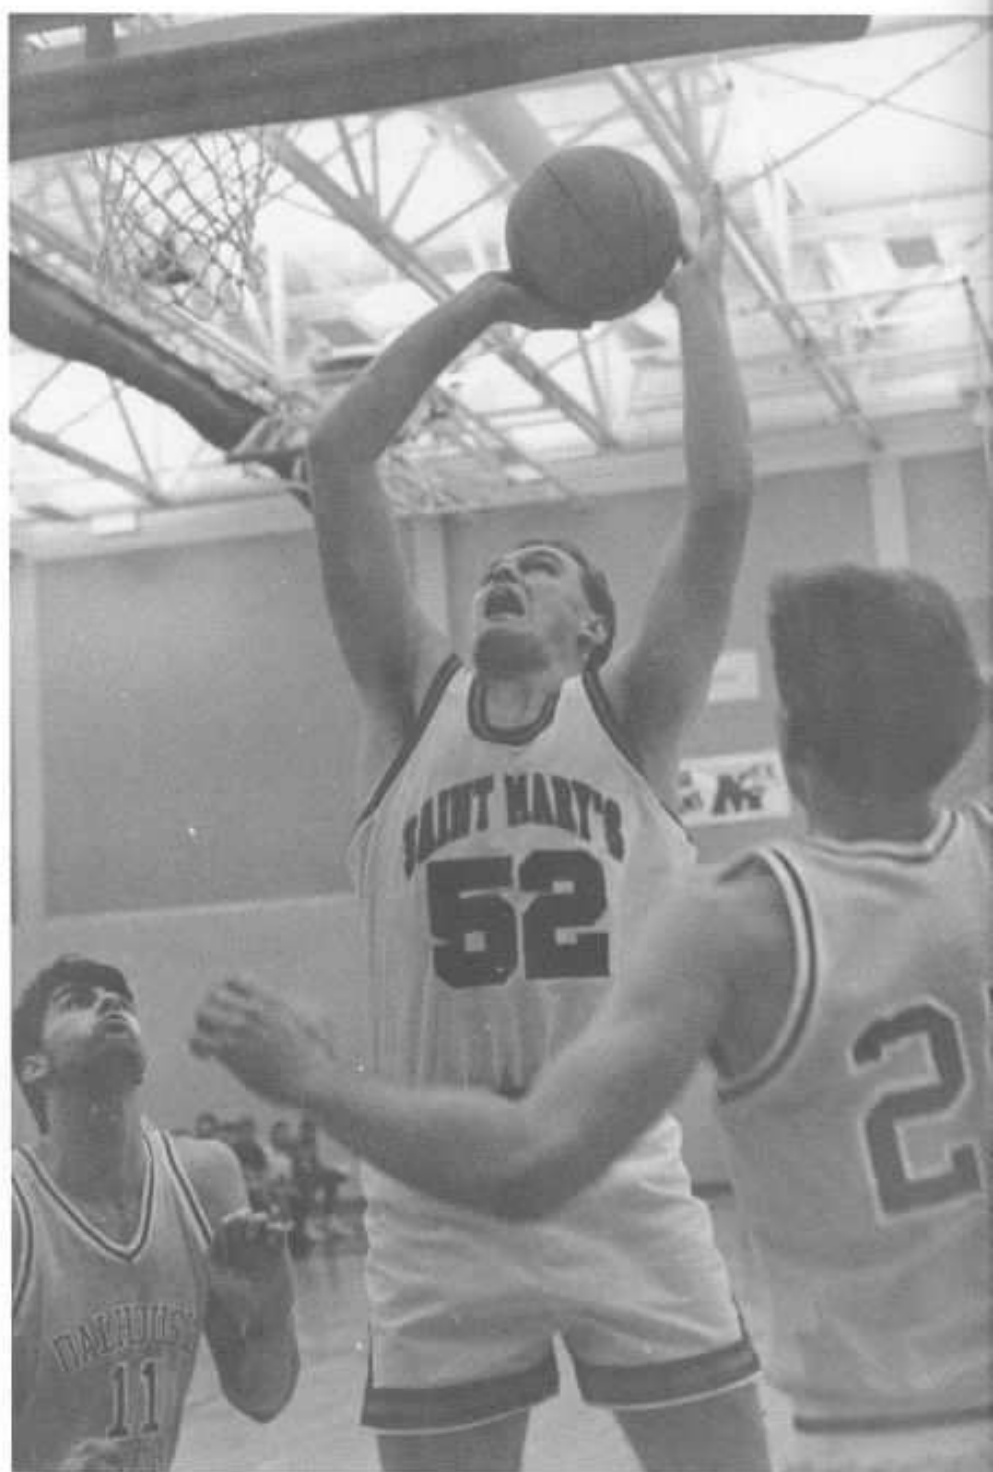

That was the theme for 1992's Winter Carnival here at SMU. The week started out with a *Huskie Basketball* double-header in the Tower, closely followed by the *Amazing Santini* in the Residence Cafeteria. Using a process he calls "video mind" Santini entranced a group of volunteers and kept the audience extremely entertained.

Carnival Alley came mid-week. This highlighted the awareness of the Daycare Centre here on campus and money was raised to help build a new playground for the little toddlers.

Three Piece Suit had everyone bustin' a gut in the pub while the Rice women and Loyola men took the *Loyola-Rice Basketball* games.

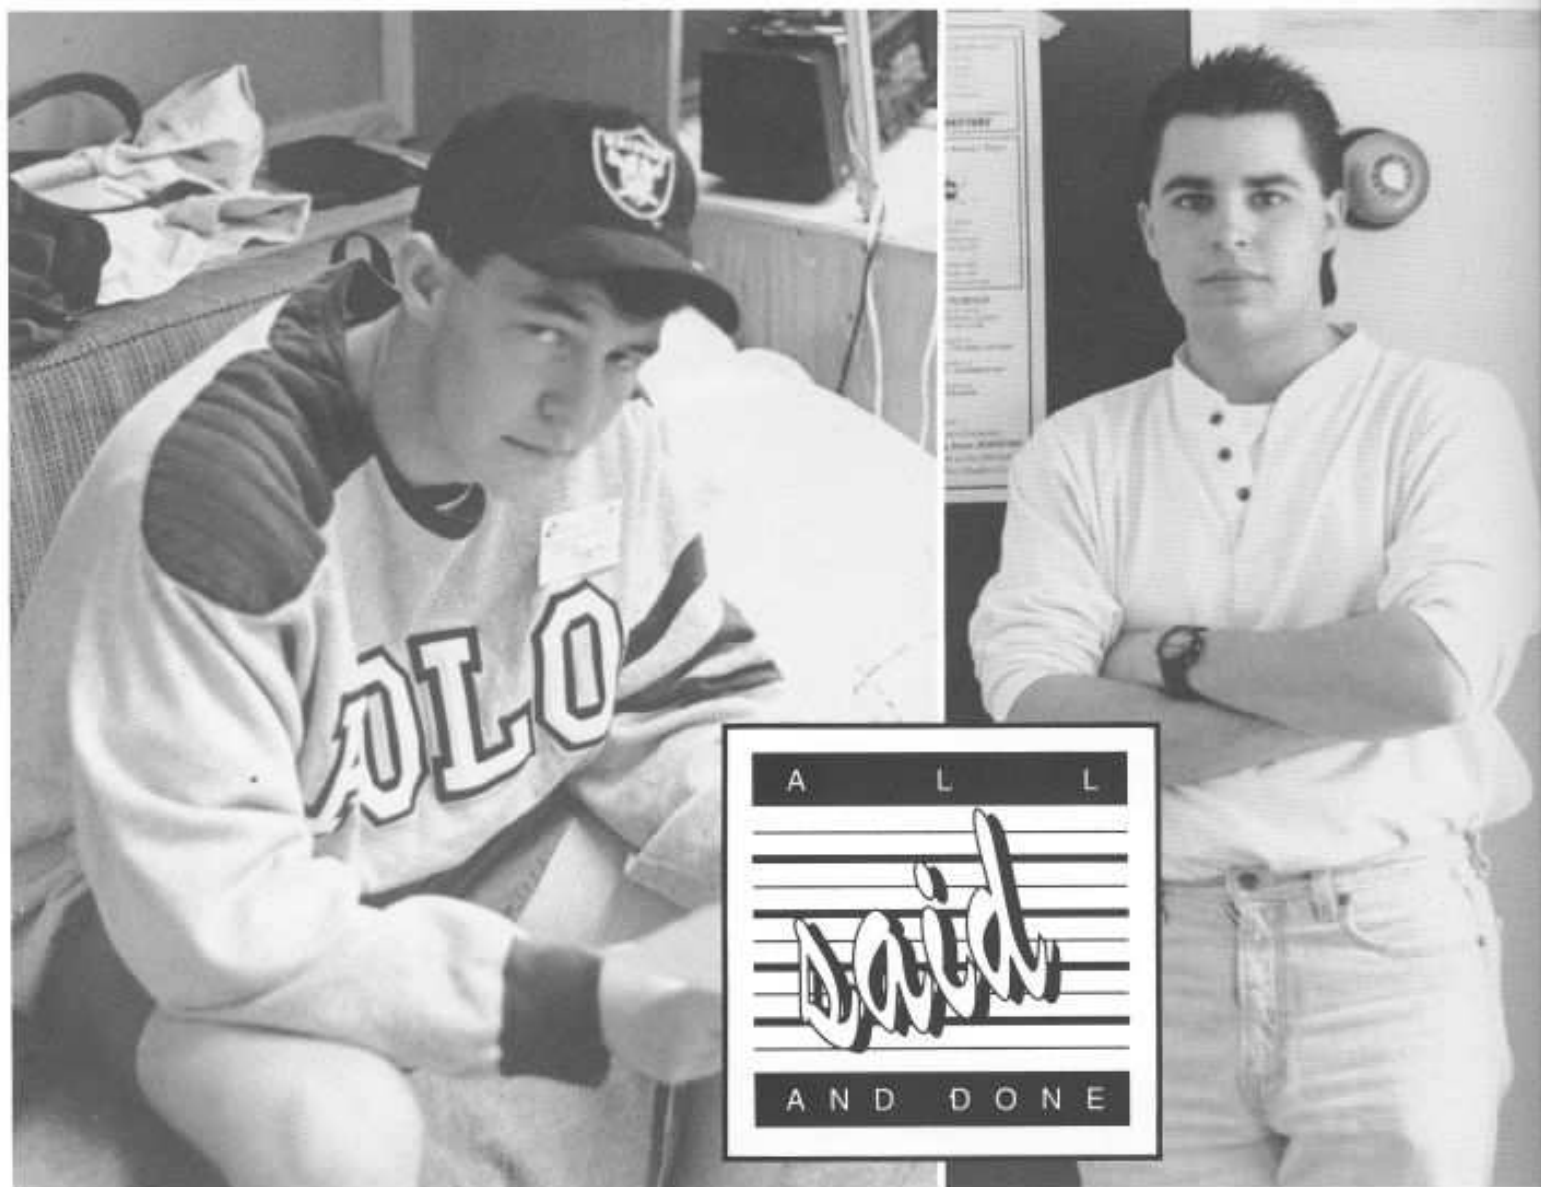

The week was topped off by a *Karaoke* in the Gorsebrook and the *Northern Pikes* played to many excited fans in the Tower.

Winter Carnival '92, JUST DO IT...IN THE SNOW, gave everyone a chance to beat those winter blues.

FEBRUARY

YEARBOOK EXECUTIVE

Well, as you get a chance to glance through the yearbook (I hope you like what you see) I would like to thank the many people who helped make this all possible. First of all, my staff. To Michelle Rose, Karen Shaw, Cheryl Benjamin, Jennifer Calder, Kate Pittman, Peter Cox and last but not least, my photographer, Donald Wilmshurst (above right). My *undying* thanks goes to Journal photographer, Jim Young. Any sports photography you see in this book is more than likely his handywork. As well, I would like to thank Colin MacMillan for helping me when I needed it. To Norm, Darren, Tracey, and Craig, I thank you for your unending patience. I told you the book would get done...eventually. A special thanks goes to the Jostens Representatives Herb Anderson and especially Lisa Orlando for going above and beyond the call of duty. To all my friends who lent me support during the year, I thank you. Lastly and most of all, I would like to thank Katherine Lloyd whose supported me but who knew when to give me a kick in the behing to get me going.

If I could offer one piece of advice to not only graduating students, but to anyone reading this, it is to thank your parents for the support they've given you. Not only through university, but through their entire lives because you might not always have the chance to do so.

So, after a roller coaster year of ups and downs, the book is done. I hope you enjoy it. Best of luck goes to next year's editor, Elizabeth Boudreau.

The background of the page is a light gray color, densely populated with small, white, diamond-shaped confetti scattered across the entire surface. Several white, wavy streamers or ribbons are draped across the page, starting from the top and bottom edges and curving upwards and downwards in a celebratory fashion. The overall aesthetic is festive and celebratory.
