# President's Message

Dear Graduates of the Class of 2004

Congratulations! You can be very proud of your success. As you move on to the next stage of your career, I am sure that the time you have spent at Saint Mary's University has provided a strong foundation for the future.

While intellectual life is at the heart of what we are about as a university, we have never felt that our function stopped there. A Santamarian is someone who, in addition to her/his classroom and laboratory learning, has acquired communication, leadership, cross-cultural skills and also has developed a sensitivity to the local, national and global and in particular, the people in it.

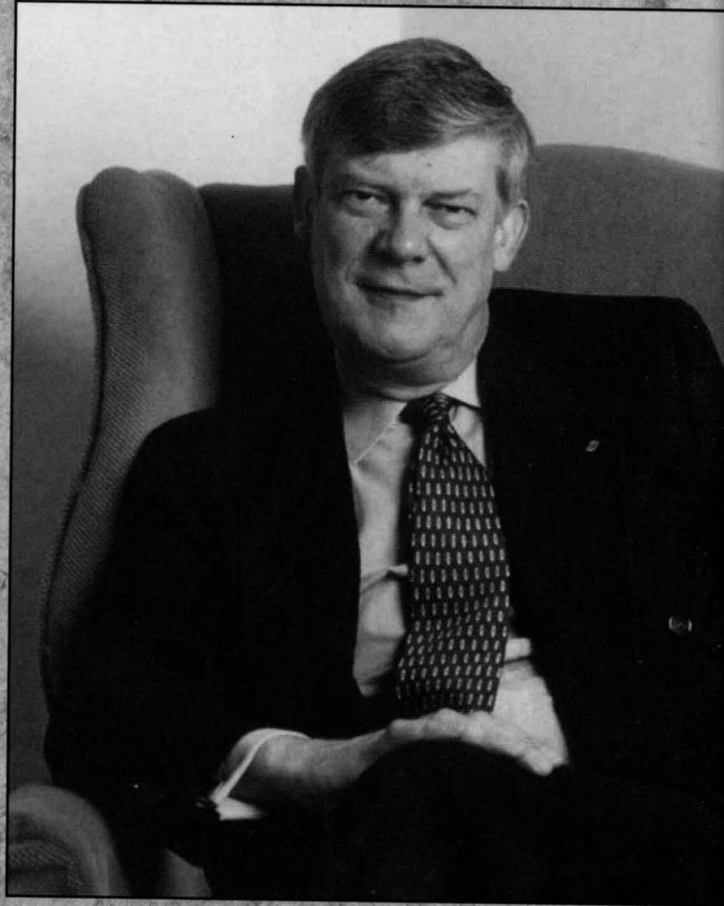

I hope you will return to this book many times in later years to relive your memories of Saint Mary's – your professors, your friends, and the events which took place on campus, particularly in your final year. This past year has seen the Saint Mary's community survive Hurricane Juan in September 2003 and the worst snowstorm in history in February!

I hope, too, that you will continue to think of Saint Mary's not only as the place at which you studied, but where you became more of a person, in every way. So please keep in touch with your graduating colleagues and with us through an Alumni chapter and be part of the 30,000+ alumni network worldwide.

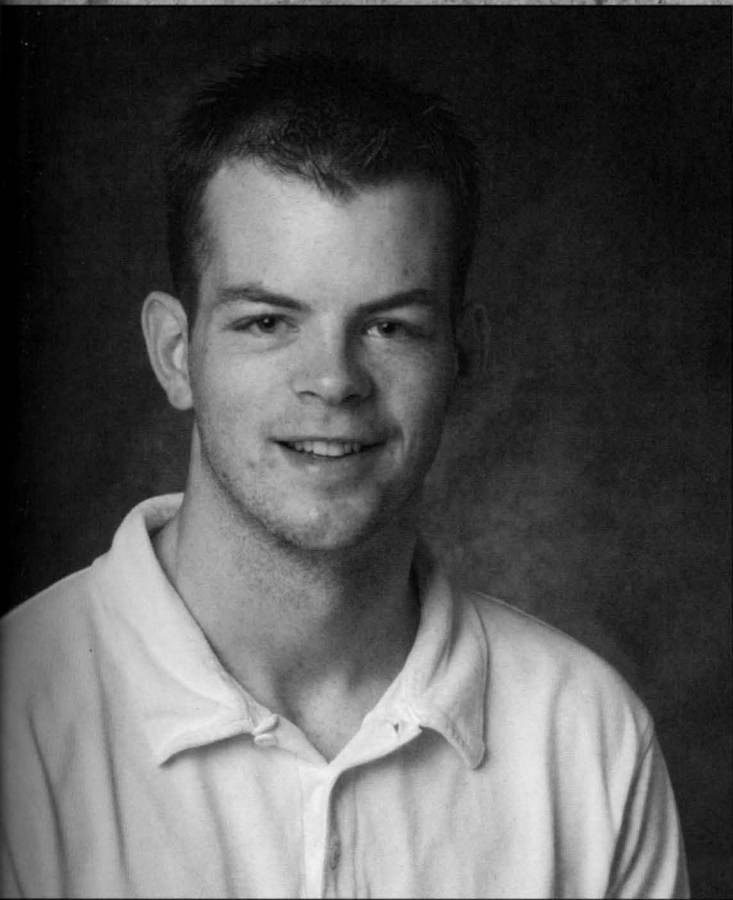

My colleagues and I wish you well.

Yours sincerely,

J. Colin Dodds, Ph.D.  
President  
(colin.dodds@smu.ca)

# SMUSA

## President's Message

What are you doing right now?

My guess is that this yearbook has just arrived in the mail and you have set aside whatever you were previously doing to look through it. Or maybe this isn't the first time you've examined these pages – maybe you were cleaning up a bit and picked up this book and decided its contents just might be more satisfying than cleaning out your junk drawer.

What else are you doing?

You aren't quickly flipping pages or simply searching for that picture of your friends; you've stopped to read, to soak up more. Probably because you know that for as long as you can remain immersed in Saint Mary's memories, you are likely to be a happy individual though possibly a bit sad at the same time.

Welcome to your yearbook.

Creating and distributing this yearbook is just one of SMUSA's services to students, but in many ways, it is one of the most fulfilling. Flipping through these pages you will see people smiling and enjoying their Saint Mary's university experience. You will see people who have grown, learned, and experienced so many new things in life. This is photographic evidence that SMUSA is, in many ways, adhering to its mission statement by striving to maximize students' positive university experience.

The Students' Association does not do this alone. It is all us: Former and current students who give Saint Mary's its special character that it has. Students past and present continually pour as much of themselves as possible into Saint Mary's because we love it. Our buildings and classrooms may not be that much different than other universities – it is our people who make the difference. In these pages you will find many of those people who have made such a difference, both on Saint Mary's and on each of us individually.

In a personal note, I'd like to thank all my fellow students for giving me the incredible experience of working for and representing students. I would also like to thank all of my co-workers: fellow executive members, and the full-time staff and student staff. Saint Mary's is truly richer for having each of you work everyday to make our University a better place.

I am happy and proud to have spent the last several years of my life at Saint Mary's with all of you. I look forward to many times when we can reminisce together.

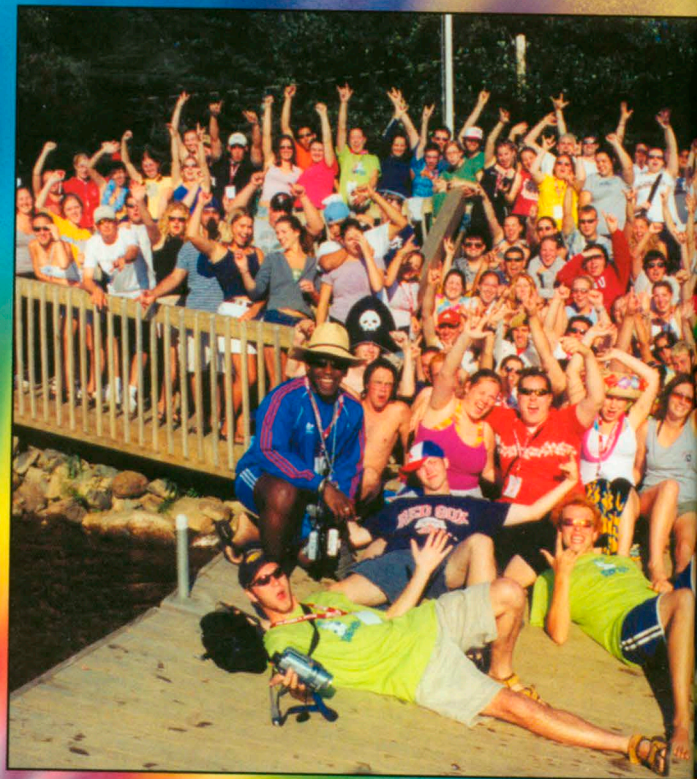

Sincerely,

Walter MacLeod

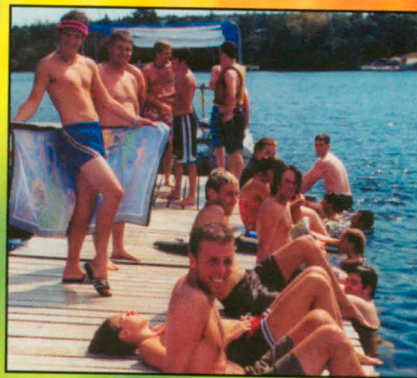

# FROSH LEADER CAMP

Chris Richards does a little dance while taking a group photo for almost everyone at the camp

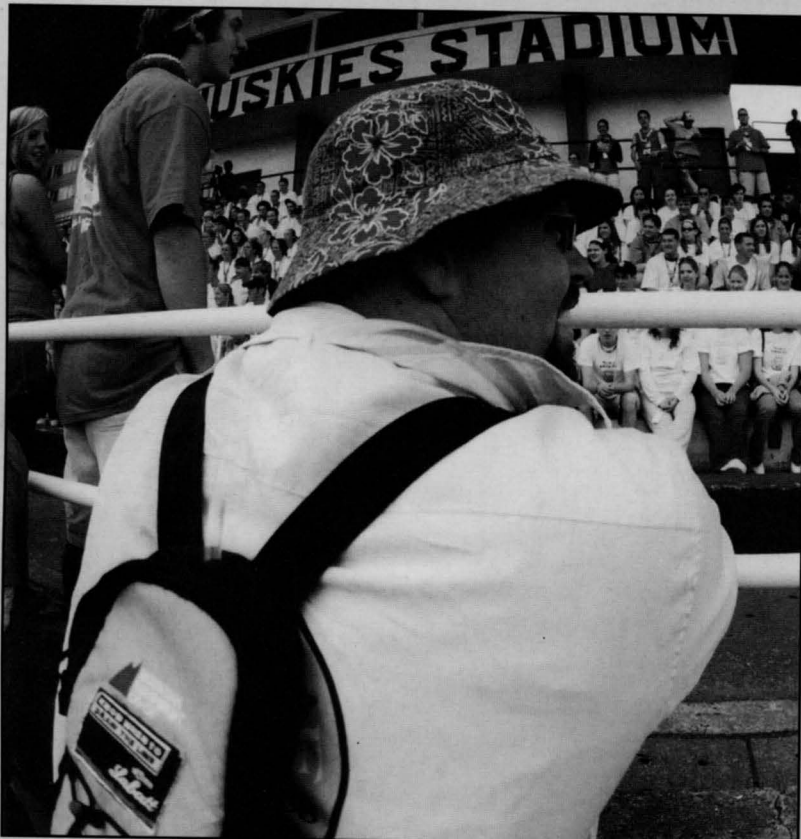

# HONOSMULU

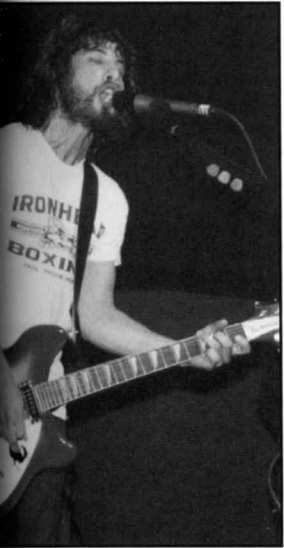

Aloha!

The last week of August and the first week of September are definitely times which I will never forget. Throughout the summer, I went hand in hand with some amazing people who helped with the "Welcome to HonoSMUlu". From August 31<sup>st</sup> - September 1<sup>st</sup>, the frosh week crew headed out to Camp Lone Cloud for Frosh Training Camp. This camp consisted of many late nights, a lot of energy bars, and lots and lots of Fun. I have to take this opportunity to thank the boys of Camp Lone Cloud. You guys made my trip to the island a great one, thanks for the Campfire. Once frosh camp was over, we all came back to town and got ready for Frosh Week. At 6:30am, Sunday Morning (or so I was told) there were parents lined up to, as one parent said, "get rid of the kid". Sunday morning brought out some of the dedicated frosh leaders who were helping with the frosh pack pick up, others were helping with the United States Campaign, while others still were talking to parents telling them that frosh week is all about. Sunday night brought the Barnacle Derby combined with Casino. This was one great event. I have to thank Sean McGee and Kathleen Lingley. Without them that event would not have happened. Monday morning put us in prep mode for Turfburn. As the frosh leaders were getting ready, that "hole in the city" team called Dal U made the mistake of bringing their frosh down to Little did they realize what they were walking into. At the end of the encounter, some of the Dal frosh were wet and a little upset about the leaders. Next up for the week was Turfburn. Turfburn, as usual, was one of the best events of Frosh Week. Monday night brought us the Glow Pro Olympics. The Glow Pro Olympics allowed the groups to strut their stuff, and compete ferociously in many different events. Some lucky people also were given the opportunity to dunk some of the SMUSA executive. Tuesday was the final day of the summer. We had buses come by and take those few hard core people to MacDonal Beach in Dartmouth, This trip allowed people to have the chance to relax before the Pier 22 Luau that night. The Luau was one of the craziest parties which we have ever had the chance to have here at SMU. Andrew Arbuckle and Dave Hitchcock were the organizers of this party, as they took it to a new level. On Wednesday, the student expo gave the students a chance to see some of the extracurricular opportunities we have at SMU as well as a chance to grab some food from Student Services. Wednesday night had the DRAFT comedy night, which gave people the chance to laugh at some of the things which they may be seeing here at SMU. Thursday night brought the best concert SMU has seen in years. The first band up was Mays and El Torpedo and they did a great job of showing what the coast partying is all about. Once Matt was done, it was time for the surprise guest of frosh week, "Bubbles" from the television show "Trailer Park Boys" showed up to give us a song. Orientation Week ended with a rocking show from Sam Roberts. Overall, HonoSMUlu was a great success. I have to thank the executive, the frosh leaders, the facilitator crew who stood by Orientation Week through thick and thin and finally the frosh, because the week would not have happened without you. I hope you all had as much fun as we did, and I have one last thing to say! DO IT LIKE SMU STUDENTS! I SAID A BOOM CH BOOM!

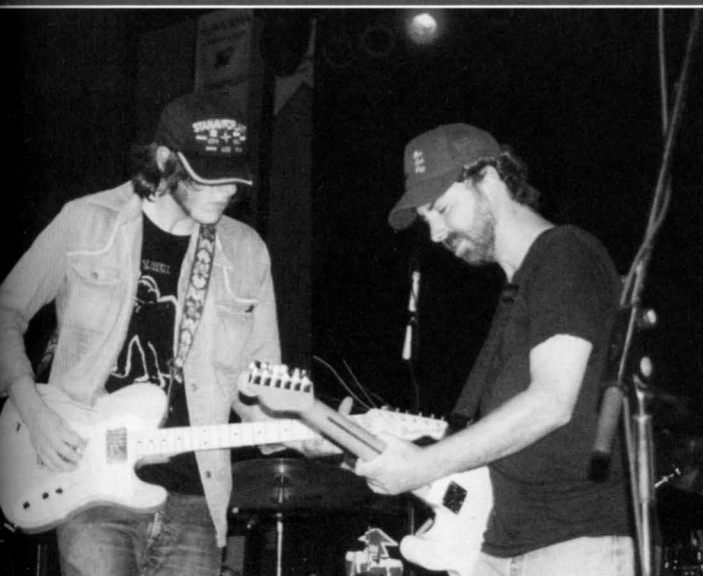

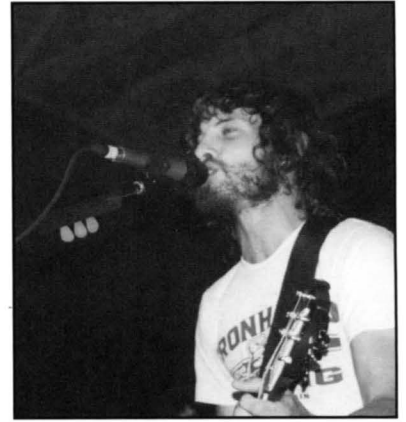

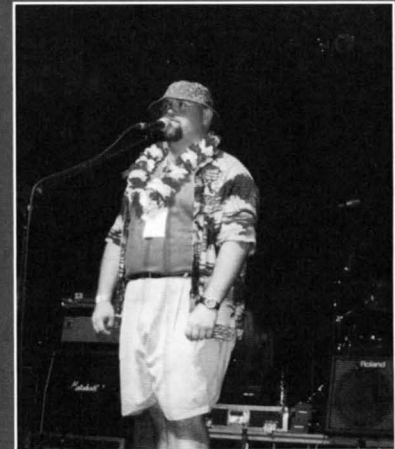

# am Roberts Matt Mays

Sam Roberts and Matt Mays kept everyone on their feet and screaming until the very end

One of the highlights of the concert was a special guest appearance by 'Bubbles' from the well known Trailer Park Boys

Shane Paris took a few minutes to introduce, thank the bands, and to get everyone pumped for a rocking concert

# “ FRESHMAN C

STADIUM

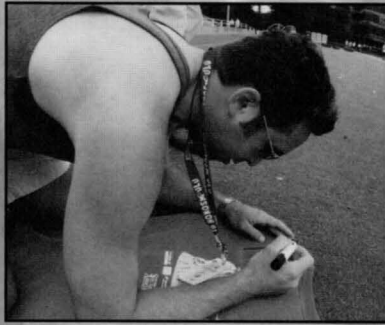

CLASS OF 2003

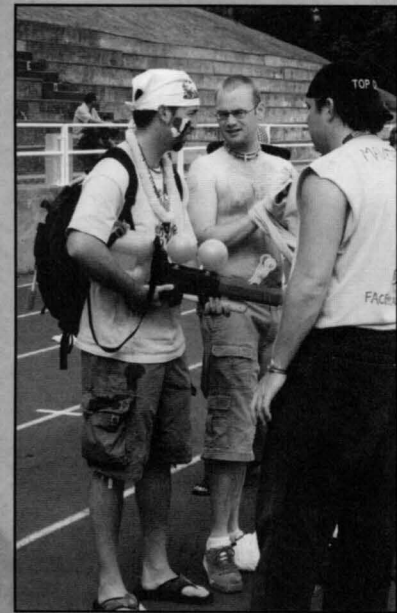

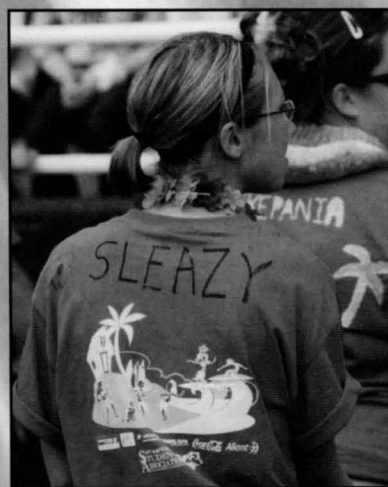

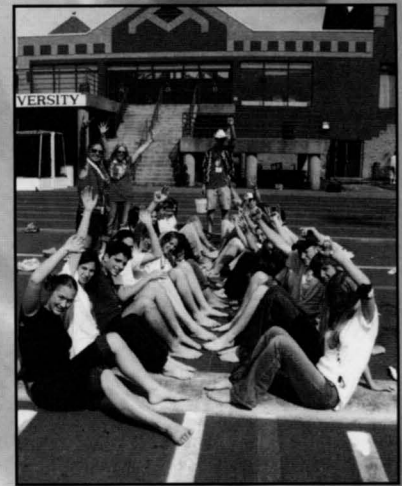

# HonoSMU

There was no shortage of energy during this year's Orientation week. From the Frosh Leaders signing their shirts, to one cheer after another during Turfburn, to spelling SMU with your butt, everyone had a great time and made memories to last a lifetime.

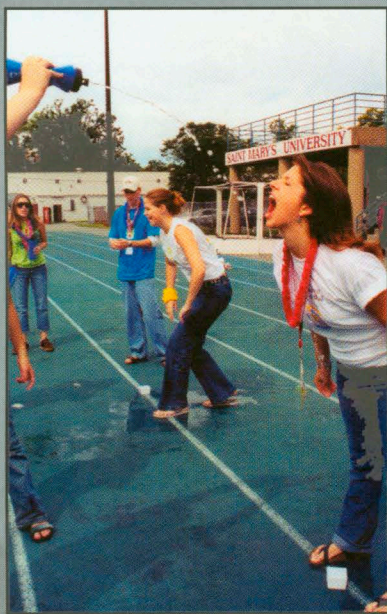

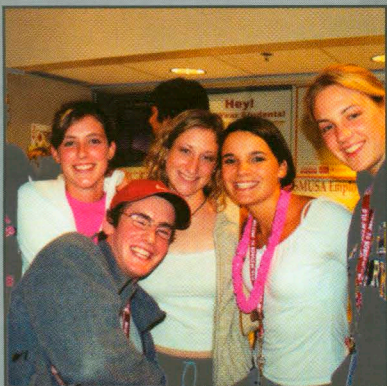

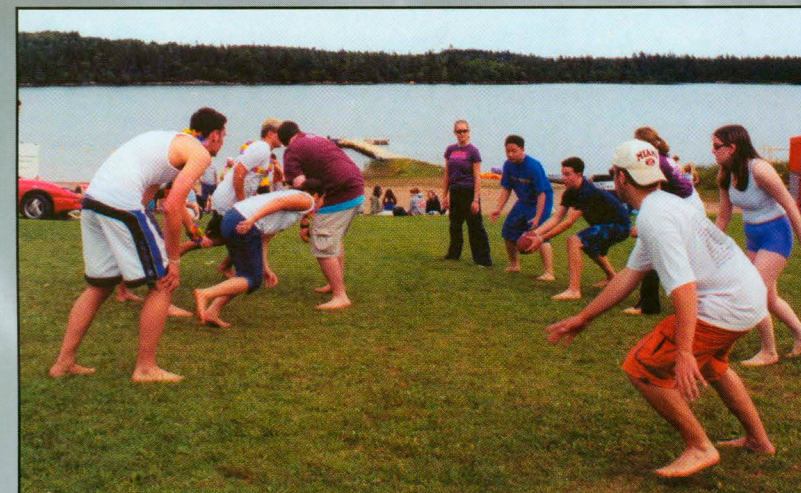

# HONOSMUSIC

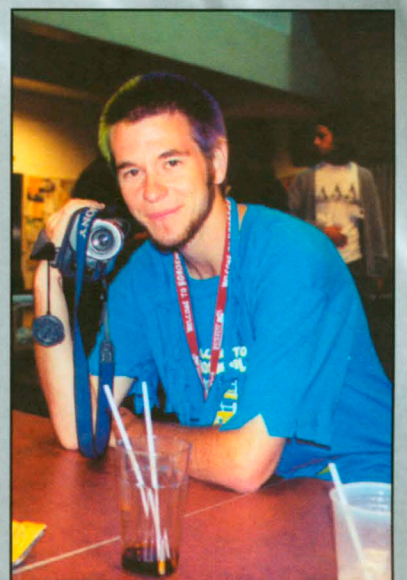

# Beach Day

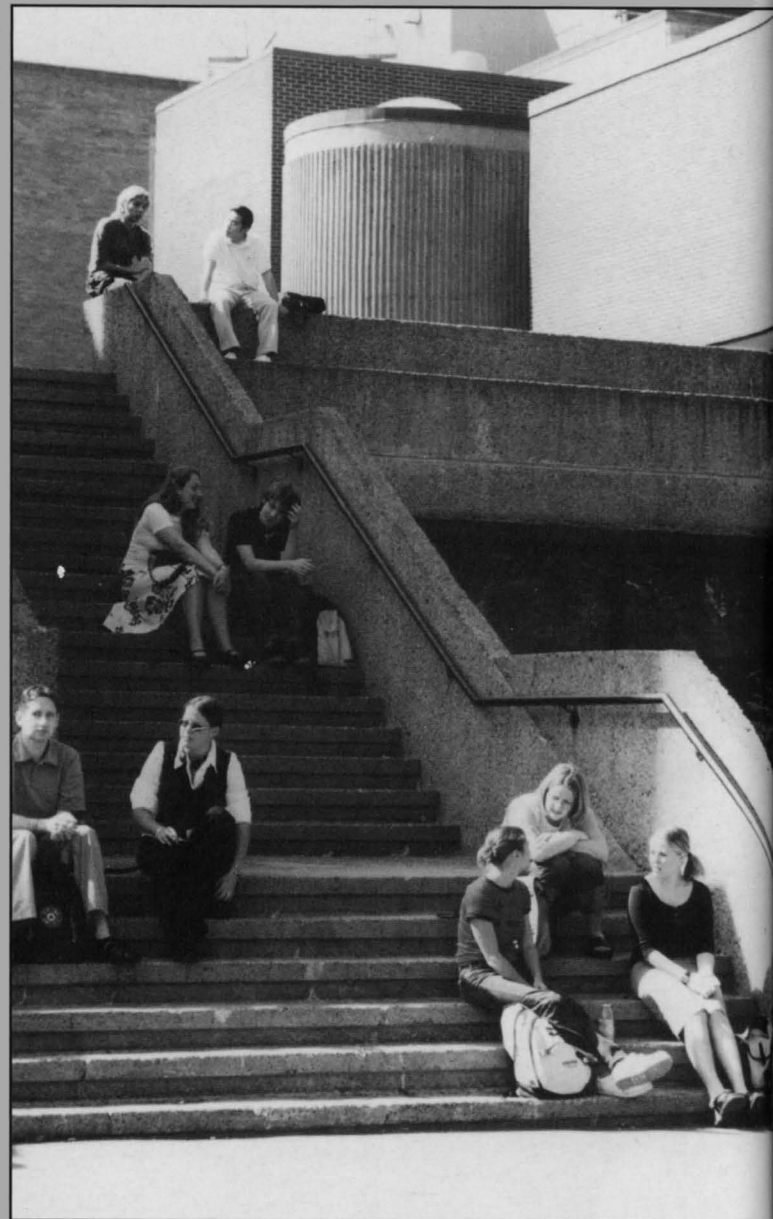

# Comedy Night

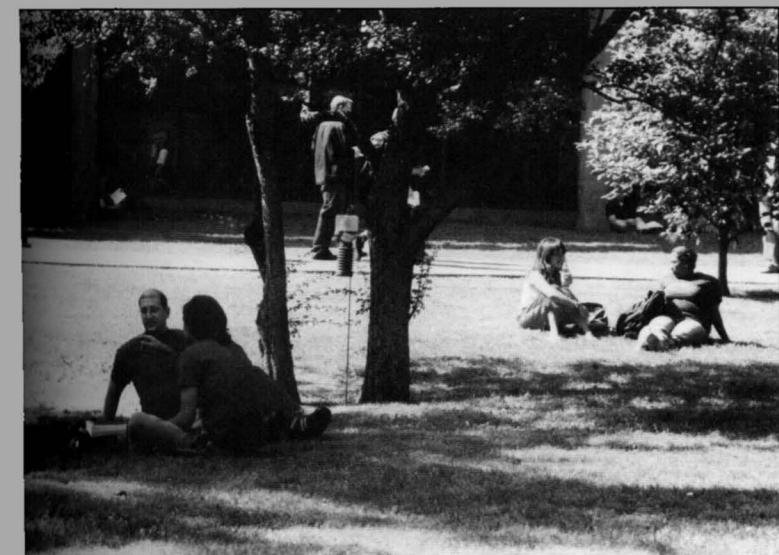

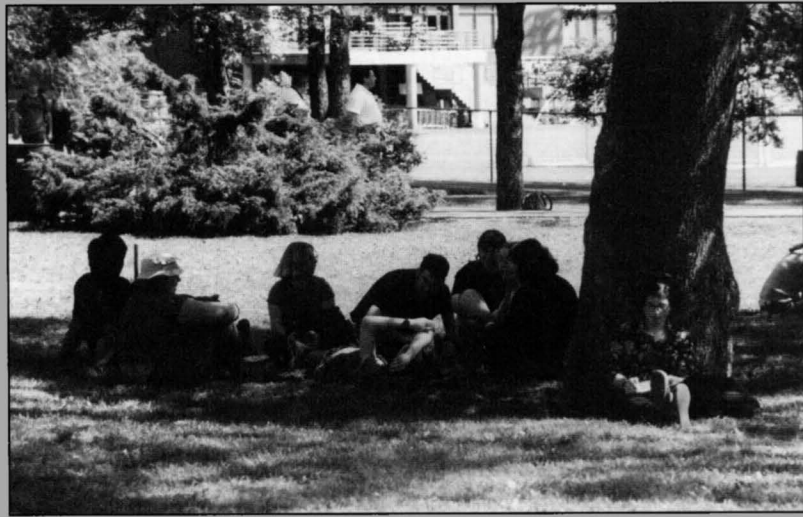

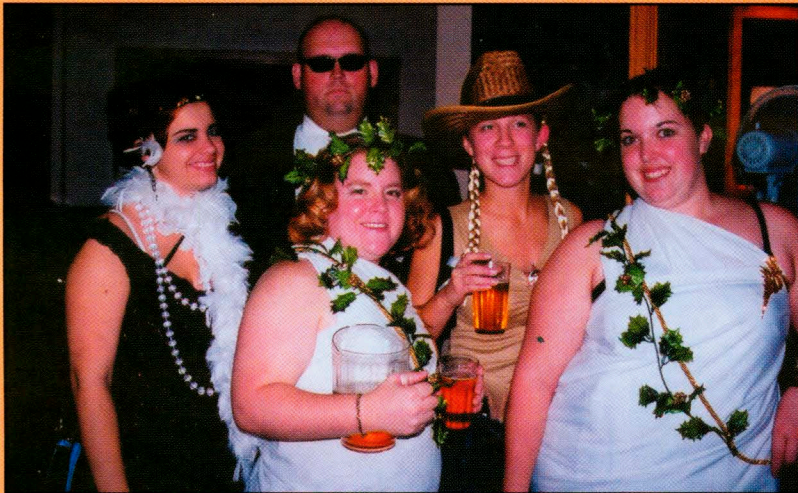

# Student Life

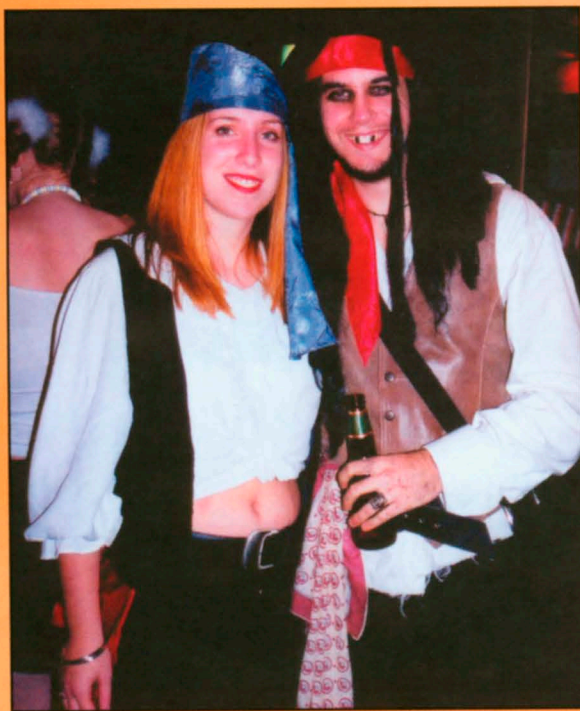

# Halloween

Special Appearances were made by "Mike Wazowski" from *Monsters Inc.*, aka Carla Arnoldin; the 'Ghost' of Graeme MacKenzie; and Mr. Peanut.

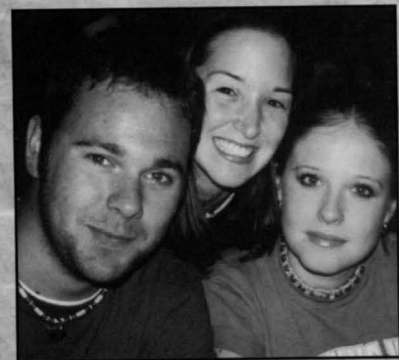

Second semester winners of Best of Open Mic were Simon Leblanc and the Rubber Boot Band (middle right). The crowds made Wednesday nights a huge success and provided the relaxed atmosphere that gave the courage to many students to perform.

# Open Mic at the Gorsebrook Pub with Amy & Chad

Every Wednesday at the Gorsebrook students at Saint Mary's were given the chance to showcase their talents and take a break from their studies. This year had a great mix of entertainment with some regular performers and some new faces every week. This year's hosts were Amy Kelly and Chad Kreaser.

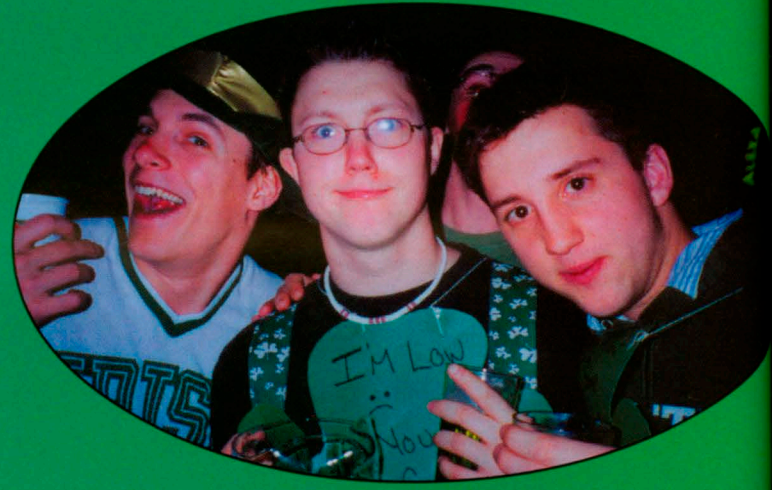

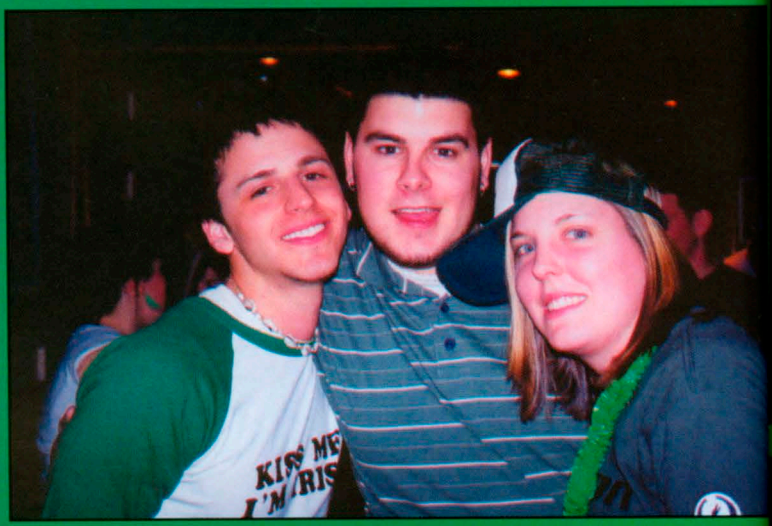

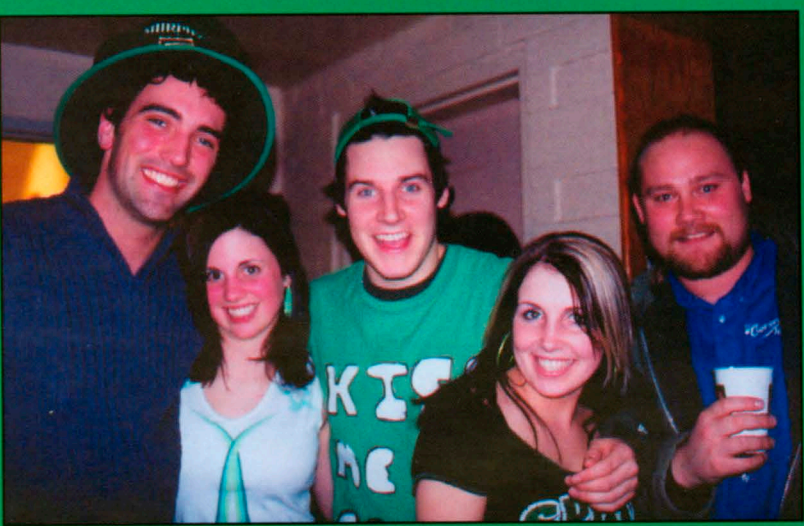

There were everyone's favorite songs done just a little differently as well many original songs. Among the many winners this year were first semester Best of Open Mic winners Craig Gouk and Colin Grant.

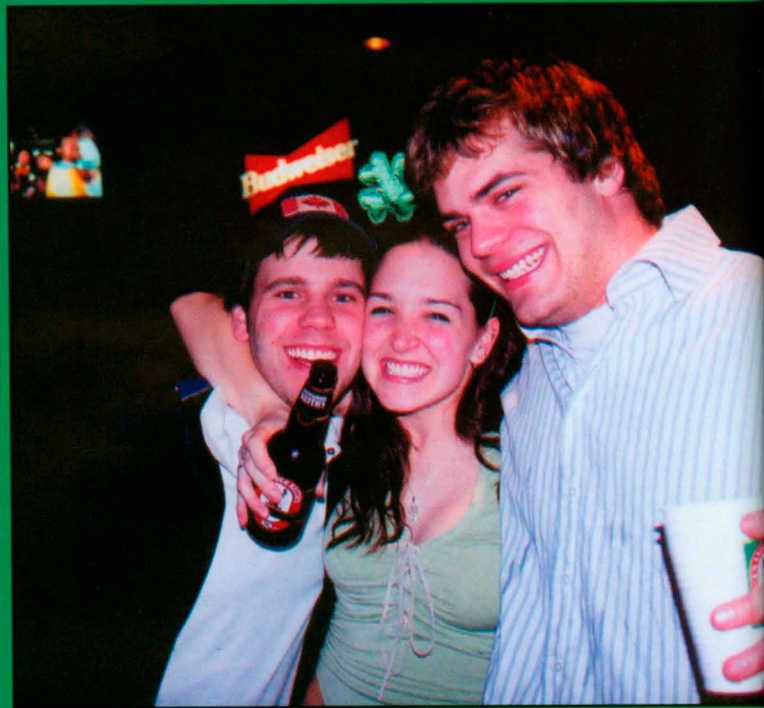

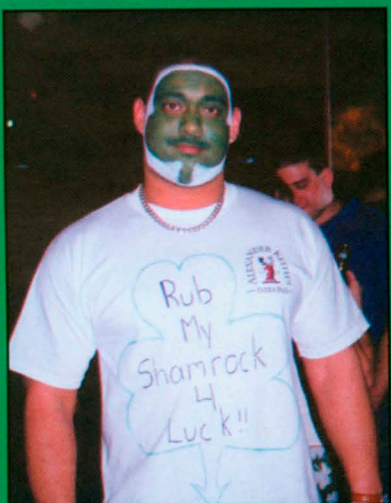

# St. Patrick's Day

Year after year St. Patrick's Day becomes more and more popular and the costumes and dress get more and more creative. Thanks to Shane Paris we now have a way to carry more than just one beer in each hand.

Archer betters his Halloween costume with a lucky Irish clover painted on his face.

St.Patrick's Day at the Pub was another huge hit and another success! The seats and pints were full of green beer right from when the doors opened till it came closing time. The leprechaun in everyone was shining through as patrons dressed in their finest green attire. For some it was not enough to just dress in green, as faces were painted with Shamrocks. All in all, this St. Patrick's Day was another great time spent with friends at our campus pub.

Although there was standing room only, many of the St.Patrick's Day crowd got out of their seat and onto the dance floor. Everyone danced and sang along to the popular tunes played by Slow Joey. Punk and Speedbag were only two of many that were so eager to sing along, and as well pose long enough to capture their great Irish attire.

# Super Hero Party

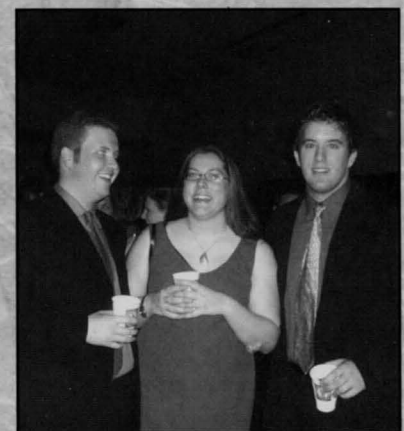

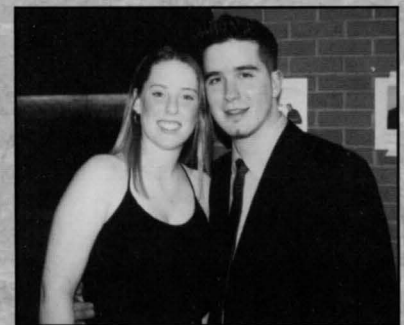

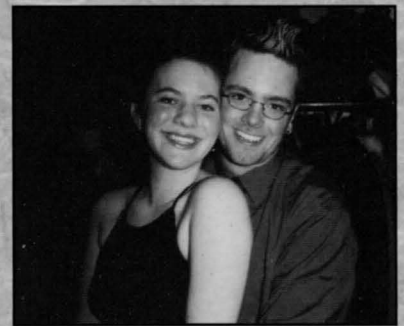

For all of you who don't know me I'm Craig MacDonald and I am heading into my final year school in the fall. This past year some of you might have recognized me as the goofball who wore the same clothes everyday which continued for a few months to raise money for Parkinson Society of Canada last year. This year I continued my fundraising campaign by teaming up with the Muscular Dystrophy Association of Canada and hosting a Cartoon/Costume party in January which thanks to everyone's support turned out to be a huge success. I then teamed up with the coolest kat on the block, Kathleen Lingley. The "Spring Fling", that was organized by Kathleen Lingley, I, and many others, was said to be one of the best parties of the school year. This year with the help of Kathleen Lingley, volunteers and SMUSA, none of this would have been possible. At the end proceeds of \$1700 were donated to the Muscular Dystrophy Association. I would like to thank all the people who contributed to this great cause, which resulted in overwhelming success and lasting memories. For those of you who don't know me you are probably wondering why I choose to fundraise for Muscular Dystrophy and Parkinson's Society of Canada. During the last seven years I have seen the best Neuromuscular Specialists in Canada to help find a cure or even treatment for my undiagnosed muscular disease, which has had minimal, if any, progress in finding out the problem. I chose Muscular Dystrophy and Parkinson's because I know for the individuals who have these conditions and what they are going through and how frustrating at times it can be to find a cure. I also raised money for these neuro diseases to thank the number of neurologists who have helped me so much in helping to find a diagnosis for my disease. I especially want to thank my Neurologist in Halifax, Dr. Benstead, who works at the QEII. He has worked so hard in helping me through these crazy years, in and out of the hospital. I can't even begin to express my gratitude to him. Dr. Benstead you're my hero.

CraigMac

# Spring Fling

# International Night

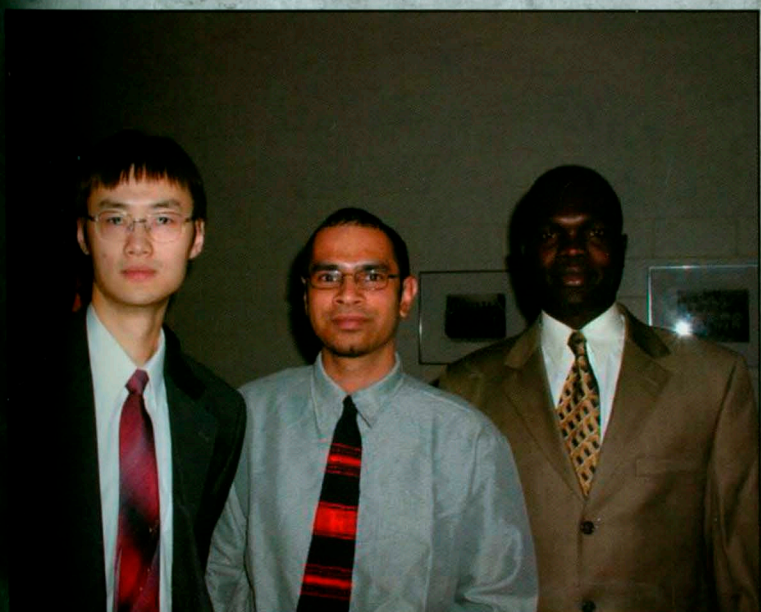

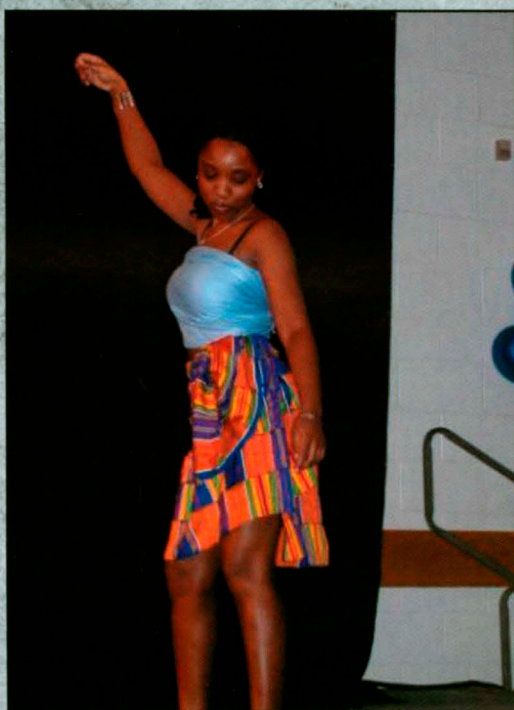

International Night is an event for Saint Mary's large population of International students. An annual event that provides students with a chance to familiarize themselves with other cultures. The night begins

with entertainment and a delicious meal. Students perform throughout the night. Through dance, music, and dress students learn about other parts of the world and get a glimpse of what it is like for fellow Saint Mary's students. Although many of the speeches during the night are formal, at the end of the night the tables are cleared away to

make room for dancing. Many students travel long way to attend school at Saint Mary's University in Haliux, Nova Scotia, and this is one night to give them a chance to feel at home with friends.

For many it was a chance to wear their native dress or to perform music from their home country, and for others a chance to get dressed up and take in the entertainment.

# SMUSA Staff Training

Although many of the pictures on these pages would indicate that this year's staff training and orientation might suggest that it was all fun and games, we can assure you that was not the case. The 2003-2004 Saint Mary's University Students' Associations' staff spent two and a half days as a group and as departments.

The training included an interesting CPR/First Aid course, a session on sexual harassment, orientation games, and time in their respective departments. When all the hard work of training was over, the staff hit the waves of the Halifax Harbour on a boat cruise. These pictures are quite explanatory of how the night went.

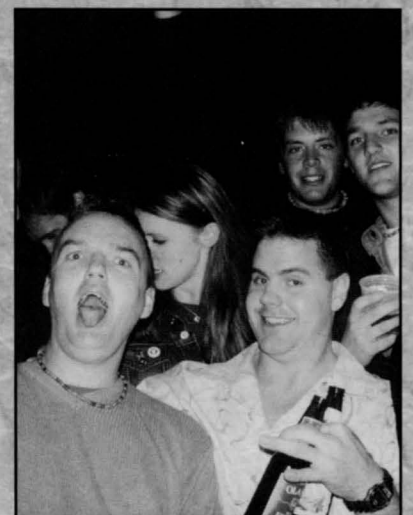

Scott, Margaret, and Beth show their new employees how to have a good time, and how to get great office pictures. (above)

Graeme MacKenzie and Dave Penny are among the few that were able to hold back their crazy faces.(below)

# Christmas at the Pub

SMUSA employees and SRC members took a break from studying on this night and celebrated the holidays together with dinner and dancing. Special thanks goes out to Steve Halfyard and Mark "Koko" Woodburn for graciously working that night. Donations were made by all in attendance towards supporting some of the less fortunate to help in the season of giving.

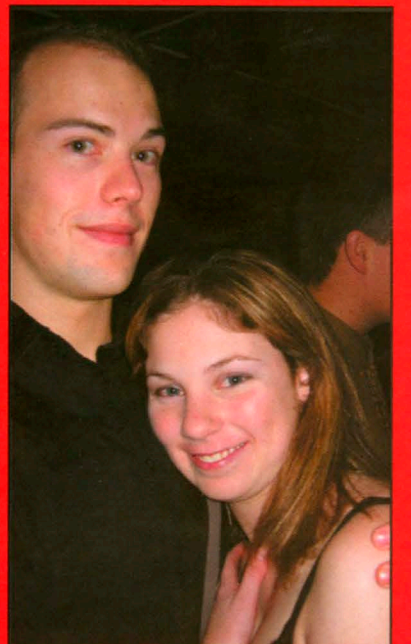

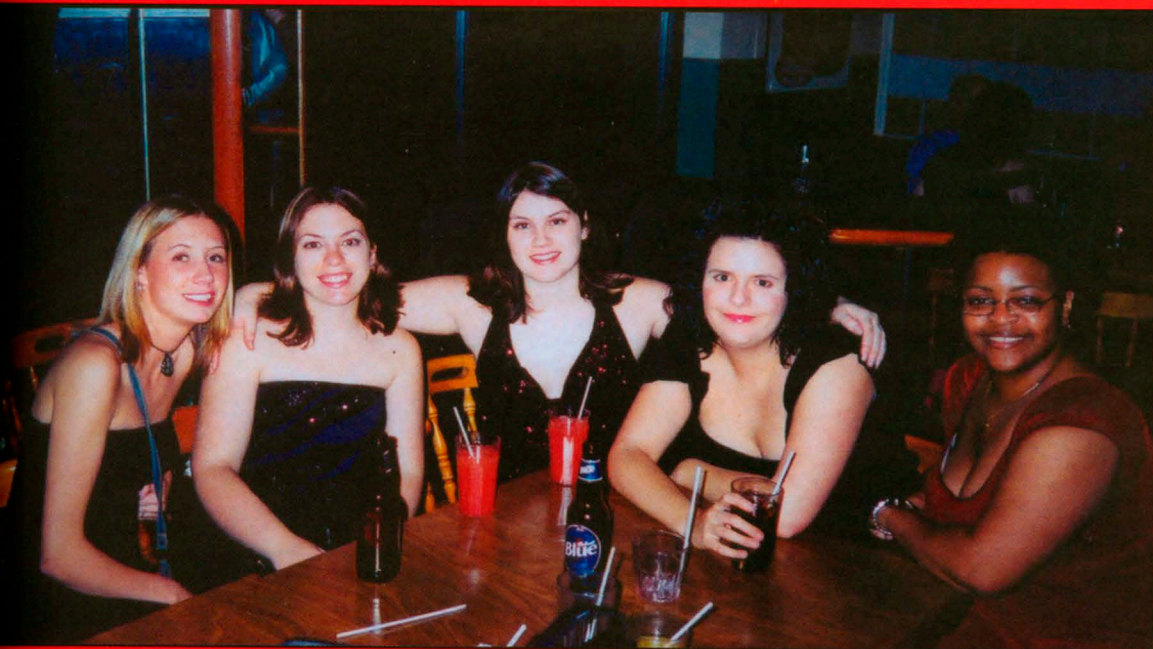

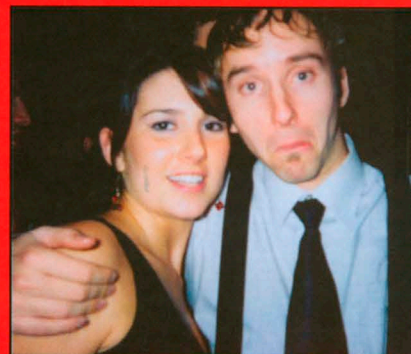

'Spaz' and Adam Maher sported the traditional 'headdress' with their ties around their head and danced a little jig once the dancing began.

Everyone was very willing to pose for a picture with fellow employees, classmates, and even a great brother-sister shot. Thanks Weston and Afton!

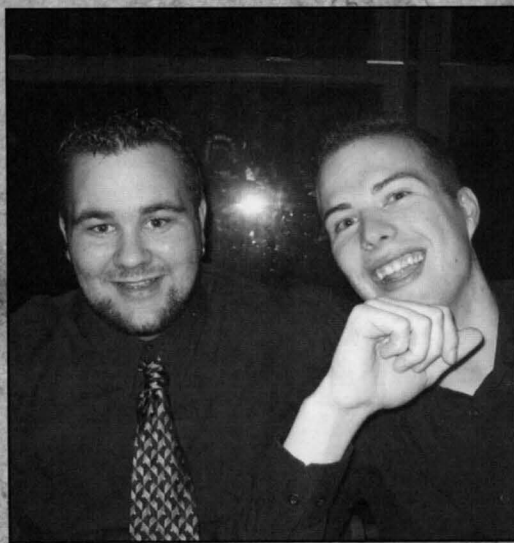

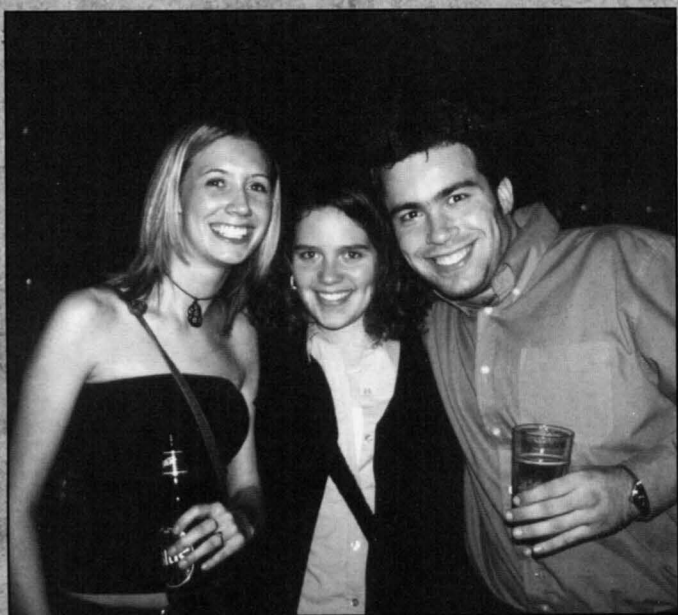

Margaret and the staff from the Information desk enjoyed the night together away from the desk.

Paul Archer and Graeme MacKenzie show how ties always end up being worn at parties.

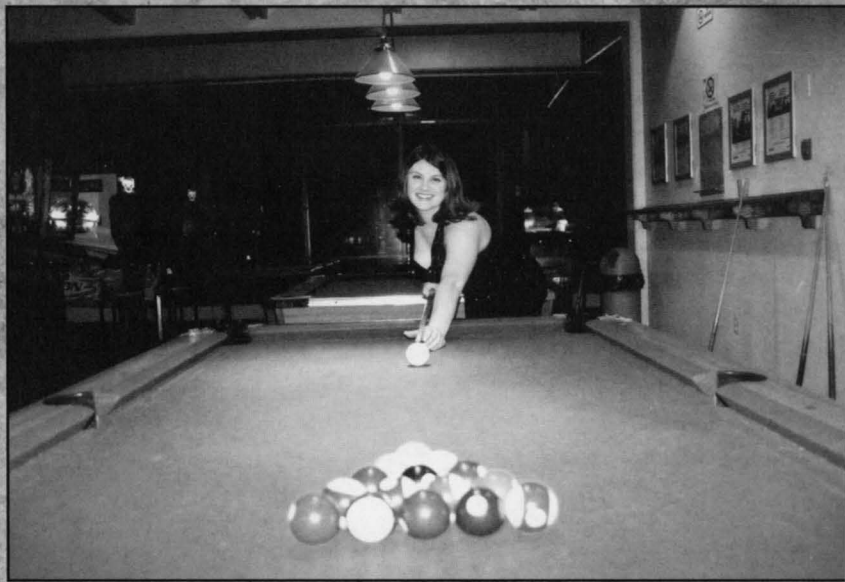

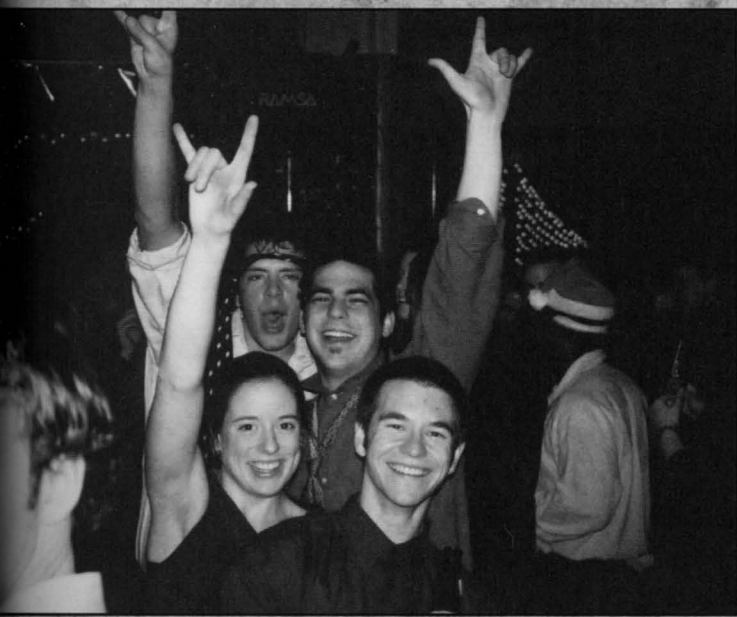

Although, after the festive dinner was served, many in attendance hit the dance floor, this night also provided a time for SMUSA staff and SRC members to look back on the first half of the year.

Mouse, Joel, Spaz, and Kathleen all share in the holiday spirits. Spaz tried to display a message on his forearm but it is still unclear what that message was.

# The After Party

Dave Penny and Kory Framer take time to get a picture with SMUSA Operations Manager, Graeme MacKenzie after all the awards were give out.

Shane Paris discussed plans with VP Internal Issmat Al-Akhali on coming back for another year.

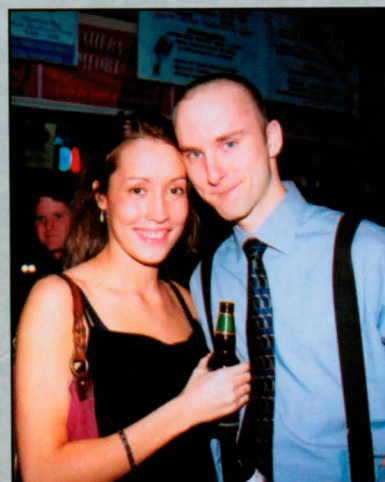

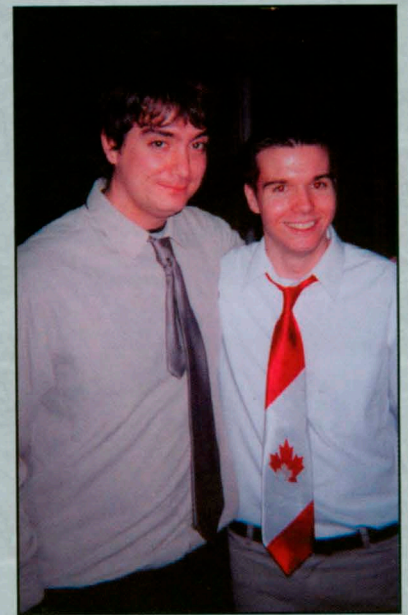

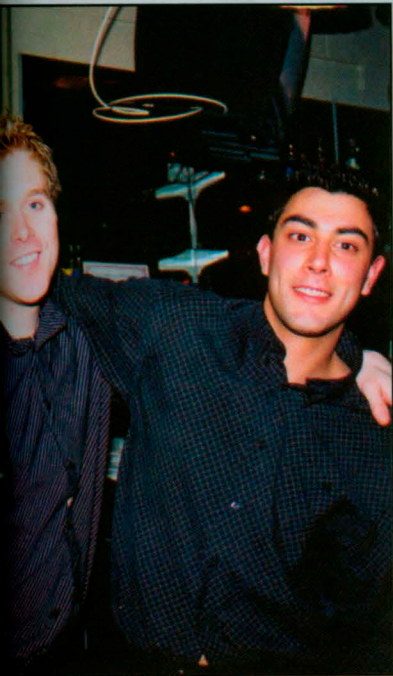

There is no question that everyone took the chance to let loose after a hard year's work both in the classroom and at all of SMUSA's departments. Many friendships and special bonds were made over the last year, and for some this was a goodbye to those friends and a farewell to SMUSA.

Chris Turney explains his night by simply stopping to take a picture with the Santamarian's Photographer, Lynsday Belair. (Top Centre). Graeme and DJ Wes take in a good laugh about the quality of dancing by those in attendance. (Above)

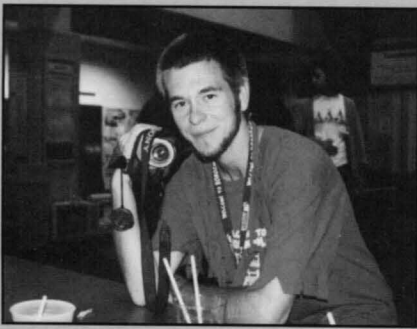

These two Husky Patrol drivers (above) remember some of the great memories they had from the past year while their manager, Beth Moses (below), poses oh so nicely with Graeme for one of his many pictures during the night.

# Santamarian Yearbook

In putting together this year's Santamarian there were many laughs, tons of surprises, some very stressful times, but all in all a great experience. Our department worked hard all year long to try to capture everything any student would remember about there time at Saint Mary's University. We would like to thank everyone who stopped and posed for the camera.

The Yearbook department staff worked very hard taking, preparing, and selecting photos and designs. There are many people at Saint Mary's that we would like to thank for all their help this year. A special thanks goes out to the Marketing department, AboutiMage Photography, the Full-time staff at SMUSA, Paul Fitzgerald at External Affairs, and Lori Forbes from the Athletics Department.

For all of us at the Yearbook department we would like to wish everyone good luck in the future, and we hope that the long hours we worked on this book will bring back your great times spent at Saint Mary's University.

Yearbook Editor  
Mark Joudrey

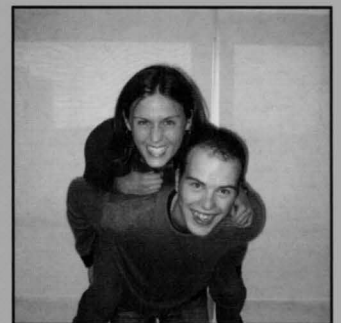

## Marketing Department

**Marketing Staff:** Scott Marquart, Audrey Coffin, Natalie Hutchinson, John Morse, Jeff Levitt, Engin Demirel, Nadine Boudreau, Graeme Anderson

This year the Marketing Department had a major redesign featuring: new furniture, new software and a fresh paint job. Many things old, such as "ugly" striped shirts were made taboo. The department was fortunate to have a great group of employees who were always eager to work and had natural design and layout skills. When the staff weren't busy creating posters and brochures or climbing over a giant snow pile to change the Marquee sign, they could be found bonding during staff outings such as the Christmas Party, Charter Day, and on our "Balk Palking" trip through Europe. The Husky mascot was very visible this year, appearing at numerous sporting events and promoting important events such as the SMUSA Chill Out and the executive elections. Thanks to our staff for making it a great year.

**Marketing Managers:** Scott Marquart and Natalie Hutchinson (Missing: Audrey Coffin)

## Functions Department

**Functions Staff:** *Back Row-* Craig MacDonald, Chad Graham, Kevin Aitchinson, JD Bridges. *Front Row-* Stacey Carey, Kyna Boyce, Alana MacDonald, Sarah Ritcey, Kim Jordan. *Missing-* Brian Kelly, Juliette Gonsalves, Josh Stewart, Katie Murphy, Jon Dotzko

The Functions Department has been busy this past year, serving patrons at various events from the Oaks Sunroom, to the Burke Building. Seeing and hearing the trolley throughout the university means only one thing, the Functions crew will be ready and willing to serve faculty, staff and students. Also known as Liquor Services, the Functions Department is responsible for all liquor service outside of the Gorsebrook Lounge. Some of the year's events included Frosh Weeks' Sam Roberts Concert, football games, Christmas parties, as well as Residence Banquet and the first annual Spring Fling Dance. The Functions staff are also responsible for marking students names down at the pub door every Thursday night. From all of us on the 2003 - 2004 Team Functions, we would like to thank all of our clients and patrons for making this year a memorable one.

Functions Manager:  
Kim Jordan

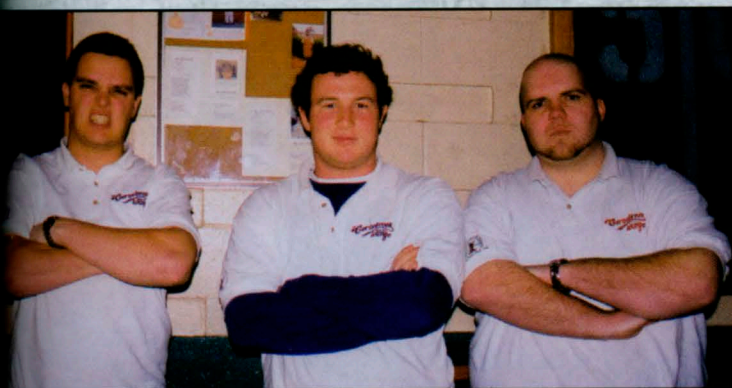

**Gorsebrook Staff:** *Back Row-* Steve Halfyard, Chris Turney, Mike Owens, Kory Frame *Third Row-* Scott Bishop, Adam Amirault, Paul Archer, Wilbert Rodgers, Katie Sullivan, Laura Churchill, James Hillier *Second Row-* Ryan Milanovic, Jonathan Hart, Mike Garrett, Jocelyn Harris, Laurie Burns, Natasha Brennick, Afton Fader, Mike Algee *Front Row-* Mark Woodburn, Steve Kelly, Scott Clarke, Dorian Londo, Shae Solonen, Weston Fader *Missing-* Markie Spring, Robert Kanaan, Stephan Mpagi, Tim Burris, Jeff McKercher, Steve Clow, Trefton Bowers, Jamil Ibrahim

## Gorsebrook Lounge

The Gorsebrook Lounge was another huge success this year with the first Thursday night being just as packed as every year in the past!

Halloween at the Pub brought out some of the best costumes the Gorsebrook has seen in years. All the ghosts and goblins were out and about.

Wing Night was even bigger than last year. This being the second year that wing night was on Thursday night, and there was not a night that was not packed after 6pm.

Saint Patrick's Day was by far the biggest day of the year, with the Pub filling up just after noon, and celebrating good times to the tunes of Slow Joey.

Who could forget Mardi Gras at the Gorsebrook Lounge! This was the third annual southern party and beads were the hot order of the night, for some people more than others.

Everyone has a special memory of the Pub. Whether it be after an exam, Wednesday night for Open Mic, or late Thursday night on the dance floor; whatever it was, thank you for sharing it with us at the pub!

Cheers,  
Gorsebrook Staff

Always feel free to come back and share more of your stories on a stool and the end of the bar.

Gorsebrook Managers:  
Weston Fader and  
Mark Woodburn

# Information Desk

**Information Desk Staff:**  
Sara Amerongen-McKeon, Dawn Charles, Timea Chogo, Meagan Heard, Arthur Mortley, Savannah Scott, Mandi Slaunwhite

The Info Desk, found on the 1<sup>st</sup> floor of the O'Donnell Hennessey Student Centre, is one of the greatest resources provided for you by your Saint Mary's University Students' Association. The Info Desk offers students many services, including: access to campus information, poster authorization, Husky Patrol sign-ups for pick-ups and drop-offs, free football game tickets for SMU students, a courtesy phone, bus tickets and bus passes, envelopes and stamps, Express Post envelopes, daily newspapers, project bindings, photocopying, faxing, and UPASS distribution just to name a few.

Sara, Dawn, Timea, Meagan, Arthur, Savannah, Mandi, and Margaret are available Mon-Fri from 9am-12am, Sat 12pm-6pm and Sun 6pm-12am (exclusively for Husky Patrol services) to offer assistance and help answer any questions you might have.

Information Desk  
Manager: Margaret  
Garnier

**Husky Patrol Staff:** Back Row- Mike Kryzaniwsky, Hector Mumba, Mark Layman, Jonathan McKiel Front Row- Jennifer Folkes, Beth Moses, Mark Joyce

Husky Patrol is a safe drive home program service offered by the Saint Mary's University Students Association in cooperation with Campus Security. With two vans operating from 6:30pm - 12:00am, Sunday-Friday, Husky Patrol's main goal is to get students, faculty and staff who are working home safely.

This year we are proud to announce that since the program started in 1995 over 100,000 safe drives have been provided for Husky Patrol customers.

All Husky Patrol drivers have completed defensive driving courses and work hard at ensuring students a safe, comfortable, and enjoyable ride.

We would like to thank all of this year's drivers and sponsors for making this another successful year!

Secretary  
Erin Vasseur

The SRC was formed by the Students' Association so that the Saint Mary's student population would be represented from all views and perspectives. Along with members of the SMUSA Executive, 15 students form the council. Each student represents a different group of students. These groups are: an Arts, Commerce, and Science representative, an Engineering representative, a Graduate representative, a Freshman representative, a Residence representative, an Off-Campus representative, a Mature Student representative, a Part-time Student representative, an International representative, a representative for students with disabilities, and a Senior Undergraduate representative.

The SRC meets monthly to discuss important issues that involve the student population. Each member is elected by the voting student population and the council serves during the academic year.

Missing from photos: Danielle Grace, Mature representative; Jin Huang, Graduate representative; Oakley Feltmate, Engineering representative; Emily Walsh, Freshman representative; and Adam Maher, Part-time representative.

# Year in Review at SMU

The year at Saint Mary's University was filled with many memories and accomplishments that students, faculty, staff, and the rest of the university community will remember for years to come. From the two major storms to hit the Halifax area, guest speaker Stephen Lewis, notable research by faculty and students, another trip to the Vanier Cup, and over 1000 graduates at the year ending convocation.

Hurricane Juan hit the city of Halifax on September 29, 2003 and was one of the most powerful and damaging hurricanes to ever effect Canada. Most of the HRM felt the effects of this storm for weeks to come without electricity, and made accessibility to many places virtually impossible. At Saint Mary's classes were cancelled and many students who lived on residence were put up in the Tower during repairs to the campus. At Saint Mary's University, and through the HRM, people rallied together to help out in getting the city back to normal. Both of the city's more popular parks were devastated by the force of the hurricane.

Athletics at Saint Mary's University had another successful year. The Football Huskies made their third consecutive trip to the Vanier Cup only to fall to the University of Laval. The men's soccer team finished second at Nationals, and the Huskies Field Hockey team captured the bronze medal at Nationals. Overall, the Varsity Huskies won four AUS titles. The Football Huskies won the first Uteck Bowl, with the Women's Volleyball, Men's Soccer, and Women's Field Hockey all capturing their respective AUS banners.

On February 19, 2004 the city of Halifax was hit again by another huge and very damaging storm. Over 95 centimetres of snow hit the HRM in less than 24 hours paralyzing the city. With winds of over 100km/h, most of city was impassable for the days that followed. 'White Juan' broke the province's previous record of 51 centimetres to fall in a single day. Saint Mary's University, along with all other schools, and businesses in the city were closed, and curfews were put in place to clean up the blanket of snow dumped from the storm.

Many professors at Saint Mary's University received grants, and national recognition for the excellent research done this year and for years to come. The Sobey School of Business received international accreditation on all three levels. Saint Mary's University was the first university in the Atlantic Provinces to receive this honor. Saint Mary's University also saw many important faces, with most notably a speech given by Stephen Lewis in 2004.

The end of the 2003-2004 academic year was capped off with two convocations held on May 21<sup>st</sup>, 2004 at the Halifax Metro Centre. Over 1000 students graduated after finishing years of hard work and dedication to their studies at Saint Mary's University.

# Caribbean Society

The Saint Mary's University Caribbean Society has been in existence for over 30 years. The society currently has 150 members from the countries of Antigua, Bahamas, Barbados, Belize, Bermuda, Dominica, Jamaica, St. Kitts, St. Lucia, St. Vincent, Trinidad and Tobago, Turks & Caicos and Canada. The aim of the society is to provide Caribbean students with a home away from home and assist them in adjusting to life in Canada. Each month members engage in traditional activities such as Caribbean pot lucks and parties, fun activities found in our host country, and monthly meetings to stay informed of current events.

The Society also aims to educate members of the Canadian community about our culture and lifestyle. In conjunction with the Caribbean Societies at Dalhousie and Mount Saint Vincent, as well as the Bermuda Triangle Association, the Society organizes an annual dinner and cultural show entitled Caribanza. At Caribanza patrons experience a menu of Caribbean dishes and view cultural performances from the different islands.

The motto of the SMU Caribbean Society is One Nation, One Sea, One People.

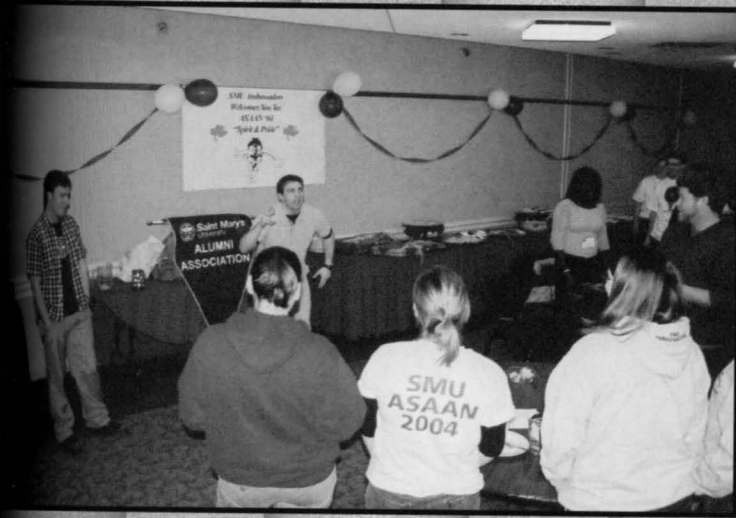

# SMU Ambassadors

The SMU Ambassadors are your on campus link between the Alumni of today and the Alumni of tomorrow. We had another successful year under the leadership of Keith Wellwood, Sarah Margeson, Meagan Heard, Victoria Morrow, Kathleen Lingley, and Ben Connolly; who made up this year's Executive Board.

We were successful in supporting local charities, delivering Christmas Exam Stress Relief kits, and framing diplomas at Convocation. We also hosted the Atlantic Student Alumni Association Network (ASAAN) conference, which brought five universities from Nova Scotia and New Brunswick together for a weekend of fun and collaboration.

We would like to thank all our members for making this year another memorable one for the SMU Ambassadors!

# International Society

The first event organized by the society was Eid-ul-Fitr Festival held on November 28, 2003. This Eid marks the celebration of the end of Ramadan, a month of fasting and abstinence for Muslims all over the world. Dr. Terry Murphy, Vice-President Academic of Saint Mary's University and Dr. Jama Badawi, professor and Islamic scholar spoke on the occasion attended by nearly a hundred people including students and others interested in knowing about Islam. As well, there was many Islamic artifacts, potteries, posters, and other items related to the religion on display. The evening was concluded with a free dinner offered by the society with Arabian and South Asian cuisine. Arranging Eid Festival was a great way to bring together not only international students but also the broader community and to highlight the significance of Ramadan as well as the religion of Islam.

The second major event organized by the society was International Night 2004 on January 31<sup>st</sup>, 2004 at the Loyola Conference Hall of Saint Mary's University. The total attendance was around 350 which included people from many different countries, and from the broader community in Halifax. The show was attended by among others the President of the university Dr. J. Colin Dodds who officially declared the night open.

The event combined international cuisine, music, performances like dances, songs, etc. to create a truly multi-cultural atmosphere. The entertainment was a representation of the great diversity the campus possesses. As well, there were numerous door prizes given in between the performances. The performances were followed by a DJ Dance that went until 1:00am.

The International Night 2004 was sold out! Like previous years, the night was successfully organized by the International Society in close cooperation with the International Centre at Saint Mary's University. They brought together students, both international and Canadians, and showcased the various cultures and ways of life from all across the world.

In addition, the society arranged fund-raising events like coat-cheque on February 14, 2004.

# MBA Society

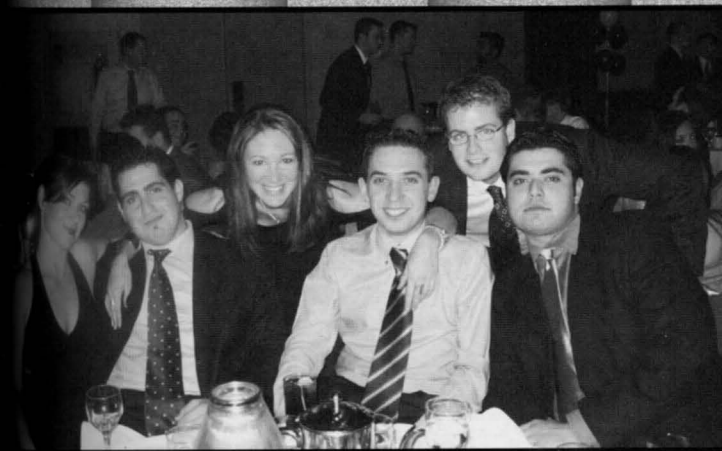

2003-2004 has been an exciting and eventful year for the Sobey MBA Society. With the help of an energetic executive team, the Society successfully carried out numerous activities, including several bold new initiatives.

In keeping with the trends of past years, many Society members enthusiastically participated in school and community events such as intramurals and the Junior Achievement Program. A variety of social activities were also organized, including a golf tournament, a pub crawl, sea kayaking, Halloween and Christmas Socials, International Tea & Talks, an Etiquette Diner and a year end formal held recently at the Prince George Hotel. Turnout and enthusiasm were extremely high at all events.

In terms of significant new initiatives, this year's Society was proud to introduce the Student Advisory Program, the Olive Investment Club, and the Alumni Mentorship Program. In addition, the Society introduced the Speaker Series and the Sobey Leadership Forum intended to promote awareness of business issues and improve leadership capabilities through dialogue and discussion with various business scholars and practitioners.

One of the most impressive achievements of the Society this year involved its performance at the 2004 MBA Games at York University in Toronto, Ontario. With over 40 students participating, the gang from Sobey captured the coveted spirit award, placed 2<sup>nd</sup> in the case competition, and 3<sup>rd</sup> in athletics on their way to a fourth place finish overall. As a testament to our team's performance, the eventual winners of the competition were forced to accept their trophy while the rest of the delegation chanted: "Sobey! Sobey! Sobey!"

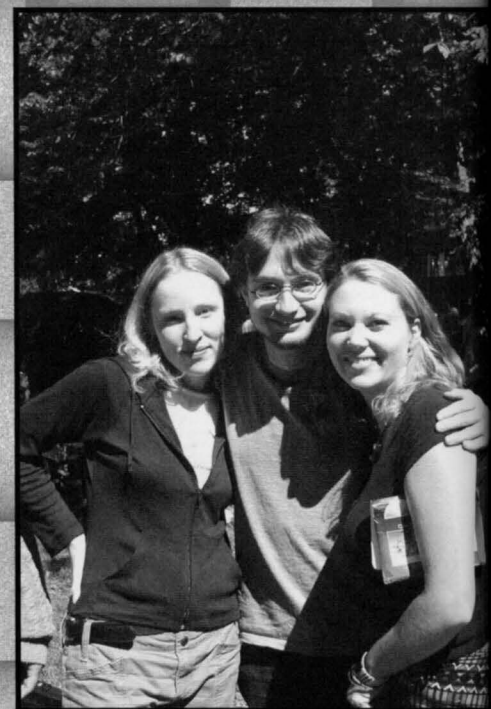

It has been an incredible experience, meeting new friends from new cultures and supporting each other through the challenges of the MBA. Congratulations to all our graduates and best of luck in your future endeavours.

# IDS Society

The International Developments Studies Undergraduate Society continued this year to expand opportunities for IDS students to interact outside of the classroom and also to improve the IDS program. In doing this, we engaged students in discussion groups outside of classes on contemporary development issues, providing a space for friendly debate. This still left time for a great keg party (thanks Sarah) to celebrate the end of the first semester. We also worked closely with the Program Improvement Committee to make suggestions on the current IDS curriculum and recommended changes. As part of International Development Week, the IDS Society hosted representatives from CIDA, CUSO, and CCI for a career information session well attended by both undergrads and grads. We also hosted local musician Brooke Miller at the Gorsebrook Lounge for a night of acoustic music. We again celebrated the end of the semester with a party at the African Highlife Restaurant with live drumming, and great dancing. Finally, an end of the year wine and cheese rounds off the academic year for the IDS Society. This summer, the society is sending one student to the national Canadian Consortium of University Programs in International Development Studies (CCUPIDS) in Winnipeg to learn about IDS programs across Canada and make connections with other universities.

# WUSC Society

WUSC is a non-profit, non-governmental organization, which involves Canadians in the field of international development in Canada and overseas. WUSC's mission is to foster human development and global understanding through education and training.

Each year the Saint Mary's University WUSC local committee is involved in the Student Refugee Program (SRP). These students are selected from refugee camps throughout the world. The SRP supports student refugees, to continue their post-secondary studies and resettle in Canada as landed immigrants. This year we are sponsoring a student from Ethiopia. The WUSC local committee also promotes development education through various activities on campus.

## This Years Accomplishments and Activities:

- Attended national conference in Ottawa and a regional conference at Dalhousie University
- Two successful fundraisers held at the Copacabana
- Coat check at the Gorsebrook Lounge
- Brought in Lee Cohen to speak at an event for International Development Week held in February.
- Held the first ever Refugee Rights Day celebration in Halifax here at Saint Mary's on April 2, 2004
- Secured funding for sponsored student's travel loans

# SMU Drama Society

The **Breakfast Club** is one of the movies most associated with the 80's. The setting is a High School. The characters are a cross section of the world. The story is about the adventures of the "Breakfast Club". It all takes place when the group meets on Saturday during a session of detention.

The group includes Claire the self-proclaimed "princess"; Brian, the "brain", and; Andrew, the "jock". You've also got the high school "criminal" in Bender, and the outsider and proclaimed "basket-case" with Allison.

The group members at first disassociate themselves from each other; however, as the day goes on they have adventures together while dodging the principal, trying weed and just talking about their lives. Like the movie, we hope it shows that people may come from different backgrounds and have different talents; yet still find in many ways that they are essentially the same. There is comedy and some sadness in everyone's life. This shows brings to life the thoughts and emotions in everyone, through 80's slang and a fabulous selection of characters.

# Residence Society

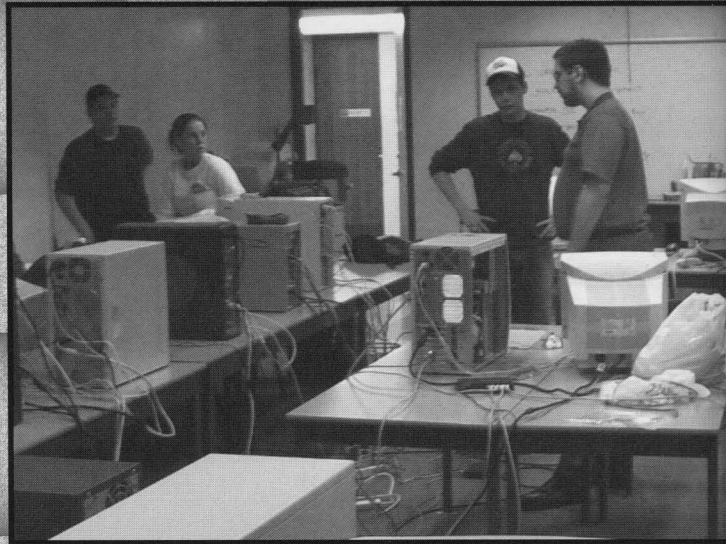

The slumber of the dormant Residence Society was disturbed late this year when it was re-awakened, and exploded with excitement. The residence society with only three months of being active was able to entice the inner spirit of the Saint Mary's University community with its four main events; The Frosted Snow Ball, SMU Idol, Residence Banquet, and the Hawaii Luau Video dance party. Its main goals of creating an atmosphere that allowed for the mingling of under and over age, off and on campus students, to be united as a community was achieved, and could be seen in the turn outs to the events. As such the society was proudly named the most Improved Society of the Year during this year's Charter Day Awards Ceremony. The most memorable moments of this year, have to be the blackout of the semi formal, with the "uniquely 80's artistic style", the Hardcore wrestling match, the air band, rappers delights, and vocal melodies, the fire alarm that signaled dinner, and finally the palm tree extravaganza left from the dance. The Residence Society would like to say thank you to all those who put in the hard work to make these events happen, as well as those who attended the events. The support of the society felt this year was phenomenal, and they are looking forward to a full year of excitement this coming September 2004, and would like to wish everyone the very best over the summer months.

# CIS Society

The Computing and Information Systems Society has wrapped up another academic year. This past year, 2003-2004, was a very busy time for most. This year's executive included President Mark Harley, Vice President Laura Warner, Treasurer Jon Morse, Secretary Wilbert Rodgers and Student Representative Adam Dennis. First semester our society held tutoring sessions for MSC 225 students. Second semester the push was on. The LAN party in March was a very successful event. It was a great year for the society and funds raised allowed us to purchase computer equipment for the society's use in future years. We'd like to thank all members for their participation in this year's events and we look forward to seeing you in 2004-2005. Returning next year will be President Adam Dennis, Vice President Wilbert Rodgers, and Treasurer Jon Morse. Congratulations and best of luck in 2004-2005!

# Commerce Society

The Commerce Society continued to build on its efforts to serve our students over the year, and oh what a year it was! The Society started the year with a new name in an effort to align ourselves with the new brand of the Commerce Faculty – effectively becoming the Sobey School of Business Commerce Faculty. While the society continued to run and improve on its events, the executive played an integral role in representing undergraduate commerce students as the SSB sought Accreditation, which was attained in April of this year. The year saw a marked improvement in the society's efforts to establish and maintain ties with commerce societies across Canada, the fruits of which will mean more diversity in events and better recognition of our students across the country in years to come. This year also marked what may be the last historic tour of downtown Halifax as we know it, and will no doubt challenge the executives to come in the task of social programming. We thank the graduating students for both your contribution and participation over the years. You have been the reason why feedback from our corporate associates continues to be favourable with respect to their interest in our students and events!

On behalf of the 2003-2004 Executive Congratulations and Best Wishes to the 2004 graduating class!

*Jonathan Bellot, Executive Advisor*

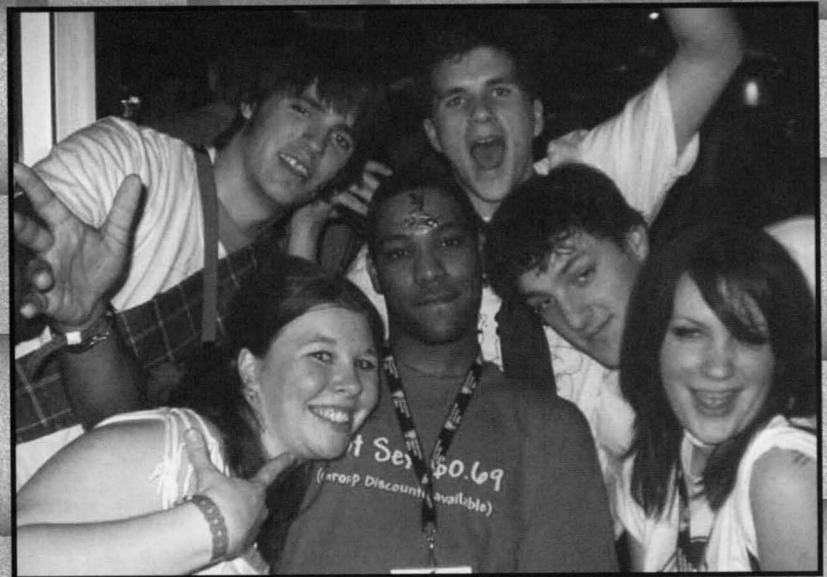

## Undergraduate Business Games:

An undergraduate business student competition was hosted at Saint Mary's University in February of 2004. The event posed an opportunity for some of our students to compete on an academic and athletic level, while providing a diverse communication network and the opportunity to develop as players, leaders, and individuals.

Over 800 participants, but due to weather conditions several outdoor activities were cancelled for much of the weekend (February 5-8<sup>th</sup>). Nonetheless a championship Volleyball along with several semi-final appearances in other events ensured that the team from SMU ended up 5<sup>th</sup> out of the schools when all was said and done.

Congratulations to the team members for representing SMU, and to the team coordinators, Marc Julien & Jonathan Bellot for the countless hours that they put into making sure that we were successful at the games.

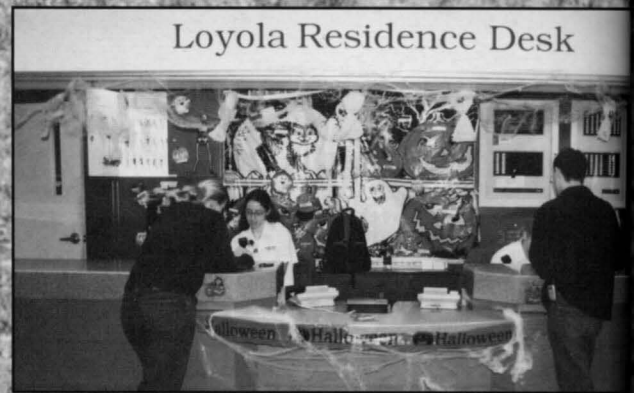

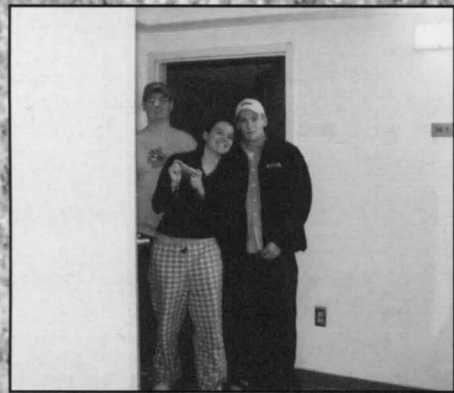

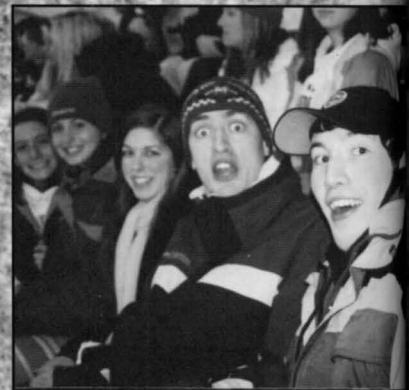

Members: Mark Beaton, Jonathan Bellot (Ambassador), Corey, Jenna Doucet, Marcel Dupupet, Lauren Edwards, Gannon, Sumit Goel, David Hennigar, Natalie Ineson, Chris Jones, Marc Joudrey, Marc Julien (Captain), Keating, Jonathan Kincade, Timothy Kituri, Mark Lohnes, Jeff Lohnes, Crystal Long, Alastair MacDonald, Chris McDonald, Julie Merulla, Brian Mombourquette, Matthew, Shane Paris, Julie Penwarden, Cathy Pitman, Leah Ridge, Beth Raymond, Bronwyn Rodrigues, Mike Shea, Cory, Andrew Thake, Regan Tilden, Fay Tobin.

# Residence Life at SMU

The Students of Loyola, Rice, and Vanier 2003-2004

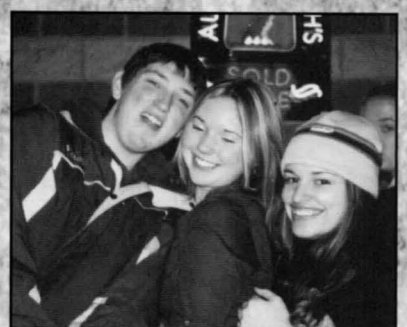

## Residence Life

For many Saint Mary's students, life on residence, whether it be for a short time or a long time, it is truly unique and also unforgettable. Friendships that are made while living in residence can last a lifetime and stay strong through the worst of times. With over 1,000 students living in residence at SMU, the campus always has a sense of family and friends no matter where you go. We hope that these pictures will help remind everyone of their great times spent at Saint Mary's University.

# Saint Mary's Athletics

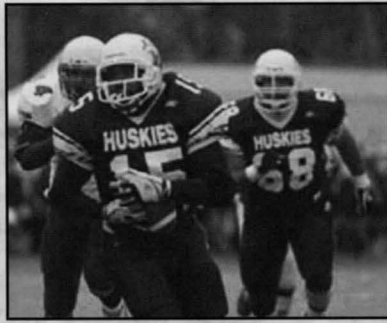

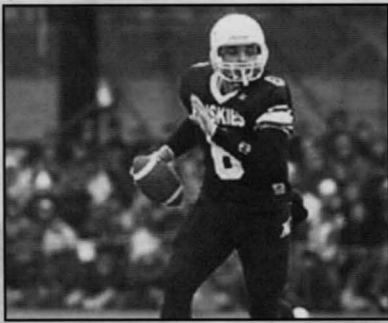

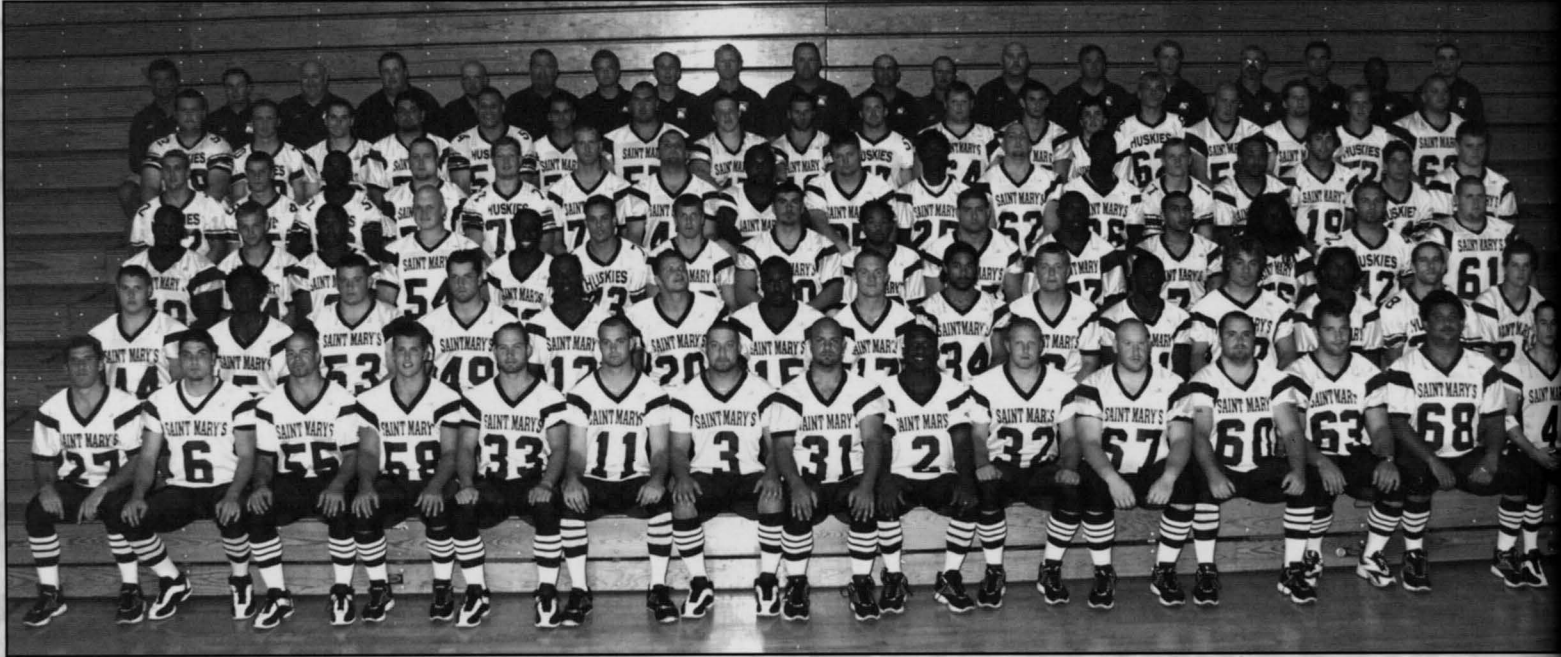

# 2003-2004 Varsity Huskies

# Football

The 2003 season was suppose to be a rebuilding year for the Huskies. Many holes were left after the graduation of numerous players from the 2002 Vanier Cup Champions. It became apparent early that the Huskies still had the talent, but it would take some time before they were playing together effectively.

The regular season record of 7-1 was marred only by a homecoming defeat to the University of Laval. The Huskies were able to rebound however, and finished conference play with a hard fought win over St. Francis Xavier in the Jewett Cup. This victory represented a record 5th straight AUS Championship for the Huskies.

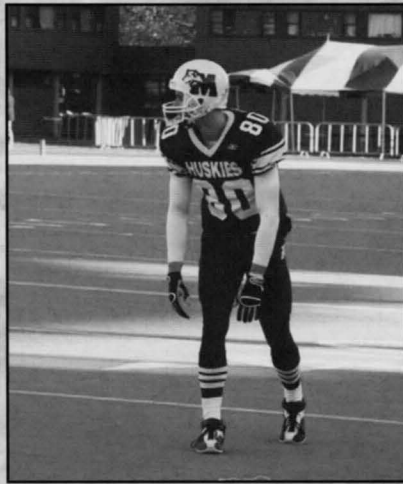

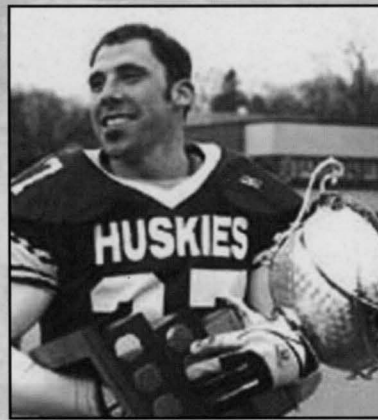

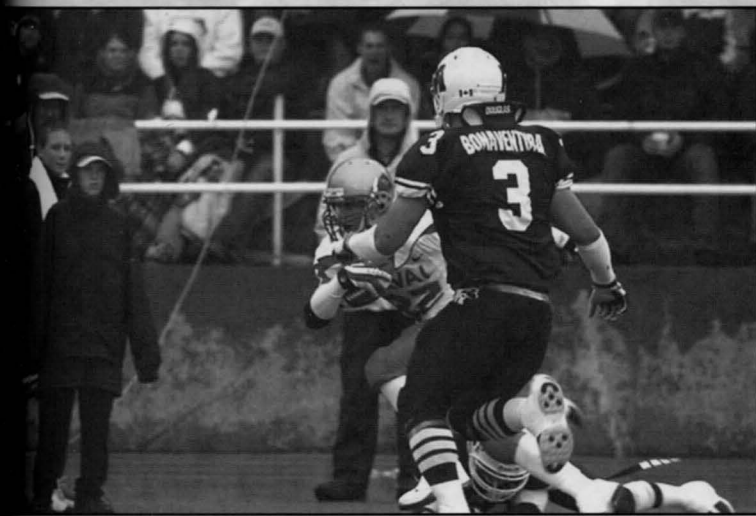

Next the Huskies hosted the Simon Fraser Clansmen in the inaugural Uteck Bowl. Looking more like teams of the past the Saint Mary's handed the BC school a 60-9 thumping earning a record 3rd straight appearance in the National Championship.

At the Vanier Cup, the Huskies battled the Rouge et Or hard for the entire game. The only touchdown came late in the third quarter and despite a monumental effort the Huskies fell 7 points short of winning their third consecutive National Championship 14-7.

Several Huskies received individual recognition both at the AUS and CIS level. Les Mullings was named the AUS Most Valuable Player. Fifth year tackle, Paul Archer was named first team All-Canadian as well as safety Sebastian Clovis. Mullings also was picked a second team All-Canadian.

# Men's Hockey

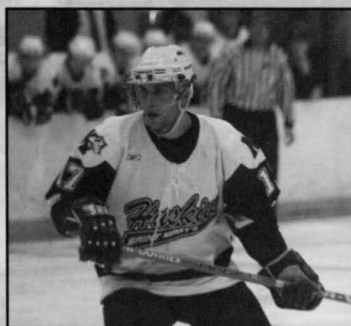

The Saint Mary's Men's Hockey Huskies began the year with five new faces, a new home, and new challenges in front of them. Trevor Stienburg, entering his 7<sup>th</sup> year as head coach, led his Huskies up to Windsor Street to the historical arena known as The Forum. In typical Husky style, Saint Mary's came to the rink everyday ready to play. After mid-season departures from two former All-Stars, Brett Gibson and Brad Morgan, and multiple injuries to the remaining players, the team bonded on and off of the ice and could truly be called a team. Injuries left the team with as few as three defensemen and eight forwards during some games, but the Huskies battled for 1<sup>st</sup> place right up until the last weekend of the season. Still, the team managed to finish in 3<sup>rd</sup> place with a 14-11-2-1 record and got set to play the 6<sup>th</sup> place St. Thomas Tommie in the playoffs. Unfortunately, a hard fought series saw the Tommies win in the deciding Game 3 at the Forum, which allowed STU to move on and face St.FX and sent the Huskies home for another year. Besides from the final outcome, the coaching staff and players were very happy and proud of the effort put forward all year. Pride, character, hard work, and integrity are all words that are used to describe the 2003-2004 edition of the Men's Huskies.

The regular season saw the Huskies, both as a team and individually, achieve significant accomplishments on the ice. Once again, Keith Delaney had an outstanding year statistically as he scored 8 goals and added 24 assists, only this year as team Captain. To finish off his University career, Delaney was also named a 2<sup>nd</sup> team All-Star in the AUS. Second year right winger Aaron Van Leusen had a great sophomore season, registering 27 points in 28 games. Also, second year left winger Kurt MacSweyn scored 26 points in his first 23 games and was among the top 5 in league scoring before missing the final five games due to injury. However, MacSweyn returned to the Husky lineup in the playoffs and had 3 more points in the game series playing injured. Delaney and MacSweyn were named co-winners of the team MVP. Jeff McKercher, Derek Martin, and Andrew Carver anchored the banged up defense and scored 7 points each in the process. Rookie goalie Corbin Roberts finished 3<sup>rd</sup> in the AUS with a 3.01 GAA and 8 wins, and graduating goalie Nick Foley finished 5<sup>th</sup> in the AUS with a 3.35 GAA and 6 wins.

The season was the last for eight Huskies from this year's team: center Billy Manley (5<sup>th</sup> year), left winger Clark Udler (4<sup>th</sup> year), goalie Nick Foley (4<sup>th</sup> year), defense Jeff McKercher (4<sup>th</sup> year), center Keith Delaney (4<sup>th</sup> year), right winger Anthony Purchase (3<sup>rd</sup> year), defense Jordan Udler (2<sup>nd</sup> year), and assistant coach Tyler Naugler (7<sup>th</sup> year). The Saint Mary's Hockey team wishes them all the best in their future endeavors.

# Women's Hockey

For the Saint Mary's University Women's Hockey team, the 2003-2004 season started out as a "rebuilding" year. With only 10 of 23 players returning from last year's AUS Championship team, and perfect 16-0 season, there seemed to be an overwhelming learning curve ahead, and expectations difficult to define.

However, the team gradually improved throughout the season, finishing the second semester undefeated, and placed 2<sup>nd</sup> behind St. FX at the end of regular season. The Huskies entered the play-offs with a quiet confidence that anything was possible, and after a nail-biting 4-3 semi-final win over Dalhousie, the Huskies would again face St. FX for the Conference Championship.

The Huskies prevailed in that final game, shocking everyone but themselves with a 4-3 victory. Beating St. FX in the AUS final made it that much sweeter as the Huskies celebrated not only back-to-back AUS Championships, but dished out to the X-Women, their first loss of the season.

The Huskies hoped to continue their momentum into the CIS National Championship, but were quickly brought back to reality with a 10-0 trouncing by the 3 time National Champions, Alberta Pandas. However, the team continued to prove their resiliency, by finishing off the tournament with a close, contested 6-5 OT loss to the #2 ranked Laurier Golden Hawks.

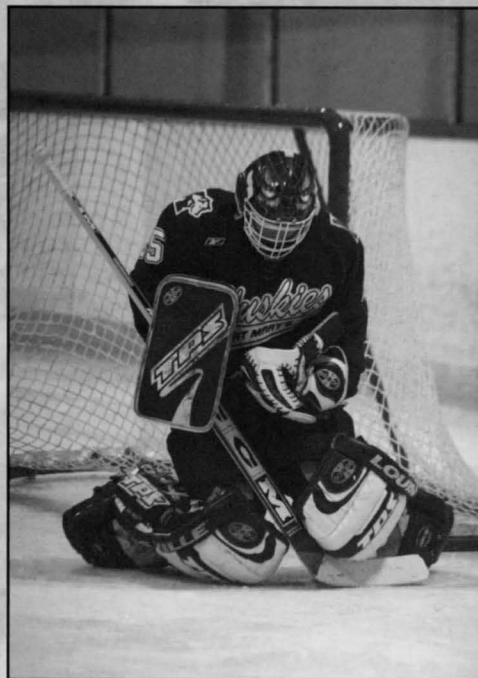

Through the enthusiasm of the rookies, the leadership of the veterans, and their unconditional pursuit of success, this year's team achieved above and beyond what many thought possible. The entire group demonstrated the type of work ethic, dedication, perseverance, and respect for which Saint Mary's University Athletics has become known.

Congratulations to Lindsay Taylor, a 2<sup>nd</sup> Team All-Canadian and AUS Player of the Year, as well as Melinda Kaye and Trula Seaward, who were named to the AUS All-Star team. Taylor was also named Team MVP, Seaward was named the Unsung Hero, Rookie of the Year went to Sharon K... and the Most Improved Player of the Year was Erin Haley. Congratulations to all of this year's award winners.

A sincere thank you goes out to this year's graduating players, Lori Reindorf and Nicole Callahan, for not only the effort they have put into their Varsity careers, but the higher standards they have set for those players following in their paths. Hopefully the Varsity Women's Hockey program has assisted you in graduating from Saint Mary's as better individuals, preparing you for the exciting challenges that await in your future.

# Men's Soccer

This season proved to be another very successful season with the men winning a third AUS Championship in four years and coming 5 minutes away from winning the first National Soccer Championship for the school by losing to the University of Alberta 2-1 in the final in overtime.

The team went 11-2-4 and had a great season. The team was very successful based on the fact this was supposed to be a rebuilding year for the team but there were a number of athletes who stepped up their play when asked by the coaches.

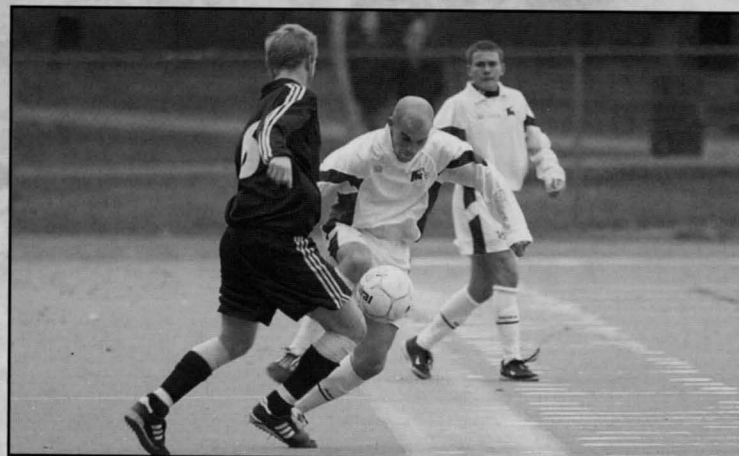

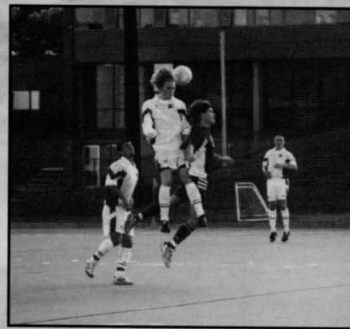

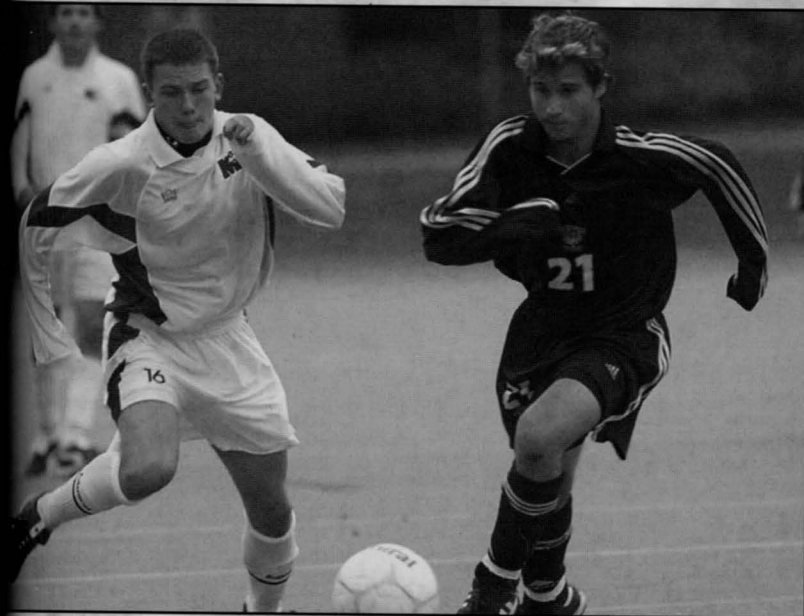

There were a number of players recognized for their individual accomplishments none bigger than Mesut Mert winning a second CIS Player of the Year award in three years. This was only the second athlete in the history of the sport to win the award twice.

Ryan Devereaux was recognized as a second team all Canadian for leading the country in scoring. Danny Worthington, Ryan Devereaux and Mesut were also recognized as all tournament players at this year's CIS Championships with Mert winning the MVP of the Tournament. Eduardo Farias was also recognized for his contribution by winning an AUS All Star Award.

The team would like to thank some departing seniors for their contribution to the program. Mesut Mert, Danny Worthington and John Robbins are all graduating and will all be missed but they are all departing with a great memory of the school, more great memories of the success of the program, while also capturing three National medals.

# Women's Soccer

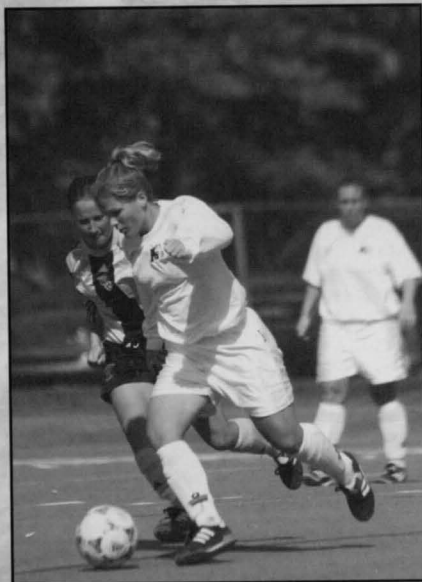

Women's soccer had another strong season. As defending champions we knew teams would be a bit more focused for the games. The first quarter of the season was a learning experience. Teams worked that little extra and pushed the team to new levels. Midway through the season things turned around. Great leadership from team captains Kim Walton and Michelle Anderson led the way. The team started working together and climbed up the standings with five straight wins to finish the season in third place. Strong performances by second team All-Stars Crystal Walton and Courtney MacGray were noteworthy. Kim Walton was selected first team All-Star.

A two goal performance by Erin Howell and shutout goaltending from Meagan Smith led the Huskies past UNB 2-0 in the quarter final. The semi final vs Dal was an excellent game. The team demonstrated great character. Losing in the second period of sudden death overtime to end the season. With only two players graduating from the team next season looks very promising.

# Field Hockey

This has been a very successful year for the field hockey program at Saint Mary's. The team won the AUS Banner for the consecutive year and captured the Bronze Medal at the CIS National Championships! Five players from Saint Mary's were selected as AUS All-Stars; Sarah White, Katie Baker, Sarah Cunnian, Colleen MacIntyre, and Rina Batra. Sarah White was named AUS League MVP. Three athletes received All-Canadian honors, Sarah White, Katie Baker and Sarah Cunnian. Sarah White also received a CIS Tournament 11 Award and was named to the Senior National Training Squad. Shea Lewis and Katie Baker were selected to the Junior National Squad list and Katie Baker was chosen to represent Canada at an upcoming International Tour. Erin Dillon the goal keeper for the Saint Mary's squad captured the Team MVP honors in field hockey at the Saint Mary's Awards night. Her excellent play at the CIS Championships was key to the team's Bronze Medal performance.

Saint Mary's won the AUS Championships 3-1 against the UPEI Panthers.

The Saint Mary's University field hockey team captured the Bronze Medal at the CIS National Championships defeating York University in a penalty shoot out.

#### CIS Stats:

SMU 3-0 Western	(CIS Player of the Game for SMU with 3 goals-Sarah White)
SMU 0-4 UBC	(CIS Player of the Game for SMU GK Erin Dillon)
SMU 1-5 U-VIC	(CIS Player of the Game for SMU with 1 goal - Katie Baker)
SMU 1-1 York	(CIS Player of the Game Sarah Cunnian, SMU wins in Strokes) (SMU Goal – Sarah White)

# Volleyball

The Huskies came off an experience-building 10-8 season in 2002-2003, where they were the only team to defeat the Dalhousie Tigers, and reached the semi-finals in the AUS Championship, after defeating the 2-time defending champions from Moncton in the quarters. The Huskies initially lost Janis Chapman at the end of that season, only to see her return for her fifth and final year in January of 2004. They returned every else and added the strength of new recruits and stand-outs Danielle Shortall and Alex Quinn, along with left side multi-sport athlete Stephanie Rogers and setter Steph Scollan. The Huskies were also happy to welcome back 2-time AUS MVP and 2-time All-Canadian Caroline MacFarlane in January, after taking a year off to have her daughter, Lilly. The Huskies had a strong finish to the season, winning 9 straight league matches, including 3-0 wins over Acadia and Dalhousie in February to clinch first place in the AUS going into playoffs.

The experience, toughness, and strong leadership of Janis and Caroline and the effectiveness of All-Star setter Pam Rogers, second in the league in assists, had a major impact on the team's results. The Huskies ranked in the top 4 in all statistical categories except aces and were #1 in the league in blocking, led by rookie Alex Quinn, who also led the league. Danielle Shortall, an imposing offensive threat from the right side, was the top 10 in hitting and points and was named AUS Rookie of the Year. All-Star Andrea Shakespeare in her 4<sup>th</sup> and final year with the Huskies developed into one of the best all-around players in the league, and Catherine MacFarlane also in her 4<sup>th</sup> year led the league in digs from her position as the team's libero. Catherine was also named AUS Libero of the Year and is one of the best passers you will see anywhere. The Huskies showed more depth than in the past, including versatile contributions from Allison Riley, Christiane German, and Lindsay Wickstrom.

At the AUS Championship Tournament in Charlottetown, the Huskies persevered through intense home-team support from a huge crowd to defeat a motivated UPEI team in 5 sets before winning over Acadia in 4 sets in a tight, hard-fought final match – the 4<sup>th</sup> set score was 30-28. Pam Rogers, Catherine MacFarlane, and Danielle Shortall were named to the tournament all-star team, and Pam was selected MVP.

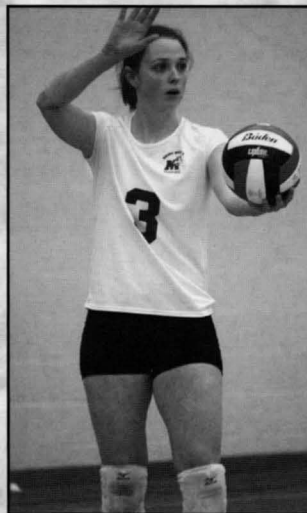

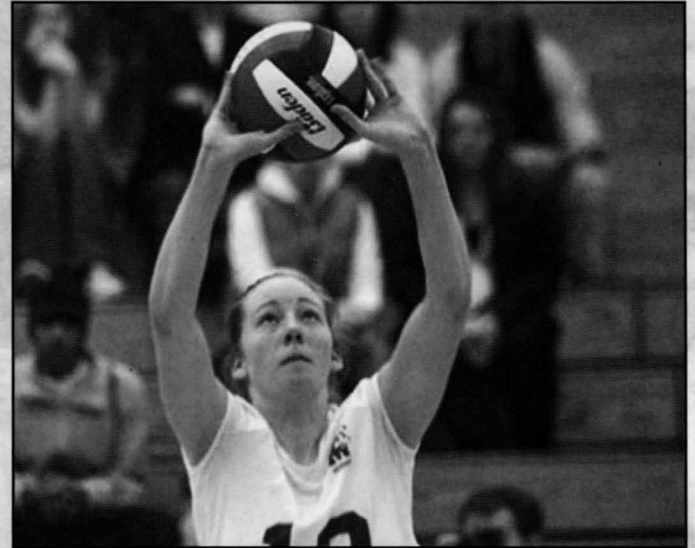

The CIS Championships in Saskatoon were an eye-opening experience for everyone, and the team was disappointed with its performance. The Huskies fell in 4 sets to the eventual bronze medalists from Laval, and then played poorly in a straight-set loss to Montreal in the consolation semi-final. Despite the discouraging results, the experience was invaluable and everyone returning to the Huskies line-up is intent on returning Saskatoon next season for redemption.

The individual acknowledgements continued upon coming home as Huskies Volleyball was well recognized at the annual Huskies Award Banquet. Catherine MacFarlane received the Most Valuable Player for volleyball, Danielle Shortall received the Saint Mary's Huskies Rookie of the Year, and Andrea Shakespeare earned the President's Award.

Experience and determination pushed the Huskies through a strong second half of the season, and Huskies Volleyball is proud to contribute to exceptional SMU performance that fielded 5 conference champions. Everyone is looking to build on this season's accomplishments and defend the conference championship next season.

# Cross-Country

The Saint Mary's University Men's Cross Country team had a tough year as team, but showed some hope for the future. Senior, Ken Fraser had one top ten finish in a regular season meet and placed 12<sup>th</sup> at the AUS Championships in a new personal best of 34:55 for 10km. He competed at the CIS Championships in Moncton and placed 82<sup>nd</sup>. Rookie, Cole Sinclair, finished 27<sup>th</sup> at the AUS Championships in a personal best of 37:56 for 10km. He placed 98<sup>th</sup> at the CIS Championships.

The women's team featured a very young team that included four rookies with potential for the future. Senior, Lisa Rockwell placed in the top ten in two regular season meets. She placed 14<sup>th</sup> at the AUS Championships in Moncton. Rookie Joelle Marshall had one top ten finish in the regular season and placed 22<sup>nd</sup> at the AUS Championships. At the CIS Championships, she placed a team best of 63<sup>rd</sup>. Saint Mary's was represented by a team for the first time at the CIS Championships and gained valuable experience for future events.

# Women's Rugby

## 2003 Season

SMU 0	ACA 30
STFX 22	SMU 0
ACA 10	SMU 5
SMU 0	STFX 51
SMU 14	ACA 19

Each athlete on the Women's Rugby team had the privilege this year to spend a season with an extraordinary group of young female athletes who although finding themselves in hard times managed to come together as a team at every obstacle, battling through doubts and injuries to only come out stronger. Each has made an invaluable contribution to the rugby program with their dedication and commitment. With a strong group of veterans, and a fresh group of exciting rookies, each game came to be a show of athleticism and superior talent. This was recognized by our two AUS All-Stars, Melissa Allaby at second row, and Marcella Abreu at full back, as well as the AUS MVP, Genevieve Gay.

Genevieve kept this team in good spirits and on their toes no matter what was thrown in our direction. This young second year rugby player stepped up to Captain at the end of the year following a series of unfortunate events. She is a motivator on and off the field with her athleticism and her unfailing optimism. Her recognition as a phenomenal rugby player came this year as team voted MVP forward as well as AUS MVP and her selection to the under 23 national training program.

Thank you to all of the athletes, the Athletic Therapy Department with our trainer Diana Campinaro and an especially heartfelt thank you to David Murphy, Athletics Director and wonderful supporter of Women's Rugby here at Saint Mary's.

Huskies Rugby For Life

Name	Hometown	Prov.	Position
Sherry Lake	Halifax	NS	Scrum Half
