Miss Janie Shaw

151 Prospect St.,

U. S. A.

Sept 11 - 34

My dear Janie,

This is just
a note to say I received
your two letters.

I am extremely
busy organizing my
company to full war
strength.

Painting and sailing
and all good things
have come to a
sad end.

I am looking forward
to see you, I need
cheering up, and you
will be the one.

We are all busy
sitting ready to serve
our country.

Henry ^{Howard} is leaving
on the 23 of this
month for some part
of Canada to train
for the winter. What

will become of our
Company I do not know?!

Looking forward
to see you,

I remain

Your Loving friend

Tommy
