Executive Positions Open Up

All good things must come to an end and so too must my term as the Treasurer for the Students' Association. The year so far has been all that I could have expected and then some. To anyone interested in becoming more involved with student activities on campus, I would say that there is no better way to get involved than as a member of the executive of SMUSA. You will be part of a diverse team of individuals who work non stop to see that student life on and off campus gets a little bit better each year.

The position of Treasurer, unlike the other executive positions, is an appointed position.

Students interested should complete a standard application form available on the 5th Floor of the Student Union Building and submit it along with a resume and cover letter in which you describe why you would be a good candidate for the position. The qualified student will have a GPA of 1.7 or higher and have an overall knowledge of accounting and finance issues as well as good business sense. The applications will be screened by the Treasury Appointment Board. The board is composed of the outgoing president, one outgoing SRC representative, the general manager of SMUSA, two professors from the
