CERTIFICATE OF HONOURS EQUIVALENCY

Parsons, Marianne Dorothy, B.A. (Sociology)	Halifax, N. S.
--	----------------

Edmund L. Morris

The Honourable Edmund Morris, Minister of Social Services, and former Minister of Intergovernmental Affairs, was elected in 1980 as the Member for Halifax Needham.

He is also Minister Responsible for Reporting to Cabinet on the Needs of Disabled Citizens and Minister for Aboriginal Matters and a member of the Policy Board of the Executive Council.

In 1957 he was elected to the House of Commons and was re-elected in 1958 and 1962. In 1963 he was appointed Assistant to the President of Saint Mary's University, and in 1969 he was appointed Vice-President of Finance and Development. He served as Interim President in 1970.

In 1974 he was elected for his first of two terms as Mayor of Halifax and was re-elected in 1977.

Mr. Morris has held a variety of community, provincial and national offices. He has received numerous civic and national awards, and is an honorary life member of the Nova Scotia Naval Officers' Association.

Lawrence (Laurie) W. Smith

Laurie Smith was a teacher, coach, counsellor, trusted friend and advisor to thousands of young men and women.

After graduating from Saint Patrick's High School in 1939, he studied at Saint Mary's and received a Bachelor of Arts degree. He also attended Dalhousie University and received a Bachelor of Education degree, after which he returned to Saint Patrick's as a teacher in 1944. In his first year, he became assistant coach of the hockey team and began an unparalleled career that lasted for more than two decades.

He later became Director of Guidance Services for the Halifax School System, earned his Master of Science degree in psychology and guidance from Fordham University, New York, and returned to Saint Mary's as Director of Admissions and Scholarships. During his 19 years at Saint Mary's, Mr. Smith held numerous positions, including Head of Counselling and Director of Alumni. Shortly before his death in August 1985 he had been appointed Special Assistant to the President.

He worked with many community organizations, including the Canadian Mental Health Association and the Family Life Program of the Archdiocese of Halifax. He was the founding president of the Community Tape Resource Library for the Handicapped.

Sun Weiyan

Sun Weiyan received his early education in Zhejiang Province. He attended the Beijing Institute of Foreign Trade (now called the University of International Business and Economics). He graduated in 1962 and was assigned to teach English at UIBE and was appointed Associate Dean of the English Department. He holds the rank of Associate Professor.

In 1964 he was sponsored by the Government of China to attend the University of London where he studied English Literature and History.

He was appointed Vice-President of UIBE in 1981, and was appointed President in 1984.

He has initiated more than twenty international university exchange programs and recently began a China-West Germany language Training Centre.

Professor Sun has co-authored six English language text books and has written numerous papers. He is academic advisor to the China International Business Association, and he has initiated management training programs for middle and high ranking Chinese business executives. Professor Sun was instrumental in making the University of International Business and Economics one of the leading universities in international business in China.

History of Saint Mary's University

Saint Mary's University was founded in 1802 to provide opportunities for higher learning to young Catholic men. Its founder, the Reverend Edmund Burke, had meagre resources to work with but, on later being named Bishop with responsibility for Nova Scotia, he continued to support the college as essential to the development of the Catholic community. In 1841, the Nova Scotia House of Assembly gave formal recognition of its academic role. Its legal status was confirmed in perpetuity by enactment in 1852.

In 1913, the Christian Brothers of Ireland, a teaching order, were invited by the Archdiocese of Halifax to direct the college and its academic program. During the ensuing years, Saint Mary's University became more widely known for the quality of its undergraduate teaching and continued to develop new instructional programs most notably within its Faculty of Commerce. In 1940, the Upper Canada Province of The Society of Jesus was invited to succeed the Christian Brothers as administrators and teachers in the University, and for thirty years until the enactment in 1970 of the new act of incorporation, the college remained under Jesuit supervision. The long-standing emphasis on liberal arts and commerce was extended to include new programs in science, engineering, and teacher education. Extension courses became an important part of the University's commitment to an active educational role in the community.

The Ceremonial Mace

The ceremonial mace, which is carried by the Marshall of Convocation at the head of the academic procession, was presented to Saint Mary's in April, 1980 and used for the first time at the 1980 Convocation. It symbolizes the University's authority to grant degrees. It was made and presented to the University by Maritime Command in recognition of Saint Mary's alumni killed in both world wars and also serving members of the Canadian Armed Forces who have been students at the University.

The mace is made of oak with a cast brass crown and brass plates carrying traditional ceremonial engravings. The plates represent the contribution to Saint Mary's by the Jesuit Fathers, the Christian Brothers of Ireland, the Archdiocese of Halifax, the LaSalle Christian Brothers, the Lay Teachers, and the Armed Forces.

Flags On The Stage

Each year Saint Mary's has a number of non-Canadians in its student body. The flags which you see displayed on the stage for Convocation are from some of the countries from which these students come, not necessarily graduating students, but those in any year of study. This international aspect of the Saint Mary's University community is a feature of justifiable pride which contributes markedly to the growth and understanding of both Canadian and non-Canadian students. Also included in the University's permanent collection of flags is one from the International Year of the Disabled signifying the University's commitment to disabled people.
