Society Start-up Grants Available - Soon

by Ian Morrison

Start-up grants, sponsored by the SRC for the various societies at Saint Mary's University, are once again available for the 1985-86 academic year.

These grants provide funds for the operation of University groups, who otherwise might not be financially able to run this year.

Groups interested in applying for financial assistance must state their intentions to the Students Representative Council in the form of a letter addressed to Mr. Dave Smart, Vice-President Student Affairs, who will in turn present the request to the Fiscal Advisory Committee, consisting of the Treasurer, Mr. Robert White; members of Council and the student body at large.

For each society which has a constitution presently on file

with Council, and whose application is received before October 1st, a grant in the amount

of \$250 is guaranteed. Further funding may be applied for by

means of a separate application, termed a Request for Additional Funding, to be made in the form of a letter to Mr. Smart.

Funds are presently held by S.M.U. Administration and will

not be available to Council until the first week of October. Societies should plan to receive funds during the second or third week of October.

There are guidelines to be followed when applying for a grant, these guidelines have been set up by the SRC and are strictly enforced.

The grant is meant as an aid which could enable the society to start its operation. It is not intended as a subsidy. The organization must continue to look at its own fund-raising activities as an avenue for financial income.

As well, the constitution of the society must be one which is acceptable to the SRC. The intentions and activities of the group must be honest and approved by the student government.

Thirdly, the society must not be one of a political, ethnic, or

religious nature if it hopes to qualify for a grant. The SRC will not award grants to any societies which would make the elected organization look as if it favours one campus group over another.

The various societies of Saint Mary's bring together students who share a common interest. They are run by the students for the students. Many of these organizations would not find it feasible to operate without some sort of start-up assistance.

Thanks to funding by the SRC, many such organizations can start operation for the upcoming year, should they qualify for student-government funding. All societies should be encouraged to look into the possibility of financial aid from the SRC, as their operation will greatly contribute to the atmosphere at Saint Mary's during the next year.

CFSM Starting Soon

by Colin MacMillan

CFSM, Radio Saint Mary's, has set its tentative broadcasting date as next Thursday. The station, now entering its 16th year, will be operating at full transmitting power, enough, they hope, to broadcast to all residences. CFSM will reach both cafeterias and the games room this year, though implementation will be delayed.

Charles Russel, station manager, says the station will play "music geared to the students of Saint Mary's, some top 40 and some music not available on commercial stations in this market."

Russel also says that the station will broadcast a number of specialty shows and that schedules for these shows and D.J. time slots will be released at a later date.

The new executive for the station are Charles Russel, station manager; Richard Smith, programming director; Krista Olmstead, personnel director; Monica Ahluwalia, business manager; and Dave Hatcher, production manager.

Mr. Russel says that they "are always looking for new members for the station, primarily to add an element of variety. We presently have 25 members and are hoping for around 75." Membership in

CFSM will cost, but not much considering the experience being a member gives. For students of Saint Mary's the cost is \$5.00,

and \$25.00 for non-students.

The offices of CFSM are located on the 5th floor Student Centre, room 530.

Society Summit

by Colin MacMillan

This Saturday, September 14, a meeting between the executive of the Students' Council and members of the different societies on campus will be held in the McNally Boardroom. This meeting, the first society summit of the year, is designed to clarify the rules and regulations under which the societies

must operate.

President of the Students' Council, Mark Bower, explains this meeting as "a chance for the SRC to sit with the heads of societies on campus."

The meeting will cover all of the problems that the societies are expected to deal with this year, including Saint Mary's

Orientation Info Bazaar Inaccessible to Wheelchair Students

by Martha Patterson

The Information Bazaar, held the 5th and 6th of September in conjunction with Registration, took place in the gymnasium, a location inaccessible to wheelchair students.

When questioned as to his choice of location, the Bazaar organizer, Mr. Dave Smart of the Students' Representative Council, replied that as the Multi-purpose Room was in use for Registration and the Loyola Colonnade was undergoing reconstruction, the only choices open to him were the gym and the bottom floor of the Student

Union Building. Mr. Smart explained that, for the number of tables booked, the S.U.B. location would have been too small.

Although Mr. Smart and several others did assist Yearbook Staff Member Pat Brown into the gym, no such service to the disabled was advertised. No handicapped students took advantage of the Bazaar.

A \$500,000 grant from the Secretary of State's Centres of Specialization Fund was recently granted to the Atlantic Centre of Support, Research and Access for Disabled, to allow for its establishment at S.M.U.

University Students' Association (SMUSA) rules and bylaws, covering smokers, regulations regarding Campus Police and when you must have them present, and funding for the different societies covered under the funding bylaw.

Bower, as well as Kristine DeCoste, Vice-President Ad-

ministration; and Dave Smart, Vice-President Student Affairs, will be on hand to answer questions and pass out handbooks to facilitate in the smoother operation of the societies.

A member from every society is encouraged to attend. Everyone is welcome and lunch will be served.

Take A Look is a free notice column open to all members of the University community with something to offer our community. Submissions must be typed and double spaced.

Take A Look

In order to get into our publication, all notices must be in our office in Room 517, SUB by noon on the Monday before you want the notice to appear. Due to limitations of space, the notice should be brief and to the point. If the notice is to run more than once it must be resubmitted each week.

Friday 13th, Part VI

OH NO. Another Bloodcurdling, gory Friday 13th movie, right? Wrong. It's the Marketing Society's first smoker of the year. You remember last year's smoker, right? Cheap beer, good music, lots of people, door prizes and fun.

This year should be even better!

In keeping with the Friday 13th, Part VI theme, anyone named JASON, with a SMU ID as proof, is admitted free. Marketing Society members will also be admitted free, and this year's membership cards can be picked up at the smoker. Non-members will be charged \$1.00.

Let's see everyone out to the smoker. It's being held on the third floor of the S.U.B. The time is 5 p.m. to 8 p.m. What a great way to warm up for the football game against St. F.X. that begins at 7:30 p.m. Those arriving early to the smoker will have a chance to win the draw for 13 BEER. The draw takes place at 5:47 p.m. (13 minutes to 6:00). Don't miss out on the first smoker of the year. Friday 13th could be the luckiest day of your year.

DANCEXCHANGE OFFERS FREE DANCE CLASSES FOR ADULTS

DanceExchange, home of Nova Dance Theatre, is offering a week of free dance classes for adults. This introductory week of classes is intended to give interested individuals a chance to try different kinds of dance classes, an opportunity to talk with the teachers, and get to know the students and staff at DanceExchange. Classes will be held from 5:30 to 7:30 every evening, September 3rd to 6th. Classes are as follows:

Tuesday, September 3 — Alexander Technique with Jeanne Robinson, Artistic Director of Nova Dance Theatre.
Wednesday, September 4 — Modern Ballet with Leica Hardy.
Thursday, September 5 — Modern Technique with Patricia Cloutis.
Friday, September 6 — Jazz with Darin Carter.
 All interested students are welcome.

DanceExchange's regular fall term will begin September 9th and run for fourteen weeks. Registration for these classes will take place at DanceExchange (1672 Barrington St., 4th floor) September 2, 3, 4, and 5 from 4:30 to 7:30 p.m. and on September 6 from 11:00 a.m. to 3:00 p.m. All interested are encouraged to drop by, take a free class, or just watch a class, and register for the fall term.

Chinese Students

The Chinese Students' Association was set up with the primary aim of integrating our Chinese culture with our Canadian peers. The association organizes activities, screens Chinese films for its members and also presents shows for the public. Activities include barbecue, sports day and sightseeing. Our glamorous Chinese New Year Banquet is a must for those who savour Chinese dishes or are dazzled by cultural fiestas. Membership is open to interested parties.

The following activities are tentatively scheduled for the academic year 1985/86.

1985
 September: Used Book Sale / Welcoming Party.
 October: Food Fair.
 November: Halloween Party.
 December: Christmas Party / Winter Games.
1986
 Jan./Feb.: Chinese New Year Banquet.
 March: Farewell Party
 April: Annual General Meeting.

Our first upcoming event will be our Welcoming Party. It is scheduled to be held on this coming Saturday, September 14 at 8:00 p.m. at the SUB Cafeteria. This is our first official gathering among our members for this new academic year. Non-members are also welcome. There will be a slide show and a movie about Nova Scotia, presented by the Tourist Board of Halifax. Light refreshments are provided. We welcome all new and returning members, as well as those interested in joining our association. Admission is free.

CAMPUS CHALLENGE '85

Get ready, get set, GO FOR IT in Campus Challenge '85, September 15.

This year, Saint Mary's Athletic Department and Oland's Breweries are putting on Campus Challenge, university's answer to Corporate Challenge.

Campus Challenge is a group of ten events which will be done by teams of ten students. Each team must be made up of five males and five females and team members must enter a minimum of three and a maximum of five events. Campus Challenge participants gain extra points for entering the TERRY FOX RUN, which will be the last event of the day.

Students can register for Campus Challenge either as a team or individually. Registration forms can be obtained from any don or from the Athletic Department, 4th floor, Student Union Building.

Prizes will be awarded to the winning team and it looks like it will be a lot of fun. The group warm-up begins at 11:00 a.m. and will be run by a Saint

Big Plans For Off-Campus Society

by Sean MacLellan

The Off-Campus Society is back and ready for another great year. After winning last year's award for "Most Improved Society", they are out to prove that they deserved it by giving the Off-Campus students more than ever.

There are plans in the making for many major activities, including a beach party, smokers, pub nights, intramural sports teams and other activities for the next two semesters.

The 1985-86 executive consists of: Elizabeth Sperry, President; Gerald Wood, Vice-President; Susan Greene, Secretary-Treasurer; and Sean MacLellan, SRC Representative. The Off-Campus office is in Room 512 of the O'Donnell-Hennessey Student Centre, next to Campus Security. If anyone would like to get in touch with

the society or the SRC Rep., come up to the office. If no one is there, just slip a note under

the door.

Memberships are now available, either through the of-

fice or from the membership booth that will be in the Student Centre lobby some time over

the next week. The cost is only \$3.00 and is open to all students who live off-Campus.

Second Annual Computer Show For Halifax

by Martha Patterson

The 2nd Annual Halifax Computer/Office Automation Show & Symposium Show was held the 5th and 6th of September at the Halifax Metro Centre and World Trade Convention Centre. The show, supported by the Halifax Board of Trade, provided a forum where in local and regional companies could display their computing and office automation equipment, supplies, service support and telecommunications equipment to the public.

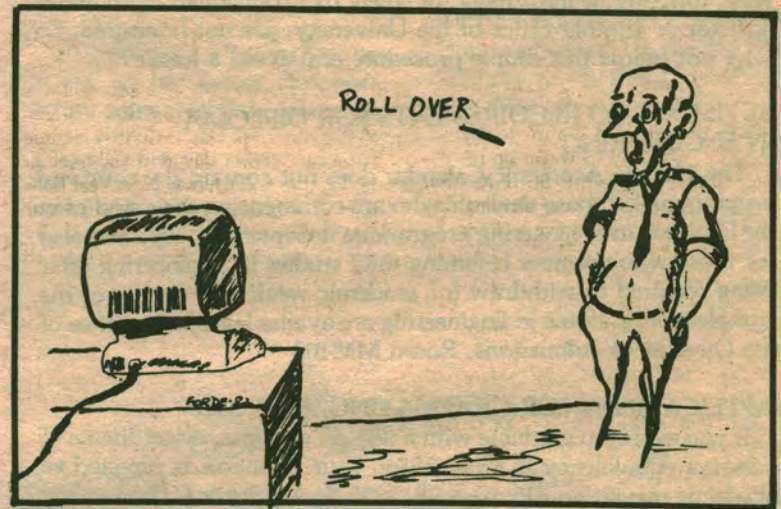

The show was frequented by

many interested groups, from business representatives, through professors to students.

Throughout the show, there were periodic exhibitions and contests, including an Olympia typing contest and a Xerox draw for a dedicated Words Processor.

Cost for entry to the show was \$5, or \$3 with a discount coupon, obtainable from most computer dealers in the area.

Although there were fewer booths this year than last, the show was gauged a success and another is planned for 1986.

Registration / Calendar Changes

PROCEDURES FOR CHANGES TO REGISTRATION

Once a student is officially registered, any change (regardless of type) must be made officially on the proper Change of Registration form and filed with the Registrar. Such changes can include: courses, sections of courses, local address, local telephone number, etc. Only the student can initiate these changes; only the Registrar can officially process these changes. Changes made in any other way, formally or informally, or solely by arrangement with an instructor or another office of the University, are not honoured. So why not follow this simple procedure and avoid a hassle?

REVISIONS TO REQUIREMENTS FOR DIPLOMA IN ENGINEERING

The 1985-86 Academic Calendar does not contain the complete programme for those students who are commencing their studies in the Diploma in Engineering programme in September 1985 and also for those who are now resuming their studies in Engineering after being required to withdraw for academic weakness. Copies of the complete programme in Engineering are available from the office of the Director of Admissions, Room MM103.

APPLICATIONS FOR GRADUATING, MAY 1986

If you expect to graduate with a degree, diploma, or certificate of honours equivalency in May 1986, your attention is directed to academic regulation #25, page 28, 1985-86 Academic Calendar. For the Spring Convocation, 1986, the deadline for filing an Application for Graduation is September 20, 1985. Application forms are available at the Registrar's Office. Applications received after that date will be processed under the provisions of the second paragraph of academic regulation #25.

ASSESSMENT OF ADVANCED STANDING

The attention of new students at Saint Mary's is directed to regulation 20, page 26, 1985-86 Academic Calendar, which states:
A request for advanced standing will not be considered after one year from the date of the student's first registration in a degree programme at Saint Mary's.

COURSE CHANGES

Wednesday, September 11 to Friday, September 13, 1985 has been designated as the period for course changes. All such changes are to be made on a Change of Registration form in compliance with academic regulation 13, page 25 of the 1985-86 Academic Calendar.

NON-CANADIAN STUDENTS

The attention of all students whose first language is not English and have not graduated from an English-speaking secondary school is directed to Admission Regulation 2(g), page 18, 1985-86 Academic Calendar. The English Language Competency Test will be written on the following days — September 7, 11, and 12, 1985. Further information is available from the Chairperson of Modern Languages & Classics. Failure to comply with this E.S.L. requirement will result in the cancellation of a student's acceptance and registration.

OFFICIAL SIGNATURES

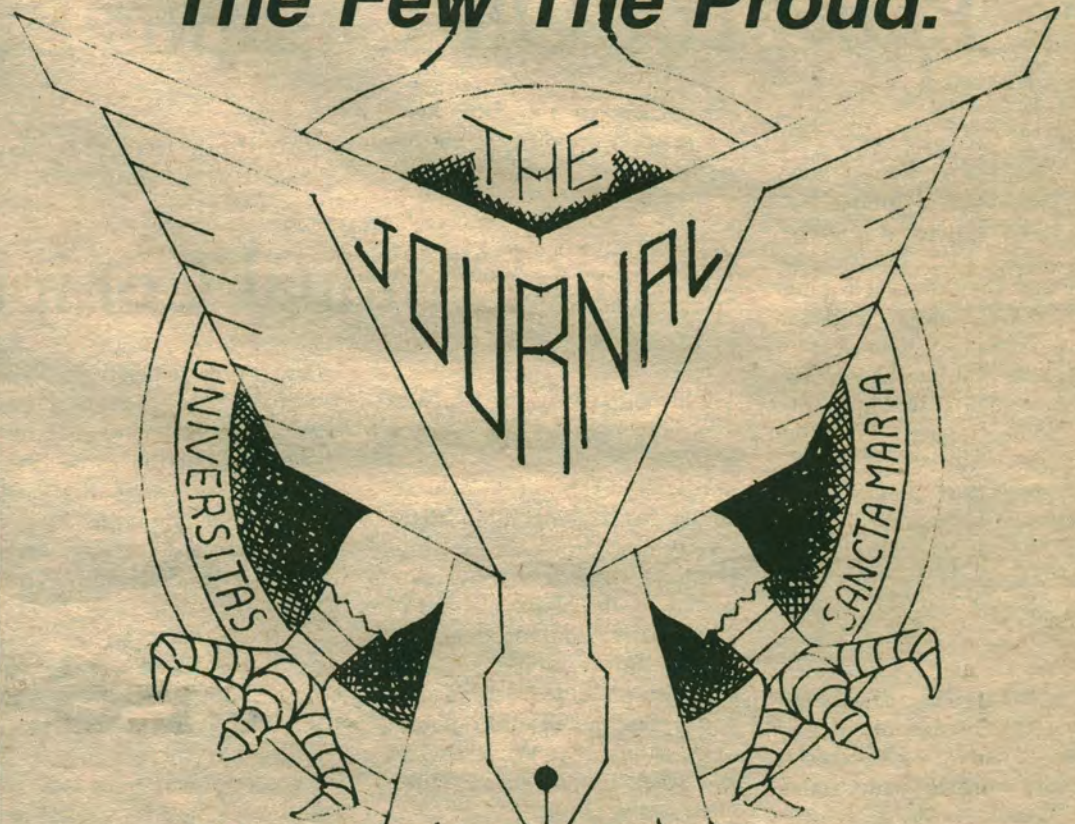

Students who require their signature witnessed on official documents, such as applications for passports, affidavits, proxy ballots, etc. are advised that the Registrar, ELIZABETH A. CHARD, can do this in that she holds an appointment as Commissioner pursuant to the Notaries and Commissioners Act, Province of Nova Scotia.

SPECIAL THANKS

While the first few days of Early Registration were very hectic once again this year, a group of student volunteers greatly assisted in this exercise and moved the long lines up more quickly than would otherwise have been possible. This was an innovation for 1984 which proved extremely successful and I would like to take this opportunity of extending very sincere thanks to these students — Ruth Parkin, Kelly Marshall, Debi Morton, Christine Soucie, Mitzi Osborne, Beth Cameron, George Murphy, Shelley LeBrun, Kelly Shannon, Elizabeth Nicholas, Sr. Francesca Serette, Kevin Cameron, and Rachel Schofield — for such a positive contribution to the 1985 Early Registration. A very special thanks to Robert White who organized the students for this exercise, and also to Jane Reid on behalf of the Peer Counselling Group on campus.

Games Room Moves

Returning students to Saint Mary's will notice a new activity on the main floor of the Student Centre.

The student run Games Room which was located on the third floor of the Student Centre has been moved, to the main floor. The move makes the Games Room more accessible to student traffic and creates a more social atmosphere.

Because the Games Room is now located in space once occupied by the "Quiet Lounge", arrangements have been made for quiet studying areas on the third floor of the Student Centre. This is seen as a positive move as it places the lounge areas in a less trafficked and quieter area of the building. The newly renovated collonade area will also make a great place to relax. The new Games Room will boast video games, shuffleboard, darts, seating and tables and a high profile location. The Games Room will be open from 9:00 a.m. - 8:00 p.m. daily.

The new Games Room makes a great place to relax, or play a challenging game.

FILM FEST

Hookers on Davie

JANIS COLE AND HOLLY DALE, the two documentary filmmakers who won a Genie Award for their feature-length documentary, P4W, about the women's prison in Kingston, Ont., have a very simple ethical philosophy. *We try*, says Cole to give people who don't have a voice, total voice. Most of what you hear comes from the official point of view. So we feel comfortable providing the other side with a voice.

Their latest collaboration, *HOOKEYS ON DAVIE*, gives some prostitutes of Vancouver's pimp-free Davie Street a voice. Davie Street is home to a large community of prostitutes who are proudly pimp free. Male and female, transvestite and transexual, these hookers rely on one another for support, counsel and protection.

To do *Hookers on Davie*, the filmmakers hung out on Davie Street for two months. The greatest strength of the film lies in the rapport they establish with their subjects. Their approach may sound to be ethically simple, but to their process of filmmaking which is a mixture of cinema verite and interviews, it is imperative that they are never seen as being a threat. They never recreate situations or stage-manage their subjects. *It would be impossible to develop the kind of trust necessary for this kind of camera honesty, if we were known to be interviewing 'the other side' all the time*, says Dale.

The film tells so much about why Davie's hookers remain so loyal to their work and their street. The documentary is by turns, funny, shocking, sad, and revealing, but it never abandons compassion. *Hookers on Davie* never romantizes or romanizes prostitution or its people. It shows them as they are.

"*Hookers on Davie* was ten times harder to make than P4W. Dale admits. The process was exhausting and often frustrating. It takes energy to get as involved as we do!"

Editorials

To the Editor,

I would like to welcome all new and returning students to Saint Mary's University. I hope you had a good summer and will have a better year.

As you may know, September 15th is the national day for the Terry Fox Run for the Cancer Society. This year the Students Association is organizing a run on this day. The run will be 5 km in length and will start at 2:00 p.m. on the track around the astro-turf at the stadium. The run will be held in conjunction with an event being run by the Athletics Department, the Campus Challenge. I think this would be a great way to show school spirit and start off the year. So, please: walk, run, jog or bike it; but please come out and support this wor-

thy cause.

Thank You

MAKE THIS YEAR'S RUN TWICE THE SUCCESS. BRING A FRIEND.

Every day brings us closer to Terry's dream. To beat cancer.

And until his dream becomes a reality, The Terry Fox Run continues.

The great thing about *this* Run is that it's not just for runners. Everyone can participate and get involved in helping to stop this disease.

You can walk it. You can bike it. Wheel it. Jog it. Whatever you wish.

You can cover as much of the course as you want and you do it at your own pace. It's up to you.

The thing is to come out, participate, have an enjoyable time while making a contribution in Terry's memory.

And when you join us this year, bring along a friend. You'll make Terry's Run twice the success.

Just imagine. If all participants bring a partner, we can more than double our contribution to cancer

research. It's really that simple.

And it's simple to get involved. You just call or write your local Canadian Cancer Society for the Terry Fox run site nearest you.

They'll tell you more about how you can spend an enjoyable, personally rewarding Sun. Sept. 15th.

Pledge sheets are available at these locations: Canadian Cancer Society, Canada Post Offices, Collegiate Sports, Four Seasons Hotels, Kentucky Fried Chicken, Shoppers Drug Mart and Kmart.

SMUDS 32nd Season

The Saint Mary's University Dramatic Society has been alive, well and busy on campus for over thirty years, providing students, Faculty and alumni with an opportunity to get together, work hard, have a lot of fun and produce some very fine performances, while learning the countless aspects of Drama and the Theatre. The upcoming year promises to be no less ex-

citing. With full-length plays to be offered in November and March, an evening of student-directed one-acts early in 1986 and several workshops and parties throughout the year, SMUDS offers a chance for everyone to get involved.

The focus of the Dramatic Society is to provide a learning experience and a creative outlet

for its members, while offering its audiences an exciting and enjoyable, polished performance.

SMUDS' Fall production will run from the 20th to the 23rd of November, inclusively and will be chosen, on the basis of audition turnout, from among the following: DEATHTRAP, by Ira Levin; BLITHE SPIRIT, by Noel Coward and UNDER MILKWOOD, by Dylan

Thomas. Open auditions will be held Thursday, September 12 from 6:30 to 10:00 and Saturday, September 14 from 1:00 to 5:00 in the Theatre Auditorium. Prepared audition pieces will be welcome, but not required — you can "come as you are"!

In addition, a workshop on acting — for actors and non-actors alike will take place on

Sunday, September 22 from 1:00 to 4:00. Everyone is welcome.

The SMUDS Executive for 1985-86 consists of: Mr. Kevin Cleary (Moderator), Katherine Chapman (Chairman), Marlene Kemp, Cathy VanBoeschoten, Terry Coolen. More information can be found by calling Mr. Cleary (Senate Office 429-9780).

Summer Flicks '85

by Carter Newson

The summer of '85 was definitely a good one for film-goers of all ages and tastes. There was a distinctly higher percentage of good reasons to go to cinemas this summer, a lower "crap quotient", if you will, than in previous summers. Some of these flicks were so great, in fact, that they drew ecstatic responses of "Yep, it's a new movie, all right".

For kids, there was the Goonies, which was fine if you could take two hours (OK, 1 1/2) of those screaming kids. Even Summer Rental wasn't too bad if you don't mind really stupid humor and second-rate casting. If anything, Summer

Rental proved that John Candy is best suited to late-night TV comedy shows.

If there were any movies that clearly deserved NOT to be seen, one of them was the tacky My Science Project. The less said about this one, the better. This, however, could hardly be said of Mad Max Beyond Thunderdome, a space-age fantasy starring Tina Turner and Mel Gibson. The only problem with this one was that I kept expecting Mrs. Turner to burst into song at any moment, which, of course, didn't happen.

Speaking of fantasy flicks, Back to the Future wasn't half bad either, with a setting that veered back and forth from the

'50's to the present day. I wonder if Chuck Berry is going to sue over this one?

Finally, one of the best of the lot had to be St. Elmo's Fire, which not only included three stars from The Breakfast Club, but expanded and improved on The Breakfast Club's brilliant original plot. St. Elmo's Fire was one flick that several people, even struggling university students, didn't mind shelling out five bucks to see.

In retrospect, it wasn't a bad cinematic season at all. If there was any prevalent theme throughout all of this summer's movies, it was this: Remember, only you can prevent Sylvester Stallone.

Dear Faith

Dear Faith:

I am in my first year here at Saint Mary's. I have met many new and wonderful girls here. I have never lived alone before (nor has my bed seemed so active). Is there something about the air in this city, or the food? I was wondering because it stings when I have to pee.

Phil Latio

Dear Phil:

First, I think your name really sucks. Second, it's obvious (and painfully to you) that these girls are not new. Wonderful, well . . . As for your problem, try a flea collar and make sure your 'dates' have had their shots.

Dear Faith:

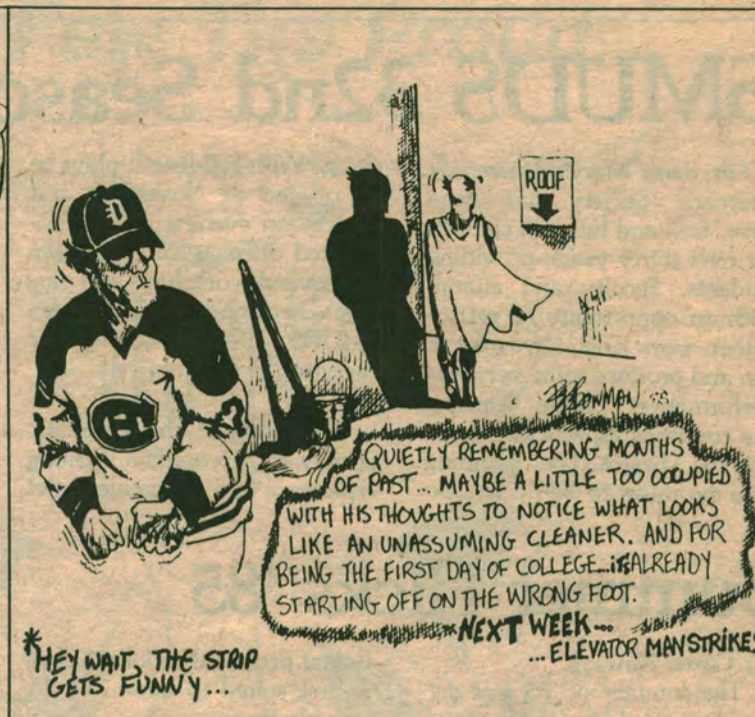

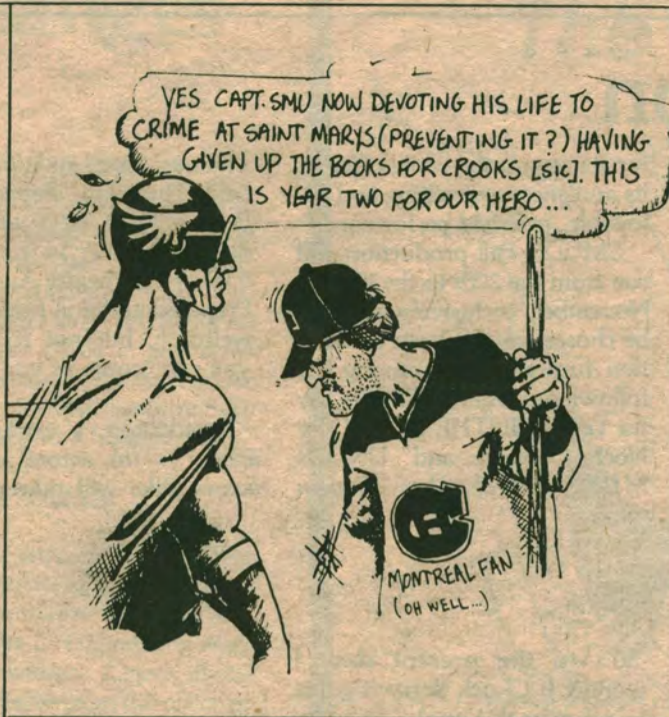

My english perfesser says I gotta go to my english course all de time. She says maybe I could yooz da pracktiss. I dunno . . . I speak perty good az it is.

Biff McGurk

Dear Biff:

So watz da problem? Just go out for sports.

Huskies Lose by 1 in Exhibition

by Henry Lee

The Saint Mary's Huskies lost the opening exhibition game to the Acadia Axemen on Friday by a disheartening single point. In the first half, Huskie kicker Jerry Foster had a chance to put 3 on the board from the 38 yard line, but missed and the Huskies settled for a single point. The Axemen countered by scoring a touchdown to lead 7-1. The

Huskies came back when running back Calvin Scott broke free and scored on a 61 yard romp. Kicker Jerry Foster converted the point after. The Huskies then added a single on a third down punt. Acadia rounded out the scoring in the first half with a field goal for 3. The score at halftime saw the Axemen ahead 10-9.

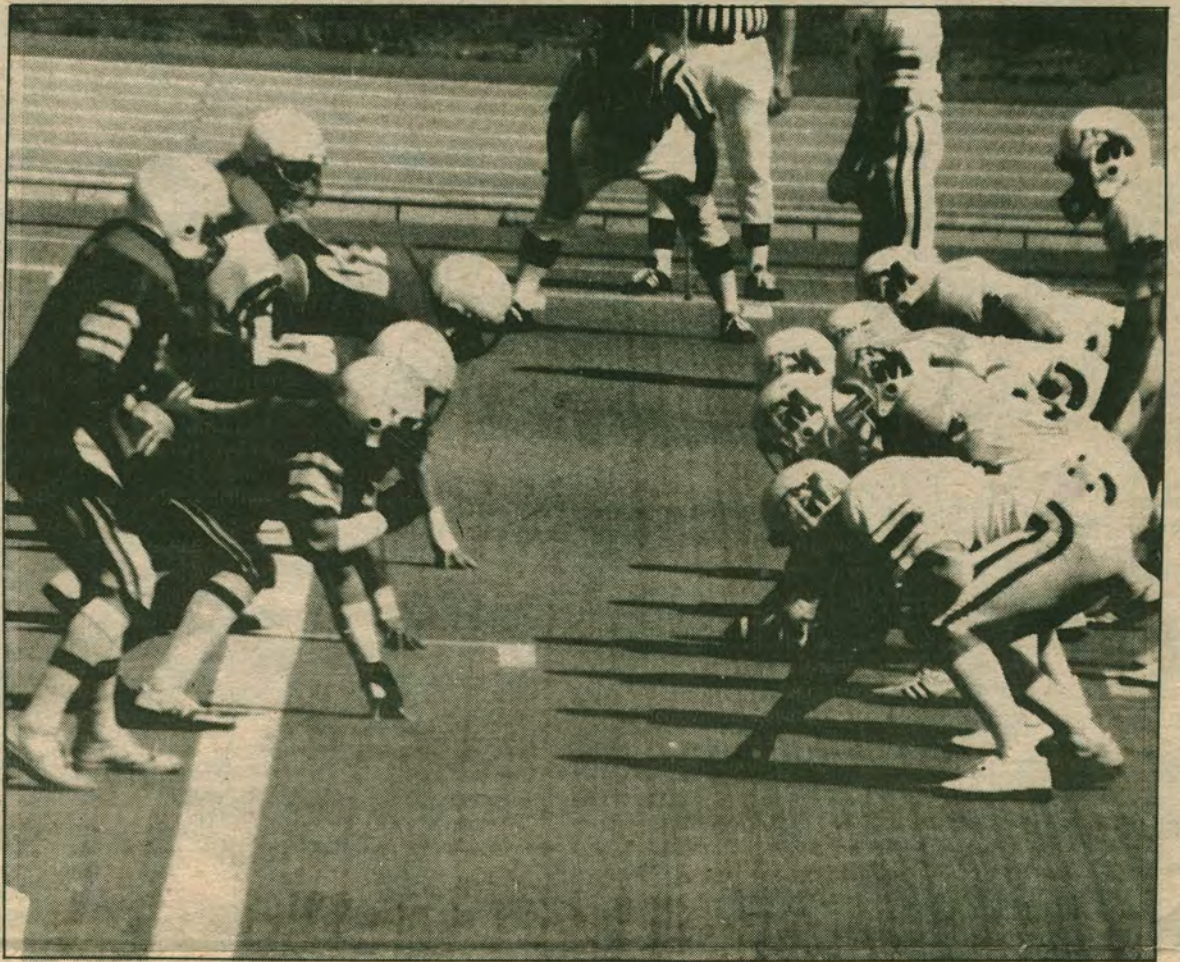

In the second half, the Huskies started off the scoring by adding a single by punter Bill Scollard, who sailed one through the end zone. The Ax-

emen then scored two more touchdowns and led 24-10. Huskie running back Will Durston rushed for 2 touchdowns and the Huskies were down by one with 50

seconds left, then the Huskies tried for a 2 point convert to win. The pass to wide receiver Mike Lukan was dropped and Huskies lost after a good come-back.

Saint Mary's quarterback Terry O'Brien was good on 22% of his passes, completing 5 out of 23 pass attempts for 73 yards and one interception. SMU's leading rusher was Calvin Scott, who carried 18

times for 144 yards and an 8 yard per carry average. The Huskies next exhibition game is at Huskies Stadium on September 3, when they entertain the St. Francis Xavier X-men at 7:30 p.m.
