PRESIDENT'S MESSAGE

Dear Graduates of the Class of 2006,

Congratulations! You can be very proud of your success. As you move on to the next stage of your career, I am sure that the time you have spent at Saint Mary's University has provided a strong foundation for the future.

While intellectual life is at the heart of what we are about as a university, we have never felt that our mission stopped there. A Santamarian is someone who, in addition to her/his classroom and laboratory learning, has acquired communication, leadership, cross-cultural skills and also has developed a sensitivity to the local, national and global competitive agendas.

I hope you will return to this book many times in later years to relive your memories of Saint Mary's – your professors, your friends and the events which took place on campus, particularly in your final year. This past year has seen the commencement of the Science building renewal project. This will see not only refurbishment to the existing facilities, but additional space to house the ACENet

project and other science faculty priorities.

I hope, too, that you will continue to think of Saint Mary's not only as the place at which you studied, but where you became more of a person, in every way. So please keep in touch with your graduating colleagues and with us. Join an Alumni chapter and be part of the 33,000+ alumni network worldwide.

My colleagues and I wish you well.

Yours sincerely,

J. Colin Dodds, Ph.D.

SMUSA PRESIDENT'S MESSAGE

Ode to Saint Mary's

Long live Saint Mary's, our hallowed ground
Where not one Tiger shall be found
Where Huskies rule and laugh and sing
Where Aramark creates fine cuisine
Of burgers, wraps, omelets, and tacos
Chicken guy-ding, sushi, and falafel

Where championships are applent-y
With Vanier Cups since seventy three
And ever-present histor-y
Exists in the murals of Hen-Alley

Where knowledge and wisdom are what we seek
Our learning experience beginning Frosh Week
Where cultures mix and learn from one another
Which helps us in demystifying each other

Where residences climb to the sky
With dryer machines that prefer not to dry
Where Rez Security is keeping us safe
Where we don't have to make noise if it's after eight

Where Rice vs. Loyola is entertain-ing
But, it's the worst hockey that's ever been seen
Where friendships are created and where friendships are grown
Where some consider the Gorsebrook their home

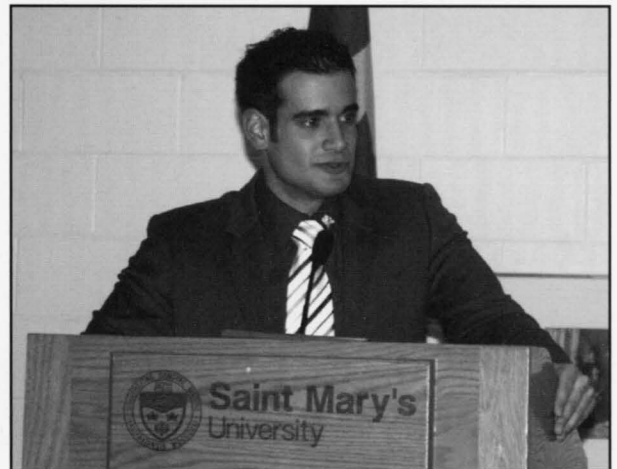

This is Saint Mary's, and with all that it's shown us
We know the campus is small, but the heart is enormous

To the class of 2006: Be compassionate, be proud, be a Santamarian.

Best wishes,

Zach Churchill

Many students spend much of their time during the week working in labs, which is no exception for these four students

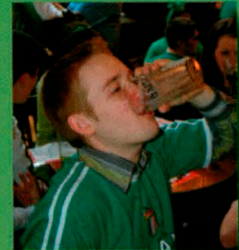

SAINT MARY'S UNIVERSITY STUDENT LIFE

ST. PATRICK'S DAY

Friday, March 17, 2006 marked the day when students piled into the Gorsebrook starting in the morning to celebrate the day of the Irish.

ORIENTATION WEEK

Students go "Back to the SMUture" during a week of fun and games in September. Events included a concert by K-Os, casino night, and a hypnotist.

SMU YEARS EVE

Students celebrated the new year on campus at the Gorsebrook. Saint Mary's students started 2006 with a bang.

HALLOWEEN

Halloween night at the pub was a blast. Students dressed up for a night of excitement. Many characters were present, including The Mario Bros, and Mr. Incredible.

OVER THE YEAR, MANY EVENTS WERE SCHEDULED TO GIVE STUDENTS A BREAK FROM THEIR STUDIES

WHETHER you are a student living in residence or off-campus there is always something going on for students. From annual events held at the Gorsebrook Lounge every year, to new and exciting things, students are always ready to have fun and let loose. The school year of 2005-2006 started with a bang as freshmen were sent "Back to the SMUture." The annual events at Orientation Week were a big success as always, with a concert featuring K-Os wrapping up the week. Many events at the Gorsebrook Lounge were a huge success as well, including Halloween night, SMU Years Eve, and St. Patrick's Day. Other events that were put on by SMUSA for students included SMUmazing Race, Price is Right, and a Spring Fashion Show. When not partying and celebrating, most SMU students spend the rest of their time focusing on their studies.

Right. A team of freshmen students enjoy a day of fun and games at Husky Stadium. Ultimate Frisbee is always a popular sport, and during Orientation Week this was no exception.

BACK TO THE SMUTURE

FIRST-YEARS SPENT THE FINAL DAYS OF SUMMER AT SAINT MARY'S ENJOYING FUN AND GAMES

This year for orientation week we were all brought back in the day....we were brought back to the SMUture. The week was packed with events that saw more than 1000 first years and upper-classmen leaders having a blast. The theme, back to the SMUture, played out in all the activities as they were themed with some time period in our past. Some of the marquee events included the 50's Western Casino Night, the DRAFT Teams Comedian and Hypnotist, Turf Burn, 70's Retro Dance and of course the U-Stock which featured many local bands and was headlined by K-OS. These were some of the week's activities which also included educational sessions and info sessions on various aspects of student life. The events were held all over campus and the concert was actually a SMU first as we held the whole show outdoors under the sun, running all day from 12:00 noon to 11:00pm.

Above. Cotton candy is always sweet to have at any event, even if it does end up on the leaders.

Above. Armed with a Supersoaker, these students prepare to spray the unsuspecting freshmen.

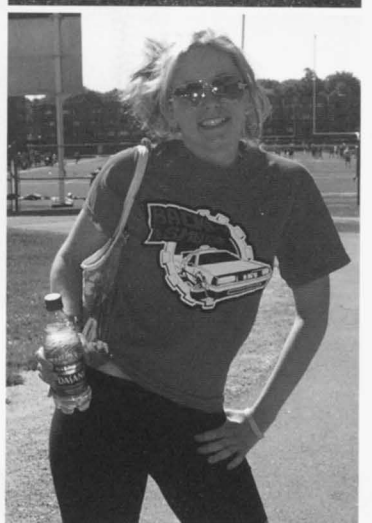

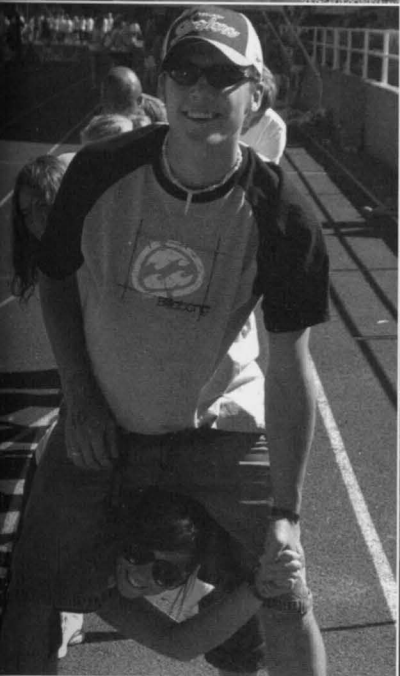

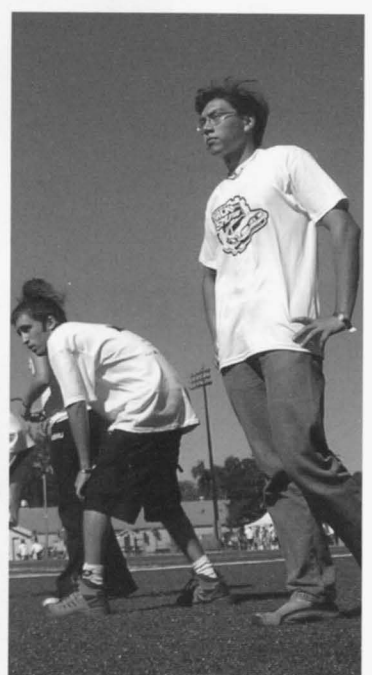

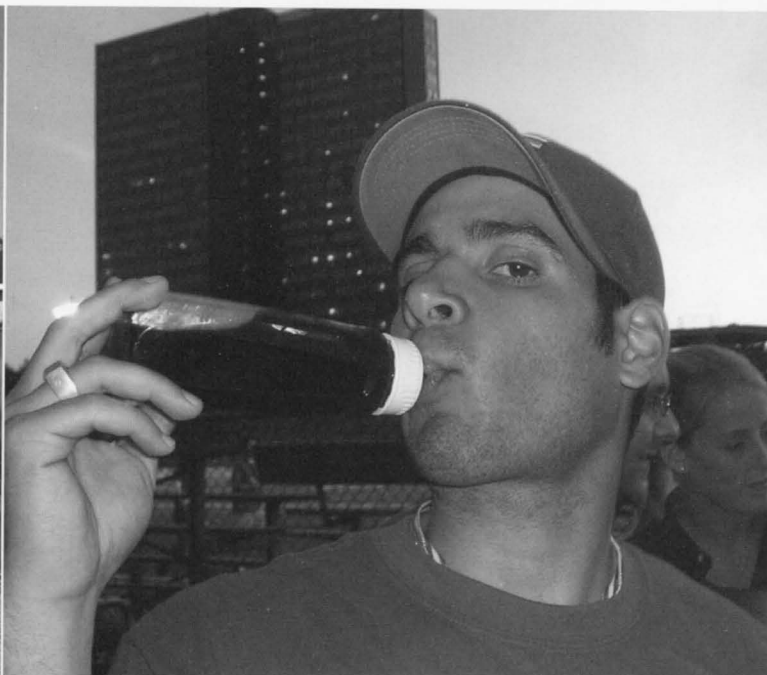

Above. Even small businesses were in on the action, taking the opportunity to make a few bucks.

Left. The Husky Stadium was one of many places where Saint Mary's held its events.

Below. Orientation week is always a great time to meet new people and form new friendships before the start of the school year, especially for those students who come from other places.

Above. This student models the frosh week t-shirt with the Back to the SMUture logo on the front. Everyone who went to events received the shirt with their package.

WELCOME TO FROSH LEADER CAMP

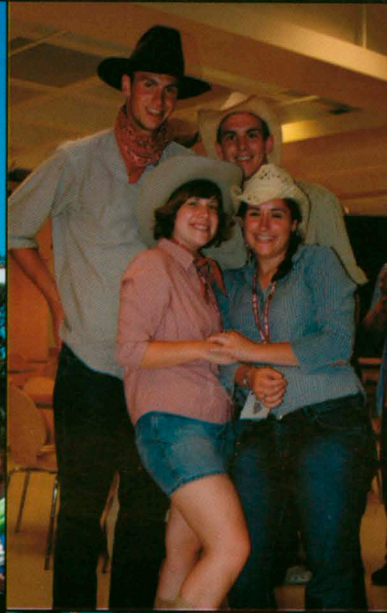

Frosh leader camp is an annual event held every year. Frosh leaders had a great time enjoying the hot sun and cooling off in the lake. Training for orientation week occurs here every year, and everyone is encouraged to have a good time in the process.

CRAZY EVENTS YOU WONT SOON FORGET

During activities planned for the day, Froshies played Twister on a giant mat layed out on the stadium field.

Frosh leaders volunteered their time to sort the money used during 50's Western Casino Night.

Below. The hypnotist was successfully able to hypnotize some of the Froshies. He then had them perform tasks that most would be embarrassed to perform in front of a crowd.

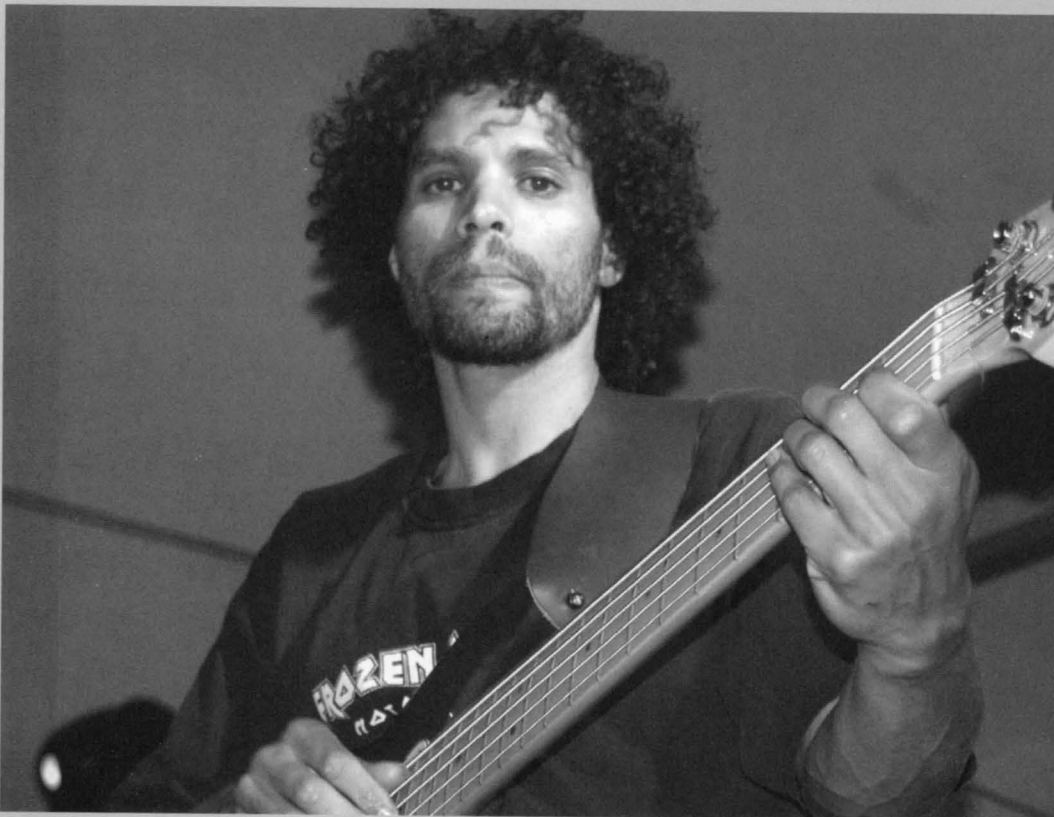

Above. During 50's Western Casino Night, many people were busy playing card games, such as Blackjack and Poker. Casino Night has become a Frosh Week tradition, and occurs every year.

Left. Although they were gambling all night long with fake dollars, it was a good night had by all. Many gambled their money away, but some were lucky enough to win a few hands.

International Night

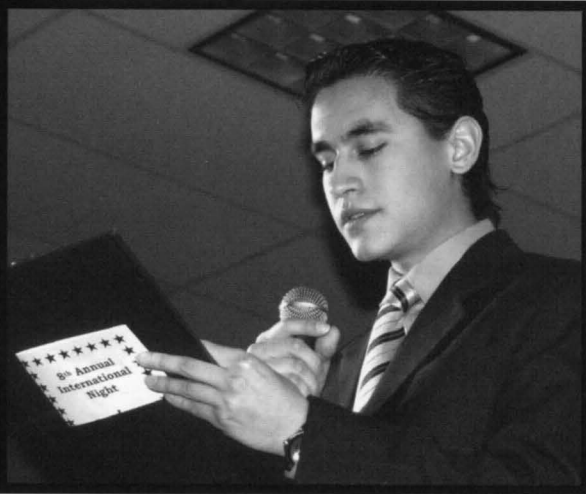

International Night is one of the main international activities on Saint Mary's campus. Sold out for the past several years, its popularity keeps growing. Attendees and performers alike get to dress up and go out for an engaging evening of food and dance. The evening begins with an array of international

cuisine, which is followed by student performances from all over the world. From bright traditional dress to entrancing music to breathtaking dances, those who attend are taken away to a different time and a different place with each performance. Students learn about the many unique cultures and traditions in a relaxed and exciting atmosphere. Celebrating and highlighting Saint Mary's University's diverse cultural background is the main goal. A chance to party with old friends and new, the dance at the end of the night (once the performances are over and the food is gone) is an

event that everyone looks forward to. International Night offers international and domestic students alike the opportunity to feel at home in our global community.

R IN
REVIEW

S M U

This year at Saint Mary's University was quite an eventful one. From attracting media attention from student protests to changing a 203-year-old signature, to the unraveling of a new chapter in Saint Mary's University's history. This academic year has attracted new students from around the world, charitable contributions, a number of wins from the huskies, and as usual a number of many graduates ready to face the world.

Saint Mary's University has always taken pride in the diversity of cultures among its students. From the Middle East, to Europe the multicultural cocktail of students, faculty and staff has taught us to have a better understanding and respect for one another. On February 8, 2006 philosophy Professor Peter March sparked controversy when he posted caricatures of Prophet Mohammed that were originally taken from a Danish newspaper on his door. Although Professor March was told by the university administration to take the cartoon down that same day; many students, of which most were Muslims, were offended. About 100 students in Halifax from Saint Mary's

University and Dalhousie University marched in protest against the professor. There was yelling and pushing when March showed up as the students voiced their concerns. March fought back by claiming Freedom of expression was his motive. The protest attracted the media from CTV, Global and CBC, as the cartoon created similar controversies and protests around the world.

On December 13, 2003 Saint Mary's University unveiled a new signature that redefined its image. "One University. One World. Yours." Saint Mary's University has entered a pivotal new chapter in its 203-year history. This special event attracted more than 200 students, faculty, staff, alumni, and supporters; the University unveiled a new signature and rallying cry that will redefine its image to current and future stakeholders. Those who spoke at the event included: Chuck Bridges (MBA '92), Vice President (Assoc.) of External Affairs and Chair of the Project; Paul Dyer (BComm. '69), Chair of the University's Board of Governors; Dr. Esther Enns, Dean of Arts; Dr. J. Colin Dodds (Assoc. '94), President

of Saint Mary's; and, Paul G. O'Hearn (BComm. '82), Saint Mary's Alumni Association President. Zach Churchill, President of the Saint Mary's University Students' Association (SMUSA), was the Master of Ceremonies at the launch of the signature. The new signature and tagline is the result of eighteen months of in-depth research and consultation that spanned all segments of the University community. In addition to extensive one-on-one interviews and competitive analysis, the process included numerous focus groups with current and prospective students, international students, faculty, staff and alumni. It was Dr. Collin Dodds that said: "Whether our students hail from Halifax, Vancouver, Singapore, Oslo or Frankfurt, they will learn at Saint Mary's that there is no such thing as borders – that opportunities are endless – and that we are One University. One World. Yours."

As usual the Huskies and the Athletics department have had many ups and downs throughout the year. There have been some successes and some losses; however a great effort was contributed by all the coaches and members of each individual team. Let's not forget the motivation of all members of Saint Mary's University along with the loyal supporting fans. Some of this season's success include: Men's Basketball-10 wins, Women Basketball-13 wins, Men and Women's Hockey-16 wins, Field Hockey-3 wins, Football-2 wins, and Men's Soccer 15 wins. Also, countless awards were given for the efforts of many athletes and their coaches. Well done Huskies, keep the good work up!

This year ends with many graduates from various departments and faculties. They are trained and educated in the many experiences that accompany a university degree and diploma. Congratulations to all of the graduates who were ready to face the world upon their graduation date of May 19, 2006. Hopefully this year's eventfulness will continue for many years to come.

In the wake of a two-year hiatus, a small group of inspired and passionate English students banded together and created a spark that has since grown into a glowing flame. It was a mini revolution of sorts. The Literati made it more than acceptable to profess one's love of all things literary; and enabled the beautiful souls who became a part of it to share this love with others. This is the heart and the spirit of the Literati. From this point forward, when confronted with the question of "Why English?" members of the Literati will be able to answer with a newfound sense of pride and conviction.

SMUES is open to all students, from all academic disciplines, as well as those enrolled in Saint Mary's University Environmental Studies Program. We aim to bring these students together to socialize, network and make a difference. Also, we provide resources and opportunities for Environmental Studies students so they can gain knowledge and experience in their field. SMUES is active in a variety of different ways on and off campus. Some of the things we have done this year include: a Green Spaces Clean-up, rock climbing, potlucks, Dump & Run, camping, hiking, and volunteering for the Canadian Parks and Wilderness Society (CPAWS).

PSYCHOLOGY SOCIETY

The Psychology Society this year has started to make a name for themselves once again. Over the past few years the society had not been as strong, however this year it has tried to regain its name. This year the society started off with a lot of work in hope that it will become stronger and stronger each year. This year the society has reached out to the students through the various events that have been held. In the first of the semester some events that had occurred were general meetings to a Halloween ghost walk to having the faculty and staff becoming involved with having them decorate their doors for the holiday season. Second semester focused in on providing a psychology conference for students and also supporting Canadian Mental Health Association through a musical performance. With increasing activities and interested members this year it has been a success and hopefully a continued success through the years to come with the work that has been put in this year. Thanks to the entire faculty and staff and most importantly the members for all the support. Next year is only looking more promising because of the people!

AIESEC, the world's largest student organization, is the international platform for young people to discover and develop their potential so as to have a positive impact on society.

In addition to providing over 5,000 leadership positions and delivering over 350 conferences, AIESEC also runs an exchange program that enables over 3,500 students and recent graduates the opportunity to live and work in another country.

AIESEC has been present at Saint Mary's for approximately 30 years and recently was re-established here in September, 2004. AIESEC Halifax is now a united local committee of which was once AIESEC Saint Mary's and AIESEC Dalhousie. During the past year, AIESEC Halifax has been presented with awards such as, "Acting Sustainably", "Mosaic-Taste the Future", "Most caring local committee" and "Most Improved Society".

After a 3 year period of little or no activity, the local committee has accomplished a lot thanks to this great campus. In seven months the local has recruited 30 members, and hosted various training sessions on personal development, career development, sales and marketing. The local has also hosted Corporate breakfast which had over 100 businesses and students providing a networking experience and also hosted World Café which is discussions on world issues, and trying new international flavours.

AIESEC has a new location on the 5th floor of the Student Centre and has established some critical partnerships within the university community such as Centre for Leadership Excellence.

The local has seen two members work abroad in India and the Netherlands. One of them, Jessica Decoste, has returned recently from India. AIESEC is currently recruiting members for its exchange program.

The Saint Mary's African Students' Society (SMASS) serve as a voice and home for all African students and friends of Africa at Saint Mary's University.

SMASS is a dynamic group of students, mostly Africans, who undertake various activities including cultural events with the goal of promoting awareness on the rich culture of Africa.

Our Objectives

- To unite, integrate and look after the well being of African students at Saint Mary's University.
- To develop, exchange, and maintain socio-cultural relations with other associations at Saint Mary's University and the greater Halifax region.
- To promote and preserve our African cultural heritage.
- Eliminate stereotypical discernment of Africa by painting a picture of the true Africa through lectures, cultural displays and social gatherings.

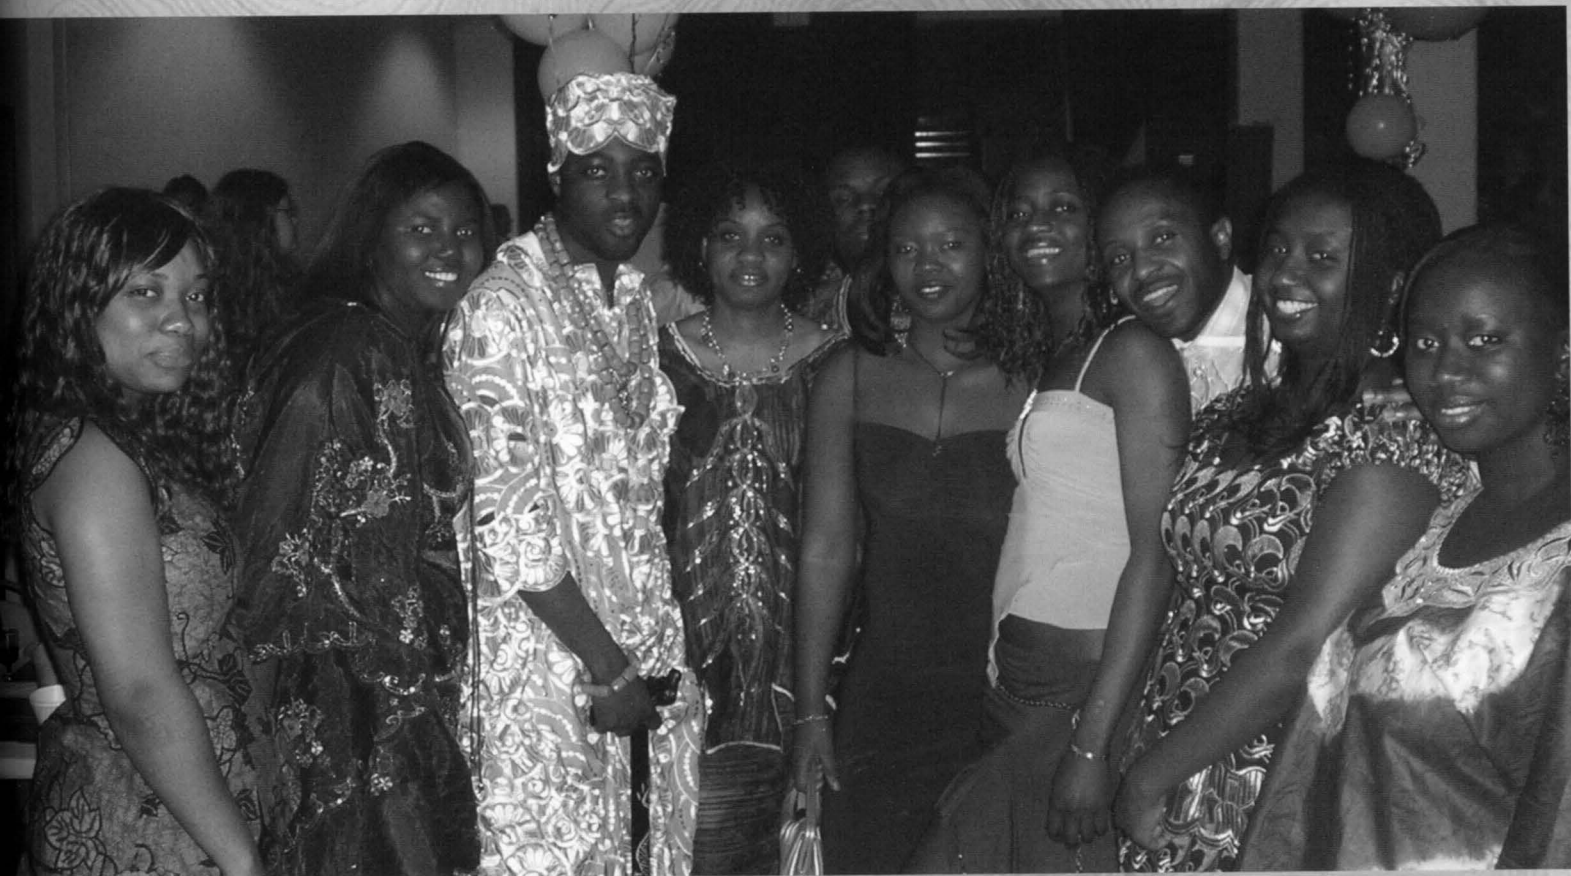

What We Do

Every year SMASS organizes a number of events aimed at promoting the rich cultural diversity of Africa and to raise awareness on issues affecting Africans and the African continent as a whole.

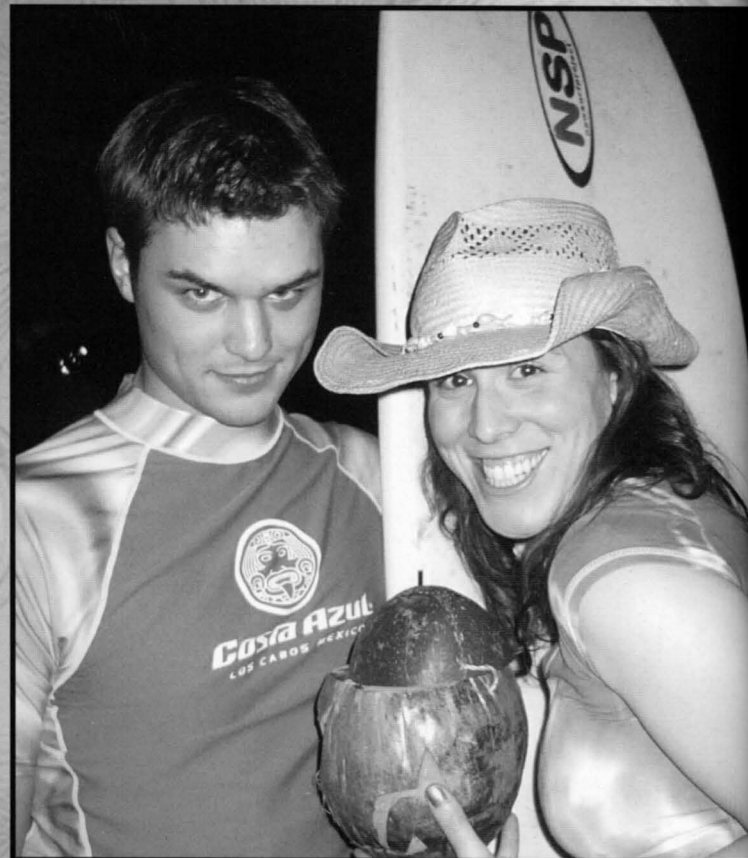

The most prominent of these events, over the years, has been the African Cultural Night that brings together over 500 people at the McInnes room at Dalhousie University. The African Cultural Night celebrates the unique and diverse African culture as well as promotes increased awareness about current social and political climate in Africa.

We also organize events to bring together African students to gain support from peers as they adjust to the Canadian culture and education system.

SAINT MARY'S UNIVERSITY ATHLETICS

LET THE GAMES BEGIN. HERE AT SAINT MARY'S UNIVERSITY

ATHLETICS brings people together more than accomplishing team work. Here at Saint Mary's University, the varsity Huskies have worked hard all year testing their physical endurance, strategy, and their dependence on each other. Our young athletes together with the guidance of their experienced coaches have had wins, losses, and life time achievements. They have worked hard representing Saint Mary's University and all the supporting fans along with each other. Their efforts, regardless of wins or losses, are appreciated and will be dually noted in Saint Mary's University Varsity Huskies Hall of Fame.

Football

Saint Mary's boasts one of the most successful university football programs in Canada. Its 20 Atlantic conference championships are double that of the next closest schools, with Acadia and St. Francis Xavier at 10 a piece. The Huskies have made eight Vanier Cup appearances, winning three, since 1964. Only the University of Western Ontario has appeared in more Vanier Cups (11). Yet this season of 2005/2006 for the Huskies Football team has been quite the enduring one. The team has faced the retirement of their old coach Blake Nill. He is deemed one of the most successful coaches in the history of Canadian university football. Coach Nill won six AUFC championships and two Vanier Cups in his eight seasons in charge of the Huskies. He took four SMU teams to national championship games. He will become the new head coach of the Calgary Dinos. However where one door closes another one opens, and so the huskies football team is pleased to welcome their new head coach Steve Sumarah. He becomes just the sixth head coach of Huskies football in 48 years, and has a formidable reputation to uphold. Although the football team mates have all done well this year, Les Mullings achieved an award for his outstanding work done. Also Offensive Player, Billy Robinson (Quarter back) and Defensive Player, Curtis Woodley both achieved CIS Football Player of the Week Awards for their outstanding efforts. The team has worked hard, and hopefully with the guidance of their new coach, they will take us to the Vanier Cup Championships next season.

Women's Hockey

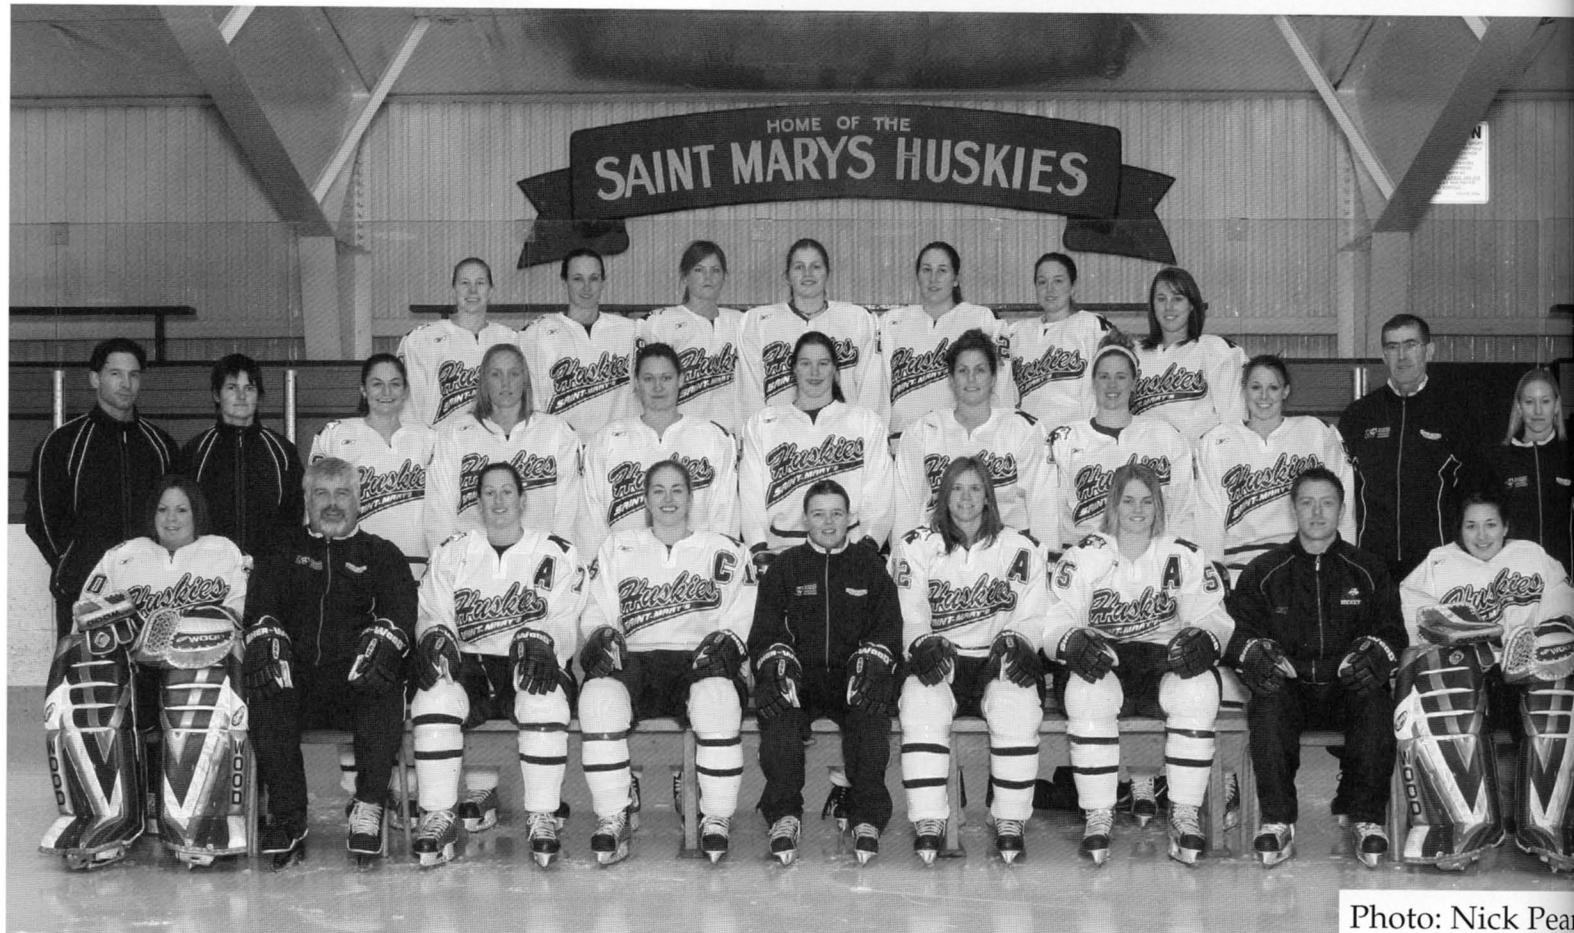

Photo: Nick Pearson

The women's hockey team this season was one of the better seasons in the Women's Hockey team's history. With an outstanding 16 wins, and only 5 losses, they were placed in CIS ranking of 10th place, and an AUS standing is 2nd. The team's talent and victory was further recognized by the efforts of teammate Courtney Shriver. She achieved an annual accomplishment award earlier in the year for her contribution towards her team. Some of the more notable wins that the women's hockey team accomplished were against the Concordia Stingers with a 3-2 defeat, and the McGill Martlets. Both teams are ranked within the top of the nation, and our Huskies were able to defeat them. Congratulations Huskies, your fights were well worth the battle.

This season was a long and eventful one for our Men's basketball team. Their competitors gave them a run for their money, however our Huskies bounced back and came out on top. They had 14 wins, 6 losses, a CIS ranking of 9th place as well as an AUS standing of 3rd place. All in all, it was a successful season for our Huskies. Among the wins and losses, the team developed a stronger dependence on each other and out of their accomplishments they have produced a stronger team. Furthermore, Jerome Goodman was awarded Male Athlete of the Year and Mark McLaughlin was awarded Male Rookie of the Year.

This season for Saint Mary's women's basketball team has been a great one. Their hard work and efforts clearly show from their 12 wins, 8 losses, and their AUS standing of 4th place. The Atlantic conference Rookie of the Year was Saint Mary's Huskie guard Kelsey Daley. Daley led all Atlantic conference rookies in scoring and finished 18th overall in the league with 9.9 points per game average. Daley also led the conference in 3-point field goal percentage (40.3%). The last Saint Mary's player to win this award was Julie Galipeau in 1999-00, who went on to capture the CIS award that year. Saint Mary's University's Laura MacPherson (15.8 ppg), also first team all-star last season who hails from North Wiltshire, PE, finished second in scoring, second in rebounding (7.5 rpg), second in field goal percentage (53.2%) and ranked fifth in free throw percentage (78.8%). Laura MacPherson was also named the Female Athlete of the Year for her accomplishments this season.

Field Hockey

Field Hockey can be very enduring, but not for our Field Hockey Huskies. They fought long and hard and their achievements are obvious from their 6 wins, 1 loss, 1 tie, and an AUS standing of 2nd place. The CIS honored the best in university women's field hockey and a pair of Saint Mary's Huskies were selected as first-team all-Canadians. Sarah Cunnian a fifth-year defender from Kelowna, B.C., and Cole Harbour's Sarah White, a forward in her third year at SMU, each made the first all-star team. Fourth-year midfielder Colleen MacIntyre of the Huskies was named to the second all-star team. In addition, Erin Dillon was awarded for her outstanding efforts and achievements this season.

This was perhaps one of the greatest seasons for the huskies Volleyball team. This year they fought long and hard for great results as they were placed 1st in AUS standings. A remarkable 15 wins and only 6 losses was just the beginning of their accomplishments.

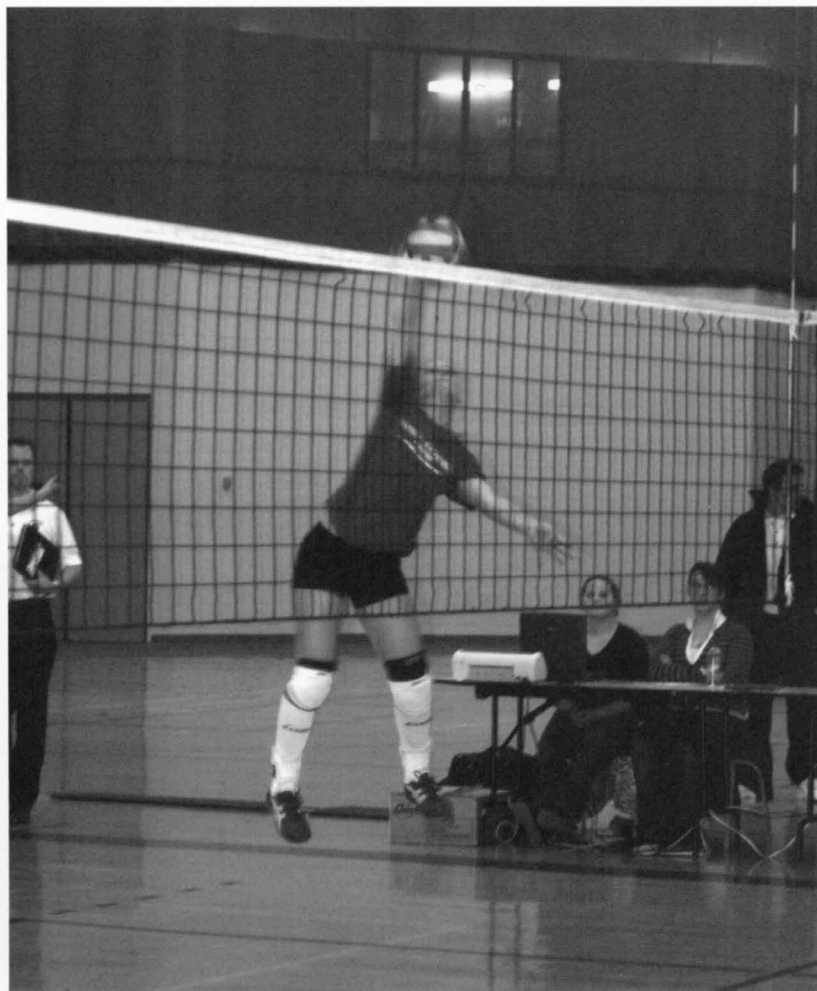

Perhaps the most memorable of these games was the final held at Dalplex; the top-seeded Huskies captured their second championship in three years with a thrilling 3-2 (25-15, 25-23, 20-25, 22-25, 15-12) victory over the host and second-seeded Dalhousie Tigers in front of an estimated 700 spectators. Dalhousie was 30-4 overall on its home court over the past four seasons. Furthermore Janesse Boudreau achieved an award for her outstanding efforts.

Cross Country

Saint Mary's University is very proud of the accomplishments, hard work, and dedication of this year's cross country teams and individual players. In the past year, our cross country participants have had it tough, yet their competitiveness has pulled them through with some of the best results we have ever had for Saint Mary's Cross Country. For the women, our Huskies were placed 4th with 104 points. For the men, our Huskies were placed 5th with 106 points. In the AUS championships, our Huskies came 3rd. Kelsey Daley, Cross Country and Basketball, achieved Female Rookie of the Year and Brian Lewis also achieved an award for his accomplishments this year.

Women's Rugby

It was quite the struggle for our women's Rugby Huskies this year. Regardless of the support from all the fans and the rest of the Santamarians, sometimes a bad year is needed to help prepare for a good one. Our Huskies have had zero wins, and 6 losses; yet their efforts and dedication will not go unnoticed. Their focus for next year will be to strengthen their performance individually and perhaps learn more about the team's abilities as a whole. Whatever happens, they will continue to receive support for their hard work from all of their fans. On a good note, Joanne Anderson achieved an award for her outstanding efforts

LOYOLA

LIFE IN RESIDENCE AT SAINT MARY'S UNIVERSITY. Over a thousand students at Saint Mary's University live on campus in one of three residence buildings, Loyola, Rice, or Vanier. The Ignatious Loyola Residence Building is a 22-storey high-rise which can house as many as 434 students. It is attached to the Loyola Academic complex, which makes attending class that much easier. Vanier House is the smallest of the three buildings and houses 224 students. It is a low-rise building, with each floor having a common livingroom. Edmund Rice Residence Building is a 17-storey building that houses 380 students. This building is best for those students who enjoy being independent, but want the convenience of being on campus. Rice building is the only residence that does not require the purchase of a meal plan. Many students pick one of the three buildings based on their own needs and how each building can meet those needs. Living in residence is a great experience. It is a great way to make friends on campus, especially in the first year. Everybody's experience while living on campus is unique, and everyone who leaves here have their own stories about what life in residence is like.

SMUSA Information Desk

Major:
Psychology
Year:
Fourth

Manager: Eileen Hinds

The SMUSA Information Desk is considered the heart of SMUSA for it is where any and all information can be found. It is the place where students come to find out current SMUSA sponsored events and activities for students. Not only do we provide reliable and helpful information, we also sell numerous items including stamps, envelopes, frosh items, photo copies, faxes, bus passes and tickets and tickets to events held by SMUSA. In addition the desk acts as the dispatch for Husky Patrol, the universities drive home safe program. The girls at the desk work hard to provide the best service for students. Staff was happily available all year, Monday to Friday, from 9am to midnight, to offer help to their fellow students here at Saint Mary's University!

The SMUSA Marketing Department started the 2005-2006 year with major upgrades in hardware and software. The new computers and Adobe Creative Suite 2 were great aids to our graphic design team. This year has seen some irresistible posters –irresistible in the sense that some students decided to take the posters home. We are acquiring a new laser printer, which will allow us to offer more services to the SMU community. All our staff leaving this semester in hopes to return next year; that's how much we love our jobs. To the amazing Weinou (Adrian) Huang, who is graduating this year: our best wishes to one of the best our department has seen.

The Functions department has been very busy this past year, serving patrons in a variety of different events from the beer tent at Husky games to small department parties. When you hear the trolley rolling through the halls that means only one thing, the Functions crew is ready and willing to serve faculty, staff and students. Also known as Liquor Services the functions department is responsible for serving both alcoholic and non-alcoholic drinks on campus outside of the Gorsebrook Lounge. Some of the more memorable events we served at were the K'Os concert, Football games, and the annual Spring Fling dance.

This 2005-2006 year was the first of many landmarks for SMUSA's Husky Patrol service, as it celebrated its tenth year of providing a safe, free and efficient drive program to all Saint Mary's University students, staff, and faculty. In a continued working partnership with University Security, this valuable service has, since its inception, expanded both in its hours of operation, and its service area boundaries in an attempt to accommodate for the ever changing demographics of our university's population.

Husky Patrol currently has two Ford Windstar vans which are owned by SMUSA. The service operates throughout the duration of the academic year, running nightly from 6:30pm- 12:00am, Sunday through Friday. This precedent setting service, to which other universities have modeled like programs from, illustrates SMUSA's strong commitment to ensuring the safety of all our valued students, staff and faculty.

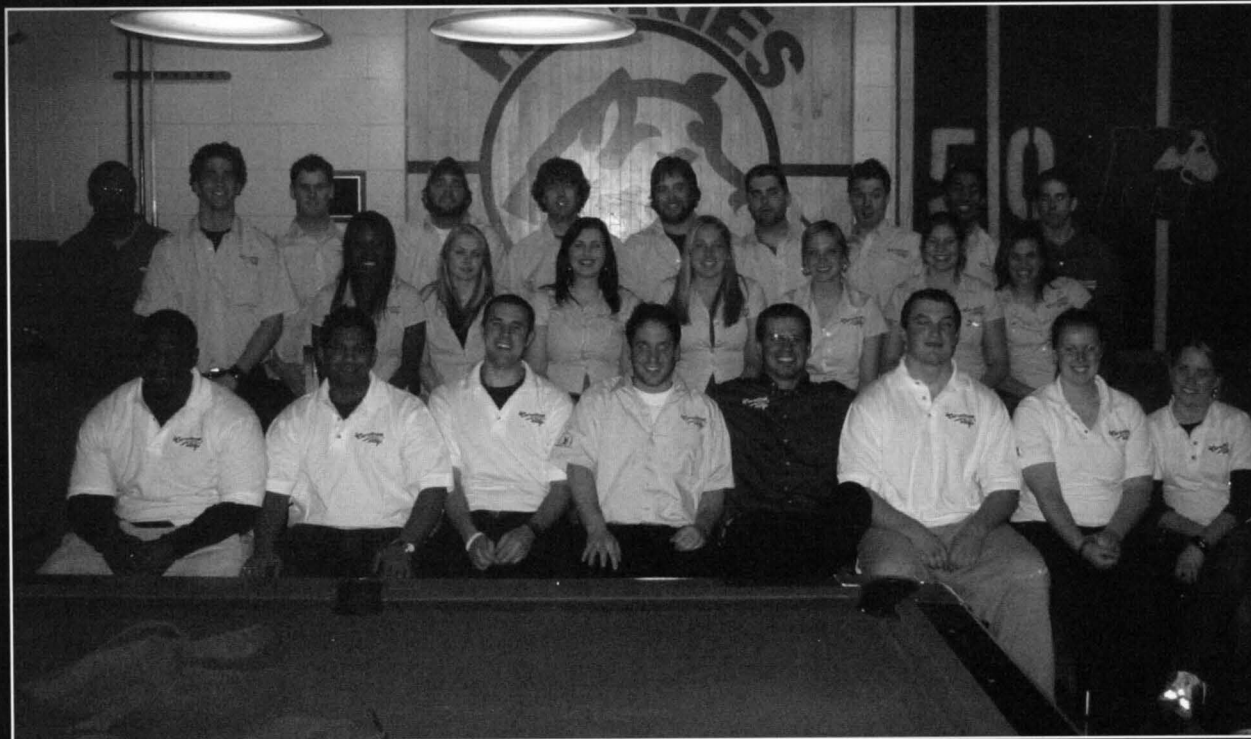

SMUSA Gorsebrook

After thirty years of serving the University community it was nice to see the renovations were well received by all and our grand opening so successful.

The staff and management would like to thank the continued patronage of all the students, staff, and alumni and look forward to great things in the years to come. I would personally like to thank Steve Kelly, Steve Halfyard and Weston Fader for leaving their legacy behind, one I hope I am able to someday fill. Thanks also to Graeme MacKenzie, Rob Finn and all of the SMUSA staff and executive for making my job so

Manager: Lorne Caborn

easy and the nights so much fun. Of course to not mention the amazing job the staff on both the food and bar side has done this year would be a huge oversight. We'll be losing many familiar faces but look forward to seeing them on the other side of the bar hearing about their continued success.

With so many events going on in the lounge this year it would be impossible to list them all, fortunately the Journal staff made sure we all had the memories of these with their great coverage. The new website will also allow these memories to live on as some great pictures are posted from Western Night, Punk Night, the Superbowl and many others, and of course in this very book you are reading. 2006 leaves us looking forward to the resurgence of Thursday nights, the continued success of Wednesday's Open Mic Night and the development of concept ideas like AIESEC's Tuesday Trivia Night and live entertainment every Friday.

Whether you're booking a private event, holding a fundraiser, coming out to one of the many promotions or just popping in for a pint we'll make sure the door is always open, the drinks are nice and cold and the staff is warm and friendly. You'll always have a home here at the Gorsebrook Lounge.

Cheers,
Lorne Caborn

SMUSA Yearbook

Manager: Anthony Farrow

As you browse through this book, you will see many things, including students, staff, and amazing events just to name a few. What you might not necessarily see or realize is the amount of effort and determination it takes to put together a book like this one. We have tried, to the best of our abilities, to record and document the 2005-2006 school year for you. We hope that as you continue through this book you will be reminded of all the good times and experiences you had right here at Saint Mary's University during this year.

This has been a great year for the Yearbook team. We were able to accomplish most of our goals in completing this book. It is hard to believe how much I have learned during my first year here and I am so grateful for the opportunity to create this piece of Saint Mary's history. I would like to thank my staff members, Katt and Joel for all of their help, and I would like to thank Andrea for her assistance with taking some of the photos. I would also like to thank Rob Finn, Graeme MacKenzie and Pamela Feltmate for all of their help. Without them, this book would never have been possible. Also, a special thanks to everyone who has submitted material for the book.

Again, thanks to everyone and I am very excited to do this all again next year.

2006 marked the launch of SMUSA's Safe-Walk Program, SMUSAFE (Saint Mary's University Students Association Foot Escorts). SMUSAFE is a volunteer driven program designed to compliment the already successful Husky Patrol Safe Drive Program. Our goal is to provide Saint Mary's University students, faculty and staff with free escorted walks within the south end, in an attempt to provide a safer environment for both the walker and the community. SMUSA has been developing this program over the past year and is happy to see SMUSAFE go off the ground and into the streets.

This was the first year for an official Communications Department at SMUSA. It has been credited with being a major force behind increasing both the effectiveness and efficiency in which SMUSA spreads word on campus. A brand new website and exciting new events made this year especially entertaining and allowed the Department to fully take advantage of a very engaging and interactive programming year. With eager staff and a variety of successful initiatives we can all say that it was a pleasure working for, and with, SMUSA for the 2005 / 2006 academic year.

SMUSA Program/Volunteer Coordinator

It has been an amazing year for programming at SMU. From the beginning we worked to diversify our events by bringing back old favorites such as the homecoming dance, pub theme nights, and Tony Lee while also including new traditions such as SMUmazing Race, Price Right and the Spring fashion show. This year also saw the creation of a volunteer database of over 200 students and provided many unique opportunities to get involved including helping with events, local charities, and SMUSA initiatives such as the Community Clothing Drive. Overall a great year with many highlights, way to go SMU!!

SAINT MARY'S UNIVERSITY

GRADUATES

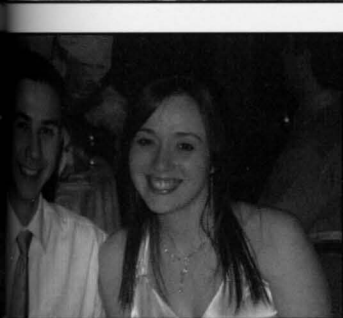

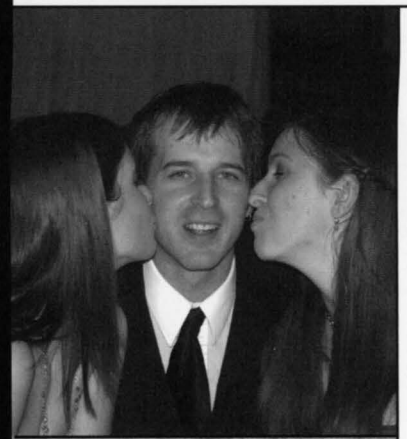

WHEN HARD WORK FINALLY PAYS OFF

CONVOCATION. This is the day every student looks forward to, but dreads at the same time. This is the day when every student becomes excited, but nervous all at once because no one knows what the future may hold. This is the day you receive your diploma and are able to enter the real world. Where does the time go? It was only a few short years before when you were a freshman. New to the world of Saint Mary's University, only time would tell what kind of unique things you would experience during your time of study. Congratulations to all of the Saint Mary's University students who graduated in the spring and fall of 2006. One of the largest classes to ever graduate, you will always be considered part of the Saint Mary's University community.

MAROON & WHITE BALL

CONVOCATION

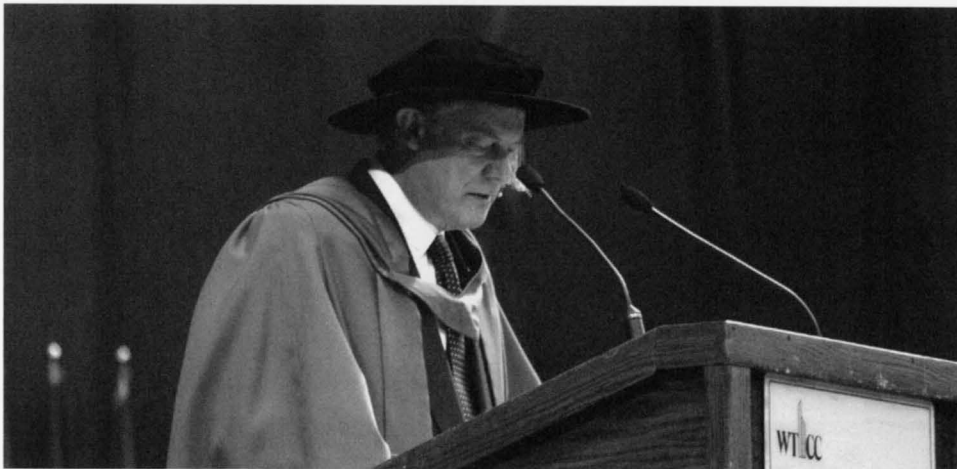

-GRADUATION DAY

A History. Convocation, which means “calling-together”, is a tradition that looks to the roots of Saint Mary’s University. Essentially, it is the gathering of the whole University to honour graduating students. The ceremony begins with the entering of the Marshall of Convocation and the graduating students. Next follow the special guests, honorary degree recipients, and finally the Vice-President, Academic and Research, the President, and the Chancellor of the University. Usually, the Lieutenant Governor of Nova Scotia is present at the ceremonies as well.

A mace made of oak was presented to the University by Maritime Command in April of 1980. It was used during that year’s Spring Convocation, symbol-

izing the University’s authority to grant degrees. The mace is carried into the ceremony by the Marshall of Convocation and placed on the stage during the ceremony. The mace was presented to the University in recognition of Saint Mary’s alumni killed in World War I and II and in recognition of those members of the Canadian Armed Forces who were students at the University.

Other traditions at both the Spring and Fall Convocations include: The Presidential Medallion of Office, The Hooding Ceremony, the flags on the stage, the graduation alumni pins, and the clothes worn for the occasion. Many of these rituals and traditions date back far beyond the University.

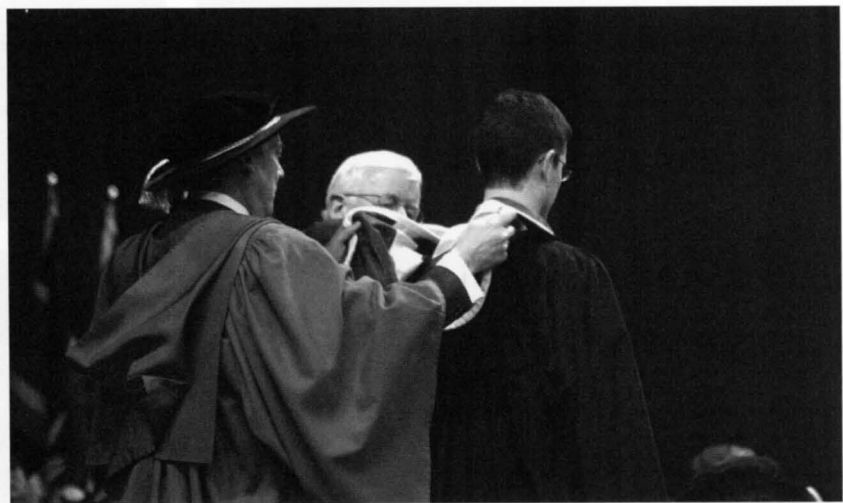

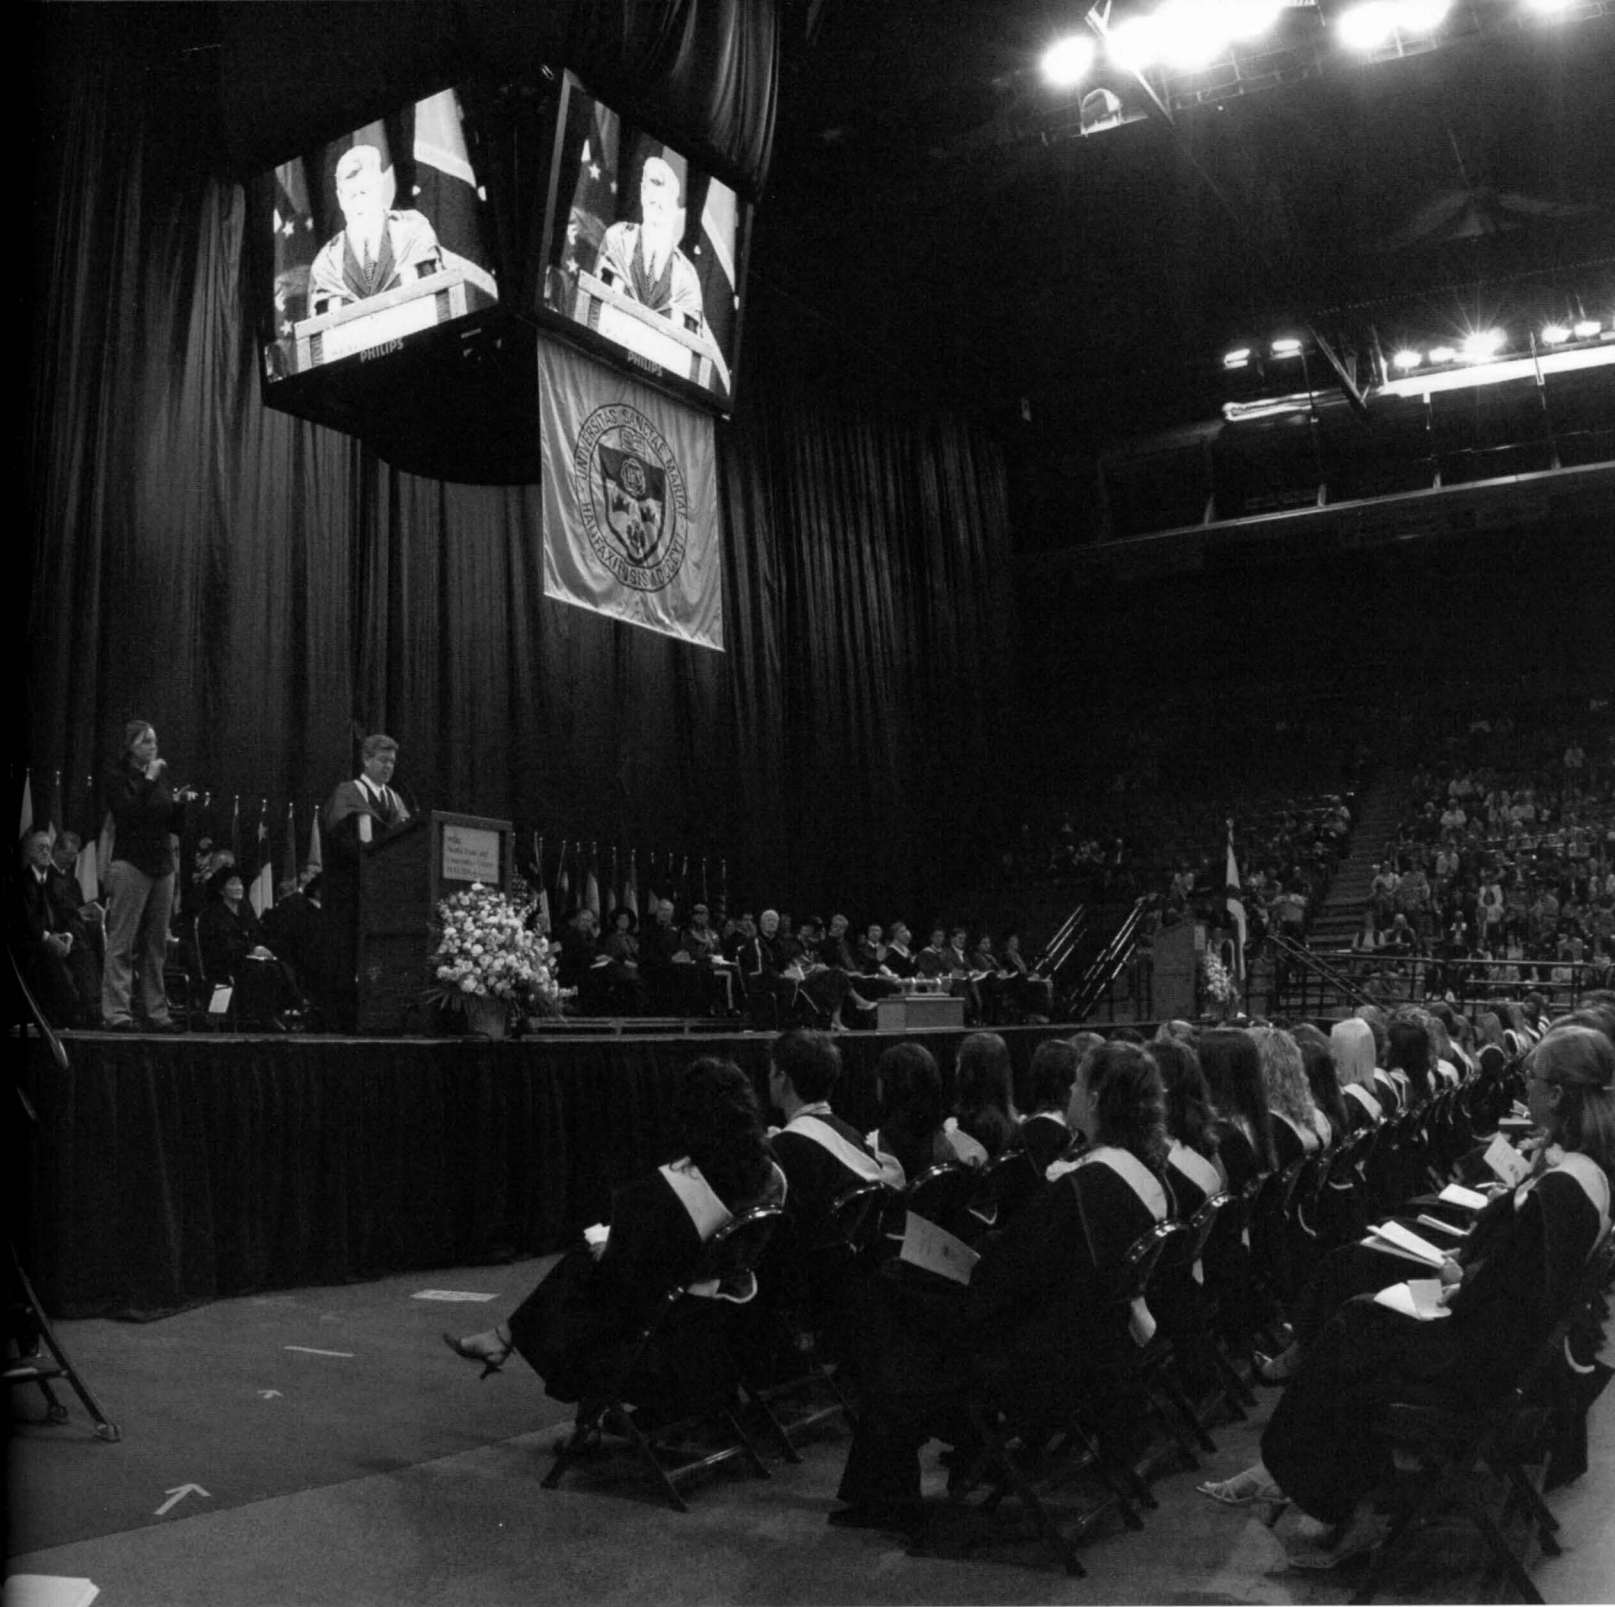

Above. Dr. J. Colin Dodds, President of the University, addresses the graduates and spectators during the convocation ceremonies.

Right. The ceremonial mace that was presented to the University in 1980. It sits on the stage during the ceremonies symbolizing the University’s authority to grant degrees.

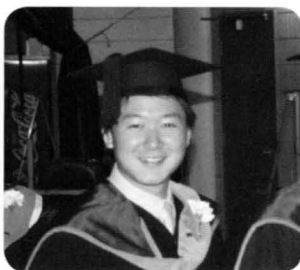

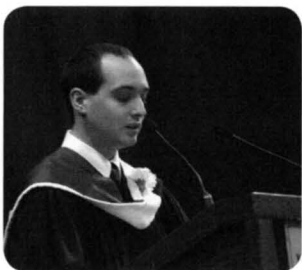

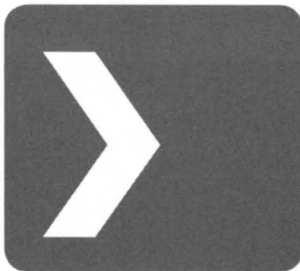

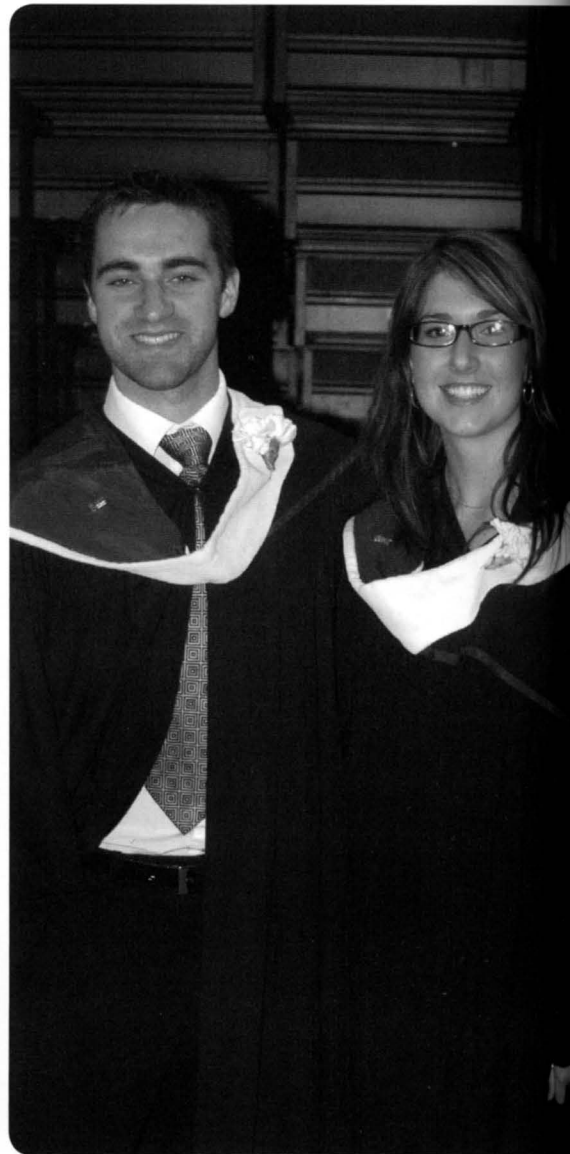

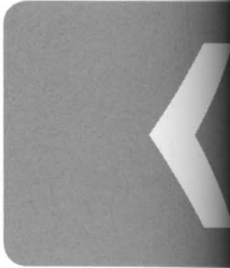

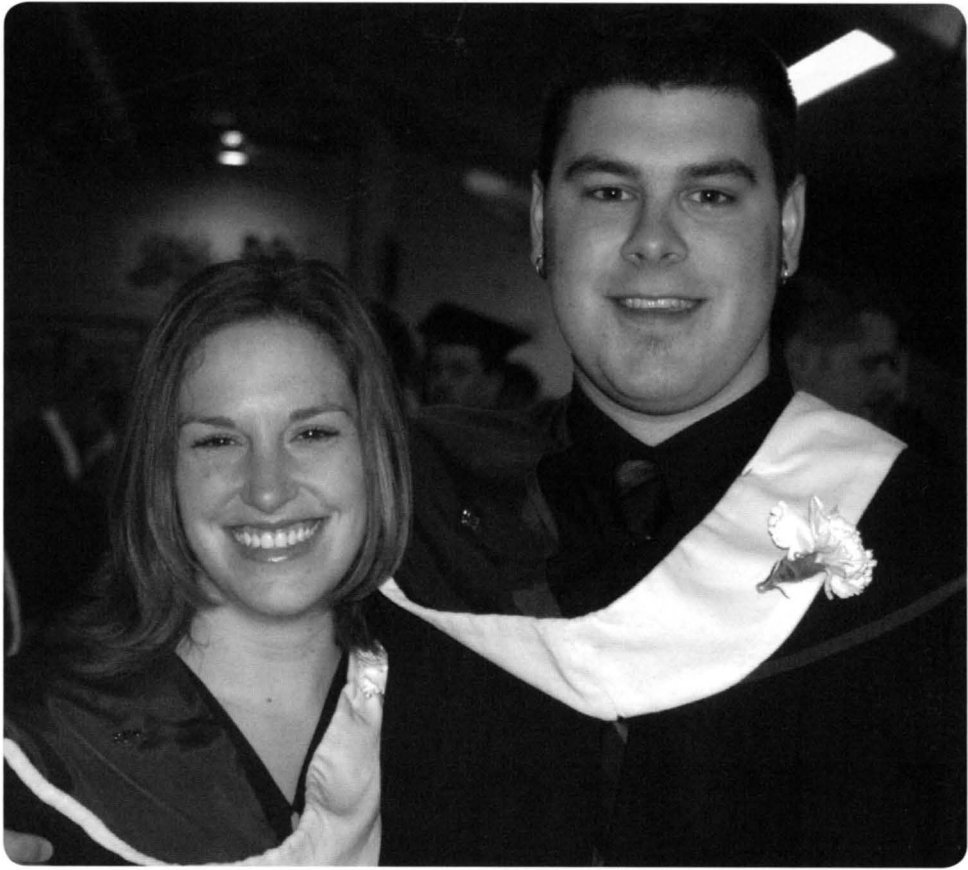

Right. Her Honour, The Honourable Myra Freeman, Lieutenant Governor of Nova Scotia. She was present for the morning Spring Convocation.

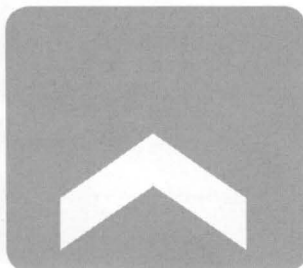

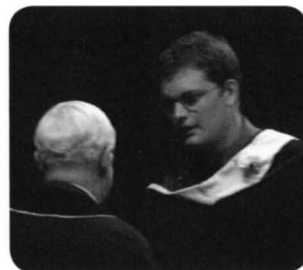

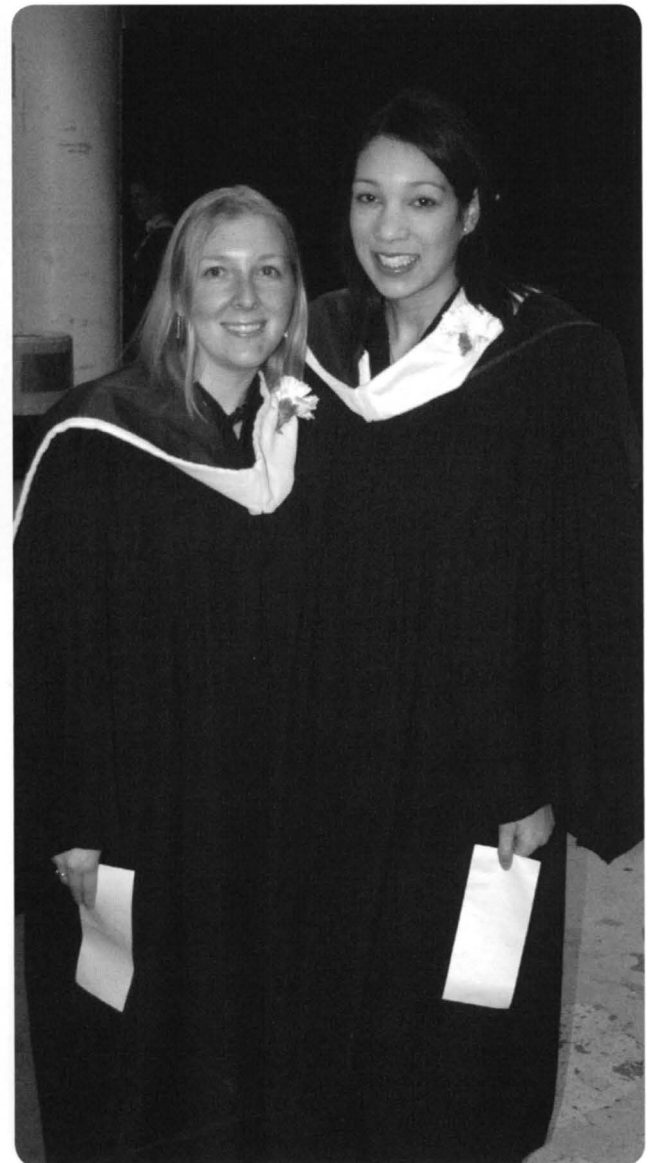

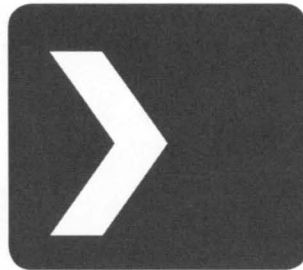

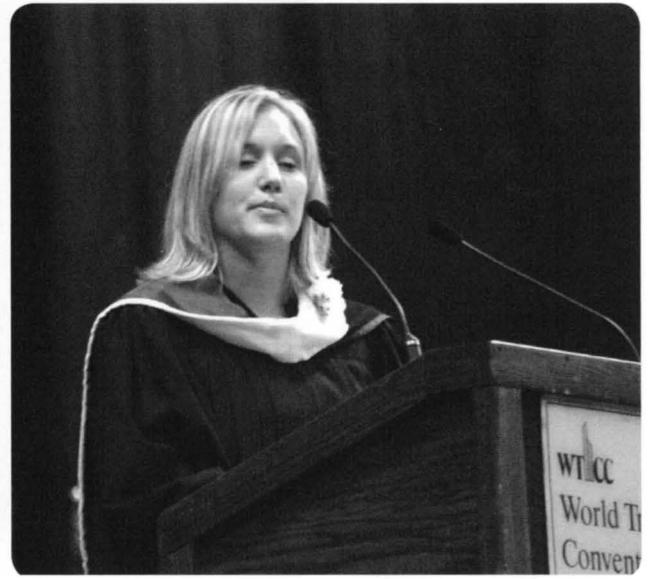

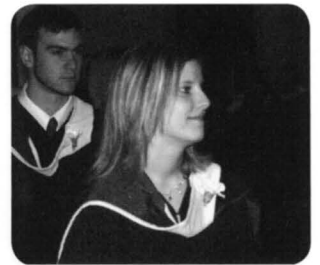

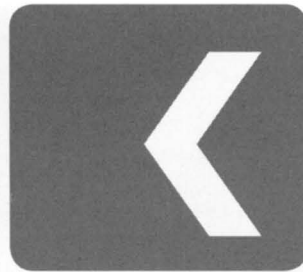

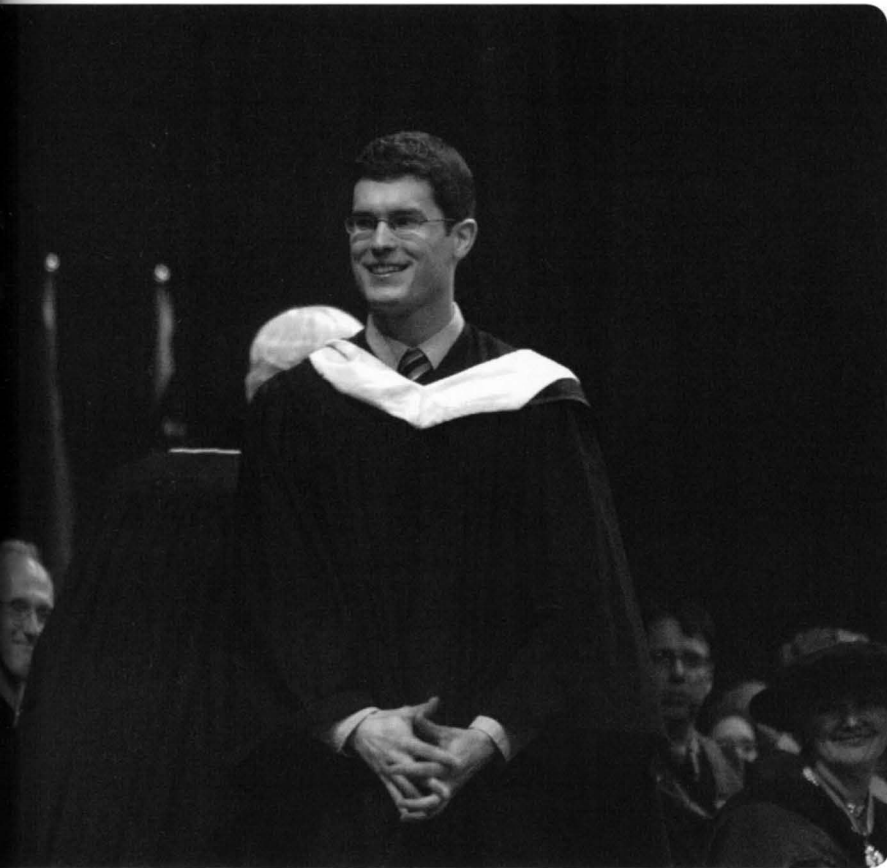

Far Right. The symbolic hooding and presentation of alumni pin. Pictured is the student selected for the morning Spring Convocation, Nathaniel Smith. John Vo was selected for the afternoon ceremonies

Hurricanes ravage the Gulf Coast region in the fall of 2005, posing an unprecedented test of the United States federal emergency response efforts. Hundreds of lives are lost and thousands are left homeless in the wake of Category 4 hurricane Katrina, followed by Rita and Wilma. The tragedy spurs contributions of money, talents, homes, food and more in an attempt to raise spirits and rebuild the area.

August

- 25 Hurricane Katrina strikes Florida.
- 28 Mandatory evacuation of both New Orleans and Mississippi is ordered as Katrina becomes a Category 5 storm in the Gulf of Mexico.
- 29 Downgraded to a Category 4 storm, Katrina hits land. 1.3 million homes and businesses lose electricity in Louisiana, Mississippi and Alabama. 30 levees are breached, flooding New Orleans and leaving 100,000 people stranded. After slow government response, civil unrest and looting begins.
- 31 President Bush surveys the damage.

September

- 1 30,000 U.S. National Guard troops are deployed. Gas prices spike to as high as \$5 per gallon in the U.S., and \$1.34 per litre in Canada.
- 2 President Bush visits Louisiana and signs a \$10.5 billion relief bill. Nearly 154,000 evacuees arrive in Texas.
- 4 The New Orleans Superdome is evacuated.
- 6 President Bush and Congress pledge to investigate the flawed disaster response.
- 9 Government-issued debit cards are distributed to evacuees. The program fails and is ended days later.
- 12 Mike Brown, head of the Federal Emergency Management Agency, resigns. Flooding is down to 50 percent in New Orleans.
- 14 New Orleans Mayor Ray Nagin announces a phased repopulation plan.
- 15 New Orleans begins to reopen. Katrina is named the most destructive hurricane in U.S. history.
- 20 Louisiana Governor Kathleen Blanco declares a state of emergency as Hurricane Rita strengthens off the coast.
- 22 Rita hits the Louisiana coast and heads for Texas.
- 23 Thousands evacuate eastern Texas and the 9th Ward of New Orleans floods once again after levees are overrun.

October

- 24 Hurricane Wilma hits southwest Florida.
