INTRODUCTION

Welcome to the 2004/2005 edition of the *Saint Mary's University Fact Book*. Again this year, the Fact Book will be presented on our website:

<http://www.smu.ca/administration/externalaffairs/planning/factbook.html>

The purpose of this document is to provide the university community with information on the principal characteristics of Saint Mary's in a concise, consistent, and relevant manner. Over the course of the year, the Office of Institutional Analysis and Planning receives many requests for information. We hope that the *Fact Book* will be a useful resource in providing answers to the most commonly-asked questions. Any comments regarding changes and improvements are most welcome. I look forward to having your input.
