

NEW FOR 85

THE BULLETIN

A PUBLICATION OF THE SAINT MARY'S STUDENT'S COUNCIL

Introducing The Bulletin

The Saint Mary's University Student's Representative Council has launched a new project to help improve communications on campus, and off. Starting with this, the January issue, a newsletter will be published monthly, under the name of "The Bulletin".

Societies, groups, faculties, offices and other operations are all able to use the services of "The Bulletin" free of charge.

The newsletter will provide space for news on the front page with a monthly calendar of events in the middle.

If there are any questions about the newsletter, inquiries should be directed to Mark Bower, Vice President Student Affairs, fifth floor Student Center.

NOTICE TO ALL RESIDENCE STUDENTS

The position of Residence Representative on the Students' Representative Council is now vacant. The opening will be filled on Sunday, January 20th by council. If you are interested in this position please leave your name with Rachel Jane, on the fifth floor of the S.U.B. before 5:00 p.m. on Thursday, January 10th, 1985.

To be appointed you must receive a 2/3 majority approval of the S.R.C.

A list will be presented to council on the 20th and the council will vote until one candidate has 2/3 approval; with the lowest one being dropped off each time.

If you have any questions or comments please direct them to my office on the 5th floor.

Dave Peters
President
S.R.C.

Graduates,

Hello and welcome back to university. We sincerely hope all of you have had a very Merry Holiday. The planning of Grad Week is coming along superbly, we have secured the sponsorship of Carling O'Keefe Breweries and are actively seeking much more. Due to his appointment as President of the S.R.C., Dave Peters resigned as Treasurer of the Grad Class. The executive felt that because exams were occurring and you all were very busy at that time, and we needed a Treasurer immediately, the prudent action to take, was to appoint a person to fill this position. It was decided, after much thought, that Robin Thoms be appointed as Treasurer of the Grad Class. Robin is a very energetic person, we feel that he will do the job as Treasurer competently.

Graduates are urged to pay their graduation fees before May 1st/85. Graduates are also urged to get their black and white picture in the yearbook's office before, the end of February 1985. The photographers will be at Saint Mary's University in January, all are encouraged to get their pictures taken at this time.

There will be a Grad Class MEETING on Monday, January 14th, 1985 at 6:00 p.m. Please make an effort to attend, this will be an important meeting.

There will be a Winter Carnival warm-up Party on January the 18th in Room 300. There will be Cheap beer, and the schedule for the Broomball tournament will be revealed at this time. All are welcome to attend this party, it will definitely be a good time.

ATTENTION SOCIETIES!

- All societies are requested to pass in their first semester summary reports to the S.R.C. Treasurer. It should include all of the events that took place during the first semester along with the revenues, expenses and profits (losses) incurred.
- To date the S.R.C. has allotted \$13,676 in society funding which is 62% of the total amount of society funding available.
- (All societies) If you have any recommendations concerning possible changes to the structure of society funding please submit them to the S.R.C. Treasurer.

S.U.N.S. ON CAMPUS

Every student at Saint Mary's is a member of both the Saint Mary's University Student's Association Inc. and the Student Union of Nova Scotia.

Student involvement with SUNS has in the past been low. Hopefully that can be changed. A special meeting for all those students interested in becoming more actively involved with SUNS will be held on Wednesday, January 30 at 7:30 p.m.; fifth floor Student Center.

Your involvement will give you the opportunity to put in your views on many matters of interest to students (student aid, government policy, university funding, student services etc.).

You will be able to sit on SUNS committees and attend SUNS conferences. All in all a great experience for those who are interested.

RESIDENCE REPORT

January will be a very busy month for the Residence Society. Pictures for "Pursuit III" will be taken on January 7 and 8 from 7 to 9 p.m. in the Residence Society office.

The price to play is \$3 and the murder weapon and victims picture will be mailed to the participants with the game beginning on January 14. It is an exciting game of chase with the result being a severe case of paranoia and great prizes for the person with the most kills and the one who survives the longest.

On January 24 and 25 we will be having Winter Carnival Rose Days. This is a chance for you to send roses to your favorite people with free delivery on campus by Residence Society members. This was very popular last year and we are sure that you will make this and Pursuit III a great success.

The D. Hope Simpson Geology Club is selling \$2.00 raffle tickets for a week long trip for 2 to Montego Bay, Jamaica, during the Spring Break — February 27, 1985. Tickets can be purchased from any Geology student or on the 4th floor of the Science Building.

Several of Saint Mary's Geology students, especially those enrolled in the Honors program have been invited to the Atlantic Geoscience Society annual Geological Symposium to be held in Wolfville, January 18 to 19.

The Geology Society is also starting a fund-raising campaign for the Martin Gill Trust, and look forward to enthusiastic response.

Weekly seminars from people involved in mining, oil, industry and government will continue the second week of January and every Wednesday. Everyone is welcome.

The Bulletin is published by the Saint Mary's University Student's Representative Council; located on the fifth floor of the O'Donnell-Hennessey student center, (422-1201).

WHY WAIT TILL SPRING . . . DO IT NOW WINTER CARNIVAL 1985

Get ready for an annual tradition. Winter Carnival 1985 is coming soon. The 1985 Winter Carnival will be held between January 19 and 26 and promises to be seven jam-packed days of fun.

This years carnival will feature great entertainment nearly every night of the week. Two bashes and one formal dance are planned. Other highlights will include a champagne breakfast, outdoor activities, super movie series, entertainers Tony Quinn and Marty Bear, a male beauty pageant, arctic alley, a ski trip, coffee house, hockey and basketball games, happy hours in the Gorsebrook Lounge, special menus from Saga and a lot more.

Watch for ticket sales to begin on January 14 and get ready to celebrate.

If you have any inquiries be sure and contact Mark Bower, Vice President Student Affairs, this years Winter Carnival chairman.

Engineering Society	Robert Burns

WINTER CARNIVAL '85

ENTERTAINMENT AT ITS BEST

Marty Bear ...voice of the '80's

Newsweek Magazine called him "one of the most recommended acts in the country". Over 600 different colleges and universities in the United States and Canada have verified the fact. *Marty Bear* is a totally refreshing experience in contemporary music, possessing a rare blend of musical talent and sheer performing artistry. His excitement, warmth, and vitality are brought together in concert as he combines music, story telling, jokes and audience participation.

A native a New York City, Marty's earliest appearances were in musical comedy theatre. Since that time, this entertainer has embarked on a journey that has led him to be seen and heard on hundreds of national and regional TV and radio shows. This year *Marty Bear* began touring in Canada and has performed to standing ovations at McGill, Concordia, University of Saskatchewan, University of Manitoba and University of Calgary.

Marty Bear is bright, amusing and in full command of his material. A real crowd pleaser, his energy and charisma have roused Canadian audiences to cheers.

Ask around about him . . .
